**Excellence through Equity Action Plan Part Two
to be Presented at October 20 School Board Meeting**

Co-interim Superintendent Dr. Sylvia Rousseau will be engaging the Santa Monica-Malibu Unified School District Board of Education in a study session at the October 20, 2016 regular school board meeting, beginning at 5:30 pm in the district boardroom. The meeting is open to the public.

The study session presentation will feature part two of the Excellence through Equity action plan based on the recommendations presented by Dr. Pedro Noguera to the board in April 2016.

The school board received and accepted the Noguera report and district staff, has moved forward with creating an Excellence through Equity plan to benefit all students throughout SMMUSD.

The presentation on October 20 will provide additional information to that presented by Dr. Rousseau on September 22, 2016.

“The Excellence through Equity action plan clarifies the coordinated and collective actions throughout the district in a commitment to achieve excellence and equity in every school for every child,” Dr. Rousseau said. “We encourage parents and community members to attend this important study session.”

Please visit the Excellence through Equity webpage for Dr. Noguera’s report, additional information and part one of the presentation from the September 22 board meeting: <http://www.smmusd.org/equity/>. Part Two will be posted following the October 20 meeting.
