

EL SEMANARIO

Edison Language Academy – May 23-27, 2022

ANNOUNCEMENTS

Return of Loaned Chromebooks and Hot Spots

If your child is in 5th grade or is not returning to Edison next year AND has a borrowed district Chromebook or Hot Spot, return these items and any cords and chargers by May 27th. Students continuing on to a SMMUSD middle school will be able to borrow a Chromebook from their new school. **If you have lost or damaged loaned equipment** and cannot afford the replacement fees, please contact Community Liaison Jessica Hernandez (jessicahernandez@smmusd.org) to request a fee waiver.

Music Informances – Thank you to all our wonderful music teachers for their work with our students this year! They taught inside and outside, masked and unmasked with social distancing. All regular music classes end this week.

Congratulations Mathletes -- 5th Grade Mathletes and families gathered at Edison for our 1st Edison Math Olympiad last Saturday. Thank you to teacher Constanza Murcia for organizing and leading our Mathlete teams. Well done mathematicians!

Congratulations on Reaching English Proficiency!

We were thrilled to celebrate the accomplishments of English Learner students who met all the criteria to be reclassified as English proficient this year at a weekend reception at the Obama Center.

PS Arts Classes Conclude this Week

– Much Appreciation to Maestra Martha Ramirez Oropeza for 15 weeks of visual arts instruction for our students. You'll see many displays of students' work in the classrooms at Open House. Maestra Martha is continuing to help our 5th graders finish their final self-portrait projects this week and next.

The Book Fair with selections in English and Spanish from Scholastic and La Libreria is now open all week in the library before and after school through Friday. Families can pay with a credit card, send children with cash, or set up an e-Wallet so kids can pay on their own.

Library Books and Text Books – Please return any library books or text books checked out in your child's name to the Edison library by the end of this week. If the book is lost, please let Library Coordinator Yoly Gutierrez know (ygutierrez@smmusd.org); she can also help with a fee waiver if the replacement costs pose a financial hardship for your family.

Summer Chromebook Care: If your student in other grades has a loaned SMMUSD Chromebook at home for the summer, please carefully review these [Summer Chromebook Care Instructions](#)
