

Future Community Outreach Meetings

In the coming months a series of outreach meetings will be held to inform the public about the **Malibu Middle and High School Campus Improvement Project**. At these meetings the public will have the opportunity to share their input and participate in the improvement process.

The meetings will address the following topics:

- Circulation and Parking Management
- Athletic Field Lighting and Community Use of New Facilities
- Sustainability and Design

If you are interested in attending these meetings please check the box next to the topic(s) which interest you. To receive information regarding the date, time and location of the outreach meetings please fill out the information below.
