Dr. Stacy Williamson welcomed everyone and then proceeded to explain what the LCAP is and how funds are allocated through this grant.

- **LCAP Overview**

It is a per student-based amount that is adjusted by grade level and demographics (Low income, English Learner, Free/Reduced Lunch eligible, and Homeless/Foster Youth).

-Demographic Adjustments: (Supplemental Grant)-Unduplicated count of English Learner, Free/Reduced Lunch eligible, and Homeless/Foster Youth. Funding only offered through one category so if a student falls within two or all three categories, they only receive funding for one.

(Concentration Grant)-SMMUSD does not meet the requirements for this grant. The requirement is to have 55% and higher unduplicated students.
