

Email Blast 6/8/20 11:00am to TK-4

Good morning McKinley Lions! Here are a few reminders for the last week of school.

Digital Yearbook

At this link you can view and download the digital 2019-20 McKinley Yearbook. McKinley is giving this as a free gift to all students this year. Please enjoy this keepsake of visual memories!

You will see that a feature has been enabled that allows students to digitally sign each others' yearbooks. Just download the PDF to your computer, click the "markup" button on the top right of the PDF, then click on the pen or text box icons to sign and write on the page, and click to save. Students can then email PDFs to each other, or share the document with each other in a Google classroom.

End of Year Student Newspaper

Attached is our end of year edition of the McKinley Times. Great job to our 4th and 5th grade writers and editors!

Class End-of-Year Celebrations

During this last week of the school year, classes will be having end-of-year celebrations virtually. All teachers will also have a final closing farewell Zoom with their class on Wednesday to wish students well for the summer. Please reach out to your child's teacher for more information about celebration plans.

Congratulations to our 5th grade graduates who had a special PRIDE Parade Procession diploma pick-up today, and who enjoyed a 45 minute virtual graduation video of student speeches dubbed "Proud Lion Proclamations!"

Reminder- Report Cards

A reminder that this Wednesday is the last day of the school year! Teachers will be emailing parents PDF copies of your child's report card.

Reminder- PreK-4th Stuff Pick-Up Return Days

This Thursday June 11th and Friday June 12th are stuff pick-up and return days. Parents may come by campus anytime between 9:00am-4:00pm on either of the days. Students' belongings to be picked up will include: unfinished curriculum materials, student work/projects, items left in the classroom, and medications. Student items to return include: library books and non-consumable textbooks. You may keep your child's Chromebook, internet hotspot, and musical instrument; please return them only if you are leaving SMMUSD or need items repaired.

Attached are directions and a map. Do not come to campus if you are experiencing symptoms. Masks required. No students permitted. Follow the cones to maintain social distancing.

Educational Software

During the summer educational software will continue to be available with students' current login information. This includes Lexia, Freckle, MyMath, Benchmark ELA, Typing Club, and Reflex Math. Information about how to login into Clever to access resources can be found [here](#). Digital versions of class textbooks and additional learning resources for summer can also be found at the [family engagement website](#). If you need assistance with accessing digital resources please reach out to your child's teacher this week so they can assist you before the school is closed for the summer.

Plans for the Fall

SMMUSD is still determining what instruction will look like in the Fall to ensure student and staff safety during COVID-19. Please check your email and the district and school website for updates throughout the summer.
