**PRINCIPAL'S MESSAGE-Apr 25, 2022**

Our students returned from Spring Break ready to learn. We were so proud of how quickly and seamlessly they returned to their routines. We appreciate your support in ensuring that they arrive on time and are ready to learn for the remaining seven weeks of the school year.

Our organic recycling is off to a great start! We have many students who have asked to spend part of their lunchtime helping students sort their trash and take food scraps to the compost bin! It is very exciting to watch how we are growing soil scientists!

**Show us your talent! The Webster 2022 Talent Show** is this Friday, April 29, 2022. Live performers must attend the next two practices on Tuesday, April 26, 2022 and the dress rehearsal on Thursday, April 28, 2022. Participants, teachers, and classmates will watch the show at school on Friday, April 29, 2022 @ 8:45 am with a night performance at 6:00 pm on Friday, April 29, 2022. We are looking for some parent volunteers to help with rehearsal and the night performance! Email [webstermalibutalentshow@gmail.com](mailto:webstermalibutalentshow@gmail.com) if you are interested. We are excited for the overwhelming number of submissions that we've received. It's spectacular that we have so many students who want to share their talents with their peers. **Being that we do have so much talent to include, we have decided to showcase the digital submissions at a special Webster Whales watch party Friday, 5/6 (8:45am)! This will allow us to give all of our students their time to shine.**

**The Student Council sponsored a water bottle challenge!** Two classes tied for FIRST place! Kinder and First grades had the most students who brought a reusable water bottle to school for four straight weeks! Mrs. London's 5th grade class came in 2nd place. All winners will receive a treat on Monday.

**Enrollment for 2022-23** Please take the time to complete your enrollment plans for next year. This will assist me in identifying teacher and student assignments for next year. Student enrollment numbers are the key factor in our planning and I have heard from  $\frac{3}{4}$  of our community! Please take a moment to let us know if you plan to return to Webster for the 2022-23 school year. <https://forms.gle/BWDmHcTWXpaTzos7A>.

Congratulations to our 5th grader **Malibu Woman's Club Winners!** We celebrated them on Friday at Legacy Park.

**COMPOSTING** Before Spring Break, **Full Circle Compost** led an assembly for our students, teaching them about the benefits of composting. Continuing this week, we will recycle our food scraps from lunch and reduce waste. This aligns with the Malibu city initiative to promote organic waste recycling and is funded

**John L. Webster Elementary School**

by a grant from the County of Los Angeles. This week and next, classes will have hands-on sessions with the Full Circle Compost team, in our garden.

Cecilie Stuart and her team with Full Circle Compost are excited to get us started! Take a look at an article she wrote for the Topanga New Times about school composting and soil science. It highlights the many schools she works with that are making soil, learning soil science, diverting food waste, and getting ready for college too! <https://topanganewtimes.com/2022/03/25/school-of-dirt/>

**Character Counts Assemblies.** Once a month we will host a school-wide assembly to honor individual Webster Whales for demonstrating outstanding character! The Six Pillars of Character are the core ethical values of the CHARACTER COUNTS program we use at Webster Elementary. The Six Pillars of Character are trustworthiness, respect, responsibility, fairness, caring, and citizenship. Each of the Six Pillars of Character help instill a positive school climate and a culture of kindness, making Webster School a safe environment for students to learn. While we encourage these values in all of our students, these assemblies will honor students who have gone above and beyond. **April Awardees are: Grace Goodloe, Audrey Carlson, Bodhi Skelton, Quinton Benadum, Leroy Marshall, Taylor Murray and Mario Seltzer.** Our next Awards Assembly will be held on May 20, 2022.

Last week we showcased some of the work our teachers and students have been participating in through our partnership with the [Botswana School Project](#). Through a collaboration with the Boys and Girls Club, several teachers at Webster Elementary are working together to support the arts and increase fluency in Botswana's schools. Students are very enthusiastic about helping the students in Botswana. Their projects include: friendship bracelets, welcome note cards, hand sculptures of sign language gestures such as "I Love You", books on tape, treasured favorite books, animal paintings. Plus, fifth graders are filming the project. This project creates a wonderful opportunity for Webster students to be of service to the people in Botswana while integrating the project across their curriculum. This week Brooks Kamanakao, a safari guide, born in the Bush of Botswana, will be visiting Webster and Malibu Schools. This project will show Webster students how to see people in the world through a wider lens and encourage them to celebrate their similarities and differences. **Please support our efforts by participating in the [Community Zoom Cooking Event](#) to support Botswana Project @6:00 p.m.on May 7th!**

**School Site Council Parent Elections:** There are FOUR vacant two-year seats for parents on our (2022-2023 & 2023-2024) School Site Council. We need parent-candidates to run for office. This is the single most important committee at school in steering school improvement goals. The committee consists of five parents, three teachers, one support staff member, & the principal. The principal helps the committee to analyze needs, set direction, and evaluate progress. The Board of Education sets expectations for the Site Council and establishes criteria for the approval of the School Improvement Plan (also known as the School Plan for Student Achievement / SPSA) and School Safety Plan (SSP). Throughout the school year the committee reviews progress and discusses next steps. At the end of the year an assessment of progress and an adjustment or confirmation of goals occurs. We meet on Thursdays once a month via Zoom from 3:30 - 4:45 and obviously some additional reading beyond meeting times will be needed in order to be an informed representative. Are you interested in running for office? Please download and email your [official nomination form](#) to principal Daruty by Friday, May 6th.
