Lesson Link® Goal-Setting Guide

School Site:_____Grade/Subject:_____Date:_____

Objectives:

- To set the overall content area goals of the Lesson Link[SM] Team
- To determine the specific lesson that will be planned and discussed during the Lesson Link[SM] Planning Meeting

1. What is the overall **content-area goal** of our Lesson Link[SM] Group?

2. What **data** influenced our development of this goal?

3. Is our goal focused on a particular **group of students**? If so, who and why?

4. When will our **first Lesson Link[SM] Cycle** take place? When will we do the **planning**?

5. What specific **lesson content** will we teach in the first cycle?

6. What California **content standard** will be met through the teaching of this lesson?

7. What **existing lesson plans** do we have for teaching this content?

8. When will we be **subbed out** for our 2nd & 3rd Lesson Link cycles?
