**Special Study Session and Later Regular Meeting Start Times:
November 16, 2017**

The SMMUSD Board of Education will hold a special study session on November 16, 2017, from 4-6 pm in the auditorium of St. Monica's Catholic Church, located at 701 California Ave., Santa Monica, CA.

The purpose of the study session is to allow the Board of Education to learn more about each school site's Single Plan for Student Achievement (SPSA) for 2017-18, which will be adopted later that evening. Due to a need for a larger space for the conversations, the study session will be held in the St. Monica's auditorium.

Following this special study session, which is open to the public, the Board of Education will move to closed session scheduled for 6:30 pm at the district office and an open session scheduled for 7:30 pm.

The agenda for the special meeting will be posted on the district's website:
