PRINCIPAL'S MESSAGE- Feb 28, 2022

Dear Webster Families,

I hope you had a restful and relaxing weekend. This week is Read Across America week. This Wednesday is **READ ACROSS AMERICA DAY!** There will be a focus on children's literacy and fun read-aloud activities throughout the day. Take a moment this Wednesday to ask your child what their favorite book is and then the following questions:

- If you could give the book another title, what would it be?
- Which characters would you like to meet in real life?
- What do you wish was different about the ending?
- Would the book make a cool movie?
- What is one thing you could ask the author if you could talk to him or her?

For Read Across America Day we will also have **Pajama Day Spirit Day!** Send your kids to school in their favorite pajamas this Wednesday!

We hope you had a beautiful weekend,

Principal Daruty

4th and 5th Grade Music- We will start this week with a return to two days of music instruction. Tuesdays and Thursdays. This is exciting news for our students as they grow their instrumental and vocal music knowledge.

Good punctuality is a habit of mind and it starts early in life. I am seeing a trend of students arriving after 8:30 a.m. and later. When students are late they miss valuable instructional time and it can be hard for them to transition to class. Of course, our students rely on their parents to help them be punctual. I am asking all parents to make a concerted effort to arrive on time! Plan ahead for traffic and drop-off delays. Work with your neighbors, and consider organizing a carpool! Thank you for your partnership.

Character Counts Assemblies. Once a month we will host a school-wide assembly to honor individual Webster Whales for demonstrating outstanding character! Our next Award Assembly will be held on March 25th @ 8:30 a.m. The Six Pillars of Character are the core ethical values of the CHARACTER COUNTS program we use at Webster Elementary. The Six Pillars of Character are trustworthiness, respect, responsibility, fairness, caring, and citizenship. Each of the Six Pillars of Character help instill a positive school climate and a culture of kindness, making Webster School a safe environment for students to learn. While we encourage these values in all of our students, these assemblies will honor students who have gone above and beyond.

This Month's Awardees were:

- (K) Weston Peters- Responsibility
- (2nd) Poppy Green- Caring
- (3rd) Hero Major- Respect
- (4th) Remy Rankin- Fairness
- (4th) Rem Sokoloff- Respect
- (5th)Carloyn Kim- Trustworthiness
- (5th) Leila Trujillo- Citizenship

Health and Safety Measures: Layers of Mitigation

Thank you for your continued support as we off-ramp some COVID-19 protocols. We lifted the requirement to wear masks outdoors. We discontinued the use of our pre screening app and temperature checks at the school entrance. Additionally, students no longer have restricted play zones at recess time. Thank you for sending healthy students to school! Spring Break may feel a long way off however, but we are already preparing for the possibility of a post Holiday COVID-19 surge. To this regard each student will bring home an at-home Antigen Test the day before Spring Break. Help your child take the test on the morning of Monday, April 18th and show the negative test result to the staff at the entry gate. Your child's proof of a negative antigen test will be their ticket to reenter campus. **Any student returning to school, regardless of vaccination status, must be free of any symptoms of illness. Please keep your student home if they are not well and alert the health office.**

Webster will continue with the following current health and safety protocols include:

- Masks and physical distancing according to Public Health guidelines.
- Daily health screening.
- Frequent hand washing.
- Cleaning and disinfecting protocols.
- MERV-13 and HEPA filters in all classrooms and workspaces.
- Regular weekly asymptomatic testing.
- Quarantine, isolation, contact tracing, and notification protocols.
- Masks continue to be required for all children and adults **while indoors**, regardless of vaccination status.

The California Department of Public Health issued new [Guidance for K-12 Schools](#). The new guidance applies to the 2021-22 school year. Since the beginning of the pandemic, SMMUSD has implemented multiple layers of mitigation to protect our students and employees. We continuously update our health and safety measures based on guidelines from the California and Los Angeles County Public Health Departments. [Exposure Management Plan Guidance TK-12 Schools Appendix T2 as of 1/18/2022](#)

Visit our **SMMUSD Covid Dashboard** that reflects all positive cases by site, updated weekly: www.smmusd.org/Dashboard and the County of LA also has information you can find by school <http://publichealth.lacounty.gov/media/Coronavirus/education/index.htm>.

Antigen Testing hubs: In order to facilitate the shortened isolation of asymptomatic COVID-positive staff and students to return to school after day five of isolation, we are providing two antigen testing hubs for students and staff to access in order to get an antigen test on day five or later. Students and staff on isolation for a COVID infection must submit the antigen result from the hub testing via email to their school site nurses and await official clearance from the nurse to qualify for the shortened isolation. Antigen tests from a testing facility, medical clinic, or health care facility will also be accepted. Home tests will not be accepted. Hubs in Santa Monica and Malibu:

- Malibu Elementary School (for Malibu staff and students): Monday-Friday 8:30 a.m.- 1:30p.m.. Please do not enter the school office. Testing is in the parking lot. Registration is on-site.

Masking:

- Staff: All staff will now be required to wear medical-grade masks (surgical or KN 95). The District is providing a supply of these masks.
- Students: The LACDPH highly recommends that all students do so as well, as these higher quality masks can greatly reduce risk of transmission. LACDPH masking information: [English](#) / [Spanish](#).
- Parents: Please do your part to follow our district's masking policy. All students, parents and staff must be masked when on school premises, regardless of whether outdoors or your vaccination status. We ask that you model this policy for our students and support keeping our students safe and in school. **This includes during drop-off and pick-up when you may be near other children.**

Illness Reporting: If your child is ill, please take the following actions. Keep your child home, report the absence and symptoms to our school nurse hdabiranzohori@smmusd.org Also please report the absence to Attendance Officer Michael Ward michael.ward@smmusd.org
