### **VIII PUBLIC COMMENTS**

Public Comments is the time when members of the audience may address the Board of Education on items not scheduled on the meeting's agenda. All speakers are limited to three (3) minutes. When there is a large number of speakers, the Board may reduce the allotted time to two(2) minutes per speaker. The Brown Act (Government Code) states that Board members may not engage in discussion of issues raised during "VIII, Public Comments" except to ask clarifying questions, make a brief announcement, make a brief report on his or her own activities, or to refer the matter to staff. This Public Comment section is limited to 20 minutes.

- Margarita Gonzalez, Marlene Herrera and Orlando Rojas addressed the Board of Education in support of the Community Liaisons positions currently held by Teri Viramontes and Pam Allen at Santa Monica High School. They also stated that many students are not succeeding and they felt that the Community Liaisons currently employed are best equipped to assist the students and families. Ms. Gonzalez and Ms. Herrera also expressed their desire that a particular room scheduled to be used for the special education program be used as a Parent Center.
- Yuri Brown addressed the Board of Education about concerns she had with regard to her son's teacher at Lincoln and grades that she felt were inappropriate. Parent claims that son completed work, but that the teacher lost the assignments and assigned a zero grade to the student. Dr. Deasy indicated that he would meet with the parent.

### **X COMMUNICATIONS**

The Communications section provides an opportunity for the Board of Education to hear reports from the individuals or Committee representative listed below. All reports are limited to 5 minutes or less.

#### **A. Student Board Members Reports - no students present**

---

If you will require accommodation to participate in the Board meeting, please notify the Superintendent's Office at least one day prior to the meeting.

**B. SMMCTA Report - Mr. Harry Keiley**

Mr. Keiley opened his report by referring the Board of Education to the California Teachers' Association (CTA) Website for details on the recent lawsuit filed against the Governor by CTA to uphold Proposition 98.

The Board of Education, management, SEIU and public were invited to a kickoff on Sunday at SMMCTA Headquarters, 1508 18<sup>th</sup> Street in Santa Monica from 1-4 p.m. for the Western Democratic Coalition who will be working with the Democratic Clubs to oppose the Governor's Special Election in November.

Lastly, Mr. Keiley mentioned that he read an article by Bob Herbert in the New York Times that reminded readers that we are a nation at war. Harry stated that the article put in perspective how the war has an impact on the district. He encouraged everyone to read the article if one has the opportunity.

**C. S.E.I.U. Report - Ms. Keryl Cartee**

Ms. Cartee filed the following written report: **SEIU International** has taken the lead in changing the way unions do business. It is no secret that SEIU International (President Andy Stern) made headlines when he challenged the AFL-CIO with accountability in the way unions do business and the services they provide to union paying members. With a dwindling percentage from 33% to 8% of union households (in the US) over the past 35 years, Mr. Stern recognized that something drastic was needed to save working families and their jobs.

1. **SEIU International** has pulled out of the AFL-CIO and established a new alliance of unions called, CHANGE TO WIN COLLATION.
2. At the time of this report, **SEIU Local 660** has not officially endorsed the lawsuit filed by CTA against Governor Schwarzenegger. However, SEIU Local 660 has acknowledged the lawsuit and unofficially supports it.
3. **SEIU Local 660** has been fighting to keep hospitals from closing and being contracted out. The fight is intense and the proposed "Medicaid Reforms" for California's 1115 Waiver puts us all at risk. Those most at risk are the elderly, children and families without health care.
4. **SEIU Local 660** is actively campaigning against the Governor's Special Election agenda. SEIU Local 660 is canvassing all of Los Angeles County to defeat Prop. 75. We have captioned Prop. 75 as "**The Initiative to Silence Our Voices.**" As a follow up to that, the same energy to defeat Prop. 76, captioned as "**The Power Grab Initiative**"
5. **SEIU Local 660** has expanded its meeting locations to better serve its members throughout Los Angeles County.
6. **SEIU Local 660** would like to remind all union members and community members to contribute to the Richard Bartolomeo Scholarship Fund for the 2005/06 school year. Contributions can be made through the Education Foundation.

**D. Council PTA - Report - no report**

**X SUPERINTENDENT'S REPORT**

- **Overview - STAR Testing Results - PowerPoint Presentation**  
Dr. Deasy and Dr. Muncey presented data on the district's performance on the California Standardized Test in English Language Arts across all grades and the Math STAR test results through middle school as compared with Los Angeles County . Dr. Deasy commented that staff is very pleased with our student performance and noted many areas where the district's mission of raising achievement for all students while simultaneously closing the achievement gap is occurring. A copy of the Powerpoint presentation is attached to these minutes.
- **Opening of School - Update**  
Dr. Deasy noted that with few exceptions, the district is ready to open school on September 7. All Certificated positions will be filled. There are a number of classified positions to fill due in part to the absence of a director in the Personnel Commission and the reorganization in the Personnel offices. A check of facilities indicates that the majority of work will be completed at the sites by the opening of school or shortly thereafter. Dr. Deasy concluded that at this time there are no barriers to the opening of school.

**PR.1 Virginia Avenue Project - Report (this item moved forward)**

Leigh Curran, Artistic Director of the Virginia Avenue Project, addressed the Board of Education about the work of the project in the Santa Monica Community. "The Virginia Avenue Project is a free, after-school program that uses the performing arts in conjunction with one-on-one mentoring to help at-risk kids discover their full potential." As stated in its flyer, "Project kids and their families live primarily in Santa Monica's Pico Corridor, a low income Latino and African American community, and many Project kids attend Title 1 schools that serve that area. One hundred percent of Project kids graduate from high school; 90% go on to college; and 85% are the first in their family to do so.

**MAJOR and DISCUSSION Items**

*As a general rule, items under MAJOR and DISCUSSION will be listed in order of importance as determined by the President, Vice President and Superintendent. Individual Board members may move to request a change in the order prior to consideration of any Major item.*

**XI MAJOR ITEMS**

These items are considered to be of major interest and/or importance and are presented for **ACTION (A)** or **INFORMATION (I)** at this time. Many have been reviewed by the Board at a previous meeting under the Discussion Items section of the agenda.

RE: ADOPT RESOLUTION 05-01 - RESOLUTION AUTHORIZING THE  
ISSUANCE AND SALE OF REFUNDING BONDS AND APPROVING FORMS  
OF DOCUMENTS AND ACTIONS OF OFFICERS OF THE DISTRICT  
NECESSARY IN CONNECTION THEREWITH.

RECOMMENDATION NO. A.11

It is recommended that the Board of Education adopt Resolution  
No. 05-01 for the issuance and sale of Refunding Bonds.

COMMENTS: The District issued General Obligation Bonds in 1999  
(\$38,000,034) and 2001 (\$3,995,000) to construct needed  
facilities. Given the current market environment, which has  
witnessed historically low interest rates for tax-exempt  
bonds, the District may be able to take advantage of market  
changes to refund its outstanding bonds and provide savings  
to the taxpayers. Many other districts have been able to  
refund their bonds and lower local tax rates, and doing so  
represents prudent stewardship on the part of the Board.

Because of market volatility, it is not possible to  
determine in advance when will be the best time to sell  
refunding bonds. Therefore, it is prudent for the Board to  
direct staff to take steps now that will put the District in  
a position to enter the market. This will give the staff and  
financing team the necessary flexibility to act on short  
notice to take advantage of daily interest rate market  
changes.

This resolution takes the first step by approving the legal  
documents listed below, directing the District's financing  
team to monitor the market and periodically update staff  
regarding a refunding opportunity, and directing staff and  
the financing team to prepare the preliminary Official  
Statement describing the refunding bonds and their security,  
which will be brought before the Board for approval at a  
future regular or a special meeting.

Financing Documents approved by the resolution are:

1. Bond Purchase Contract;
2. Paying Agent Agreement;
3. Escrow Agreement;
4. Continuing Disclosure Certificate;
5. Legal Services Agreement.

The complete detail of these investment banking documents, which were prepared by an outside Bond Counsel, Orrick Herrington & Sutcliffe, LLP, and an Investment Banking Firm, Piper Jaffray & Company, have been submitted under separate cover to the Board of Education and are available for public review in the Office of the Superintendent.

This action is in line with the previously approved District Investment Policy.

RE: ADOPTION OF HAZARD MITIGATION PLAN

RECOMMENDATION NO. A.18

It is recommended that the Board of Education adopt the Hazard Mitigation Plan, which was completed as a multi-jurisdictional packet with Santa Monica College (SMC).

COMMENTS: The Santa Monica-Malibu Unified School District is mandated by Federal Law to complete its Hazard Vulnerability Analysis and Program Plan under the Disaster Mitigation Act of 2000 (Robert T. Stafford Disaster Relief and Emergency Assistance Act, PL 93-288 and PL 100-707). We must complete said plan for submission to the State and the Federal Agencies. During the June 2, 2005 Board Meeting, (Item D.1 - *Hazard Mitigation Presentation*), the outline for this plan was reviewed and approved by the Board. Prior to submission to State and Federal agencies, the Board's official acceptance must be accomplished. Staff, with the assistance of the Hazard Mitigation Task Force and expert consultant Dimensions Unlimited, Inc., has reviewed the Plan and finds it to be thorough and complete, and it will satisfy all requirements of the subject law.

This will also acknowledge the work of the multi-jurisdictional (SMC and SMMUSD) Committees' work in accomplishing this very important task.

A copy of the Plan and diskette have been forwarded to Members of the Board of Education under separate cover, and are available for public review in the Office of the Superintendent. Due to the volume of material, the Plan was not able to be included in the hard copy of the Agenda.

COMMENT: According to the Education Code SEC.21 Section 56342, prior to recommending a new or continued placement in a non-public, non-sectarian school, the Individualized Education Program (IEP) Team must submit the proposed recommendation to the local governing board for its review and recommendation regarding the cost of such placement.

The recommendation for these severely handicapped students are made by the District IEP Teams in accordance with State and Federal laws. FROM: JOHN E. DEASY/DONNA E. MUNCEY

RE: CHANGE IN THE ADMINISTRATION OF ELEMENTARY STANDARDS-BASED REPORT CARDS

#### DISCUSSION ITEM D.1

During the 2004-2005 school year, teachers in grades 1- 5 in all elementary schools in the Santa Monica-Malibu Unified School District piloted a common, standards-based report card. The elementary principals and a committee of elementary teachers tracked the implementation of this report card and offered suggestions for how to strengthen the reporting categories on the report card and communication with parents. Parents, too, offered input through a survey about the strengths and weaknesses of the particular categories on the standards-based report card. Simultaneously, a committee of kindergarten teachers readied the kindergarten version of the standards-based report card for use in the 2005-2006 school year.

One change that both teachers and administrators agreed with concerned the timing of the standards-based report cards. The report cards provide a wealth of data about how each student in performing on key ("power") standards that we all (teachers, elementary principals, and central office staff) believe are best reported on at the midpoint and end of the year. Since there is a long tradition of elementary conferencing with parents in November, a reporting format focused on adjustment to the grade level and discussion of formative and summative assessment data is in development. For the 2005-2006 academic year, then, there will be two reporting periods for the standards-based report card (January 27, 2006 and June 26, 2006) and a November informational conference.

RE: UPDATE ON THE COMMUNITY DAY SCHOOL AND THE INDEPENDENT  
STUDY SCHOOL

DISCUSSION ITEM D.2

The Community Day School is scheduled to open in the Laurel Room at Memorial Park on September 7, 2005. Representatives from the City of Santa Monica and the Police Department have been meeting with District staff throughout the summer to prepare for the opening of the new school. We expect to open with a small student body (fewer than 10) and grow very little during this first year. Overall, the Community Day School will serve a maximum of 30 students at this site. Staff for the small school have been hired. Laurel Schmidt went with teachers to a week-long professional development about design-based learning (a standards-based and project-based curriculum) and staff are working on units for use with their students. We anticipate a wonderful start of the school year there.

The Santa Monica-Malibu Independent Study School is scheduled to open at Malibu High School on September 7, 2005. We will hold an informational meeting for parents next week and begin enrolling students during the week of August 29, 2005. We anticipate this will also be a small school, serving grades 6-12. We are currently working out the staffing arrangements and have applied for the relevant permissions and administrative number from the California Department of Education.

RE: REVISION OF BOARD POLICIES RELATED TO RESPONSIBILITIES  
AND CONDUCT OF BOARD MEMBERS

DISCUSSION NO. D.3

It is recommended that the Board of Education adopt revisions to board policies and by-laws related to the responsibilities and conduct of board members. The attached chart indicates the policies that were recommended for review and the nature of the changes that were made in order to update each policy.

COMMENT: Six board policies related to the responsibilities and conduct of board members were reviewed. Some of the policies had not been revised since the 1980's. In the intervening years, the California School Board Association (CSBA) has reorganized its policy system. Some topics have been re-designated to new sections of the policy manual, while others have been subsumed into other policies. The new policies reflect current laws and educational concerns, however, every effort was made to match the content of the policy being replaced.

The policy changes and revisions contained in chart above were made in collaboration with a California School Board Association policy consultant.

The Governing Board recognizes the rights of Board members to freely express their views and encourages open discussion of issues during the Board meeting. The Board believes that effective Board members have a responsibility to express themselves, whether in agreement or disagreement with the Board majority, in ways that promote the Board's ability to govern the district.

When speaking to community groups, the media, or other members of the public, individual Board members should recognize that their statements may be perceived as reflecting the views and positions of the Board. Board members have a responsibility to identify personal viewpoints as such and not as the viewpoint of the Board.

If a city or county elections official specifically requests the use of a school building as a polling place, the Board shall allow its use for such purpose. The Board may authorize the use of school buildings as polling places on any election day, and may also authorize the use of school buildings, without cost, for the storage of voting machines and other vote-tabulating devices. If school sessions will continue, the Board shall identify to elections officials the specific areas of the school buildings not occupied by school activities that will be allowed for use as polling places. The Governing Board recognizes that the Board is the unit of authority over the district and that a Board member has no individual authority. Board members shall hold the education of students above any partisan principle, group interest, or personal interest.

Unless agreed to by the Board as a whole, individual members of the Board shall not exercise any administrative responsibility with respect to the schools or command the services of any school employee. Individual Board members shall submit requests for information to the Superintendent. Board members shall refer Board-related correspondence to the Superintendent for forwarding to the Board or for placement on the Board's agenda, as appropriate.

A board member whose child is attending a district school should be aware of his/her role as a Board member when interacting with district employees. Because his/her position as a Board member may inhibit the performance of school personnel, the Board member should inform the Superintendent or designee before volunteering in his/her child's classroom.

Board members and persons elected to the Board who have not yet assumed office are responsible for complying with the requirements of the state's open meeting laws. (Government Code 54952.1)

The Governing Board believes that free inquiry and exchange of ideas are essential parts of a democratic education. The Board respects students' rights to express ideas and opinions, take stands on issues, and support causes, even when such speech is controversial or unpopular.

#### **On-Campus Expression**

Students shall have the right to exercise freedom of speech and of the press including, but not limited to, the use of bulletin boards; the distribution of printed materials or petitions; the wearing of buttons, badges and other insignia; and the right of expression in official publications. (Education Code 48907)

Student expression on district or school Internet web sites and on-line media shall generally be afforded the same protections as print media.

Students' freedom of expression shall be limited only as allowed by law in order to maintain an orderly school environment and to protect the rights, health and safety of all members of the school community.

Students are prohibited from making any expressions or distributing or posting any materials that are obscene, libelous or slanderous. (Education Code 48907)

(Education Code 48950)

## **Off-Campus Expression**

Off-campus student expression, including but not limited to student expression on off-campus Internet web sites, is generally constitutionally protected but shall be subject to discipline when such expression poses a direct threat to the safety of students or school personnel.

To foster intercultural understanding, communication and respect in an increasingly diverse society, curriculum and instruction at all grade levels shall reflect the perspective and experiences of various cultural, ethnic, racial and social groups. The Governing Board desires that multicultural education be integrated across the curriculum into as many subjects as possible rather than providing isolated lessons on different cultures.

The district's comprehensive multicultural education program shall recognize the contributions of different groups of people to the history, life and culture of the local community, California, the United States and other nations. It may include but not be limited to instruction about the languages, cultural characteristics, significant events and individuals, and social, political and economic conditions of various ethnic groups.

While recognizing the unique aspects of different cultures and peoples, multicultural education shall also emphasize commonalities and challenge the stereotypes and biases that inhibit intergroup understanding. Multicultural education also shall be designed to contribute to the personal development of students through greater self-understanding, positive self-concept and pride in one's ethnic identity.

RE: COLLABORATION WITH THE CITY OF SANTA MONICA ON SCHOOL-BASED MENTAL HEALTH SERVICES

INFORMATIONAL COMMUNICATION No. I.1

The City of Santa Monica provides support for school-based mental health programs in district schools. As part of our joint initiative to evaluate all intervention, remediation, and support programs, the City of Santa Monica is funding an evaluation of these programs during the 2005-2006 school year. Over the summer, WestEd was awarded the contract for this evaluation. We will keep the Board of Education updated on requests for information and on the progress of the evaluation during the school year. We anticipate mid-grant and end-of-grant reports that will help guide our thinking about how best to strengthen the delivery of these important services to our students.

BOARD OF EDUCATION  
SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT  
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

RESOLUTION NO. 05-01

RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF  
REFUNDING BONDS AND APPROVING FORMS OF DOCUMENTS  
AND ACTIONS OF OFFICERS OF THE DISTRICT NECESSARY IN  
CONNECTION THEREWITH.

WHEREAS, this Board of Education (the "Board") of the Santa Monica-Malibu Unified School District of the County of Los Angeles, California (herein called the "District"), has heretofore issued or caused to be issued its "Santa Monica-Malibu Unified School District General Obligation Bonds (Election of 1998) Series 1999" (the "1999 Bonds") in the original principal amount of \$38,000,034, of which \$24,870,034 remains outstanding, and its "Santa Monica-Malibu Unified School District General Obligation Bonds (Election of 1998) Series 2001" (the "2001 Bonds") in the original principal amount of \$3,995,000, of which \$3,750,000 remains outstanding, for authorized school purposes;

WHEREAS, this Board has determined, and does hereby declare, that it is necessary and desirable and that the prudent management of the fiscal affairs of the District requires that all or a portion of the 1999 Bonds and the 2001 Bonds now be refunded (such bonds to be refunded being referred to herein as the "Prior Bonds");

WHEREAS, pursuant to Articles 9 and 11 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code and other applicable law, and pursuant to the resolutions providing for the issuance of the Prior Bonds, the District is authorized to issue refunding bonds (the "Refunding Bonds") to refund all or a portion of the District's outstanding bonds, and to sell its Refunding Bonds at public sale or on a negotiated sale basis;

WHEREAS, this Board has determined that because of the need for flexibility in timing the sale of the Refunding Bonds in order to achieve maximum interest cost savings, it is desirable to sell the Refunding Bonds on a negotiated sale basis to Piper Jaffray & Co. pursuant to a bond purchase contract (the "Bond Purchase Contract");

WHEREAS, the Superintendent of Schools of the County of Los Angeles has jurisdiction over the District;

WHEREAS, this Board acknowledges that the issuance of Refunding Bonds to refinance any of the Prior Bonds more than 90 days in advance of the date of redemption thereof shall preclude any advance refunding of the portion of the Refunding Bonds issued for such purpose;

WHEREAS, the District will appoint a Paying Agent (herein called the "Paying Agent") with respect to the Refunding Bonds, and an Escrow Agent (the "Escrow Agent") with respect to the Prior Bonds;

WHEREAS, the District proposes to execute and deliver an Escrow Agreement to the Escrow Agent directing the creation of an escrow fund for deposit of proceeds of sale of the Refunding Bonds for the purpose of paying and redeeming the Prior Bonds;

WHEREAS, there have been submitted and are on file with the Secretary of this Board of Education proposed forms of a Bond Purchase Contract, a Paying Agent Agreement, an Escrow Agreement, and a Continuing Disclosure Certificate, all with respect to the Refunding Bonds proposed to be issued and sold, and the Superintendent of the District has examined and approved each document and has recommended that this Board direct the completion, where appropriate, and the execution of such documents and the consummation of such financing;

WHEREAS, this Board desires that the Treasurer-Tax Collector of the County of Los Angeles should collect a tax on all taxable property within the District sufficient to provide for payment of the Refunding Bonds, and intends by the adoption of this Resolution to notify the Board of Supervisors, the Auditor-Controller, the Treasurer-Tax Collector, and other officials of the County of Los Angeles, that they should take such actions as shall be necessary to provide for the levy and collection of such a tax and payment of the Refunding Bonds and such portion, if any, of the 1999 Bonds or 2001 Bonds as shall remain outstanding following the issuance of the Refunding Bonds;

WHEREAS, it will be necessary for the Board to employ bond counsel and disclosure counsel and to incur costs and expenses in preparing the proceedings for the issuance and sale of the Refunding Bonds; and

WHEREAS, there has been submitted to this Board and is on file with the Superintendent a proposed form of agreement for bond counsel services in connection with the Refunding Bonds;

NOW, THEREFORE, the Board of Education of Santa Monica-Malibu Unified School District does hereby RESOLVE, DETERMINE AND ORDER, as follows:
