

## Samohi Athletic Tryout Information

Welcome to Santa Monica High School Athletics. We are excited for you to join the Viking family! In order to participate in a high school competitive sport, a student must attend a tryout conducted by the coach of the program. Students must attend all tryout dates/times unless otherwise noted by the coach.

Students can play multiple sports throughout the year as long as they are not in the same season of play. Students must be enrolled at Santa Monica High School to participate in tryouts.

Participating in the Athletic Program at Samohi requires students to adhere to the attendance/tardy policy, be academically eligible and complete the necessary forms to obtain clearance for every sport. In order to be academically eligible, the student must have maintained a minimum 2.0 grade point average of a 4.0 scale in all enrolled courses during the previous grading period (per the California Interscholastic Federation – Southern Section Bylaws, Article 1 Section 205 Scholastic Eligibility). Ineligible students must sit out of competition until the next eligibility date. Eligibility will be determined shortly after the close of each grading period.
