

SANTA MONICA - MALIBU UNIFIED SCHOOL DISTRICT

February 15, 2019

Announcement: New Project-Based Learning Program to Launch

The Santa Monica-Malibu Unified School District has announced an exciting new opportunity for rising 9th grade students!

The Board of Education approved the formation of a 9th grade student cohort specializing in Project-Based Learning to begin this fall. Look for more details on all middle school websites in the coming weeks including an official announcement flier and informational brochure. (Board approval: Jan. 24, 2019 meeting.)

Mark your calendars for the district's community engagement meetings scheduled for 8:30 a.m on Feb. 22nd (SMASH) and 5 p.m. on March 11th (Malibu HS), March 12th (John Adams Middle School), and March 19th (Lincoln Middle School). At these meetings, the district will present to families and community stakeholders more detailed information about enrollment, curriculum, and scheduling components of the cohort.

Please take advantage of these online and in-person opportunities to be informed about this exciting development.
