Hate-Motivated Behavior

The Board of Education affirms the right of every student to be protected from hate-motivated behavior. It is the intent of the Board to promote harmonious relationships that enable students to gain a true understanding of the civil rights and social responsibilities of people in our society. Behavior or statements that degrade an individual on the basis of his/her race, ethnicity, culture, heritage, immigration status, sexual orientation, gender, gender identity, gender expression, disability, physical/mental attributes, religious beliefs or practices, or based on association with a person or group with one or more of these actual or perceived characteristics shall not be tolerated.

Definition of Hate-Motivated Behavior

Hate-motivated incidents include those actions that are motivated by bias, but may or may not meet the necessary elements required to prove a crime. This may include such behavior as non-threatening name-calling, using racial slurs or disseminating racist leaflets. Some hate-motivated behavior including, but not limited to, assault, threats, destruction of property, graffiti, and vandalism may also constitute a crime punishable by law.

Any student who feels that he/she is a victim of hate-motivated behavior or who has witnessed hate motivated behavior shall report to the school principal or designee immediately. Reports may be either oral or written. The school shall assist the student in the writing of the complaint if necessary. Such complaints shall be investigated pursuant to the investigation procedure detailed in AR 5145.9. Each school will adopt safe-school guidelines to be followed by every student at school or at school-sponsored or school-related activities.

At the beginning of each school year, students and staff shall receive a copy of the district's policy on hate-motivated behavior. Additionally, principals or designees shall provide appropriate instruction on the district’s policy including examples of hate-motivated behaviors.
The district shall develop and implement strategies designed to raise the awareness and sensitivity of teachers, administrators, and school employees to potentially prejudicial and discriminatory behavior and to encourage the participation of these groups in appropriate programs.

Each teacher shall create and foster an environment that encourages pupils to realize their full potential and that is free from discriminatory attitudes, practices, events, or activities, in order to prevent acts of hate-motivated behavior.

adopted: August 19, 2009 Santa Monica, California

Hate-Motivated Behavior

The Board of Education is committed to maintaining an educational environment that is free from harassment and discrimination of any kind.

Definition of Hate Motivated Behavior

Hate motivated behavior is an act, or attempted act, motivated by hostility toward a victim’s actual or perceived race, ethnicity, culture, heritage, age, political affiliations, immigration status, sexual orientation, gender, gender identity, gender expression, disability, physical/mental attributes, or religious beliefs or practices, or based on association with a person or group with one or more these actual or perceived characteristics.

Hate-motivated incidents include those actions that are motivated by bias, but may or may not meet the necessary elements required to prove a crime.

Types of conduct that are already prohibited in the District and that may also constitute hate motivated behavior include, but are not limited to:

1. Graffiti containing offensive language;
2. Threatening or intimidating conduct;
3. Jokes, teasing, rumors or name calling;
4. Slurs, negative stereotyping, and other hostile acts;

7. Threatening phone calls, hate mail, cyber or other electronic communication;
8. Vandalism or destruction of religious symbols or images; and
9. Other kinds of aggressive conduct such as theft or damage to property.

The determination that an act constitutes hate motivated behavior should be made when the behavior is judged by a reasonable person as the target to be sufficiently severe or pervasive to have a negative impact on the student’s academic environment. It may be necessary, but is not required, to seek input from persons of the same protected group in making the determination whether an act constitutes hate motivated behavior.

Investigation of Complaints Regarding Hate Motivated Behavior by another Student

Notice and Receipt of Complaint: Any student, parent/guardian, or staff who believes a student has been subjected to hate motivated behavior or who has witnessed hate motivated behavior shall report to the school principal or designee immediately. A District employee who knowingly allows an act or acts of hate motivated behavior to occur and/or fails to report such acts, shall be considered to have violated District policy and will be subject to appropriate discipline.

2. Initiation of Investigation: Principal or designee shall initiate an investigation of an allegation of hate motivated behavior within five school days of receiving notice of the incident, regardless of whether an oral or written complaint has been filed.
The investigation at the school site shall include interviewing:

- The student who is complaining
- The person accused of harassment
- Anyone who witnessed the conduct complained of
- Anyone mentioned as having related information

- Nature and scope of the incident
- Impact on the target

- Age of the perpetrator
- Context in which the incident occurred

Neither the complainant nor the target shall be required to meet with the alleged harasser or person suspected of hate motivated behavior.

If appropriate, the Principal or designee shall activate the school Threat Assessment Team to determine the level of threat posed to the target and need for safety supports.

The school shall notify the parents/guardians of the following: the target(s), the student/s who made the report and the alleged perpetrator(s) of the incident.

3. Reporting: As required, the Principal or designee shall file an Incident Report to be submitted to the Risk Manager.

The principal or designee shall give the Director of Student Services a written report of the complaint and investigation. If the school determines that hate motivated behavior has occurred, this report shall describe the actions taken to end the behavior and address the effects of the behavior on the target including, but not limited to, appropriate disciplinary action and prevent of retaliation or further incidents.

The appropriate law enforcement agency will be notified if there is evidence indicating that a hate-motivated crime has occurred. Behaviors described in Penal Code section 422.6 require reporting to law enforcement.

Disciplinary Measures

Any student who engages in hate motivated behavior of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action.

Students in grades 4-12 who engage in hate motivated behavior shall be subject to discipline including, but not limited to, behavior contract, counseling, community service, suspension, expulsion, transfer to another school, transfer to an alternative program, or denial of participation in extracurricular or co-curricular activities in accordance with Board Policy and Administrative Regulation.
