RE: JOINT MEETING WITH THE FINANCIAL OVERSIGHT COMMITTEE

DISCUSSION ITEM NO. D.02

As part of the requirements associated with the annual funds given to the School District from the City of Santa Monica, the Financial Oversight Committee (FOC) was appointed as an independent oversight committee regarding the financial matters of the District. This includes an annual report from the FOC to the School Board, reviewing the past year and offering its observations about the District's financial matters.

In addition, the FOC's charge was amended at the June 5, 2008, Board meeting (Item A.22) to include responsibilities associated with the Measure R parcel tax, approved by the voters at the February 2008 Special Election. Measure R requires that an Independent Citizens Oversight Committee monitor proposed and actual parcel tax expenditures each year.

Therefore, in compliance with the foregoing, the Board of Education will convene a joint session with the Financial Oversight Committee on June 10, 2009 at 6:15 p.m. for the purpose of addressing the following items:

- I. Report from the FOC as presented by Chair Cynthia Torres
 - A. Introduction
 - B. Summary of FOC Activities During FY 2008-09
 - C. Report on Measure R Expenditures
 - D. Views on the Proposed 2009-10 District Budget
 - E. Proposed FOC Focus for FY 2009-10
- II. Discussion between the Board of Education and the FOC

RE: REVIEW BOARD POLICY SERIES 3000 AND 5000

DISCUSSION ITEM NO. D.02

It is recommend that the Board of Education review Board Policy Articles 3000 (Business and Non-Instructional Operations) and 5000 (Students) for adoption at a subsequent Board of Education meeting.

At that subsequent meeting, staff will recommended that the Board delete all current policies, administrative regulations in these articles and adopt those reviewed and recommended for Board adoption today and that these actions will be effective August 1, 2009.

COMMENT: The District embarked on a process of reviewing and updating all its policies, administrative regulations and related exhibits. It was agreed that California School Boards Association Board policies would serve as an example for that comparative review and in November a series of workshops were conducted with appropriate staff and a consultant from CSBA to review each District Policy, administrative regulation and exhibit along side those of CSBA and make recommended changes to the Board. Previous revisions made to policies that reflect the specific interests of SMMUSD have not been altered (as long as those revisions are compliant with state and federal law). Attached is a matrix of staff recommendations for deletion and adoption of policies and administrative regulations for these articles that was sent to CSBA and produced the policies and administrative regulations before you today.

This meeting represents the final meeting to review (first reading) all new and revised policies.

Additionally, staff recommended and the Board approved after the new policies are adopted they would be returned to CSBA for uploading to their computers and be linked to our web site for public and staff access and printing.

CSBA issues updates in March, July, and November of each year that reflect recent changes in Federal and state statute, law, Education Code and case law. When

received these changes will be reviewed and appropriate recommendations made to the board.

In this manner, the District can maintain its policies and administrative regulations that will keep the District in full compliance.
