

Santa Monica High School Athletic Tryouts 2022-2023

Welcome to Santa Monica High School Athletics. We are excited for you to join the Viking family! In order to participate in a high school competitive sport, a student must attend a tryout conducted by the head coach of the program. Students can play multiple sports throughout the year as long as they are not in the same season of play. **On the day of tryouts, students must bring a copy of the completed Sports Physical Exam signed by a doctor, and show proof of medical insurance to the coach conducting the tryout.** Physical exams are valid from one year of the dated signature. Students must be enrolled in Santa Monica High School to participate in a tryout. For updates, visit <https://www.smmusd.org/Page/6718>. For questions, please contact:
