Students  

BP 5144.1(a)  

SUSPENSION AND EXPULSION/DUE PROCESS  

The Board of Education has established policies and standards of behavior in order to promote learning and protect the safety and well-being of all students. When these policies and standards are violated, it may be necessary to suspend or expel a student from regular classroom instruction.  

Suspended or expelled students shall be denied the privilege of participation in all extracurricular activities during the period of suspension or expulsion.  

Except where suspension for a first offense is warranted in accordance with law, suspension shall be imposed only when other means of correction fail to bring about proper conduct. (Education Code 48900.5)  

Expulsion is an action taken by the Board for severe or prolonged breaches of discipline by a student. Except for single acts of a grave nature, expulsion shall be used only when there is a history of misconduct, when other forms of discipline, including suspension, have failed to bring about proper conduct, or when the student's presence causes a continuing danger to self or others.  

The grounds for suspension and expulsion and the procedures for considering, recommending and/or implementing suspension and expulsion shall be those specified in law and/or administrative regulation.  

Zero Tolerance  

The Board supports a zero tolerance approach to serious offenses in accordance with state and federal law. This approach makes the removal of potentially dangerous students from the classroom a top priority and ensures the standardized treatment of all students. Staff shall immediately report to the Superintendent or designee any incidence of offenses specified in law, Board policy, and administrative regulation as cause for suspension or expulsion.  

Student Due Process  

The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices and appeals as specified in administrative regulation and/or law. (Education Code 48911, 48915, 48915.5)  

Supervised Suspension Classroom  

The Board recognizes that students who are suspended from school often have no supervision or guidance during the school hours when they are off campus and may fall behind in the coursework. The Board believes that, in many cases, it would be better to manage the student's behavior by keeping the student at school and providing him/her with supervision that is separated from the regular classroom.
SUSPENSION AND EXPULSION/DUE PROCESS  (continued)

The Superintendent or designee may establish a supervised classroom suspension program which meets the requirements of law for students suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, who pose no imminent danger or threat at school, and for whom an expulsion action has not been initiated.

The Superintendent or designee may examine alternatives to off-campus suspension and may establish a suspension program which involves progressive discipline during the school day on campus; use of conferences between staff, parents/guardians and students; detention; student study teams or other assessment-related teams; and/or referral to school support services staff. The use of such alternatives does not preclude off-campus suspensions.

Required Parental Attendance

The Board believes that parental involvement plays an important role in the resolution of classroom behavior problems. The Board expects that teachers will communicate with parents/guardians when behavior problems arise.

Whenever a student is suspended from class by a teacher because he/she committed an obscene act, engaged in habitual profanity or vulgarity, disrupted school activities, or otherwise willfully defied valid staff authority, the teacher of the class from which the student was removed may provide that the student's parent/guardian attend a portion of a school day in the class from which the student was suspended. (Education Code 48900.1)

Before requiring parental attendance, the teacher shall make reasonable efforts to have the parent/guardian visit the class voluntarily. The teacher also may inform the parent/guardian about available resources and parent education opportunities. Teachers should reserve the option of required parental attendance for cases in which they have determined that it is the best strategy to promote positive interaction between the student and the parent/guardian and to improve classroom behavior.

The teacher shall apply this policy uniformly to all students within the classroom. This policy shall apply only to a parent/guardian who lives with the student. (Education Code 48900.1)

When a teacher requires parental attendance, the principal shall send a written notice to the parent/guardian stating that his/her attendance is pursuant to law. (Education Code 48900.1)

The notice shall specify that the attendance may be on either the date the student is scheduled to return to class or within one week thereafter.

A parent/guardian who has received a written notice shall attend class as specified in the notice. After completing the classroom visit and before leaving school premises, the parent/guardian also shall meet with the principal or designee. (Education Code 48900.1)
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

The principal or designee shall contact a parent/guardian who does not respond to the request to attend school. The Board recognizes that parent/guardian compliance with this policy may be delayed, modified, or prevented for reasons such as serious illness/injury/disability, absence from town, or inability to get release time from work.

District regulations and school-site rules for student discipline shall include procedures for implementing parental attendance requirements. Parents/guardians shall be notified of this policy prior to its implementation. (Education Code 48900.1)

Decision Not to Enforce Expulsion Order

In cases where expulsion is mandatory pursuant to Education Code 48915(c), the enforcement of an expulsion order shall not be suspended by the Board. In all other cases of expulsion, the order for expulsion may be suspended by the Board, on case-by-case basis, pursuant to the requirements of law.

A student may be suspended or expelled for any of the acts listed above if the act is related to school activity or school attendance occurring at any district school under the jurisdiction of the Superintendent or principal or within any other school district, including, but not limited to, the following circumstances: (Education Code 48900)

Alternatives to suspension or expulsion shall be used with students who are truant, tardy, or otherwise absent from assigned school activities.

**Removal from Class by a Teacher/Parental Attendance**

A teacher may suspend any student from his/her class for the remainder of the day and the following day for any act listed in "Grounds for Suspension and Expulsion" above. (Education Code 48910)
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

A teacher also may refer a student to the principal or designee for consideration of suspension from school. (Education Code 48910)

When removing a student from his/her class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. The student shall be appropriately supervised during the class periods from which he/she has been removed. (Education Code 48910)

As soon as possible, the teacher shall ask the student's parent/guardian to attend a parent-teacher conference regarding the removal. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student removed from class shall not be returned to class during the period of removal without the approval of the teacher of the class and the principal. (Education Code 48910)

A student removed from class shall not be placed in another regular class during the period of removal. However, if a student is assigned to more than one class per day, he/she may be placed in any other regular classes except those held at the same time as the class from which the student was removed. (Education Code 48910)

The teacher of any class from which a student is removed may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Pursuant to Board policy, a teacher may provide that the parent/guardian of a student whom the teacher has removed attend a portion of a school day in his/her child's classroom. When a teacher makes this request, the principal shall send the parent/guardian a written notice that the parent/guardian's attendance is requested pursuant to law. (Education Code 48900.1)

This notice shall also:

1. Inform the parent/guardian when his/her presence is expected and by what means he/she may arrange an alternate date

2. State that if the parent/guardian does not have a means of transportation to school, he/she may ride the school bus with the student

3. Ask the parent/guardian to meet with the principal after the visit and before leaving school, as required by Education Code 48900.1
Suspension by Superintendent, Principal, or Principal's Designee

The Superintendent or principal may suspend a student from school for not more than five consecutive school days unless the suspension is extended pending expulsion. (Education Code 48911)

The Superintendent or principal shall immediately suspend any student found at school or at a school activity to be:

1. Possessing, as verified by a district employee, selling, or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence

2. Brandishing a knife, as defined in Education Code 48915(g), at another person

3. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058

4. Committing or attempting to commit a sexual assault or committing a sexual battery as defined in item #14 under "Grounds for Suspension and Expulsion" above

5. Possession of an explosive as defined in 18 USC 921

Explosive means a destructive device and includes, but is not limited to, any explosive, incendiary, or poison gas bomb, grenade, rocket having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine or similar device. A destructive device includes any other type of weapon (except a shotgun or shotgun shell recognized by the United States Secretary of Army as suitable for sporting purposes) which might be converted to project an explosive. (18 USC 921)

Suspension also may be imposed upon a first offense if the Superintendent or principal determines that the student violated items #1-5 listed in "Grounds for Suspension and Expulsion" above or if the student's presence causes a danger to persons or property or threatens to disrupt the instructional process. (Education Code 48900.5)

A student may be suspended from school for not more than 20 school days in any school year unless, for purposes of adjustment, the student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class, in which case suspension shall not exceed 30 days in any school year. However, this restriction on the number of days of suspension does not apply when the suspension is extended pending an expulsion. (Education Code 48903, 48911, 48912)
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903)

Suspensions shall be initiated according to the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or principal's designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, presented with the evidence against him/her, and given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

   This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists. An emergency situation involves a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee of the school in which the student is enrolled at the time of the misbehavior. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)

3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension. (Education Code 48911)

   This notice shall state the specific offense committed by the student. (Education Code 48900.8)

   In addition, the notice may state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may add that state law requires the parent/guardian to respond to such requests without delay.
4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may meet with the parent/guardian to discuss the causes and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

While the parent/guardian is required to respond without delay to a request for a conference about a student's behavior, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied readmission solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. **Extension of Suspension:** If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision. (Education Code 48911(g))

Any extension of the original period of suspension shall be preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension. Extension of the suspension may be made only if the Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)

**Suspension by the Board**

The Board may suspend a student for any of the acts listed in "Grounds for Suspension and Expulsion" above and within the limits specified in "Suspension by Superintendent, Principal, or Principal's Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester if any of the acts listed in "Grounds for Suspension and Expulsion" occurred. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold closed sessions if a public hearing would lead to disclosure of information violating a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by registered or certified mail. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

Supervised Suspension Classroom

Students for whom an expulsion action has not been initiated and who pose no imminent danger or threat to the school may be assigned to a supervised suspension classroom in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The supervised suspension classroom shall be staffed in accordance with law.

2. The student shall have access to appropriate counseling services.

3. The supervised suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.

4. Each student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to a supervised suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification shall be made in writing. (Education Code 48911.1)

Authority to Expel

A student may be expelled only by the Board. The Board shall expel, as required by law, any student found to have committed any offense listed below under "Mandatory Recommendation and Mandatory Expulsion." (Education Code 48915)

The Board may also order a student expelled for any of the acts listed above under "Grounds for Suspension and Expulsion" upon recommendation by the principal, Superintendent, hearing officer, or administrative panel, based on either or both of the following finding(s): (Education Code 48915(b) and (e))
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct

2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

Mandatory Recommendation for Expulsion

Unless the principal, Superintendent or designee finds that expulsion is inappropriate due to particular circumstances, the principal or the Superintendent or designee shall recommend a student's expulsion for any of the following acts: (Education Code 48915(a))

1. Causing serious physical injury to another person, except in self-defense

2. Possession of any knife as defined in Education Code 48915(g), explosive, or other dangerous object of no reasonable use to the student

3. Unlawful possession of any controlled substance, as listed in Health and Safety Code 11053-11058, except for the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis

4. Robbery or extortion

5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

Mandatory Recommendation and Mandatory Expulsion

The principal, Superintendent or designee shall recommend that the Board expel any student found at school or at a school activity to be: (Education Code 48915(c))

1. Possessing, as verified by a district employee, selling, or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the firearm from a certificated school employee, with the principal or designee's concurrence

2. Brandishing a knife as defined in Education Code 48915(g) at another person

3. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058

4. Committing or attempting to commit a sexual assault or committing a sexual battery as defined in item #14 under "Grounds for Suspension and Expulsion" above

5. Possessing an explosive as defined in 18 USC 921
Upon finding that the student committed any of the above acts, the Board shall expel the student. (Education Code 48915)

**Student's Right to Expulsion Hearing**

The student is entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the principal or Superintendent or designee determines that one of the acts listed under “Grounds for Suspension and Expulsion” has occurred. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

**Rights of Complaining Witness**

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of his/her right to: (Education Code 48918.5)

1. Receive five days' notice of his/her scheduled testimony at the hearing
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

2. Have up to two adult support persons of his/her choosing present in the hearing at the time he/she testifies

3. Have a closed hearing during the time he/she testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing.

2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based.

3. A copy of district disciplinary rules which relate to the alleged violation.

4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment. This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney advisor.

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney advisor means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing.

7. The opportunity to confront and question all witnesses who testify at the hearing.
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses.

Conduct of Expulsion Hearing

1. **Closed Session:** Notwithstanding the provisions of Government Code 54953 and Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such request is made, the meeting shall be public unless another student's privacy rights would be violated. (Education Code 48918(c))

   Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student shall also be allowed to attend the closed session. (Education Code 48918(c))

   If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. **Record of Hearing:** A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))

3. **Subpoenas:** Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with the Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20 (Education Code 48918(i))
SUSPENSION AND EXPULSION/DUE PROCESS  (continued)

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. **Presentation of Evidence**: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. While no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. **Testimony by Complaining Witnesses**: The following procedures shall be observed when hearings involve allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)

   a. Any complaining witness shall be given five days' notice before being called to testify.

   b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during his/her testimony.

   c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.

   d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.

f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.

g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.

1. The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.

2. At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.

3. The person conducting the hearing may:

   a. Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness

   b. Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours

   c. Permit one of the support persons to accompany the complaining witness to the witness stand

6. Decision Within 10 School Days: The Board's decision on whether to expel a student shall be made within 10 school days after the conclusion of the hearing, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

7. **Decision Within 40 School Days:** If the Board does not meet on a weekly basis, its decision on whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

**Alternative Expulsion Hearing: Hearing Officer or Administrative Panel**

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. Alternatively, the Board may appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918(d))

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing." (Education Code 48918(d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated. The Superintendent or designee shall place the student in a classroom instructional program, any other instructional program, a rehabilitation program, or any combination of these programs after consulting with district staff, including the student's teachers, and with the student's parent/guardian. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion for a period of one year. (Education Code 48917, 48918)

The Board shall make its decision about the student's expulsion within 40 school days after the date of the student's removal from school unless the student requests in writing that the decision be postponed. (Education Code 48918(a))
SUSPENSION AND EXPULSION/DUE PROCESS  (continued)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or public session by the Board, a hearing officer, or an administrative panel, the final action to expel shall be taken by the Board at a public meeting. (Education Code 48918(j))

If the Board conducts the hearing and reaches a decision not to expel, this decision shall be final and the student shall be reinstated immediately.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for an act listed under "Mandatory Recommendation and Mandatory Expulsion" above, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during the summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed in Education Code 48900, 48900.2, 48900.3, 48900.4, 48900.7, or 48915 (Education Code 48900.8)
SUSPENSION AND EXPULSION/DUE PROCESS  (continued)

2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian (Education Code 48916)

3. Notice of the right to appeal the expulsion to the County Board of Education (Education Code 48918)

4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918)

5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918)

Decision Not to Enforce Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion, the Board shall take into account the following criteria:

1. The student's pattern of behavior

2. The seriousness of the misconduct

3. The student's attitude toward the misconduct and his/her willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)

2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)

3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion" above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

4. When the suspension of the enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)

5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)

6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall also inform the parent/guardian of the right to appeal the expulsion to the County Board. (Education Code 48918(j)).

7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Right to Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion action is suspended and the student is placed on probation. (Education Code 48919)

The student shall submit a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board. The district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notifications to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10. (Education Code 48902)
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Post-Expulsion Placements

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at such a site
3. Not housed at the school site attended by the student at the time of suspension

When the placement described above is not available, and when the County Superintendent so certifies, students expelled for acts described in items #6-13 and #20-22 under "Grounds for Suspension and Expulsion" above may be instead referred to a program of study that is provided at another comprehensive middle, junior, or senior high school, or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion

Readmission procedures shall be as follows:

1. On the date set by the Board when it ordered the expulsion, the district shall consider readmission of the student. (Education Code 48916)
2. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.
SUSPENSION AND EXPULSION/DUE PROCESS (continued)

3. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session if information would be disclosed in violation of Education Code 49073-49079. If a written request for open session is received from the parent/guardian or adult student, it shall be honored.

4. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.

5. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)

6. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school. (Education Code 48916)

7. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

Maintenance of Records

The Board shall maintain a record of each expulsion, including the specific cause of the expulsion. The expulsion record shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon receipt of a written request by the admitting school. (Education Code 48900.8, 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

Outcome Data

The Superintendent or designee shall maintain the following data: (Education Code 48900.8, 48916.1)

1. The number of students recommended for expulsion

2. The specific grounds for each recommended expulsion
3. Whether the student was subsequently expelled
4. Whether the expulsion order was suspended
5. The type of referral made after the expulsion
6. The disposition of the student after the end of the expulsion period
SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES)

A student identified as an individual with disabilities pursuant to the Individuals with Disabilities Education Act (IDEA) is subject to the same grounds for suspension and expulsion which apply to students without disabilities.

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been officially identified as a student with disabilities pursuant to IDEA and who has engaged in behavior that violated the district's code of student conduct may assert any of the protections under IDEA only if the district had knowledge that the student is disabled before the behavior that precipitated the disciplinary action occurred. (20 USC 1415(k)(5); 34 CFR 300.534)

The district shall be deemed to have knowledge that the student has a disability if one of the following conditions exists: (20 USC 1415(k)(5); 34 CFR 300.534)

1. The parent/guardian has expressed concern to district supervisory or administrative personnel in writing, or to a teacher of the student, that the student is in need of special education or related services.

2. The parent/guardian has requested an evaluation of the student for special education pursuant to 34 CFR 300.300-300.311.

3. The teacher of the student or other district personnel has expressed specific concerns directly to the district's director of special education or to other supervisory district personnel about a pattern of behavior demonstrated by the student.

The district would be deemed to not have knowledge that a student is disabled if the parent/guardian has not allowed the student to be evaluated for special education services or has refused services. In addition, the district would be deemed to not have knowledge if the district conducted an evaluation pursuant to 34 CFR 300.300-300.311 and determined that the student was not an individual with a disability. When the district is deemed to not have knowledge of the disability, the student shall be disciplined in accordance with procedures established for students without disabilities who engage in comparable behavior. (20 USC 1415(k)(5); 34 CFR 300.534)

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures pursuant to 34 CFR 300.530, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. (20 USC 1415(k)(5); 34 CFR 300.534)
SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES) (continued)

Suspension

The Superintendent or designee may suspend a student with a disability for up to 10 consecutive school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) does not constitute a change in placement pursuant to 34 CFR 300.536. (Education Code 48903; 34 CFR 300.530)

The principal or designee shall monitor the number of days, including portions of days, in which a student with a valid individualized education program (IEP) has been suspended during the school year.

The district shall determine, on a case-by-case basis, whether a pattern of removals of a student from his/her current educational placement for disciplinary reasons constitutes a change of placement. A change of placement shall be deemed to have occurred under any of the following circumstances: (34 CFR 300.536)

1. The removal is for more than 10 consecutive school days.

2. The student has been subjected to a series of removals that constitute a pattern because of all of the following:
   a. The series of removals total more than 10 school days in a school year.
   b. The student's behavior is substantially similar to his/her behavior in previous incidents that resulted in the series of removals.
   c. Additional factors, such as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another, indicate a change of placement.

If the removal has been determined to be a change of placement as specified in items #1-2 above, the student's IEP team shall determine the appropriate educational services. (34 CFR 300.530)

Services During Suspension

Any student suspended for more than 10 school days in the same school year shall continue to receive services during the term of the suspension. School personnel, in consultation with at least one of the student's teachers, shall determine the extent to which services are needed as provided in 34 CFR 300.101(a), so as to enable the student to continue to participate in the general education curriculum in another setting and to progress toward meeting the goals as set out in his/her IEP. (20 USC 1412(a)(1)(A); 34 CFR 300.530)
SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES)  (continued)

If a student with disabilities is excluded from school bus transportation, the student shall be provided with an alternative form of transportation at no cost to the student or his/her parent/guardian, provided that transportation is specified in his/her IEP.  (Education Code 48915.5)

Interim Alternative Educational Placement Due to Dangerous Behavior

The district may unilaterally place a student with a disability in an appropriate interim alternative educational setting for up to 45 school days, without regard to whether the behavior is a manifestation of the student’s disability, when the student commits one of the following acts while at school, going to or from school, or at a school-related function:  (20 USC 1415(k)(1)(G); 34 CFR 300.530)

1.  Carries or possesses a weapon, as defined in 18 USC 930
2.  Knowingly possesses or uses illegal drugs
3.  Sells or solicits the sale of a controlled substance as identified in 21 USC 812(c), Schedules I-V
4.  Inflicts serious bodily injury upon another person as defined in 18 USC 1365

The student's interim alternative educational setting shall be determined by his/her IEP team.  (20 USC 1415(k)(1)(G), 34 CFR 300.531)

On the date the decision to take disciplinary action is made, the parents/guardians of the student shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504.  (20 USC 1415(k)(1)(H); 34 CFR 300.530)

A student who has been removed from his/her current placement because of dangerous behavior shall receive services to the extent necessary to allow him/her to participate in the general education curriculum and to progress toward meeting the goals set out in his/her IEP.  As appropriate, the student shall also receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur.  (20 USC 1415(k)(1)(D); 34 CFR 300.530)

Manifestation Determination

The following procedural safeguards shall apply when a student is suspended for more than 10 consecutive school days, when a series of removals of a student constitutes a pattern, or when a change of placement of a student is contemplated due to a violation of the district’s code of conduct:
SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES)  (continued)

1. Notice: On the date the decision to take disciplinary action is made, the parents/guardians of the student shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

2. Manifestation Determination Review: Immediately if possible, but in no case later than 10 school days after the date the decision to take disciplinary action is made, a manifestation determination review shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

At the manifestation determination review, the district, the student's parent/guardian, and relevant members of the IEP team (as determined by the district and parent/guardian) shall review all relevant information in the student’s file, including the student’s IEP, any teacher observations, and any relevant information provided by the parents/guardians, to determine whether the conduct in question was either of the following: (20 USC 1415(k)(1)(E); 34 CFR 300.530)

   a. Caused by or had a direct and substantial relationship to the student’s disability

   b. A direct result of the district’s failure to implement the student’s IEP, in which case the district shall take immediate steps to remedy those deficiencies

If the manifestation review team determines that a condition in either #a or #b above was met, the conduct shall then be determined to be a manifestation of the student's disability. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

3. Determination that Behavior is a Manifestation of the Student's Disability: When the conduct has been determined to be a manifestation of the student’s disability, the IEP team shall conduct a functional behavioral assessment, unless a functional behavioral assessment had been conducted before the occurrence of the behavior that resulted in the change of placement, and shall implement a behavioral intervention plan for the student. If a behavior intervention plan has already been developed, the IEP team shall review the behavioral intervention plan and modify it as necessary to address the behavior. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

The student shall be returned to the placement from which he/she was removed, unless the parent/guardian and district agree to a change of placement as part of the modification of the behavioral intervention plan. (20 USC 1415(k)(1)(F); 34 CFR 300.530)
4. Determination that Behavior is Not a Manifestation of the Student's Disability: If the manifestation determination review team determines that the student's behavior was not a manifestation of his/her disability, the student may be disciplined in accordance with the procedures for students without disabilities. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

The student shall receive services to the extent necessary to participate in the general education curriculum in another setting and to allow him/her to progress toward meeting the goals set out in his/her IEP. As appropriate, the student shall also receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

**Due Process Appeals**

If the parent/guardian disagrees with any district decision regarding placement under 34 CFR 300.530 (suspension and removal for dangerous circumstances) or 34 CFR 300.531 (interim alternative placement), or the manifestation determination under 34 CFR 300.530(e), he/she may appeal the decision by requesting a hearing. The district may request a hearing if the district believes that maintaining the student's current placement is substantially likely to result in injury to the student or others. In order to request a hearing, the requesting party shall file a complaint pursuant to 34 CFR 300.507 and 300.508(a) and (b). (20 USC 1415(k)(3); 34 CFR 300.532)

Whenever a hearing is requested as specified above, the parent/guardian or the district shall have an opportunity for an expedited due process hearing consistent with requirements specified in 34 CFR 300.507, 300.508 (a)-(c), and 300.510-300.514.

If the student's parent/guardian or the district has initiated a due process hearing under 34 CFR 300.532 as detailed above, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and district agree otherwise. (20 USC 1415(k)(4); 34 CFR 300.533)

**Readmission**

Readmission procedures for students with disabilities shall be the same as those used for all students. Upon readmission, an IEP team meeting shall be convened.
SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES) (continued)

The principal or designee also shall notify appropriate city or county law enforcement authorities of acts by any student with a disability which may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10. (Education Code 48902)

(Education Code 48902)

QUESTIONING AND APPREHENSION

Law enforcement officers have the right to interview and question students on school premises. When such an interview is requested, the principal or designee shall ascertain the officer's identity, official capacity, and the authority under which he/she acts. If the officer needs to interview or question the student immediately, the principal or designee shall accommodate the process in a way that causes the least possible disruption to the school, gives the student appropriate privacy, and models exemplary cooperation with community law enforcement authorities.

Except in cases of child abuse or neglect, the principal or designee shall notify the student's parent/guardian when a law enforcement officer requests an interview on school premises.

At the law officer's discretion and with the student's approval, the principal or designee may be present during the interview.

If the law officer finds it necessary to remove the student from school, the principal or designee shall first ascertain the reason for such action. Upon releasing the student, the principal or designee shall immediately attempt to inform the student's parent/guardian.

Personnel responsible for releasing a student from school custody shall exercise extreme diligence to prevent such release to any unauthorized or unidentified person.

Subpoenas

Although subpoenas may legally be served at school, the Board believes that serving officials should be strongly urged to serve subpoenas at the home of the student whenever possible. In these situations, steps should be taken to ensure a minimum of embarrassment or loss of class time for the student.

QUESTIONING AND APPREHENSION

Protocol For Administrators When Law Enforcement Personnel Question Students

The Superintendent or designee of each school shall ensure that Board Policies and regulations related to student discipline are observed by all school staff, and that disciplinary rules are fairly and consistently enforced, without regard to race, creed, color, gender or sexual orientation.

Each time that representatives of law enforcement question a student on campus, whether they are summoned to a school campus or arrive in the course of their official duties, the principal will observe the following protocol.

1. Complete the Police on Campus Reporting Form. (Board Policy 5144.1) Fax the completed form to the Pupil Services office. Retain one copy in an administrative file created specifically for these reports. Do not put copies in student files.

2. Except in cases of suspected child abuse, call the parents/guardians and inform them that law enforcement officers are on campus, or have been summoned to campus to question their child.

3. Inform the student of his/her right to have an administrator present during questioning.

4. Inform the student of his/her right to have their parents/guardians present at any time during questioning.
QUESTIONING AND APPREHENSION (continued)

5. Inform the student of his/her right against self-incrimination and check for comprehension to insure that the student understands what that means. Students who agree to be questioned may change their minds during questioning, and request the presence of a parent/guardian. This must be construed as the student's desire to invoke his/her Fifth Amendment rights.

6. A student's request to have parents/guardians present must be construed as the student's desire to invoke his/her Fifth Amendment rights. (People v. Burton (1971) 6 Cal.3d 375.) A student is not required to answer questions after invoking the Fifth.

7. If the law enforcement officers decide that the student must be removed from campus, it is the responsibility of the administrator to take immediate steps to inform the parents/guardian regarding the release of the student to the law enforcement officers and the place to which he/she is being taken (except in cases of child abuse). (Education Code Section 48906)

8. If it is determined that law enforcement officers must remove a student from campus, it is the responsibility of the administrator to insist that the removal of the student is conducted in such a way that it safeguards the dignity, confidentiality and respect of the student.

9. Representatives of law enforcement may not have access to student records without written parent/guardian permission, subpoena or court order. Please see Pupil Services Bulletin on Confidentiality of Student Records.

10. Administrators who believe there has been misconduct on the part of the law enforcement officers should file a report with the appropriate law enforcement agency and the superintendent.
SEARCH AND SEIZURE

The Board of Education is fully committed to promoting a safe learning environment and, to the extent possible, eliminating the possession and use of weapons, illegal drugs, and other controlled substances by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, or otherwise prohibited items.

The Board urges that employees exercise discretion and good judgment. When conducting a search or seizure, employees shall act in accordance with law, Board policy, and administrative regulation.

The Superintendent or designee shall ensure that staff who conduct student searches receive training regarding the requirements of the district's policy and administrative regulation and other legal issues, as appropriate.

**Individual Searches**

School officials may search any individual student, his/her property, or district property under his/her control when there is a reasonable suspicion that the search will uncover evidence that he/she is violating the law, Board policy, administrative regulation, or other rules of the district or the school. Reasonable suspicion shall be based on specific and objective facts that the search will produce evidence related to the alleged violation. The types of student property that may be searched by school officials include, but are not limited to, lockers, desks, purses, backpacks, student vehicles parked on district property, cellular phones, or other electronic communication devices.

Any search of a student, his/her property, or district property under his/her control shall be limited in scope and designed to produce evidence related to the alleged violation. Factors to be considered by school officials when determining the scope of the search shall include the danger to the health or safety of students or staff, such as the possession of weapons, drugs, or other dangerous instruments, and whether the item(s) to be searched by school officials are reasonably related to the contraband to be found. In addition, school officials shall consider the intrusiveness of the search in light of the student's age, gender, and the nature of the alleged violation.

Employees shall not conduct strip searches or body cavity searches of any student. (Education Code 49050)

Searches of individual students shall be conducted in the presence of at least two district employees.

The principal or designee shall notify the parent/guardian of a student subjected to an individualized search as soon as possible after the search.
SEARCH AND SEIZURE (continued)

Searches of Multiple Student Lockers/Desks

All student lockers and desks are the property of the district. The principal or designee may conduct a general inspection of school properties that are within the control of students, such as lockers and desks, on a regular, announced basis, with students standing by their assigned lockers or desks. Any items contained in a locker or desk shall be considered to be the property of the student to whom the locker or desk was assigned.

SEARCH AND SEIZURE

Notifications

At the beginning of each school year and upon enrollment, the Superintendent or designee shall inform students and parents/guardians about the district's policies and procedures for searches, including notice regarding:

1. The possibility of random searches of students, their belongings, their vehicles parked on district property, and district properties under a student's control, including lockers or desks

2. The district's contraband dog detection program

3. The use of metal detector scans

In addition, the Superintendent or designee shall ensure that signs are posted at all schools at which metal detectors are to be used to explain that anyone may be scanned by metal detector for guns, knives, or other illegal weapons when on campus or attending athletic or extracurricular events.
FREEDOM OF SPEECH/EXPRESSION

The Board of Education believes that free inquiry and exchange of ideas are essential parts of a democratic education. The Board respects students' rights to express ideas and opinions, take stands on issues, and support causes, even when such speech is controversial or unpopular.

On-Campus Expression

Students shall have the right to exercise freedom of speech and of the press including, but not limited to, the use of bulletin boards; the distribution of printed materials or petitions; the wearing of buttons, badges, and other insignia; and the right of expression in official publications. (Education Code 48907)

Student expression on district or school Internet web sites and online media shall generally be afforded the same protections as in print media.

Students' freedom of expression shall be limited only as allowed by Education Code 48907, 48950, and other applicable state and federal laws.

Students are prohibited from making any expressions or distributing or posting any materials that are obscene, libelous, or slanderous. Students also are prohibited from making any expressions that so incites students as to create a clear and present danger of the commission of unlawful acts on school premises, the violation of school rules, or substantial disruption of the school's orderly operation. (Education Code 48907)

The use of "fighting words" or epithets is prohibited in those instances where the speech is abusive and insulting, rather than a communication of ideas, and the speech is used in an abusive manner in a situation that presents an actual danger that it will cause a breach of the peace.

School officials shall not engage in prior restraint of material prepared for official school publications except insofar as the content of the material violates the law. (Education Code 48907)

The Superintendent or designee shall not discipline any high school student solely on the basis of speech or other communication that would be constitutionally protected when engaged in outside of school, but may impose discipline for harassment, threats, or intimidation unless constitutionally protected. (Education Code 48950)

Off-Campus Expression

A student shall be subject to discipline for off-campus expression, including expression on off-campus Internet web sites, when such expression poses a threat to the safety of other students, staff, or school property, or substantially disrupts the educational program. The Superintendent or designee shall document the impact the expression had or could be expected to have on the school program.

FREEDOM OF SPEECH/EXPRESSION

School-Sponsored Publications

Students shall have the right to exercise freedom of speech and of the press in official school publications, except for expression that is obscene, libelous, slanderous, or so incites students as to create a clear and present danger of the commission of unlawful acts on school premises, the violation of lawful school regulations, or the substantial disruption of the orderly operation of the school. (Education Code 48907)

Official school publications includes material produced by students in journalism, newspaper, yearbook, or writing classes and distributed to the student body either for a fee or free. (Education Code 48907)

Each principal shall develop a school publications code outlining the responsibility of student journalists, editors, and publication advisors.

All student submissions shall be held to professional standards of English and journalism. (Education Code 48907)

If the principal considers material submitted for publication to violate Education Code 48907, he/she shall notify the student, without undue delay, and give specific reasons why the submitted material may not be published. Absent extraordinary circumstances, such notice should be given in sufficient time to allow the student time to either modify the material or to seek review of the principal's determination from the Superintendent or designee. Prior to any restriction of student speech, school officials shall consider any feasible alternative options to restricting the speech.

To the extent that the principal or designee believes that the school and district should be disassociated from a particular idea or opinion, the principal may require student articles to include disclaimers.

Distribution of Printed Materials and Petitions by Students

The principal or designee may provide bulletin boards on which students and student organizations may post materials of general interest. Students also may post or distribute handbills, leaflets, and other printed material, whether produced within or outside of the school. Students may collect signatures on petitions concerning school or nonschool issues.

Printed materials or petitions may be distributed only:

1. Before or after school or during lunch time

2. In locations that do not obstruct the normal flow of traffic within the school or at entrances
FREEDOM OF SPEECH/EXPRESSION (continued)

No student shall use coercion to induce any other student or person to accept printed matter or to sign a petition. No funds shall be collected for any material distributed.

Clothing, Buttons, and Badges

Buttons, badges, armbands, and clothing bearing slogans or sayings may be worn unless their message falls into the categories prohibited by law and Board policy. No employee shall interfere with this practice on the grounds that the message may be controversial or unpopular with students or faculty.
District programs and activities shall be free from discrimination, including harassment, with respect to a student’s actual or perceived sex, gender, ethnic group identification, race, national origin, religion, color, physical or mental disability, age or sexual orientation.

The Board of Education shall ensure equal opportunities for all students in admission and access to the educational program, guidance and counseling programs, athletic programs, testing procedures, and other activities. School staff and volunteers shall carefully guard against segregation, bias and stereotyping in instruction, guidance and supervision. The district may provide male and female students with separate shower rooms and sexual health and HIV/AIDS prevention classes in order to protect student modesty.

The Board prohibits intimidation or harassment of any student by any employee, student or other person in the district. Staff shall be alert and immediately responsive to student conduct which may interfere with another student's ability to participate in or benefit from school services, activities or privileges.

Students who harass other students shall be subject to appropriate discipline, up to and including counseling, suspension and/or expulsion. An employee who permits or engages in harassment may be subject to disciplinary action, up to and including dismissal.

The Board hereby designates the following position as Coordinator for Nondiscrimination to handle complaints regarding discrimination and inquiries regarding the district’s nondiscrimination policies:

Director of Pupil Services
1651 16th Street
Santa Monica, CA 90404
310-450-8338

Any student who feels that he/she is being harassed should immediately contact the Coordinator for Nondiscrimination, the principal or any other staff member. Any student who observes an incident of harassment should report the harassment to a school employee, whether or not the victim files a complaint.

Employees who become aware of an act of harassment shall immediately report the incident to the Coordinator for Nondiscrimination. Upon receiving a complaint of discrimination or harassment, the Coordinator shall immediately investigate the complaint in accordance with site-level grievance procedures specified in AR 5145.7 - Sexual Harassment. Where the Coordinator finds that harassment has occurred, he/she shall take prompt, appropriate action to end the harassment and address its effects on the victim.
NONDISCRIMINATION/HARASSMENT  (continued)

The Coordinator shall also advise the victim of any other remedies that may be available. The Coordinator shall file a report with the Superintendent or designee and refer the matter to law enforcement where required.

PARENTAL NOTIFICATIONS

The Board of Education recognizes that notifications are essential to effective communication between the school and the home. The Superintendent or designee shall send students and parents/guardians all notifications required by law, including notifications about their legal rights, and any other notifications he/she believes will promote parental understanding and involvement.

The Board prohibits sexual harassment of students by other students, employees or other persons, at school or at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against persons who complain, testify, assist or otherwise participate in the complaint process established pursuant to this policy and the administrative regulation.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate instruction and information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same gender
2. A clear message that students do not have to endure sexual harassment
3. Encouragement to report observed instances of sexual harassment, even where the victim of the harassment has not complained
4. Information about the person(s) to whom a report of sexual harassment should be made

Complaint Process

Any student who feels that he/she is being or has been subjected to sexual harassment shall immediately contact his/her teacher, counselor, administrator, or any other school employee. A school employee to whom a complaint is made shall, within 24 hours of receiving the complaint, report it to the principal or designee.

Any school employee who observes any incident of sexual harassment involving a student shall report this observation to the principal or designee, whether or not the victim files a complaint.

In any case of sexual harassment involving the principal or any other district employee to whom the complaint would ordinarily be made, the employee who receives the student’s report or who observes the incident shall report to the nondiscrimination coordinator or the Superintendent or designee.

The Superintendent or designee to whom a complaint of sexual harassment is reported shall immediately file a report to the Superintendent with the Confidential Incident Report Form. The Superintendent will determine who will investigate the complaint in accordance with administrative regulation. Where the Assistant Superintendent of Human Resources or
designee and/or independent investigator finds that sexual harassment occurred, he/she shall take prompt, appropriate action to end the harassment and address its effects on the victim. The principal or designee shall also advise the victim of any other remedies that may be available. The principal or designee shall refer the matter to law enforcement authorities, where required.

Disciplinary Measures

Any student who engages in sexual harassment of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension, opportunity transfer, and/or expulsion, provided that in imposing such discipline the entire circumstances of the incident(s) shall be taken into account.

Any employee who engages in sexual harassment or misconduct is in violation of this policy and shall be subject to disciplinary measures and shall be reported to law enforcement agencies.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address and prevent repetitive harassing behavior in its schools.

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

By no later than October 31st of each year, the Superintendent shall inform the public via an Information Item in the Board agenda regarding the number of reported student and employee sexual harassment complaints for the previous school year.

BP 5146(a)

MARRIED/PREGNANT/PARENTING STUDENTS

The Board of Education recognizes that early marriage, pregnancy or parenting may disrupt a student’s education and increase the chance of a student dropping out of school. The Board therefore desires to provide instruction and services designed to assist in pregnancy prevention. The Board also desires to support male and female expectant and parenting students to attain strong academic and parenting skills and to promote the healthy development of their children.

Married, expectant and parenting students shall have the same educational and extracurricular opportunities as all students. Participation in special programs or schools shall be voluntary.

For school-related purposes, married students under the age of 18 are emancipated minors and have all the rights and privileges of students who are 18, even if the marriage has been dissolved. (Family Code 7002)

Expectant and Parenting Students

The Board is committed to providing to expectant and parenting students and their children a comprehensive, continuous, community-linked program that reflects the cultural and linguistic diversity of the community.

The Superintendent or designee shall collaborate with the County Superintendent of Schools and other community agencies and organizations to ensure that appropriate educational and related support services are available to meet the needs of expectant and parenting students and their children.

Expectant and parenting students retain the right to participate in any comprehensive school or educational alternative programs. School placement and instructional strategies for participating students shall be based on the needs and learning styles of individual students. The classroom setting shall be the preferred instructional strategy unless an alternative is necessary to meet the needs of the individual student and/or child. (Education Code 54745)

In addition to providing a quality education program for expectant and parenting students, the district’s program shall provide parenting education and life skills instruction, special school nutrition supplements for pregnant and lactating students, and a child care and development program on or near the school site for the children of enrolled students. The district’s program may provide other support services authorized by Education Code 54746 as necessary to meet the needs of students and their children. (Education Code 54745)

Pregnancy Prevention Program

The Superintendent or designee shall ensure that age-appropriate, culturally sensitive and community-sensitive instruction and services are available to assist in the prevention of pregnancy among minors. The district’s program shall be based on strategies that have proven effective in reducing the incidence of pregnancy among school-age youth. The Superintendent or designee shall work cooperatively with the local child care and development planning council, public and private agencies, parents/guardians, and other community members to assess child care needs in the community, establish program priorities, obtain ongoing feedback on program quality, and inform parents/guardians about child care options.

These services shall be available to school-age children in grades K-9.

The Board of Education recognizes that personal, social, health, and economic circumstances of children and families sometimes place students at risk of school failure. The Board believes, however, that each student can succeed in meeting district academic standards with appropriate educational programs and support services.

District assessments and ongoing classroom evaluations shall be used to identify students performing below grade-level or at risk of failing to meet district standards. The Superintendent or designee shall develop strategies to address the needs of at-risk students, which may include but are not limited to instructional strategies responsive to the needs of individual students, provision of supplemental instruction outside the regular school day, provision of effective support services, parent involvement, and/or enrollment in an alternative program.

The Superintendent or designee shall ensure that employees are trained to support students and are prepared to implement intervention strategies as needed or to make appropriate referrals.

The Superintendent or designee shall establish a student assistance program to help coordinate the district’s learning support programs including education, prevention, early identification, intervention, referral, and support services, into an integrated delivery system.

The district’s program for at-risk students shall emphasize coordination between site, district, and community-based programs in order to ensure effective implementation and shared accountability.
