Preschool Employee and Volunteer Immunization Requirement

In accordance to the Health and Safety Code for California Child Care Facilities Section 15976-1597, all employees and volunteers at a licensed Child Care Center must be immunized against influenza, measles and pertussis.

The immunizations required are covered at no cost through insurance plans under the Affordable Care Act. Insured employees and volunteers should contact their primary care physician to comply with the immunization requirement. Uninsured employees and volunteers may contact their primary care physician or they can contact the school nurse for assistance.

Preschool Volunteers must submit immunization requirements with their volunteer packets and TB Clearance.

Flu Vaccine:

One of the following records must be submitted annually prior December 1st:

- A copy of an immunization record for influenza dated between August 1 and December 1 of each year
- A written statement from a licensed physician declaring there is a medical condition that precludes the employee/volunteer from vaccinations.
- A written statement from a licensed physician stating that the employee/volunteer has evidence of current and sufficient immunity to influenza
- A signed statement from the employee/volunteer stating that they have declined to be vaccinated against the flu

Pertussis (Whooping Cough) and Measles:

One of the following records must be submitted prior to employment or volunteering:

- A copy of up-to-date immunization records for pertussis and measles
- A written statement from a licensed physician stating that the employee/volunteer has evidence of current and sufficient immunity to measles and pertussis (ie. Titer)
- A written statement from a licensed physician declaring there is a medical condition that precludes the employee/volunteer from vaccinations. This statement should also indicate whether the exclusion is permanent or temporary.
