The California Constitution requires that a School Accountability Report Card (SARC) be prepared annually for each school. The Education Code states that the SARC "shall provide data by which parents can make meaningful comparisons between public schools enabling them to make informed decisions on which school to enroll their children." We believe that information contained in this report will enable you, the reader, to gain an accurate and realistic picture of Cabrillo Elementary School.

Vision Statement

As a community of learners, the Santa Monica-Malibu Unified School District works together in a nurturing environment to help students be visionary, versatile thinkers; resourceful, life-long learners; effective, multi-lingual communicators and global citizens. We are a richly varied community that values the contributions of all its members. We exist to prepare all students in their pursuit of academic achievement and personal health and to support and encourage them in their development of intellectual, artistic, technological, physical and social expression.

Principal's Message

With its beautiful gardens and sweeping vistas of the blue Pacific Ocean, Juan Cabrillo School is a unique, welcoming and friendly campus. We pride ourselves in creating a place where children learn, surrounded by many caring, kind and highly qualified adults.

The teachers at Juan Cabrillo are experts at what they do and are the finest in the nation. Our teachers have many years of experience in the classroom and many have Master's Degrees, National Board Certification and extensive training in specific fields. Children receive weekly lessons in vocal music, art, instrumental music, science lab and computers.

Our campus features an outstanding new and beautiful library, computer lab, art cottage, science lab and an on-site Child Enrichment Program for before and after school child care. Our special education teachers and staff are highly skilled in their fields and we welcome children of all abilities at our school. We offer a wide selection of after school programs that include chess, jazz dance, math magic, quilting, science, yoga and drum line. Children are encouraged to take advantage of these opportunities and to pursue hobbies and special interests.

Each day, reading experts tutor students one-on-one or in small groups. Our after school Homework Club provides students with tutors in all subjects to ensure that lessons are understood and homework is correct. Parents are always welcome on our campus, and we believe that connecting the school to parents and home is essential for the success of our students.

Our dedicated and hard-working PTA coordinates volunteers for special events and the PTA is always present on our campus. Juan Cabrillo's teachers and staff members are experts in teaching the California State Standards and our test scores are among the highest of all California elementary schools. However, our school is much more than high test scores.

We are a warm and friendly campus interested in teaching children to develop a love of learning, and to become compassionate, caring adults with the ability to get along with people from different cultures and with different abilities. At Juan Cabrillo School, there is a place at the table for everyone.

Barry Yates, Principal

School Description

Juan Cabrillo is a beautiful school with an exceptionally clean campus and beautifully decorated and well kept classrooms. Gardens of flowers and fruit trees are outside each classroom with vistas to the Pacific Ocean in front of us and the Santa Monica Mountains just behind the playground. The school is freshly maintained with impressive, professionally painted murals depicting the history of Malibu and the heritage of the Chumash Indians, who are a part of our local history. We are located on more than 15 acres of land with a large, grassy playground and a separate playground for kindergarten children. A remarkable environment supports an equally impressive educational program.

School Mission Statement

The mission at Juan Cabrillo is to provide the highest quality education possible for all students, one that allows each child to meet his or her potential in a safe and beautiful environment. We appreciate and acknowledge the uniqueness of each student and family in our school and welcome all as partners in our community. We believe in the importance of positive self-esteem and of instilling in children the desire to be life-long learners and visionary thinkers who see themselves as global citizens.

Opportunities for Parent Involvement

It is the spirit of cooperation and mutual support that makes our school exceptional. We encourage and welcome parent involvement in all aspects of school life. We pride ourselves in our ability to provide a safe and supportive learning environment for our students. Juan Cabrillo's parents are encouraged to participate in the PTA, Site Governance and volunteer in the classrooms and on the playground. Parents may also work in the office or help maintain our beautiful gardens and library. Juan Cabrillo welcomes and encourages parent participation at all levels. A major contributing factor to the success of our school is the active involvement of our parent community. Parents support the school with time, money and enthusiasm. This is truly a family school where everyone is welcome.

Contact the following individuals about participating in our school:

Principal: Barry Yates 310.457.0360; PTA and Parent Involvement:

Nadeane Rudd and/or Tracy Weirick 310.457.0360

Site Governance: Nancy Jordan and Diane Farag 310.457.0360

Bilingual Parent Committee: To be announced

School Enrollment & Demographic Information

Student Enrollment by Group

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Racial / Ethnic Category	Percent of Total Enrollment
African-American	2.5
American Indian or Alaska Native	0.0
Asian	2.1
Filipino	0.9
Hispanic or Latino	17.8
Pacific Islander	0.0
White (Not Hispanic)	74.8
Multiple or No Response	1.8
Socioeconomically Disadvantaged	18.4
English Learners	15.0
Students with Disabilities	24.0

Student Enrollment by Grade Level

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students
Kindergarten	48
Grade 1	52
Grade 2	56
Grade 3	49
Grade 4	56
Grade 5	65
Total Enrollment	326

School Safety, Discipline & Climate for Learning

Annual staff review of the school's safety plan was conducted on September 8, 2006. The teachers and staff of Juan Cabrillo Elementary insure that all students are safe on school grounds before, during and after school. The teachers and staff members monitor and supervise students before, during and after school. Parent volunteers help teachers supervise students during the school day and during lunch. Parents also volunteer to help with dismissal procedures at the end of each school day. During the school day there is no unauthorized access to the school campus. Only one entrance is open during school hours. Classrooms at Juan Cabrillo are clean and comfortable. There is ample classroom space for students. In addition, our campus has a state of the art library, multipurpose room, conference rooms, psychologist's office, reading tutorial rooms, vocal music room, art cottage, after-school Child Development Center, computer lab, special education resource rooms, nurse's office, Community Liaison office, teacher workroom, teacher lounge, outdoor and indoor cafeterias, track and field, two playground areas, outdoor reading areas, PE office, and Principal's office.

Suspensions & Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2003-04	2004-05	2005-06	2003-04	2004-05	2005-06
Suspensions	0.0061	0.0206	0.0061	0.0534	0.0709	0.0680
Expulsions	0	0	0	0.0003	0.0008	0.0007

School Facilities

Cabrillo is a beautiful school, which is freshly painted and well maintained. We are located on more that 15 acres of land with a large, grassy playground as well as a new black top area for playing ball and other games. The school has lovely gardens filled with flowers and fruit trees maintained by student, parent and teacher volunteers. We have beautiful, professionally painted murals that depict the history of Malibu and the heritage of the Chumash Indians, who are part of our local history.

The school has been renovated thanks to bond measures passed by our community. Recent projects have enhanced the learning environment by upgrading the overall infrastructure. All classes have computers, printers, televisions, VCRs, and other technology appropriate to each grade level. Our technology program and lab serve as a model for other schools and are headed by a credentialed teacher as well as a technology expert, who maintains our computer lab with precision. Dolphin pride abounds at Juan Cabrillo. Many children participate in our before and after school childcare program which is available from 7am – 6pm daily. The principal, teachers, parents, and staff members supervise children before school, during school and after school. Anyone coming onto the school campus must check in at the office and is required to wear an identification badge while on campus. Parents must check their children out of school by coming into the office first. The gates to the school are closed during school hours.

The principal and other staff members monitor the halls during the school day. Classes are cleaned daily and the large playground is well maintained by district personnel. A schedule for cleaning the classroom and school at large is created at the beginning of each school year and carefully followed. Our custodians take great pride in their important role in the school. Restrooms are decorated with ceramic tiles made by the children and are clean and maintained and monitored throughout the day.

Parking for parents is in a lot at the front of the school and on the street. Staff has assigned parking in a separate lot on the side of the campus. Cabrillo celebrated its 52nd birthday last year. The facility, which supports our school, is well maintained and is in great condition. Needed maintenance includes routine roof maintenance to keep warranties in effect, and deferred maintenance projects include: flooring replacement, interior painting, and some light playground repairs. We are proud that our school district takes great effort to ensure that our school is clean, safe, and functional. There are no emergency needs as defined by the Office of Public School Construction. For more information please visit <http://www.cde.ca.gov/ta/ac/sa/sarcnews040005.asp>

California Standards Tests (CST)

The California Standards Tests (CST) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 4, 8, 9, 10, and 11; and history-social science in grades 8, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and proficiency level, including the percent of students not tested, can be found at the CDE Web site at <http://star.cde.ca.gov>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

The California Standards Tests in English-language arts, mathematics, science, and history-social science are administered only to students in California public schools. Except for a writing component that is administered as part of the grade four and seven English-language arts tests, all questions are multiple choice. These tests were developed specifically to assess students' knowledge of the California content standards. The State Board of Education adopted these standards that specify what all California children are expected to know and be able to do in each grade or course. The 2006 CSTs were required for students who were enrolled in the following grades/courses at the time of testing or who had completed a course during the 2005–06 school year, including 2005 summer school.

All Students in Grades 2 – 11	English-Language Arts
All Students in Grades 2 – 9	Mathematics
All Students in Grades 5, 8, and 10	Science
Grade 8 – 11 students who completed	Algebra I, Geometry, Algebra II, or Integrated Mathematics 1, 2, or 3
Grade 8 and 9 students who did not complete one of the above math courses during the school year	General Mathematics
Grade 9 and 10 students who completed Algebra II or Integrated Mathematics 3 during the previous grade and grade 11 students who completed Algebra II or Integrated Mathematics 3 anytime before 2006 testing began, including students taking higher mathematics courses or no mathematics course	Summative High School Mathematics
All Students in Grades 8, 10, and 11	History-Social Science
Grade 9 – 11 students who completed	Earth Science, Biology, Chemistry, Physics, or Integrated/Coordinated Science 1, 2, 3, or 4

CST scores are reported as one of five performance levels from advanced to far below basic. The scores are used for calculating each school's Academic Performance Index (API). Only the results of the California English-Language Arts and Mathematics Standards Tests are used to determine the progress elementary and middle schools are making toward meeting the federal No Child Left Behind (NCLB) Act of 2001 adequate yearly progress (AYP) requirement of having all students score at proficient or above on these tests.

CST Results by Student Group - Most Recent Year

This table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

Group	Percent of Students Scoring at Proficient or Advanced		
	English-Language Arts	Mathematics	Science
African American	*	*	*
Asian	*	*	*
Filipino	*	*	
Hispanic or Latino	28	38	18
White (Not Hispanic)	75	77	64
Male	60	70	68
Female	73	73	45
Economically Disadvantaged	38	45	36
English Learners	28	44	*
Students with Disabilities	41	43	23

CST Results for All Students -- Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2004	2005	2006	2004	2005	2006	2004	2005	2006
English-Language Arts	55	61	66	56	61	64	36	40	42
Mathematics	67	66	71	48	51	53	34	38	40
Science	51	37	56	43	40	54	25	27	35

Non-Referenced Test (NRT)

The norm-referenced test (NRT), currently the California Achievement Test, Sixth Edition (CAT/6), shows how well students are doing compared to students nationally in reading, language, spelling, and mathematics in grades 3 and 7 only. The results are reported as the percent of tested students scoring at or above the national average (the 50th percentile). Detailed information regarding NRT results for each grade level can be found at the CDE Web site at <http://star.cde.ca.gov/>. Note: Scores are not shown when the number of students tested is 10 or less.

NRT Results for All Students -- Three Year Comparison

This table displays the percent of students scoring at or above the national average (the 50th percentile) in reading and mathematics.

Subject	School			District			State		
	2004	2005	2006	2004	2005	2006	2004	2005	2006
Reading	68	73	47	61	63	60	43	41	42
Mathematics	75	73	64	67	68	68	51	52	53

NRT Results by Student Group -- Most Recent Year

This table displays the percent of students, by group, scoring at or above the national average (the 50th percentile) in reading and mathematics for the most recent testing period.

Group	Percent of Students Scoring at or Above the National Average	
	Reading	Mathematics
African American	*	*
Asian	*	*
Hispanic or Latino	*	*
White (not Hispanic)	53	67
Male	46	62
Female	48	65
Economically Disadvantaged	33	58
English Learners	*	*
Students with Disabilities	15	38

California Physical Fitness Test Results

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all six fitness standards) for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pf/>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

For more information regarding Physical Fitness Tasks, please see: http://data1.cde.ca.gov/dataquest/PhysFitness/gls_pft_tasks.asp

HFZ: The "Healthy Fitness Zone" The Fitnessgram uses criterion-referenced standards to evaluate fitness performance. The standards were established by the Cooper Institute for Aerobics Research to represent a level of fitness that offers some degree of protection against diseases that result from sedentary living. Findings from current research based on the United States national norms have been used as the basis for establishing the Fitnessgram standards. Performance is classified into two general areas: "in the healthy fitness zone (HFZ)" and "needs improvement." For a list of the standards for the HFZ, see [Fitnessgram Standards for Healthy Fitness Zone](#). All students should strive to achieve a score within the HFZ. It is possible that some students score above the HFZ. For the purpose of this report, scores are reported as meeting the standard (falling in the fitness zone) or not meeting the standard (falling lower than the HFZ).

Physical Fitness Tasks	Grade 5		
	Total Tested	% in HFZ	% Not in HFZ
Aerobic Capacity	55	80.0	20.0
Body Composition	55	67.3	32.7
Abdominal Strength	55	94.5	5.5
Trunk Extension Strength	55	96.4	3.6
Upper Body Strength	55	50.9	49.1
Flexibility	55	63.6	36.4
Number of fitness standards achieved	Grade 5		
	Number	Percent	Cum. Percent
6 of 6 fitness standards	8	14.5	14.5
5 of 6 fitness standards	25	45.5	60.0
4 of 6 fitness standards	15	27.3	87.3
3 of 6 fitness standards	4	7.3	94.5
2 of 6 fitness standards	2	3.6	98.2
1 of 6 fitness standards	0	0.0	98.2
0 of 6 fitness standards	1	1.8	100.0
Total tested	55	100.0	

Academic Performance Index (API)

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks -- Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2003-04	2004-05	2005-06
Statewide	9	9	9
Similar Schools	4	7	7

State Award & Intervention Programs

No schools in the Santa Monica-Malibu Unified School District qualified for the Immediate Intervention Underperforming Schools Program (II/USP). Although state award programs are currently in the California Education Code, the programs were not funded for the period addressed by this report. Therefore, there are currently no data available to report. Two Title I elementary schools in SMMUSD, Edison Language Academy and McKinley Elementary School received the Academic Achievement Award from the state.

Federal Intervention Programs

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status	n/a	0
First Year of Program Improvement Implementation	n/a	0
Year in Program Improvement	n/a	0
Number of Schools Currently in Program Improvement	0	0
Percent of Schools Currently in Program Improvement	0.0	0.0

Adequate Yearly Progress (AYP)

The federal NCLB act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

API Changes by Student Group -- Three Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note: * means that the student group is not numerically significant. "A" means the subgroup scored at or above the interim statewide performance target of 800.

Group	Actual API Change			API Score
	2003-04	2004-05	2005-06	2006
All Students at the School	13	-1	10	853
African American				
Asian				
Hispanic or Latino	15			
White (not Hispanic)	7	1	18	879
Socioeconomically Disadvantaged				
English Learners	--	--		
Students with Disabilities	--	--		

AYP Overall & by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	Yes
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	Yes
Percent Proficient - Mathematics	Yes	Yes
API	Yes	Yes
Graduation Rate	N/A	Yes

Local Assessment

At three points during the year (November, January, and June), all students in grades 1-5 participate in literacy assessment. These assessments are aligned with our adopted English Language Arts series, Houghton Mifflin READING, A Legacy of Literacy, California Edition. Both the assessments and the text are aligned to California State Content Standards. Formative literacy assessment provides teachers with detailed data about the performance of individual students and the class as a whole on the following dimensions of English Language Arts instruction:

- Decoding and Phonemic Awareness
- Reading Comprehension
- Sentence Structure
- Spelling
- Vocabulary
- Writing Strategies
- Grammar
- Listening

Teachers use the data from formative assessment in many ways, such as to identify students who are in need of academic support or to plan and pace classroom instruction.

The first two tables below summarize, grade-by-grade, overall results from the formative literacy assessments from the February and June administrations in the 2003-2004, 2004-2005 and 2005-2006 academic years. The number in each box is the percentage of students who met or exceeded the district benchmark of 75% correct on the formative assessment. Data are included for Cabrillo Elementary School and for the district as a whole.

Elementary Formative Literacy Assessment Overall Scores --- Winter Administration (2004, 2005 and 2006) School and District Comparison

Grade Level	Cabrillo Elementary School			District		
	2004 - Feb	2005 - Feb	2006- Jan	2004 - Feb	2005 - Feb	2006 - Jan
1st grade	77%	86%	80%	85%	77%	82%
2nd grade	67%	62%	78%	71%	70%	70%
3rd grade	85%	72%	57%	80%	78%	77%
4th grade	60%	57%	60%	61%	61%	66%
5th grade	60%	50%	60%	62%	60%	52%

Elementary Formative Literacy Assessment Overall Scores --- June Administration (2004, 2005 and 2006) School and District Comparison

Grade Level	Cabrillo Elementary School			District		
	2004 - June	2005 - June	2006- June	2004 - June	2005- June	2006- June
1st grade	76%	85%	78%	86%	82%	86%
2nd grade	87%	88%	100%	87%	89%	88%
3rd grade	77%	84%	65%	72%	75%	76%
4th grade	60%	68%	52%	66%	67%	71%
5th grade	63%	55%	63%	64%	65%	70%

Overall, Cabrillo's scores on both the January 2006 and June 2006 formative literacy assessments were roughly consistent with districtwide scores, except at 3rd and 4th grade. All 2nd grade students met the district's benchmark on the June 2006 formative assessment; this was an increase from 88% in June 2005.

The third table summarizes grade-by-grade, overall results from the District Writing Assessment (DWA) for administrations in the 2004-2005 and 2005-2006 academic years. The scores are mean rubric scores out of a total possible 8. For second grade the writing assessment was in the Narrative Genre, third grade was in the Descriptive Genre and fifth grade was in the Persuasive Genre. Fourth grade was not administered the DWA as this is the only grade that is assessed on the State Writing Assessment. Data are included for Cabrillo Elementary School and for the district as a whole.

Elementary District Writing Assessment – Winter Administration (2004-2005 and 2005-2006) and District Comparison

Grade Level	Cabrillo Elementary School		District	
	2005—March	2006 - Jan	2005 - March	2006-Jan
2nd grade	4.15	4.90	4.65	4.66
3rd grade	4.38	3.91	4.52	4.62
5th grade	3.91	4.28	4.55	5.00

Quality of School Instruction & Leadership

The goals enumerated in Juan Cabrillo Elementary School's school improvement plan for 2005-2006 were:

1. Increase overall academic achievement for ALL students in English Language Arts and Mathematics.
2. Increase academic achievement for socio-economically disadvantaged students in English Language Arts and Mathematics.
3. Increase academic achievement for English Learners in English Language Arts and Mathematics.
4. Increase academic achievement for Students with Disabilities in English Language Arts and Mathematics.
5. Increase student achievement in English Language Arts and Mathematics by using culturally responsive practices.

Juan Cabrillo Elementary School is committed to providing each student with a rich and rigorous curriculum that is aligned with the State's content standards and frameworks for literacy, mathematics, science and social studies. Textbooks and supplemental materials are aligned with the content standards. Staff members work diligently reviewing and refining the instructional program through collaborative planning and evaluation in weekly meetings. It is our intention to provide access to the core curriculum for all students at the school. The underpinnings of much of our current work to strengthen and align the curricular and instructional program come from the Principles of Learning research of Dr. L. Resnick from the University of Pittsburgh.

Classrooms reflect clear expectations, academic rigor in a thinking curriculum and accountable talk. Staff members participate in Learning Walks – organized visits through the school's learning areas – using the Principles of Learning to focus on areas of success and areas in need of improvement. Other strategies staff members are using to strengthen teaching and learning include: staff analysis of data on student performance; grade level curriculum and assessment planning; classroom visitations, including Learning Walks; review and analysis of student work; and targeted professional development based on observed needs.

Leadership at Juan Cabrillo Elementary School is distributed. The principal involves staff members and parents in decision-making at the site through formal mechanisms such as the site's leadership team, governance and parent organizations, including PTA. The school also has a Technology Committee to integrate computers in the classroom. Students identified as academically low achieving are provided with increased learning opportunities with special emphasis on expanded learning experiences. Under-performing students and special needs students, who are at-risk in academic achievement, are provided with an extended day program and summer school programs as interventions. The extended day program also provides enrichment opportunities for all students. To ensure equal access to the core curriculum, special needs students and English Learners receive appropriate supports and/or accommodations that correspond to their specific needs within the least restrictive learning environment.

Student progress in mastering state standards is regularly monitored through daily classroom work, classroom and grade level assessments, district formative assessments, and participation in state mandated testing. Grade level teams use much of their meeting time to review student work and assessment data and to plan modifications to instruction to meet identified student needs. All elementary schools report student progress to parents at three points in the year, and parents are encouraged to arrange meetings with teachers if there are questions or concerns that they would like to discuss.

Quality, Availability & Currency of Textbooks

The following is information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. This information was presented in a public hearing on Oct. 27, 2005 at 5:30 pm in the District Board room.

No students have insufficient textbooks and/or instructional materials in the following areas of study: English Language Arts, Mathematics, Social Studies, Science, and Health.

For students in K-8, the instructional materials were purchased from an approved standards-aligned state adoption list as required by CCR, Title 5, and Section 9531.

Instructional Minutes/Minimum Days

The California Education Code establishes a required number of minutes per year for each grade. The table below compares the number of instructional minutes offered at the school level to the state requirement for each grade. Each site considers these requirements when scheduling minimum days to insure that standards are maintained or exceeded.

The table below shows the number of minimum days for this school. These days allow teachers and administrators to collaborate on curriculum and instructional issues, to review school goals and progress in meeting those goals. Minimum days also provide school staff the opportunity to prepare for educational programs, parent conferences and school and District sponsored events.

The California Education Code establishes the required number of instructional minutes per year for each grade. Data reported compares the number of instructional minutes offered at the school level to the state requirement for each grade.

Grade Level	Number of Minimum Days	Total Instructional Minutes	Required by State
K	10	42,460	36,000
1, 2, 3	7	53,260	53,100
4, 5	7	54,510	54,480

Use of Technology

The school district embarked on a number of technology projects that are having great success and address a broad spectrum of students and teachers across the district.

The district received an EETT (Enhancing Education Through Technology) grant which targets grades 4-8 at John Adams Middle School and its pathway schools Edison, Grant, Muir, Rogers, and additionally McKinley. The grant focuses on mathematics using Riverdeep's award winning Destination Math software in conjunction with SmartBoards. Over 40 SmartBoards were purchased and installed with over 150 laptop and desktop computers. Extensive training and support are included in the grant. Other schools not included in the grant have also joined in the project ordering the software and SmartBoards for their schools as well. The math software is accessible for students and parents from outside the school via home, public libraries, or other public access locations.

Another important project has been the implementation of broad data access tool called DataDirector from Achieve Data Solutions. This system provides access via the web for all teachers and administrators to over 5 years of demographic and assessment data for all our students with powerful tools for disaggregation and analysis. The new system also includes a new elementary standards based report card.

The district's library system was upgraded to the latest versions which allow greater flexibility in terms of accessing library and textbook resources throughout the district. It is primarily web based for students and is accessible from outside of school as well. All library and textbooks are barcoded and tracked efficiently through this system. Along with the district library system, all school libraries offer a wide variety of online commercial databases and research resources.

The Special Education department moved to new software for tracking students and providing state reporting for all special education students. The new system is entirely web based and serves the entire Tri-City SELPA including Santa Monica-Malibu, Beverly Hills and Culver City. The new system includes online IEPs that teachers and special education staff can use from anywhere they have Internet access.

School	# of Computers	# of Students per Computer	# of Classrooms with Internet
JUAN CABRILLO ELEMENTARY	97	3.4	24
District Total:	2,970	4.1	604
County Total:	383,792	4.5	79,482

Average Class Size & Class Size Distribution

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Grade Level	2003-04			2004-05			2005-06					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-20	21-32	33+		1-20	21-32	33+		1-20	21-32	33+
K	18.5	4			17.3	3			16.3	3		
1	22.0	2	1		20.0	3			16.3	4		
2	19.0	2			18.5	2			19.5	2		
3	19.0	3			19.5	2			20.0	1		
4	25.5		2		31.0		2		25.5		2	
5	24.3		3		30.3		2	1	30.0		2	
K-3	18.0	1			16.0	2			19.0	2		

Participation in the Class Size Reduction Program

This table displays the percent of students in kindergarten through grade 3 who were assigned to a classroom that participated in the Class Size Reduction Program.

Grade Level	Percent of Students Participating		
	2003-04	2004-05	2005-06
K	100%	100%	100%
1	100%	100%	100%
2	100%	100%	100%
3	100%	100%	100%

Teacher Evaluations

Teacher evaluation procedures are defined in the SMMCTA-SMMUSD Bargaining Agreement. Non-permanent teachers (temporary and probationary) are formally evaluated at least two times a year. Tenured teachers are evaluated every two years, and they have an option of a formal (2-year) professional growth cycle every other evaluation. The district, in cooperation with the Santa Monica-Malibu Classroom Teachers Association (SMMCTA), has developed and implemented a new standards-based evaluation system, which is being phased in for all classroom teachers, based on their hire date in the district. This system evaluates teachers based on the California Standards for the Teaching Profession (CSTP). All evaluations are confidential. Teachers may receive final ratings of satisfactory, needs improvement, or unsatisfactory.

Staff Education Level & Service Report for Certificated Staff

School	Gender	Education Level							Years of Service		
		Doctorate	Master's Degree +30	Master's Degree	Bachelor's Degree +30	Bachelor's Degree	Less than Bachelor's	None Reported	Total Staff	Avg. Years of Ed. Service	Avg. Years in the District

Availability of Substitutes

Credentialed teachers are eager to work at Juan Cabrillo. Many of our substitutes live in our community and have children in our school system. Substitutes report they enjoy coming to our school and some even ask to be considered exclusively for our school.

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District
	2003-04	2004-05	2005-06	2005-06
With Full Credential	22	21	19	602
Without Full Credential	4	3	1	27
Teaching Outside Subject Area of Competence	0	0	0	---

Teacher Misassignments & Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicator	2004-05	2005-06	2006-07
Misassignments of Teachers of English Learners	6	7	5
Total Teacher Misassignments	8	9	5
Vacant Teacher Positions	0	0	0

Core Academic Courses Taught by NCLB Compliant Teachers

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers at the school, at all schools in the district, at high-poverty schools in the district, and at low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	100.0	0.0
All Schools in District	93.0	7.0
High-Poverty Schools in District	0.0	0.0
Low-Poverty Schools in District	94.0	6.0

Counselors & Other Support Staff

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Academic Counselor	0.0
Technology Coordinator	0.0
Library Media Services Staff (paraprofessional)	0.0
Psychologist	1.0
Social Worker (El Nido)	0.0
Nurse	0.0
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	0.0
Title 1 Coordinator	0.0
Bilingual Community Liaison	0.0
Physical Education Specialist	0.0
English Language Development Coach	0.0

Professional Development

All teachers and staff at each of our school sites participate in ongoing professional development and curriculum and instructional improvement efforts through “banked time,” 90 minutes of meeting and professional development time each week at each site. In addition, there are three days set aside in our calendar for intensive professional development and planning. One of these days is a district-wide day, the other two are developed by, and conducted at, individual sites.

Areas of district-wide focus for teacher and administrator professional development are determined by a needs assessment conducted by Educational Services. The needs assessment consisted of a review of summative and formative data from all school sites and the collection of input from teachers and administrators. Among the primary focus areas for professional development in SMMUSD schools are the following:

- The Principles of Learning, especially Academic Rigor in a Thinking Curriculum, Clear Expectations, and Accountable Talk
- Lesson Link where teachers work together to co-plan, teach, revise and publish lessons for one another
- Academic Conferences where teachers review data, discuss options and select additional areas of focus for instructing students in their classes
- Literacy and Mathematics
- Using data to improve classroom instruction
- Culturally Relevant Pedagogy
- Supporting students with special needs
- Safe schools and healthy students
- Character education
- Frontloading instruction for English Language Learners
- Differentiated Instruction

At individual school sites, teachers and administrators review data, discuss options and select additional areas of focus for the staff as a whole as well as for departments and/or grade level teams as appropriate.

A variety of methodologies are used to provide professional development. It is a goal for the SMMUSD to provide coaching to teachers through a variety of mechanisms. Coaching and mentoring occur through several programs – BTSA, National Boards, literacy and ELD coaching, teacher leadership, and such specialized programs as Cotsen Fellows and Mentors and Lesson Link. Additionally, professional development occurs through workshop series during banked time or as after school opportunities. Teachers may also attend workshops or conferences as school improvement and grant funding permit. Occasionally, teachers will attend a full-day professional development opportunity offered by our own staff or appropriately selected consultants. We have worked closely with the Writing Workshop program out of Teachers College of Columbia as well as the Six Traits of Writing out of Great Source programs.

Each August, all teachers new to Santa Monica-Malibu are invited to participate in Teacher Academy – three days of professional development and orientation to district wide curriculum and instructional initiatives. All eligible new teachers are encouraged to participate in BTSA. Teachers interested in applying for National Board Certification may participate in the process and can elect to be supported by teachers who have already achieved National Board Certification.

Teacher & Administrative Salaries (Fiscal Year 2004-05)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/> and <http://www.cde.ca.gov/ta/ac/sa/salaries0405.asp>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$39,805	\$37,172
Mid-Range Teacher Salary	\$59,432	\$58,436
Highest Teacher Salary	\$80,017	\$73,583
Average Principal Salary (Elementary)	\$101,500	\$93,347
Average Principal Salary (Middle)	\$106,756	\$97,873
Average Principal Salary (High)	\$117,424	\$105,556
Superintendent Salary	\$155,717	\$159,227
Percent of Budget for Teacher Salaries	41.2	42.1
Percent of Budget for Administrative Salaries	6.3	5.3

Expenditures Per Pupil & School Site Teacher Salaries (Fiscal Year 2004-05)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$5,118	\$821	\$4,296	\$53,960
District	---	---	\$4,339	\$59,528
Percent Difference - School Site and District	---	---	-1.00%	-10.32%
State	---	---	\$4,743	\$57,838
Percent Difference - School Site and State	---	---	-10.40%	-7.19%

Districts and county offices report their revenues and expenditures to the California Department of Education (CDE) prior to the completion of their annual audit. Every effort is made by the CDE to catch errors or misinterpretations. However, the unaudited information is not changed after it has been certified and released by CDE. Therefore, this report may include some uncorrected data.

Each school district must submit its financial data to the California Department of Education (CDE) in a uniform format called Standardized Account Code Structure (SACS). Although some districts choose to track school site expenditures, the CDE does not collect that data. Districts report their revenues and expenditures to the CDE prior to the completion of their annual audit. Every effort is made by the CDE to catch errors or misinterpretations. However, the unaudited information is not changed after it has been certified and released by CDE. Therefore, the SACS financial reports may include data that districts later correct, based on their audits. For more information:

<http://www.ed-data.k12.ca.us/Navigation/fsTwoPanel.asp?bottom=%2Fprofile%2Easp%3Flevel%3D06%26reportNumber%3D16>

A school district's budget is a local spending plan that is revised throughout the year. The budget is approved at the district level and reviewed by the county office of education; it is not sent to the California Department of Education (CDE).

The financial data submitted to the CDE and presented here are unaudited actuals. These are revenues and expenditures for the entire year in the standardized account code structure (SACS) format, as reported by the school district prior to its annual audit.

Expenditures (Fiscal Year 2004-05)

Current Expense of Education per ADA (Per Education Code Section 41372) Santa Monica-Malibu Unified, 2004-05				
By law, the "current expense of education" must be calculated annually for every district; it is a measure of the cost of direct educational services to students. This figure is then matched with average daily attendance (ADA) for the district to arrive at an expenditure per pupil figure. Since the current expense figure excludes food services, facilities acquisition and construction, and certain other expenditures, the current expense per ADA amount is lower than the total expenditure per ADA shown in the table above.				
Santa Monica-Malibu Unified School District		Statewide Avg All Unified School Districts	Statewide Avg All Districts	
Total Dollars	Average Daily Attendance	\$ / Student (ADA)	\$ / Student (ADA)	\$ / Student (ADA)
\$101,128,398	12,176	\$8,305	\$7,172	\$7,127

Types of Services Funded

In addition to funding for outstanding elementary education instruction – fully aligned to the State Frameworks (<http://www.smmusd.org/edservices/curriculumframeworks.html>), a wide variety of support staff and programming are available to each site. District and categorical funding supports centralized and direct services for students and teachers including: Special education programs, counseling, library services, psychologists, social work, child welfare and attendance services, literacy coaches, English language development coaches, programs for English language development, coordinators of teacher support for beginning teachers, district literacy coaches, formative assessment programs, professional development, physical education, after school intervention programs, and intensive intervention summer school programs. Contact the principal for more details on these exemplary programs.
