SMMUSD Flier Distribution Guidelines

Our district cooperates with approved community partners by distributing fliers at some school sites. Each school site has different distribution instructions and bundling requirements.

To request flier approval, please follow the following steps:

1. The flier must be educational in nature, supporting the basic educational mission of SMMUSD and / or benefiting families of SMMUSD in a favorable manner.
2. Submit your flier for approval to the Superintendent's Office to Diana Kamibayashi, dkamibayashi@smmusd.org
3. Email must include a copy of 501c3 designation letter.
4. As a courtesy to our community and in order to provide access to ALL our students and parents, we require that fliers be submitted in both English and Spanish.
5. All fliers must include the name and contact information of the sponsoring entity.
6. All fliers must include the following disclaimer:
