### Welcome Back McKinley Lions! It's Going to be a Great Year!

On the first day of school McKinley had our first ever Info Fair where school and community organizations such as the PTA, PS Arts, the Ed Foundation, after school programs, and the Metro, all came to talk to families and share information. Families were excited to hear all about the many ways they can be involved in the school and community.

Principal Dr. Benjamin, and Assistant Principal Sofia Cedillo, are ready for the first day of school!

Students and families had a wonderful time at our TK and K Meet and Greet. Our new Lions met their classmates and teachers, snacked, got their new Spiritwear, and played on the playground as they were introduced to their new school.

Your McKinley staff was hard at work before school starts, having professional development, collaborating, and planning for the school year. Thanks PTA for providing breakfast for our staff! It's going to be a great year!

The McKinley staff and their families also took a little time out to have some fun and build that Lion Team Spirit for the school year, playing some laser tag at Ultrazone Sherman Oaks.
