McKINLEY HELP PROGRAM FOR STUDENTS IN NEED

The Help program's mission is to help alleviate child hunger by providing help assistance for the weekend when school-sponsored breakfasts and lunches are not available.

We will be determining various ways of supporting families with food.

The program primarily targets students who qualify for the Free Lunch Program, or have a high-needs situation.

Be aware that this form is confidential, and only the McKinley community Liaison and office staff will be aware of who is participating in the program.

We here at McKinley are proud to have this opportunity to support our families. If you have any questions, please contact Erika Diaz in the front office at e.diaz@smmusd.org or 310-828-5011. (ex; 65122)

If you would like to sign your child up for the program, please complete the form below and return to e.diaz@smmusd.org.
