

Access to your account made easy

Day or night. Here or there. You can securely manage your retirement savings anytime, anywhere. Check your progress towards your goals, make saving and investment changes, get information and more.

Online account access through <https://calpers.voya.com>

What the website offers you:

myOrangeMoney® experience

- View the retirement income your current savings (and other sources) could provide
- Adjust retirement age, contribution rate and projected rate of return sliders to see how your estimated future income might change
- View potential healthcare costs in retirement

Message center

- Receive important alerts, reminders and account news

Account summary

- View your account balance and rate of return

Investment details

- View your asset allocation, balance history and current fund performance

Market watch

- Receive up-to-the-minute updates on your own personalized watch list of stocks and mutual funds

Tips and tools

- Access important financial education and tools

Want to receive electronic plan statements and documents? Just update your User Preferences and they'll be sent to the e-mail you share with us.

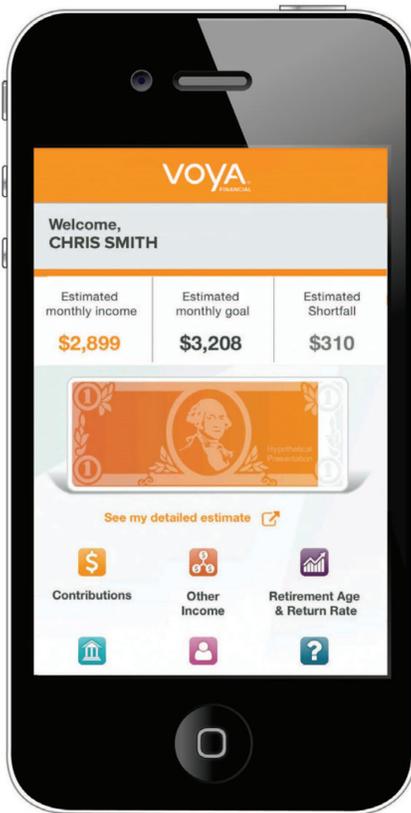

Your actual account view will likely differ. For illustrative purposes only.

Whether you're calling, using the mobile application or accessing your account online, your login is the same for the initial visit.

To access your account you will need your Social Security Number and password. Your password is the same as the one you use when logging into the Voya retirement plan website.

You can create a personalized Username for subsequent visits to the website and mobile application. These two account access methods are linked — so login information will be the same for both.

On the go? **Go mobile!**

You can download our mobile application directly from the iTunes App Store or through Google Play. You can view your account details and make transactions — all through the convenience of your smart phone. The myOrangeMoney® experience is also featured on the mobile app.
