Superintendent's Message: Saturday Vaccination Clinics

Dear Parents, Guardians, Staff, Students and Community Members,

Please find information about our two scheduled vaccination clinics on Saturday, Jan. 8 and 22, at McKinley Elementary School, in this letter. We seek to raise our vaccination rates for everyone aged five and up and provide opportunities for boosters for those who are eligible.

We join health care providers and our guiding health agencies in encouraging vaccinations for everyone aged five and up. Our upcoming Saturday clinics offer both Moderna and Pfizer vaccines. Students, parents, staff, community members may register. Parents will need to fill out a form linked here for vaccines for children: [English](#) / [Spanish](#). It's best to bring along with you if possible to your appointment for your child.

Please see the codes / links below to register. Note that registration is open for Jan. 8, currently. On Jan. 10, it will open for Jan. 22, using the same codes. We are working with our provider to provide a Saturday clinic in Malibu soon. Anyone can register for the McKinley location.

Vaccinated students who are exposed to a positive case, but asymptomatic may attend school. Unvaccinated students may not. This is a Los Angeles County Department of Public Health protocol we are following. [English](#) / [Spanish](#)

Fully vaccinated includes the booster shot when eligible, which is five months following the initial series of two Pfizer shots for students aged 12 to 17.

Sincerely,
Dr. Ben Drati, Superintendent

Vaccination Clinic at McKinley Elementary School

2401 Santa Monica Blvd., parking lot off Chelsea.

Jan. 8, 2022 and Jan. 22, 2022: 9 a.m. to 3 p.m. Note: Jan. 22 registration will start on Jan. 10. Open to five and up, including boosters for staff, students, parents, community members.
