PRINCIPAL'S MESSAGE- Sep 19, 2021

Dear Webster Families,

Thank you to everyone for your flexibility and patience arriving at school last Friday, given the PCH closure. It is a great reminder to read your emails, follow our twitter page @Webstermalibu and check our school website for up to date information. We have a great community of parents! Plan now, to have alternate adults assist you with your drop-off and pick-ups plans. Be sure permitted adults and family members are listed on your student's emergency card. If your child was late on Friday due to the closure, the tardy was excused. If your child was absent, please email our registrar, michaele.ward@smmusd.org with your reason for absence.

Hopefully you received and read Dr. Drati's message on Friday regarding plans for updated quarantine protocols. I will follow-up with the specifics of how this will look at Webster, once a district plan has been adopted. I attached his message to this email for your review.

Your proud principal,

Ms. Daruty

John L. Webster Elementary School

deadline, we will slowly begin to allow vaccinated, parent volunteers on campus. We are hopeful to allow parent volunteers near the end of October. Our first volunteer opportunity will be to assist with the annual Halloween Parade on Friday, October 29th. We will permit two, vaccinated parent volunteers per classroom. In order to be selected to volunteer for this event, you will need to be a cleared Webster volunteer. This involves attendance at a volunteer training (every four years), and a valid TB test or waiver. Please contact the office if you are unsure of your status. There are four upcoming trainings. Please plan on attending if you would like to volunteer in your child's classroom, for field trips or special events once we are permitting volunteers. We love and need volunteers at Webster!

Health and Safety Measures: Layers of Mitigation

SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT

John L. Webster Elementary School

3602 Winter Canyon Road Malibu, CA 90265

LINTELIO HEALTH SCREENING TOOL - USE EVERY DAY. It is provided to SMMUSD through a company called Company Nurse. It is easy to use and it is now ready to use! If your account is on hold or you have questions about the app, please reach out to the school office!

Steps to follow:

- All students and staff can start **NOW** by registering themselves. Click the links below to register and then scroll through to your location. If you are on a laptop, you need to hold the left mouse down while scrolling down. If you are on a cell phone it works easier because you just scroll to your location.
- The day after you register you will start receiving a screening link via email the very next morning after you registered at 5 am. The link will come from LINTELIO, so, please use the name Lintelio when discussing the new link with student, staff, and parent community. This link is unique to you and your name every day, and unique to that particular date so please only complete your link, for the current day, and don't share it with anyone else to complete.
- Click on the link you receive every morning at 5 am to complete the screening. You will need to show your green screen prior to entering any district facility. Your green screen will last for 15 hours.
- If you get a red screen STAY HOME and contact your administrator and/or school nurse for further instructions.
- If you receive a red screen, you will not be able to complete further screenings on subsequent days until a school nurse or administrator clears your hold in the system and allows you to screen again.

Students can start now registering as users via the following link:

Illness Reporting: If your child is ill, please take the following actions. Keep your child home, report the absence and symptoms to Health Office Specialist Yoliee Hernandez yhernandez@smmusd.org. Also please report the absence to Attendance Officer Michael Ward michael.ward@smmusd.org

Masks: Masks should be clean and form fitting. Daily replacement or washing of masks is key to good health. Masks may be removed to eat or drink outdoors. Masks may also be removed briefly if breathing becomes difficult; in this case the student steps away and removes their mask with two hands a few inches from their face. Fresh child-sized masks are always available from staff. Masks with one-way valves, bandanas and gators are not permitted. Alternative protective strategies may be adopted to accommodate students who are on Individualized Education or 504 Plan. Please contact Ms. Daruty to discuss. Students who present appropriate documentation demonstrating a disability or condition that does not allow them to safely wear a mask can wear a face shield with drape. Students with documented conditions that do not accommodate the face shield and drape may request a reasonable accommodation from the school or district.

- Masks and physical distancing according to Public Health guidelines.
- Daily health screening.
- Frequent hand washing.
- Cleaning and disinfecting protocols.
- MERV-13 and HEPA filters in all classrooms and workspaces.
- Regular weekly asymptomatic testing.
- Quarantine, isolation, contact tracing, and notification protocols.
- Masks continue to be required for all children and adults while indoors and outdoors, regardless of vaccination status.

PTA INFORMATION:

Visit our PTA website <https://websterpta.com/>. Please see all the important fundraising and children's events that are coming up! Webster is a great school but we cannot be an AMAZING school without Parent Involvement. Please [join the PTA](#) and please support the [Annual Giving Campaign](#). Membership is just \$15 and allows you to vote at meetings, but more importantly is a symbol of unity between teachers and parents. The Annual Giving Campaign website will show you where your voluntary donation goes. The services on this list are so important and allow our school to move from good to great. Thank you for your consideration! Lastly, the PTA website lists many local parent and child resources they have gathered. I cannot thank the PTA strongly enough. Our PTA is helping all of us stay connected and helping our school to be great.
