RESOLUTION NO. 07- 09

BOARD OF EDUCATION OF THE  
SANTA MONICA - MALIBU UNIFIED SCHOOL DISTRICT  
COUNTY OF LOS ANGELES  
STATE OF CALIFORNIA

RESOLUTION PROPOSING A RENEWAL OF SPECIAL TAXES TO BE PLACED ON THE  
FEBRUARY 5, 2008, BALLOT FOR VOTER APPROVAL

WHEREAS, the Santa Monica-Malibu Unified School District (“District”) has been inadequately and unpredictably funded by the State for many years to the detriment of the District’s educational programs; and

WHEREAS, in an effort to achieve stability in its financial condition the District has engaged in a variety of efforts to generate additional funds for the educational program, including advocating in the State Legislature, local fundraising efforts, entering into funding agreements with the cities of Santa Monica and Malibu, and a variety of cost-cutting measures, and these efforts have not produced revenues to raise the quality of education in the District to a level sufficient to meet State and Federal requirements and the District’s Strategic Plan; and

WHEREAS, the voters of the District in 2000 approved the Measure “Y” parcel tax that expires on June 30, 2011, and in 2003 approved the Measure “S” parcel tax that expires on June 30, 2009; and

WHEREAS, this Board finds that a special tax that combines and renews – without increasing - the existing parcel taxes known as Measure “S” and Measure “Y”, equaling \$346 per parcel, adjusted annually for inflation by the CPI-U (as hereinafter defined), will provide, maintain, and expand educational opportunities for all students of this District and contribute to the District’s fiscal stability;

WHEREAS, this Board of Education has determined that there is a continuing and urgent need for the local revenues generated by these parcel taxes to make up for state funding shortfalls and provide stable financial support on an on-going basis and thereby enable the District to continue to provide its students with a high quality education; and

WHEREAS, these revenues are critically necessary to attract and retain highly qualified teachers, maintain reduced class size, protect academic achievement in math, science, technology, arts, music, and reading programs, and to sustain school libraries; and

WHEREAS, Section 4 of Article XIII A of the California Constitution and Government Code Section 50075 et.seq. authorizes a school district, following notice and public hearing, to levy a tax for specified purposes upon approval of at least two-thirds of the electorate voting on the measure; and

THEREFORE, BE IT RESOLVED, that:

1. The Board hereby proposes to continue to levy a special tax for the specific purposes enumerated in the ballot language in Section 8 of this Resolution;
2. Said special tax levied on each parcel of real property shall not exceed the maximum rate of \$346 per year adjusted annually for inflation by the CPI-U;
3. An exemption to the qualified special tax is available for a person 65 years or older who owns and occupies a parcel as a principal residence and applies for an exemption in accordance with the guidelines established by the Board of Education of the District (the "Board")
4. Prior to levying of the special tax each fiscal year, the Board shall conduct a public hearing on the matter. Notice of the time, date and place of hearing shall be published in accordance with applicable laws, posted at least twice in a newspaper of general circulation in the District, and posting shall commence at least fifteen (15) days prior to the hearing. Following said hearing each year, the Board shall adopt a resolution establishing the rate per parcel for that year, not to exceed \$346 per year adjusted annually for inflation by the CPI-U. "CPI-U" as used in this Resolution means the Consumer Price Index-All Urban Consumers, All Items for the Los Angeles-Riverside-Orange County, California Metropolitan Statistical Area, base period 1982-84 = 100, or its equivalent should this Index cease to exist in its current format. The annual CPI-U adjustment shall be based on the change in the CPI-U over the preceding fiscal year. Any tax levied shall become a lien upon the properties against which taxes are assessed and collectable as herein provided;
5. Subject to voter approval as set forth below, the special tax shall be levied commencing July 1, 2008, and shall be collected by the Los Angeles County Tax Collector at the same time as and along with the general ad valorem taxes collected by said Tax Collector. The tax shall be subject to the same interest and penalty as general ad valorem taxes. The tax penalty shall bear interest at the same rate as the rate for unpaid ad valorem property taxes until paid;
6. It is not intended that the collection of the special tax provided for herein shall decrease the funds available from other sources for the Santa Monica-Malibu Unified School District after July 1, 2008. In the event that it does, the District shall, as soon as is reasonably practicable, place a measure to modify, reduce, or eliminate the special tax before the electorate
7. If any section, sub-section, phrase or clause of this resolution is for any reason held to be invalid, such decision shall not affect the validity of the remaining portion/portions of this resolution. This Board declares that it would have adopted this resolution and each section, sub-section, phrase or clause thereof irrespective of the fact that any one or more sections, sub-sections, sentences, phrases, or clauses be declared invalid;
8. This Board hereby requests that the Los Angeles County Registrar/Recorder place a ballot measure for the election to be held on February 5, 2008 to submit to the voters of this District the following condensed version of the ballot measure for the voting machine and sample ballot:

***The Santa Monica-Malibu Schools

4. THE TAX LEVY

- A. Tax Base. The two existing qualified special taxes presently levied by the District annually against each parcel of land within the boundaries of the District shall be combined into a single annual levy and renewed in an amount not to exceed \$346 per parcel, adjusted annually for inflation in accordance with the Consumer Price Index (CPI-U) for All Urban Consumers (Los Angeles-Riverside-Orange area) base year 1982-84=100, not otherwise exempted by law.   - C. Effective Date. The effective date of this renewal shall be July 1, 2008.
  - D. Public Review Requirement. The Board of Education annually shall conduct a noticed public hearing to assess the continuing need for the tax revenues resulting from the Funding Measure. This evaluation will include, but not necessarily be limited to, consideration of the costs of programs to which these revenues have been dedicated, the general condition of the School District's finances, the District's enrollment, the structure of public financing of public education in California, and the regulations by which the School District qualifies for State funding.
  - E. Constitutional Apportionment Limit. Pursuant to Section 4 of Article XIII B of the California Constitution, the apportionment limit of the District is hereby increased commencing with the date of approval of this Funding Measure by the levy of this qualified special tax, and the Board shall increase the District's appropriations limit as necessary in each year during which proceeds of this qualified special tax are available, to ensure that the proceeds of this qualified special tax may be spent for the authorized purposes, pursuant to Section 7902.1 of the Government Code (or applicable successor law).

The collection of taxes under this Funding Measure, including the imposition of penalties, additional fees, and interest upon persons who fail to remit the qualified special tax imposed by this Funding Measure, or who fail to remit any delinquent remittance, shall be subject to and governed by the rules, regulations, and procedures authorized by law. Every penalty imposed and such interest as accrues under the provisions of this Funding Measure shall become a part of the tax herein required to be paid.
  - G. Savings Clause. The provisions of this Funding Measure shall not apply to any person, association, or corporation or to any property as to whom or which it is beyond the power of the District to impose a qualified special tax. If any part of this Funding Measure, as written or as applied to any person, is finally determined by a court of competent jurisdiction to be unconstitutional, illegal, or invalid, such determination shall affect only such part of this Funding Measure and shall not affect or impair any of the remaining provisions, sentences, clauses, sections, or other parts of this Funding Measure. It is hereby declared to be the intention of the Board and of the electorate that this Funding Measure would have been adopted had such part thereof not been included.
5. ACCOUNTABILITY, PLANNING, PUBLIC INFORMATION, AND COMPLIANCE REVIEW PROVISIONS
- A. Citizen Oversight. The Board shall appoint a special citizen financial oversight committee that is charged to review the District's administration of and compliance with the terms of this Funding Measure. The committee so charged by the Board is referred to in this Funding Measure as the "Independent Citizens Oversight Committee."
  - B. Annual Plan. An expenditure plan (the "Proposed Annual Plan") shall be developed annually for the succeeding fiscal year by the District staff in consultation with the Independent Citizens Oversight Committee. The Proposed Annual Plan will recommend expenditures of the tax proceeds that are consistent with the intent of the Funding Measure. The assumptions associated with the recommended expenditures shall be included in the Proposed Annual Plan. The Proposed Annual Plan shall be presented for

Board action each fiscal year in conjunction with the District's annual budget adoption process for the subsequent fiscal year. To facilitate public discussion, the Proposed Annual Plan shall be made available for public review ninety (90) prior to Board adoption of its annual budget. The Proposed Annual Plan together with regular financial and audit reports shall be promptly distributed to the Independent Citizens Oversight Committee.

- C. Public Comment Process. Not less than 60 calendar days before the Board acts on the annual budget for the subsequent fiscal year, the Board shall hold a noticed public hearing on the Proposed Annual Plan in order to allow for public input on whether the priority programs to be supported by Funding Measure revenues should be modified. Not less than 30 calendar days before the Board acts on the annual budget for the subsequent fiscal year, the Proposed Annual Plan and the findings from the public hearing shall be reviewed by the Independent Citizens Oversight Committee which shall forward its recommendation to the Board. In adopting the District budget each year, the Board will approve an Adopted Annual Plan for Funding Measure revenues, taking into account comments from the public hearing and the recommendation of the Independent Citizens Oversight Committee. Members of the public may comment on the plans, reports, and conditions of the Funding Measure during the public comment period of any meeting of the Independent Citizens Oversight Committee or any meeting of the Board.
  - D. Financial Reports. As part of this reporting, at least once per fiscal year, the chief fiscal officer of the District shall file a report with the Board and the Independent Citizens Oversight Committee identifying the amount of the funds collected and expended pursuant to this Funding Measure, together with the status of any project required or authorized to be funded hereunder. All of the foregoing reports shall be organized to display clearly how the expenditures relate to the Adopted Annual Plan approved by the Board.
  - E. Independent Auditors' Annual Report. Each year, an independent auditor retained by the District shall review District records to determine that funds generated by this Funding Measure have been maintained and expended in compliance with the Adopted Annual Plan and that other conditions of this Funding Measure have been satisfied. Said audit shall be conducted in accordance with generally accepted accounting principles, the Standards and Procedures for Audits of K-12 Local Educational Agencies, and this Funding Measure. The independent auditor shall transmit a "Finding of Violation" to the Board if: (1) the funds raised by this Funding Measure have been spent for purposes other than those specified in section 2; or (2) other conditions of this Funding Measure have not been satisfied.
  - F. Civil Remedies Available At Law. The provisions of this section are in addition to civil remedies available at law for assuring compliance with the terms of this Funding Measure.
6. Because the Funding Measure combines and renews two existing parcel tax measures (Measures S and Y) into a single parcel tax, Measures S and Y are hereby repealed as follows:
