

The College Board has provided flexibility for schools to administer AP exams this school year. Santa Monica high school will administer AP exams over a 6-week period with a mix of digital exams and in-person exams. The testing dates and formats were selected with input from teachers, students and administration taking into account Covid protocols, proctoring requirements, instructional time and digital equity. Below you will find the overall AP schedule. Tests listed in **green will be administered in person at school**. The other exams listed in **pink will be administered digitally**. Most students will take the exams digitally from home, however students may request to come on campus to take a digital exam if the internet or home environment does not support an optimal test environment. The tests may be taken on a school issued Chromebook, or student owned desk or laptop computer. The tests cannot be taken on a phone. There will be much more information as the testing dates get closer.

Course	Test Date
Art	20-May
Biology	27-May
Calculus AB	9-Jun
Calculus BC	9-Jun
Chemistry	25-May
Chinese	14-May
Computer Science Principles	26-May
English Language (11)	26-May
English Lit (12)	1-Jun
Environmental	27-May
French	10-May
German	4-May
Human Geography	28-May
Japanese	5-May
Macroeconomics	19-May
Music Theory	12-May
Physics 1 Algebra Based	24-May
Physics C E&M	25-May
Physics C Mechanics	24-May
Psychology	20-May
Spanish Language	21-May
Spanish Literature	21-May
Statistics	25-May
US Government	20-May
