AP Exam Format: Most exams are around 3 hours long plus time for the break, and set up/collection of materials. Please note that Music Theory, and Foreign Language exams may go longer given the audio recording parts. The first part of AP exams usually consists of multiple-choice questions. You will choose 1 of 4–5 answer choices for each question. Your total exam score on the multiple-choice section is based only on the number of questions answered correctly. You won't receive or lose points for incorrect answers or unanswered questions. The second part of the exam usually consists of free-response questions that require you to generate your own responses. Depending on the exam, your free responses could be in the form of an essay, a solution to a problem, or a spoken response. **NEW for 2025: AP Exams will be in digital or hybrid digital format. Digital means that all multiple choice and free response questions will be answered within the bluebook app. For Hybrid exams, students complete multiple-choice questions and view free-response questions in Bluebook. They will handwrite their free-response answers in paper exam booklets that are returned for scoring. AP Spanish and French exams will be paper/pencil with the recording component.**

IMPORTANT: EVERY STUDENT WILL NEED TO BRING THEIR COLLEGEBOARD ACCOUNT USERNAME AND PASSWORD TO TESTING ROOM. PLEASE MAKE SURE YOU WRITE DOWN YOUR USERNAME AND PASSWORD ON A PIECE OF PAPER IF YOU DO NOT HAVE IT MEMORIZED AS YOU WILL NOT HAVE ACCESS TO YOUR PHONE OR PERSONAL ELECTRONICS. THE SCHOOL DOES NOT HAVE ACCESS TO STUDENT USERNAME AND PASSWORDS SO PLEASE MAKE SURE YOU HAVE THIS READY AHEAD OF TIME. If you forgot your password, follow the instructions here: <https://support.collegeboard.org/help-center/i-forgot-my-password-how-do-i-reset-it>

Attendance: Please be sure to arrive at the time indicated for your exam. Students who arrive late or no-shows will **not** be able to make up their test. Students may not be dismissed until an exam has officially ended; don't ask to leave early if you finish before the end of the exam. Start times are set by the College Board, so there is little flexibility. **Please plan ahead for transportation if needed.** If you play a sport or have a job, it's your responsibility to inform your coach or employer of your AP Exam obligation. Students will be excused from class time for testing but are expected to check with their teachers on any work missed from other classes.
