

Health and Safety District Advisory Committee - Regular Meeting Monday, May 23, 2022 7:00 PM – 9:00 PM Virtual

Assembly Bill 361 (9/2021) added section 54953(e) to the Government Code, authorizing a local agency to use teleconferencing without complying with the teleconferencing requirements imposed by the Ralph M. Brown Act during a declared state of emergency under specific scenarios. The law remains in effect until January 1, 2024. Due to the state of emergency proclaimed by Governor Newsom in response to the COVID-19 pandemic and its highly contagious variants, and as authorized by per AB 361 and SMMUSD Board of Education Resolution No. 21-08, the November Health and Safety District Advisory Committee meeting will be held virtually.

COVID-19 Testing & Vaccination

- Are you up to date with your Covid-19 Vaccine? Receiving your initial vaccine series gives you more freedom to work, visit certain venues and, in some cases, travel with fewer restrictions. But getting up to date with all recommended COVID-19 vaccine doses, including a booster dose (when eligible), provides the best protection against COVID-19 and variants like Omicron and Delta.
