

School Accountability Report Card

Reported for School Year 2010-11

Published During 2011-12

Santa Monica High

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

II. About This School

Contact Information (School Year 2011-12)

This section provides the school's contact information.

School		District

School Description and Mission Statement (School Year 2010-11)

This section provides information about the school, its programs and its goals.

District Vision:

As a community of learners, the Santa Monica-Malibu Unified School District works together in a nurturing environment to help students become visionary, versatile thinkers, resourceful, life-long learners, effective, multilingual communicators and global citizens. We are a richly varied community that values the contributions of all its members. We exist to prepare all students in their pursuit of academic achievement and personal health, and to

School Accountability Report Card

Published During 2011-12

support and encourage them in their development of intellectual, artistic, technological, physical and social expression.

School Vision:

Samohi will offer every student experiences to grow creatively, ethically and academically.

Santa Monica High School prepares academically productive students who:

Read, write, speak and listen effectively.

Think critically and independently.

Identify and use all available resources, including technology, to manage, research and synthesize knowledge.

Develop the habits necessary to meet the challenges of the 21st Century.

Santa Monica High School prepares ethical students who:

Deal honorably with other human beings and the environment.

Work democratically and collaboratively to improve school, community and society.

Santa Monica High School prepares creative students who:

Are inspired, impassioned and motivated.

Express a unique and perceptive vision.

About Us

Santa Monica High School (Samohi) is a large four-year, comprehensive high school located in the city of Santa Monica, an urban beachfront community on the west side of Los Angeles County, situated approximately 16 miles from downtown Los Angeles. Santa Monica is located where Interstate 10 meets the Pacific Ocean and is bordered by Los Angeles on its three other sides. Over the years, Santa Monica has grown to be a stimulating balance of vibrant commercial districts, bustling shopping districts, neighboring residential communities and high profile corporate headquarters. Samohi's surrounding community has a majority population of middle to upper class (60% employed in management and professional occupations) with a median income of \$70,084. The population is well educated in comparison to Los Angeles County. Of the residents over the age of 25, 91% have earned high school diplomas and 54.8% have earned a B.A. degree or higher. As of the 2000 census, 72% of the population is Caucasian, 4% is African American, 7% is Asian or Pacific Islander, 13% is Latino, and 3% are of mixed race. There are 44,497 households, out of which 15.8% have children under the age of 18, 27.5% are married couples living together, 7.5% have a female head of household with no husband present, and 62.3% are non-families.

Santa Monica High School has been in existence for 120 years. The school began as the Sixth Street School, and in 1891 added an upper level curriculum to complete a four-year high school program. The first class, called The Immortal Five, graduated in 1894. The high school was moved from Sixth Street and Santa Monica Boulevard, to Eleventh Street and Arizona Avenue. The building, called Lincoln High School, was finished in 1898 and dedicated at the graduation exercise of that year.

In its present day form, Santa Monica High School is a school of over 3000 students who represent a diverse ethnic and socio-economic community. The school is located on a 26-acre campus with the Pacific Ocean in view. The staff is comprised of 155 certificated faculty and 75 classified staff members.

Fondly referred to as Samohi, the school is supported by a 4,000 member Alumni Association, as well as the citizens of Santa Monica and Malibu. Santa Monica High School received a six-year accreditation from the Western Association of Schools and Colleges (WASC) in the Spring of 2011. As part of the accreditation process, goals were set for the next six years of work. In addition, a Smaller Learning Communities Grant, received in 2003 from the Federal Government helped to redesign Santa Monica High School into smaller, more personalized Houses which are still going strong today.

Along with these two external evaluations and goal setting processes, the school sets goals through the Single Plan for Student Achievement, incorporating steps to close the achievement gap while simultaneously improving the achievement of all of our students.

Opportunities for Parental Involvement (School Year 2010-11)

This section provides information about opportunities for parents to become involved with school activities.

Contact Person Name: Debbie Mulvaney

Contact Person Phone Number: 310.395.3204

Our Parent Teacher Student Association (PTSA), English Language Advisory Committee (ELAC), and our African American Parent Student Staff Support Group (AAPSSSG) meet monthly to exchange and share information while providing support to parents. Speakers, workshops, and meetings provide parents specific strategies to support their child's progress both academically and socially/emotionally. Student Outreach Specialists work with a core group of students in each House in need of extra support as well as with students in the larger school. They are also liaisons to Samohi families and participate in the parent group meetings. Communication is shared in multiple formats including email, phone dialer system and our web site.

Contact: Debbie Mulvaney, (310) 395-3204

Student Enrollment by Grade Level (School Year 2010-11)

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students	Grade Level	Number of Students
Kindergarten		Grade 8	
Grade 1		Ungraded Elementary	
Grade 2		Grade 9	789
Grade 3		Grade 10	804
Grade 4		Grade 11	745
Grade 5		Grade 12	776
Grade 6		Ungraded Secondary	
Grade 7		Total Enrollment	3114

Student Enrollment by Group (School Year 2010-11)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment	Group	Percent of Total Enrollment
African American	8.40%	Two or More Races	6.40%
American Indian or Alaska Native	0.40%	White (not Hispanic)	38.70%
Asian	7.00%	Socioeconomically Disadvantaged	31.10%
Filipino	0.60%	English Learners	21.80%
Hispanic or Latino	38.60%	Students with Disabilities	9.30%
Pacific Islander	0.20%

III. School Climate

School Safety Plan (School Year 2010-11)

This section provides information about the school's comprehensive safety plan.

Santa Monica High School is committed to providing a safe school driven by positive interactions between and among faculty, students and parents. Our Comprehensive School Safety Plan is evaluated and updated yearly. This process assists us in setting goals to improve campus safety and to continue to provide a positive school climate. There are numerous opportunities for students and their families to engage in enriching activities through athletics, visual and performing arts, clubs and other events. With consideration for safety, students, faculty and community are made to feel welcome and safe at Samohi. We practice evacuation, lockdown and fire drills regularly as part of our safety preparedness. Our students are safe on campus before, during and after school. Campus Security personnel are employed from 7:00 a.m. until 6:00 p.m. to assist administration in supervision and monitoring our more than 3000 students on 26 acres during their school day, and while they participate in our many extracurricular activities. Administrators and security staff supervise before school, during morning break, lunch time and at dismissal, in addition to scheduled evening and weekend activities. The administration works closely with community resources, including the Santa Monica Police Department and the City of Santa Monica to provide proactive intervention and situational response as necessary. As a closed campus, during the school day, there is no unauthorized access to the school campus, and security officers monitor the two open entrances during school hours. Visitors must sign in and/or show ID, as do students when they enter the school grounds. Staff members wear identification badges daily while on campus.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11
Suspensions	7.84	6.47	6.97	4.45	4.05	4.39
Expulsions	0.03	0.10	0.10	0.07	0.03	0.03

IV. School Facilities

School Facility Conditions

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

In its 120-year history, Samohi has benefited from a number of bond measures that have upgraded facilities, added new classrooms and buildings, and renovated the historic Barnum Hall. We are currently adding a new football field, track, and are breaking ground on new classroom buildings. Our facilities include general education classrooms, music rooms for both choral and instrumental programs, science labs, art rooms, a photography setting with a dark room, three computer labs and a media center/library. Our outdoor and physical education facilities include a swimming pool, tennis courts, a baseball field, a softball field, gymnasiums and our outdoor Greek Theatre. Samohi's facility is maintained and in well-functioning condition. The Santa Monica High School facility provides dedicated classroom space for all sections of classes from 7:10 a.m. through evening hours. Classrooms meet specific square footage guidelines and are equipped with whiteboards, classroom materials, audiovisual equipment, computers, and laboratory equipment as needed. Classroom settings are arranged by teachers to meet particular program needs. Restrooms and other high need areas are cleaned daily while classrooms are cleaned every other day on a rotational basis. Physical education areas, including gyms, the pool and fields provide areas for class, practice and competitions and other instructional activities. There is a well-stocked library/media center with technology and print resources, staffed by one certificated library-media teachers and a classified staff member. In addition, there are three computer labs utilized on a regular basis supported by two full-time technicians. House offices are strategically located across the campus in order to support student advisement, personalization, and academic intervention.

Planned Improvements (School Year 2011-2012)

The construction contract for the Samohi Synthetic Turf Field project was awarded to Hellas in July 2011. Construction included demolition of the existing grass and installation of new synthetic turf. The field portion was completed in October and is being used by the Samohi and the Community for Joint Use. The construction contract for the Science and Technology and Site Improvements project was just awarded to Sundt. The initial construction includes demolition of the existing softball field and east portion of the North Parking lot and construction of 18 classrooms, 15 labs, 2 Special Computer Lab, Auto Shop and Administrative offices. Work is scheduled to begin December 21, 2011 and the building portion will complete by Winter 2013 for the initial work with the rebuilding of the softball field and west portion of the North Parking lot completing in the Fall of 2014. The district continues to keep its Deferred Maintenance fund open, however flexibility provided by the State has allowed us to use balances in this fund to relieve the General Fund, due to shortages in State funding. This flexibility was used during the 2010-11 fiscal year and is expected to be used in 2011-12. The district did not transfer any of the fund balance back to the General Fund, but has not made new contributions in the past two years. The balances in the Deferred Maintenance fund are still being used on approved maintenance projects. The district is carefully deciding which projects to move forward, as we do not expect to contribute additional funds from the district or receive new state Deferred Maintenance any time soon.

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District
	2008-09	2009-10	2010-11	2010-11
With Full Credential	127	131	128	520
Without Full Credential	4	2	0	7
Teaching Outside Subject Area of Competence	13	11	12	n/a

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicator	2009-10	2010-11	2011-12
Misassignments of Teachers of English Learners	12	5	3
Vacant Teacher Positions	1	0	0
Total Teacher Misassignments	13	16	7

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2010-11)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	96.00%	4.00%
All Schools in District	100.00%	0.00%
High-Poverty Schools in District	100.00%	0.00%
Low-Poverty Schools in District	100.00%	0.00%

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2010-11)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	10.00	311
Counselor (Social/Behavioral or Career Development)	4.00	--
Library Media Teacher (Librarian)	1.00	--
Library Media Services Staff (paraprofessional)	1.00	--
Psychologist	2.00	--
Social Worker	1.00	--
Nurse	1.00	--
Speech/Language/Hearing Specialist	2.00	--
Resource Specialist (non-teaching)	0.00	--
Other	1.00	--

VII. Curriculum and Instructional Materials

Quality, Currency, and Availability of Textbooks and Instructional Materials (School Year 2011-12)

Textbook Information

This section provides information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

All students at Santa Monica High School have access to district adopted textbooks and instructional materials in all core academic areas. All students, including English Learners, have their own copy of textbooks. Texts and instructional materials are reviewed by a school site committee and submitted for review and approval by the School Board. Members of the public are invited to review recommended materials and make comments prior to Board approval.

School Accountability Report Card

Reported for School Year 2010-11

Types of Services Funded (Fiscal Year 2010-11)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

GATE - Promotes students involvement with AP and other programs of excellence.

AVID - A program for first generation college-going students which provide specific support to students by teachers and tutors.

Block Grants - Support intervention programs for struggling students.

Equity Funds - Provides unrestricted funds for programs or projects aimed at closing the achievement gap.

CAHSEE Academies - Focus on helping all students pass the CAHSEE and graduate.

Personalized Options Program (POP) - provides personalized tutoring and support during the instructional day to 10th and 11th grade students who are struggling in Math and English.

Peer Tutoring - provides student tutors after school to students who need academic help.

Xinachtli - UCLA students provide tutoring and support to students who need academic help.

Teacher and Administrative Salaries (Fiscal Year 2009-10)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at

<http://www.cde.ca.gov/ds/fd/cs/>.

Range	District	State Average For Districts In Same Category
Beginning Teacher Salary	\$43,129.00	\$41,035.00
Mid-Range Teacher Salary	\$64,397.00	\$65,412.00
Highest Teacher Salary	\$86,700.00	\$84,837.00
Average Principal Salary (Elementary)	\$107,067.00	\$106,217.00
Average Principal Salary (Middle)	\$115,686.00	\$111,763.00
Average Principal Salary (High)	\$127,150.00	\$121,538.00
Superintendent Salary	\$213,994.00	\$197,275.00
Percent of Budget for Teacher Salaries	40.0%	39.0%
Percent of Budget for Administrative Salaries	6.0%	5.0%

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics, and science in grades two through eleven, and for science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA and mathematics for grades three through eight and science in grade five and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade 10 results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found at the CAHSEE Web site at <http://cahsee.cde.ca.gov>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

CAHSEE Results by Performance Level for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level in English-language arts and mathematics.

Subject	School			District			State		
	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11	2008-09	2009-10	2010-11

California Physical Fitness Test Results (School Year 2010-11)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5			
7			
9	14.90%	21.00%	45.00%

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2008	2009	2010
Statewide	8	8	7
Similar Schools	3	3	3

Students with Disabilities	183	461	911	621	521,815	595	22	-11	-50

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria (School Year 2010-11)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	No
Percent Proficient - Mathematics	No	No
API	Yes	Yes
Graduation Rate	Yes	Yes

Federal Intervention Program (School Year 2011-12)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status	Not Title I	
First Year of Program Improvement		2012
Year in Program Improvement		1
Number of Schools Currently in Program Improvement		1
Percent of Schools Currently in Program Improvement		6.3%

XI. School Completion and Postsecondary Preparation

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site at <http://www.universityofcalifornia.edu/admissions/general.html>.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web page at <http://www.calstate.edu/SAS/admreq.shtml>.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data is available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Subject	School			District			State		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
Dropout Rate (1-year)	2.10%	3.10%	1.40%	2.20%	3.60%	2.20%	4.90%	5.70%	4.60%
Graduation Rate	93.02%	91.37%	92.83%	91.12%	89.14%	90.26%	80.21%	78.59%	80.44%

Completion of High School Graduation Requirements

Students in California public schools must pass both the ELA and mathematics portions of the CAHSEE to receive a high school diploma. For students who began the 2010-11 school year in grade twelve this table displays by student group the percent who met all state and local graduation requirements for grade twelve completion.

Group	School	District	State
All Students	90.20%	91.60%	n/a
African American	89.50%	87.90%	n/a
American Indian or Alaska Native	--	--	n/a
Asian	96.20%	98.20%	n/a
Filipino	--	--	n/a
Hispanic or Latino	84.80%	86.80%	n/a
Pacific Islander	--	--	n/a
Two or More Races	87.00%	87.20%	n/a
White	95.40%	95.50%	n/a
Socioeconomically Disadvantaged	80.10%	84.60%	n/a
English Learners	81.70%	86.00%	n/a
Students with Disabilities	67.90%	75.00%	n/a

Career Technical Education Programs (School Year 2010-11)

This section provides information about the Career Technical Education (CTE) programs and lists programs offered at the school.

School Accountability Report Card

Reported for School Year 2010-11

Published During 2011-12

The district currently does not have district funded CTE programs in place. ROP funded courses offered by the district include the following:
(State course titles)

Audio Production
Automotive Technology
Banking and Financial Operations
Business Entrepreneurship (UC)
Commercial Photography
Computer Science and Information Systems
Film and Video Production (UC)
Floral Design and Sales
Graphic Communications
Information & Media Support Services
Marketing Essentials
Marketing – Career & Job Readiness (IEP & 504)
Office Occupations
Professional Actor
Professional Dance (UC)
Recreation Occupations
Stagecraft Technology

The district does not currently have a career technical advisory committee but is in the process to establish one for Fall 2012.

Career Technical Education Participation (School Year 2010-11)

This table displays information about participation in the school's CTE programs.

Measure	CTE Program Participation
Number of pupils participating in CTE	1,553
Percent of pupils completing a CTE program and earning a high school diploma	0.00%
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	11.00%

Courses for University of California and/or California State University Admission (School Year 2010-11)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

UC/CSU Course Measure	Percent
Students Enrolled in Courses Required for UC/CSU Admission	70.8%
Graduates Who Completed All Courses Required for UC/CSU Admission	72.5%

Advanced Placement Courses (School Year 2010-11)

This table displays, for the most recent year, the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

XII. Instructional Planning and Scheduling

Professional Development

This section provides information on how teachers and staff are trained for instructional improvement.

All teachers and staff in SMMUSD participate in ongoing professional development through banked time, a total of 90 minutes of meeting and professional development time each week at each site. Areas of district-wide focus for teacher and administrator professional development include implementation of curriculum guides and other areas that are determined by a review of summative and formative data from all school sites and the collection of input from teachers and administrators. Among the primary focus areas for professional development in SMMUSD are the following:

- *Developing Instructional Leadership Teams and Professional Learning Communities through Lesson Link, Academic Conferences and Learning Walks
- *Literacy and Mathematics – standards-based curriculum and instructional delivery
- *Using data to improve classroom instruction
- *Culturally relevant and responsive pedagogy
- *Supporting students with special needs
- *Differentiated instruction for all students, including English learners
- *Technology integration

A variety of methodologies are used to provide professional development, including coaching and mentoring. SMMUSD provides coaching through several programs such as BTSA, National Boards, literacy and ELD coaching, Instructional Leadership Teams, and such specialized programs as Cotsen Fellows and EETT Mentor/Coaches. Additionally, professional development occurs through workshop series during banked time and/or after school opportunities.

Each August, all teachers new to Santa Monica-Malibu are invited to participate in Teacher Academy, a professional development and orientation to district wide curriculum and instructional initiatives. All eligible new teachers are encouraged to participate in BTSA. Teachers interested in applying for National Board Certification may participate in the process and can elect to be supported by teachers who have already achieved National Board Certification.

Samohi's instructional focus is on setting focused learning targets, aligned with California state standards and classroom assessment, and based on data analysis. Every House and department uses professional development time to analyze classroom data, develop common assessments, and share strategies with which teachers can help every student be more successful in learning. These strategies are shared among all Houses so that best practices can be utilized across grades and subject matter.

Professional Development Days

This table displays information on the annual number of school days dedicated to staff development for the most recent three-year period.

	Instructional Days With At Least 180 Instructional Minutes		
	2008-09	2009-10	2010-11
Annual number of school days dedicated to staff development	3	1	1
