PRINCIPAL'S MESSAGE- Dec 6, 2021

Dear Webster Families,

Tomorrow is the last day to donate books for the **Webster Bookfair 2.0: Recycle, Reuse...Re-Read!** Students will bring in books to their classroom for donation to the Book Fair.

- Please only bring as many books as our child can carry. No office drop-offs we want to get our students involved!
- PTA will place a bin outside each classroom for the book drop off.
- Volunteer parents will unload and organize the books after school and return the bin to your classroom for the next morning.

This past Friday we had an exciting Mathemagical Family Math Afternoon. Nearly 50 students participated in engaging math activities with their family and peers. Thank you to Mrs. Harris and all of our wonderful volunteers.

We are excited to host our annual **WINTER CHORAL CONCERT- 12/15 @ 8:45 a.m.** The event will be held outdoors, please dress for the weather!. Guests will be asked to take a health screening at the gate and be seated in a special viewing section. Based on updated recommendations from the L.A. County Dept. of Public Health, all guests **must be masked and guests 12 and older must show proof of full vaccination or a negative PCR test taken in the past 72 hours to enter. NO EXCEPTIONS.** You may email a copy of your vaccination card to Isaura Terry at iterry@smmusd.org in advance or present proof of vaccination at the gate. Please do not ask the Webster staff monitoring the entrance for an exception. It will not be granted and will only place our staff in an uncomfortable position. Following these recommendations allows us to continue to offer community events, and we appreciate your full cooperation.

Have a wonderful week,

Principal Daruty

THIS WEEK:

MONDAY 12/6/21

REGULAR COVID PCR TESTING every MONDAY: For those participating in free, on site testing each Monday, please speak positively about testing. Test results are received within 48 hours. You will only be notified if your child tests positive for COVID-19. The testing is intended to keep our community safe by identifying students and staff who are COVID-positive. Thank you to everyone for either 1) registering to test every Monday or 2) electing to submit outside PCR tests each week. Regular testing by all staff and students is required to attend school in -person. If you are not registered to test for free, at school, please submit your child's negative PCR test results by **Monday morning at 8:00 a.m.** If we do not have your child's negative results, they will not be able to attend school. The test should be dated between Tuesday and Sunday of each week. **USE THIS SURVEY TO SUBMIT AN OUTSIDE PCR TEST:** <https://forms.gle/QgH6cHhcyYkGCpRe9>.

TUESDAY 12/7

Math Club Parents: Please be advised that we do not open the gates to allow students in until 7:45 a.m. Please stay with your children and do not drop your children off early, as there is no one to supervise them before school. Thank you for helping us keep our students safe!

WEDNESDAY 12/8

Lockdown Drill. Students and staff will participate in age appropriate Active Shooter Response Training.

Discussion Topics:

- Teachers are here to protect you and keep you safe from people who might want to hurt other people.
- The need to hide out in the classroom and be very quiet is sometimes required to be safe. This could mean (i.e. a dog or coyote that is loose on campus).
- Leaving the room or play yard very quickly may be necessary to be safe.
- Following the Teacher's directions is very important to keeping us all safe.

Preparation:

- Look for ways to make your classroom a secure refuge from an attacker.
- Determine safe escape routes from your classroom, assembly rooms, and playground.
- Practice rapid relocation from the classroom, assembly rooms, and playground using alternative **safe routes.**

SCHOOL NEWS AND ANNOUNCEMENTS:

SCHOOL SAFETY: In light of the tragedy at the high school in Michigan last week, there is no time like the present to remind students, and parents: “If you SEE something, SAY something.” Below is a helpful article I read that emphasized that:

There are warning signs before an act of targeted school violence occurs.

In all incidents of targeted school violence—100 percent—there were warning signs that caused others to be concerned. In 77 percent of incidents, other people were aware of the shooter’s plans in advance.⁵

<https://everytownresearch.org/report/how-can-we-prevent-gun-violence-in-schools/>

It is a wonderful reminder to inform you that students and parents can and should report concerns using **WE TIP. 1-800-78-CRIME**. It is an excellent anonymous platform for parents and students to report their concerns. **We Tip** [parent letter in English](#) **We Tip** [parent letter in Spanish](#)

We Tip can be used to report:

- Bullying/ Threats
- Property Destruction
- Violent Crimes
- Unsafe Conditions/ Safety Violations
- Workers Compensation/ Insurance Fraud
- Drugs/ Illegal Substance/ Alcohol Abuse
- Theft/ Robbery/ Burglary
- Discrimination/ Harassment
- Arson/ Terrorism/ Bombs

LOWER PARKING LOT: Parents MAY NOT USE the bus lane to drop off their children. This area is for the bus only. Please park in a spot and walk your children to the gate. We will place cones to block the traffic, please help us keep our students safe.

DREAMBOX: Adaptive computer math program. Here's a great, 5 min video for parents that addresses engagement, productive struggle, & perseverance within the program: [DreamBox at Home: Supporting](#)

VACCINATIONS: CDC Grants Emergency Approval for Ages 5-11. On November 2, 2021, the CDC approved emergency use of the COVID-19 vaccine for ages 5-11. The district is encouraging all eligible students to receive the vaccine. If you need to schedule a vaccination appointment during the school day, please email Michael Ward, michael.ward@smmusd.org the reason for your child's absence. This would be an excused absence.

You may begin submitting your child's vaccination status, now. **THIS IS NOT A REQUIREMENT.** However, we are collecting this information, if it is available. Please submit your child's vaccination cards via email to our health office staff. Please email the Webster nurse @hdabiranzohori@smmusd.org

SMMUSD is offering vaccine clinics at three schools: SMMUSD is offering vaccines to everyone age five (5) or older at three schools, two in Santa Monica and one in Malibu, over the next several weeks. This will allow students, parents, staff and community members the opportunity to register for their first, second and or booster vaccine at a nearby school. Vaccinations will be offered as follows: [Please make sure you use the codes for your preferred school site:](#) Students 5-17 are eligible for Pfizer vaccine only, and 18 and over may select between Pfizer or Moderna. If insured, insurance information will be requested in the registration process. Students 5-17 will need a parent with them and a consent form will be provided for parent signature at the vaccination clinic. Here is the consent form in advance if you would like to bring it to the appointment: [English](#) [Spanish](#) Following the first clinics, second doses or boosters are available as follows. **QR codes and registration links will be sent following the first sessions.**

Second dose or boosters (these dates are in line with the 21-day recommendation) during winter break: **(All 10 a.m. - 4 p.m.)**

Dec. 21 @ John Adams Middle School

Dec. 22 @ McKinley Elementary School

Dec. 22 @ Malibu High School

Second dose dates for those that can't come to the dates above will be the week we are back from winter break.

Jan. 4 @ John Adams Middle School

John L. Webster Elementary School

3602 Winter Canyon Road Malibu, CA 90265

Jan. 5 @ McKinley Elementary School

Jan. 6 @ Malibu High School

We continue to encourage vaccinations for everyone aged five and up. Our staff is now fully vaccinated. Student vaccinations in secondary schools have reduced the number of students out on quarantine due to exposure. We are looking forward to our elementary students having the opportunity to continue to be in school, when an occasional positive case arises, instead of being sent home to quarantine as a result of LACDPH protocols even with no symptoms.

WINTER CHORAL CONCERT- 12/15 @ 8:45 a.m. You are cordially invited to our annual winter concert and community sing-a-long. Each class will perform a holiday song on stage. Parents are invited to this outdoor event to kick-off the holiday season and build community. The event will be held outdoors, so dress for the weather! Guests will enter school using the designated outdoor entrance. Guests will be asked to take a health screening and be seated in a special viewing section. Based on updated recommendations from the L.A. County Dept. of Public Health, all guests must be masked and guests over age 12 **must show proof of full vaccination or a negative PCR test taken in the past 72 hours to enter. NO EXCEPTIONS.** You may email a copy of your vaccination card to Isaura Terry at iterry@smmusd.org in advance or present proof of vaccination at the gate. Please do not ask the Webster staff monitoring the entrance for an exception. It will not be granted and will only place our staff in an uncomfortable position. Following these recommendations allows us to continue to offer community events, and we appreciate your full cooperation.

PARENT VOLUNTEER OPPORTUNITY: Would you like to help us share your parent perspective during our Prospective Parent Tours? We need your help. Ms. Daruty will provide you with a “cheat sheet” about specifics. So you’ll be prepared for any question. Please consider volunteering to be a Parent Ambassador! <https://www.signupgenius.com/go/8050c4caeac2fa5fc1-campus>

LOST AND FOUND- Please look through the wardrobe rack in the front of school. Items will be donated if not claimed by Dec. 17th.

SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT

John L. Webster Elementary School

3602 Winter Canyon Road Malibu, CA 90265

The City of Malibu Community Services Department launched the *#PlayLikeAGirlMalibu* campaign and invites individuals in the Malibu community to share their epic girls' sports moments by incorporating the hashtag into their online posts. Pre-registration is required at MalibuCity.org/Register. The campaign aims to encourage girls of all ages not only to participate in the City's wide offerings of youth sports classes, but to also provide a platform for girls' sports programs to be highlighted in the community. The Department's goal is to improve the representation of females in positions of leadership in sport and recreation. Additional **City of Malibu Events for children:**

Please see all the important fundraising and children's events that are coming up! Webster is a great school but we cannot be an AMAZING school without Parent Involvement. Please [join the PTA](#) and please support the [Annual Giving Campaign](#). Membership is just \$15 and allows you to vote at meetings, but more importantly is a symbol of unity between teachers and parents. The Annual Giving Campaign website will show you where your voluntary donation goes. The services on this list are so important and allow our school to move from good to great. Thank you for your consideration! Lastly, the PTA website lists many local parent and child resources they have gathered. I cannot thank the PTA strongly enough. Our PTA is helping all of us stay connected and helping our school to be great.

Health and Safety Measures: Layers of Mitigation

Check your email every night. Please check your email daily, including each night and each morning before coming to school, to see if a positive COVID-19 case has been identified in your child's class and if your child needs to follow the quarantine protocols. Sometimes we are informed of a positive case late at night, and we need to inform multiple families as quickly as possible that their child needs to quarantine. If a positive case is identified in your child's class, please know that district nursing staff will follow up with you as part of contact tracing.

LINTELO HEALTH SCREENING TOOL - USE EVERY DAY. It is provided to SMMUSD through a company called Company Nurse. It is easy to use and it is now ready to use! If your account is on hold or you have questions about the app, please reach out to the school office!

Students can start now registering as users via the following link:

Illness Reporting: If your child is ill, please take the following actions. Keep your child home, report the absence and symptoms to Health Office Specialist Yoliee Hernandez yhernandez@smmusd.org. Also please report the absence to Attendance Officer Michael Ward michael.ward@smmusd.org

ADULT MASKING: Please do your part to follow our district's masking policy. All students, parents and staff must be masked when on school premises, regardless of whether outdoors or your vaccination status. We ask that you model this policy for our students and support keeping our students safe and in school.

Masks: Masks should be clean and form fitting. Daily replacement or washing of masks is key to good health. Masks may be removed to eat or drink outdoors. Masks may also be removed briefly if breathing becomes difficult; in this case the student steps away and removes their mask with two hands a few inches from their face. Fresh child-sized masks are always available from staff. Masks with one-way valves, bandanas and gators are not permitted. Alternative protective strategies may be adopted to accommodate students who are on Individualized Education or 504 Plan. Please contact Ms. Daruty to discuss. Students who present appropriate documentation demonstrating a disability or condition that does not allow them to safely wear a mask can wear a face shield with drape. Students with documented conditions that do not accommodate the face shield and drape may request a reasonable accommodation from the school or district.

The California Department of Public Health issued new [Guidance for K-12 Schools on July 12, 2021](#). The new guidance applies to the 2021-22 school year. Since the beginning of the pandemic, SMMUSD has implemented multiple layers of mitigation to protect our students and employees. We continuously update our health and safety measures based on guidelines from the California and Los Angeles County Public Health Departments.

Webster will continue with the following current health and safety protocols include:

- Masks and physical distancing according to Public Health guidelines.
- Daily health screening.
- Frequent hand washing.
- Cleaning and disinfecting protocols.
- MERV-13 and HEPA filters in all classrooms and workspaces.
- Regular weekly asymptomatic testing.
- Quarantine, isolation, contact tracing, and notification protocols.

John L. Webster Elementary School

3602 Winter Canyon Road Malibu, CA 90265

- Masks continue to be required for all children and adults while indoors and outdoors, regardless of vaccination status.
