

## NEW SCREENING LINK:

*There is a NEW screening link/app "Lintelio" for the 21-22 school year. You must register today to be ready to complete the screening for tomorrow.*

Steps to follow:

- All students can start **NOW** by registering themselves. Click [here](#) to register and then scroll through to your location. If you are on a laptop, you need to hold the left mouse down while scrolling down. If you are on a cell phone it works easier because you just scroll to your location. You can also access the app from our school websites.
- You will start receiving a screening link via email the very next morning at 5:00am after you registered. The link will come from LINTELIO. This link is unique to you and your name every day, and unique to that particular date so please only complete your link, for the current day, and don't share it with anyone else to complete.
- Click on the link, which you will receive every morning at 5am, to complete the screening. You will need to show your "PASS" green screen prior to entering any district facility. Your "PASS" green screen will last for 15 hours.
- If you get a red screen, STAY HOME and contact the attendance office.
- If you receive a red screen, you will not be able to complete further screenings on subsequent days until cleared and able to screen again.

If you have any issues with registering for the new screening tool, please email [screen@companynurse.com](mailto:screen@companynurse.com)

In addition, our MMS and MHS staff will be prepared to complete on-campus paper screening for students who were unable to register and/or do not have a phone.

## MMS/MHS COVID INFORMATION:

Please review our updated Malibu High School and Malibu Middle School [presentation](#) regarding screening before coming to campus, pick-up/drop-off procedures, covid safety protocols, lunch/nutrition info, etc. Prior to coming to campus, please spend some time reviewing the re-opening orientation with your child.
