A variety of fresh breads and rolls, including multi grain breads provide students with complex carbohydrates. Turkey breast, turkey ham, cheese and tuna give them the protein they need for growth and sustained energy for the afternoon. Thin sliced veggies like tomatoes and cucumbers add some crunch and together with the farm fresh fruits provide vitamins for good health. A fresh, healthy, delicious lunch special!</p>				<p><u>February 1</u></p> <p>CHEESE PIZZA BREAD STICK</p>
