Dear SMM PTA Council Presidents, Officers, Chairs and Liaisons,

On Saturday, November 15th, we will offer our first-ever Special Education Fall Forum. We hope you've already heard about the forum. This is your official invitation to join us at this important event.

The Fall Forum is one of the efforts being undertaken in our Special Education Collaborative, and is an exciting joint effort of our schools and parents. SMMUSD is presenting the forum with the Santa Monica-Malibu Council of PTAs Special Education Committee and the Special Education District Advisory Committee.

The focus of the Forum is collaboration and partnership, in addition to Special Education nuts & bolts. It is important for all of us to hear and learn about and participate in the information being presented at the Forum.

Please make every effort to attend next Saturday. It will make an important statement of collaboration and unity to our Special Education families for us all to come together for this event. We are looking forward to seeing you there. Take a moment to fill out the attached registration form, or register via e-mail at FallForumSE@yahoo.com.

Regards,

Tim Cuneo
