WHY YOUR CHILD NEEDS SHOTS:

The California School Immunization Law requires that children be up to date on their immunizations (shots) to attend school. Diseases like measles and whooping cough (pertussis) spread quickly, so children need to be protected before they enter. California schools are required to check immunization records for all new student admissions at Kindergarten or Transitional Kindergarten **through** 12th grade and all students advancing to 7th grade before entry.

THE LAW:

Health and Safety Code, Division 105, Part 2, Chapter 1, Sections 120325-120380; California Code of Regulations, Title 17, Division 1, Chapter 4, Subchapter 8, Sections 6000-6075

WHAT YOU WILL NEED AT REGISTRATION:

Bring your child's Immunization Record. You cannot register without it. The Immunization Record must show the date for each required shot above. If you do not have an Immunization

Record, or your child has not received all required shots, call your doctor now for an appointment.

If a licensed physician determines a vaccine should not be given to your child because of medical reasons, submit a written statement from the physician for a **medical exemption** for the missing shot(s).

Until 2016, if a vaccine is contrary to your **personal beliefs**, you may submit form CDPH 8262 for the missing shot(s). The form must include the signatures of both a parent and an authorized health care practitioner. For details, see: ShotsForSchool.org/laws/faqs/bpe.

You must also submit an immunization record for all required shots not exempted.
