VIII. PUBLIC COMMENTS

Public Comments is the time when members of the audience may address the Board of Education on items not scheduled on the meeting’s agenda. All speakers are limited to three (3) minutes. When there is a large number of speakers, the Board may reduce the allotted time to two (2) minutes per speaker. The Brown Act (Government Code) states that Board members may not engage in discussion of issues raised during “VIII. Public Comments” except to ask clarifying questions, make a brief announcement, make a brief report on his or her own activities, or to refer the matter to staff. This Public Comment section is limited to twenty (20) minutes. If the number of persons wishing to address the Board of Education exceeds the time limit, additional time will be provided in **Section XVI. CONTINUATION OF PUBLIC COMMENTS.**

IX. COMMUNICATIONS (15)

The Communications section provides an opportunity for the Board of Education to hear reports from the individuals or committee representatives listed below. All reports are limited to 5 minutes or less. However, if more time is necessary, or if a report will not be presented, please notify the Board secretary eight workdays prior to the date of the meeting.

- A. Student Board Member Reports** – *no reports*

- B. SMMCTA Update – Mr. Harry Keiley (5)** – *no report*

- C. S.E.I.U. Update – Ms. Keryl Cartee-McNeely (5)** – *no report*

- D. PTA Council – Kelly McMahon Pye (5)**

Last week, a group consisting of PTA Council members, former board member Barry Snell, Lisa Balfus, district staff, students, and community members held the first of many meetings to discuss how to move forward as a community following the incident at Samohi in May. Ms. Pye read an excerpt from the Santa Monica Mirror, in which Darrell Goode from the NAACP was quoted: “I thought it was great that so many people turned up for the meeting. The goal is not a band-aid to fix one incident but a vehicle to promote understanding and progress that will involve curriculum changes and training.” Ms. Pye then publically responded to criticisms that the meeting was closed. She explained that the mediator, James Williams from the Department of Justice, in an effort to create a safe and understanding environment in which attendees could candidly express themselves, requested that this initial meeting be small. Ms. Pye reminded everyone that this was only the first meeting to address race and respect in the community.

SUPERINTENDENT’S REPORT (5)

Superintendent Lyon updated the board on the process involved in revising the controlled substance policy. Ms. Freedman reviewed similar board policies and administrative regulations from other districts and from CSBA, examined a model from UCLA, and received feedback from the PTA Council Safety Committee, the Health and Safety DAC Chair, and Board Member Lieberman. She also met with secondary school principals on three occasions. The resulting revised board policy and new administrative regulation will be coming forward for discussion at the August 24 board meeting. Mr. Mechur requested that when staff brings forward the other discipline policies, to keep in mind those students who did not participate in

graduation due to reasons other than controlled substances. He requested information in Friday Packet about policies, rules, regulations that govern whether or not seniors walk at graduation.

On Monday, IT Director Ruthy Mangle trained members of the management team on Illuminate, the new student information system. She said IT planned to have all required staff trained to use the new system before the beginning of school.

Today was the first day of the SMART Educators Academy at Franklin. Ms. Lyon reported that she saw an impressive array of instructional users using the software and equipment. Everyone was engaged and ready to get back to school. Next week, the retreat for all administrators will be on August 16, 17, and 18. The team will be setting goals and planning work for the new school year. It will be her first chance to meet the entire management team all at once. Ms. Lyon commented on Ms. Pye's report, agreeing that the parent meeting held the other night had some great discussions. She said the district was glad to partner with the PTA and other groups, and looked forward to continuing to work with Jim Williams from the DOJ. The Superintendent met with Assemblywoman Julia Brownley and Cheri Orgel earlier today; they provided her with a great deal of insight on SMMUSD.

She concluded her report by announcing that Samohi student Trent Nelson, earned a top composite score of 36 on a recent ACT test. Roughly one-tenth of one percent receive a top score.

The new positions to be approved are:

Position	FTE	Funding	Supervision
Swim Instructor/ Lifeguard	0.5 FTE, 10m	Facility Permit Fees	Fac. Perm
Accounting Assistant II	0.5 FTE, 12m	Facility Permit Fees	Fac. Perm
Sports Facility Attendant 1	0.75 FTE, 12m	Facility Permit with City Permit fees	Fac. Perm

COMMENT: The Theater Operations and Facility Permit Department (TOFP) continues to assume greater responsibilities in the management of outside use of facilities. Lease Agreements and the new Samohi Master Facilities Agreement (Measure YY) have been added to the management of Facility Permits, Theater Operations and the existing Joint Use Agreements. All outside uses of District property are now under one office. A reorganization and increase in staff is required to support the additional workload.

Facility Permit Positions

Swimming Instructor/Lifeguard: will support existing afterschool permits in the Lincoln Pool. The work has been done as overtime assignments with greater cost and overextension of the full time lifeguards. This position is fully funded by labor chargebacks and is cost neutral.

FTE: 0.5 FTE, 10 month, 4 hours Mon.-Fri.
 Budget: Facility Permit
 Funding: Facility Permit Labor Chargeback
 Salary w/benefits \$17,924

Accounting Assistant II: will provide accounting support for the Facility Permit Office. The primary tasks will be Accounts Receivables, Purchasing and Budget management. This work has been done by the Administrative Assistant, Sports Facility Coordinator and Director. Revenues and permits have grown requiring more expertise. Having a person handle the accounting will free the other positions to attain and manage permits. Position will be funded through facility permit fees.

FTE: 0.5 FTE, 12 month, 4 hours Mon.-Fri.
 Budget: Facility Permit
 Funding: Facility Permit Fees
 Salary w/benefits \$21,445

The District and the City of Santa Monica entered into the Samohi Master Facilities Agreement this spring. It allows for the joint use of Samohi Athletic Facilities by the city and community when not used by the school. This represents a large increase in the use of these facilities and should be matched by additional personnel support to maintain the facilities. A portion of the joint use funds (Measure YY) need to be used to support the additional use and offset the impact on the Samohi campus. The following new positions are proposed:

Athletic Facility Attendants (2): will support the permit use of the athletic facilities. Similar monitors are required for the use of the Adams field. Samohi will benefit if these positions are supervised by the District. This new classification will monitor the facilities when they are open for community use. All permit groups will be charged a Monitor fee by the City when permits are issued. The District will be reimbursed by the City for these positions. These positions are cost neutral.

FTE:	2 - 0.75 FTE, 12 month, 30 hrs/wk #1 – Wed.-Fri. 5:30p-10:30p & Sat.-Sun. 2:30p-10:30p #2 – Sat.-Sun. 8:00a-4:00p & Mon.-Fri. 5:30p-10:30p
Budget:	Facility Permit
Funding:	City Monitor Fees
Salary w/benefits	\$25,204 each, \$50,408 total

Custodian – Samohi Joint Use: will support the increased use of Samohi Athletic Facilities by the city and community. This position will be supervised by the Plant Supervisor and work with the Samohi Custodial crew to make sure the facilities are maintained and ready for school the next day. The position will be funded through the General Fund from the Samohi JUA revenues.

FTE:	1.0 FTE, 12 month, 40 hrs/wk, Wed.-Sun. 3:30p-12:00m
Budget:	General Fund Facility Permits
Funding:	General Fund (Samohi JUA)
Salary w/benefits	\$56,753

Equipment Operator – Athletic Facilities: will maintain the athletic facilities at Samohi and other schools in the District. This is a new classification. This position will maintain the synthetic turf fields at Samohi and Adams, line fields for practices, and clean courts. The current part time Equipment Operator (0.375 FTE; \$14,944 salary & benefits) that maintains the Adams' fields will be abolished and the budget from the General Fund will be rolled into the budget for this position. The position will be funded through the General Fund from the Samohi JUA revenues.

FTE:	1.0 FTE, 12 month, 40 hrs/wk, Mon.-Fri.
Budget:	General Fund Facility Permits
Funding:	General Fund (Samohi JUA)
Salary w/benefits	\$49,656 (additional GF Budget: \$34,712)

(Continued on next page)

The Theater Operations & Facility Permit Department has grown every year since it was established in 2007. There has been a steady increase in permits and responsibilities. There is a need to add a second manager to the department to aid in supervision of events and personnel. An additional manager will help the current staff maintain the increase work, provide greater oversight and supervision of permits and personnel working permits, and provide another supervisor during the times when permits occur.

Facility Permit Supervisor: will oversee the issuing, management and oversight of all Facility Permits. The position will supervise the department staff and other classified and certificated staff hired to support permit use. This new classification is on par with the Maintenance or Plant Supervisors in the Maintenance & Operations Department. Half of the funding for this position will come from the Facility Permit budget. The other half will be funded through the General Fund from the Samohi JUA revenues. This will help support the many activities undertaken by the department that are not attached directly to revenues.

FTE:	1.0 FTE, 12 month, 40 hrs/wk
Budget:	Facility Permits
Funding:	50% Facility Permits & 50% General Fund (Samohi JUA)
Salary w/benefits	\$74,038

RE: APPOINT MEMBERS TO THE MEASURE BB ADVISORY COMMITTEE

RECOMMENDATION NO. A.23

It is recommended the Board of Education appoint two members to the Measure BB Advisory Committee.

COMMENTS: There are currently two openings on the Measure BB Advisory Committee. The district announced these openings in February and extended the deadline for applications in March. The district received three applications. The Measure BB Advisory Committee met on July 12, 2011, and recommended three applicants for the two openings. As per AR 1220 regarding district advisory committees, the Board of Education formed a subcommittee to review the applications. The subcommittee recommends the Board of Education appoint the following individuals to fill the two openings on the Measure BB Advisory Committee:

- Bruce Ochmanek
- ~~Alison Kendall~~

***** ***** ***** ***** ***** *****

Staff reported that Alison Kendall withdrew her application due to a potential conflict of interest on an upcoming project she will be working on that receives funding through Measure BB.

The board subcommittee recommended that the board approve the appointment of Mr. Ochmanek, and that they will meet with the third applicant to verify if her schedule will allow her to attend BBAC meetings. If her schedule permits regular attendance, staff will bring her approval forward for board consideration at a future board meeting. Otherwise, staff will reopen the application process.

RE: REVISE BP 1240 – VOLUNTEER ASSISTANCE

ACTION/CONSENT
08/10/11

RECOMMENDATION NO. A.24

It is recommended that the Board of Education revise BP 1240 – Volunteer Assistance.

COMMENT: At the May 19, 2011, board meeting, the Board of Education revised this policy to reflect changes recommended by CSBA. In that revision, the last two paragraphs were incorrect, based on SMMUSD's practices and procedures for volunteers. Those corrections have been made.

At the June 16, 2011, board meeting, the Board of Education had questions regarding the district's current practices and procedures for volunteers. The laws and codes have been studied, as has our past practice. The attached policy has been updated to clarify current practices in light of the recommended changes by CSBA. The Human Resources Department is developing a plan to implement this policy, once approved.

BACKGROUND: SMMUSD currently divides volunteers into two categories based on how they will perform the volunteer service:

- Level 1 – under constant supervision by certificated employee
- Level 2 – under supervision, but occasionally unsupervised (including overnight field trip chaperones)

Level 1 requires a TB test, Megan's Law check, DMV check (if driving for a field trip), no fingerprints and site approval only (district approval not required). According to Ed Code 49024, this group is not included in the requirements of the revised policy.

Currently, Level 2 volunteers do a TB test, DMV check (if driving for a field trip), DOJ fingerprints and require district-level approval. The change in the policy and Ed Code 49024 now requires this level of volunteer to have both DOJ and FBI fingerprint clearance.

VOLUNTEER ASSISTANCE

The Board of Education encourages parents/guardians and other members of the community to share their time, knowledge and abilities with students. Volunteer assistance in schools enriches the educational program, enhances supervision of students and contributes to school safety while strengthening the schools' relationships with the community. The Board also encourages community members to share their time, knowledge, and abilities with students.

The Superintendent or designee shall develop and implement a plan for recruiting, screening and placing volunteers, including strategies for reaching underrepresented groups of parents/guardians and community members. He/she may also recruit community members to serve as mentors and/or make appropriate referrals to community organizations.

The Superintendent or designee shall establish procedures to protect the safety of students and adults. These procedures shall include laws related to tuberculosis testing and may also include laws related to criminal record checks.

Volunteers shall be provided with information about school goals, programs and practices and shall receive an orientation and other training related to their specific responsibilities as appropriate. Employees who supervise volunteers shall ensure that volunteers are assigned meaningful responsibilities that capitalize on their skills and expertise and maximize their contribution to the educational program.

Volunteers shall act in accordance with district policies, regulations and school rules. At their discretion, employees who supervise volunteers may ask any volunteer who violates school rules to leave the campus. Employees also may confer with the principal or designee regarding any such volunteers. The Superintendent or designee shall be responsible for investigating and resolving complaints regarding volunteers.

Volunteer maintenance work shall be limited to those projects that do not replace the normal maintenance duties of classified staff. The Board nevertheless encourages volunteers to work on short-term projects to the extent that they enhance the classroom or school, do not significantly increase maintenance workloads and comply with employee commitments and contracts.

Volunteer aides shall not be used to assist certificated staff in performing teaching or administrative responsibilities in place of regularly authorized classified employees who have been laid off. (Education Code [35021](#))

The Board encourages principals to develop a means for recognizing the contributions of each school's volunteers.

Volunteers shall act in accordance with district policies, regulations, and school rules. The Superintendent or designee shall be responsible for investigating and resolving complaints regarding volunteers.

The Superintendent or designee shall periodically report to the Board regarding the district's volunteer assistance program.

Prior to assuming a Level 2 volunteer position to work with students in a district-sponsored student activity program, a volunteer shall obtain both a Department of Justice and Federal Bureau of Investigation criminal background check through the district. (Education Code 49024)

A volunteer who possesses a current Activity Supervisor Clearance Certificate from the Commission on Teacher Credentialing, issued prior to July 9, 2010, shall have satisfied district requirements for the criminal background check. (Education Code 49024)

A Level 1 volunteer requires only a TB test, Megan's Law check, and Department of Motor Vehicle check, when necessary.

~~Prior to assuming a volunteer position to work with students in a district-sponsored student activity program, a volunteer shall possess an Activity Supervisor Clearance Certificate issued by the Commission on Teacher Credentialing. (Education Code 49024)~~

~~A volunteer who obtained both a Department of Justice and Federal Bureau of Investigation criminal background clearance through the district prior to July 9, 2010, shall have satisfied this requirement. (Education Code 49024)~~

DISCUSSION ITEM NO. D.01

Child Development Services will provide the Board of Education with the Head Start annual report as well as the information and self-assessment report for 2010-11.

Ms. Onami presented the Head Start data. Her presentation can be found under Attachments at the end of these minutes.

The board requested information comparing SMMUSD to other LA County districts regarding preschool student assessments. They would also like data (including an ethnic breakdown) on how all SMMUSD preschoolers are doing, not just Head Start students. Ms. Onami commented that about half of the Head Start students were English language learners. Mr. de la Torre asked about students who are not developing at standard rates. Ms. Onami said all children participate in Ages and Stages assessments for speech and language as well as social development. A low score on these could indicate a need for further assessment for special services.

RE: UPDATE FROM THE SANTA MONICA-MALIBU EDUCATION FOUNDATION,
INCLUDING ITS NEW STRATEGIC PLAN

DISCUSSION ITEM NO. D.02

The Santa Monica-Malibu Education Foundation will report on the Foundation's recent activities, including a recap/final accounting of the SOS Campaign, SMMEF's Strategic Vision and a survey of Local Education Foundations (LEFs) fundraising practices.

Most of the 2010-2011 school year was devoted to the Ed Foundation's strategic planning process. With the expert guidance of Empower/Excel, a company that provides consulting services to nonprofit and public organizations, the Education Foundation worked steadily to develop processes to capture, assess, implement, and sustain "Big Ideas" and ultimately become a more sustainable, prosperous, and effective organization.

Attached is the Executive Summary of the Strategic Plan.

The presentation can be found under Attachments at the end of these minutes.

Mr. Mechur recused himself from the discussion and left the room due to a conflict of interest with his involvement with the Executive Director of the Education Foundation.

Mr. Patel asked what specifically has helped to make other district/Ed Found relationships successful. Ms. Gross replied that most of the Ed Foundations she spoke with in other districts had a practice or a mandate that directed funding for personnel through their education foundations. In only one situation, an Ed Foundation acted as the grant-writing mechanism through which all grant funding funneled, allowing for additional programs to be funded and staff to be hired. Mr. de la Torre asked how potential funds raised would be applied to district programs. Ms. Gross said the Ed Found would like to sit down with district staff to determine the district's needs in regards to personnel and materials. Ms. Gross suggested that the District and the Ed Foundation enter into a Master Agreement that would define the roles and responsibilities of each entity as it relates to fundraising efforts. Dr. Escarce commented that the \$1M goal seems modest. Ms. Gross said their board had planned to discuss the appropriateness of that goal at its September meeting. She said school site activities and the Ed Found's activities should be coordinated so that both can be successful. Ms. Leon-Vazquez said she has heard that major gift donors are often interested in designating their contributions. Lynda Dorf stressed the importance of centralized fundraising for the benefit of all schools and students. Mr. Allen asked Ms. Maez about the district's financial status for this school year, given the recent economic news. Ms. Maez said mid-year cuts are more possible than previously expected.

Dr. Escarce suggested possible next steps: staff will examine forming a formal relationship between the district and the Ed Found and a potential framework for gift giving that encourages cooperation among the various fundraising groups in SMMUSD. The board agreed. Staff will examine the relationships between other districts and Ed Founds, specifically what gift giving policies look like in districts where fundraising has been successful. Staff will then present this information to the board.

DISCUSSION ITEM NO. D.04

It is recommended that the Board of Education consider revising BP 3280 – Sale or Lease of District-Owned Real Property.

COMMENT: CSBA is recommending this policy update to reflect new law (ABX4 2), which authorizes districts, until January 1, 2012, to use the proceeds from the sale of surplus property for any one-time general fund purpose.

The revised policy is attached.

The board agreed to discussion Item Nos. D.03-D.10 together. This will come back under consent at the next board meeting.

SALE OR LEASE OF DISTRICT-OWNED REAL PROPERTY

The Board of Education believes that the district should utilize its facilities and resources in the most economical and practical manner. To that end, the Superintendent or designee shall periodically study the current and projected use of all district facilities in order to ensure the efficient utilization of space and the effective delivery of instruction in order to maximize student learning.

Upon determination that district property is no longer needed or may not be needed until some future time, the Board shall offer to sell or lease district-owned real property in accordance with priorities and procedures specified in law, including, but not limited to, Education Code 17230, 17464, 17485-17500, and Government Code 54222.

When required by law, the Board shall appoint a district advisory committee to advise the Board in the development of policies and procedures governing the use or disposition of schools or school building space which is not needed for school purposes. (Education Code 17388)

Before ordering the sale or lease of any real property, the Board shall adopt a resolution by a two-thirds vote of all of its members at a regular, open meeting. The resolution shall describe the property proposed to be sold or leased in such a manner as to identify it, specify the minimum price or rent, describe the terms upon which it will be sold or leased, and specify the commission or rate, if any, which the Board will pay to a licensed real estate broker out of the minimum price or rent. The resolution shall fix a time, not less than three weeks thereafter, for a public meeting, held at the Board's regular meeting place, at which sealed proposals to purchase or lease will be received and considered. (Education Code 17466)

The Superintendent or designee shall provide notice of the adoption of the resolution and of the time and place of the meeting by posting copies of the resolution, signed by the Board, in three public places not less than 15 days before the date of the meeting. In addition, the notice shall be published at least once a week for three successive weeks before the meeting, in a newspaper of general circulation published in the county in which the district is located, if such a paper exists. (Education Code 17469)

At the public meeting specified in the resolution, the Board shall open, examine, and declare all sealed bids. Before accepting any written proposal, the Board shall call for oral bids in accordance with law. The Board may reject any and all bids, either written or oral, and withdraw the properties from sale when the Board determines that rejection is in the best public interest. (Education Code 17472, 17473)

Of the proposals submitted by responsible bidders which conform to all terms and conditions specified in the resolution of intention to sell or lease, the Board shall finally accept the highest bid after deducting the commission, if any, to be paid to a licensed real estate broker, unless the Board accepts a higher oral bid or rejects all bids. (Education Code 17472)

The final acceptance of the bid may be made either at the same meeting specified in the resolution or at any adjourned/continued meeting held within 10 days. Upon acceptance of the bid, the Board may adopt a resolution of acceptance that directs the Board president, or any other Board member, to execute the deed or lease and to deliver the document upon performance and compliance by the successful bidder of all of the terms and conditions of the contract. (Education Code 17472-17478)

The Superintendent or designee shall ensure that proceeds from the sale, or lease with an option to purchase, of district surplus property are used in accordance with law. (Education Code 17462; 2 CCR 1700)

Until January 1, 2012, the district may expend proceeds from the sale of surplus real property, along with the proceeds from any personal property located on that real property, for any one-time general fund purpose(s). Prior to exercising this authority, the Board shall certify to the State Allocation Board that: (Education Code 17463.7)

1. The district has no major deferred maintenance requirements not covered by existing capital outlay resources.
2. The sale of real property pursuant to Education Code 17463.7 does not violate the provisions of a local bond act.
3. The real property is not suitable to meet projected school construction needs for the next 10 years.

Prior to exercising this authority, the Superintendent or designee shall present to the Board, at a regularly scheduled meeting, a plan for expending these one-time resources. The plan shall identify the source and use of the funds and shall describe the reasons that the expenditure shall not result in ongoing fiscal obligations for the district. RE: CONSIDER REVISING BP 3516.5 – EMERGENCY SCHEDULES

DISCUSSION ITEM NO. D.08

It is recommended that the Board of Education consider revising BP 3516.5 – Emergency Schedules.

COMMENT: CSBA is recommending this policy update to add language regarding seeking full average daily attendance reimbursement when an emergency situation prevents the district from meeting legal requirements for the minimum number of instructional days or minutes. The policy also adds examples of methods that may be used to notify students and parents/guardians of an emergency schedule.

The revised policy is attached. (Revisions to the AR can be found under Information Items.)

The board agreed to discussion Item Nos. D.03-D.10 together. This will come back under consent at the next board meeting.

EMERGENCY SCHEDULES

In order to provide for the safety of students and staff, the Board of Education authorizes the Superintendent or designee to close a school site, to change the regular school day schedule, or to take any necessary action when adverse weather conditions or other emergencies warrant.

When an emergency condition causes a school closure, reduction in attendance, or change in schedule pursuant to Education Code 41422 or 46392, thereby preventing the district from complying with the minimum number of instructional days or minutes required by law, the Superintendent or designee shall complete and submit to the Superintendent of Public Instruction the necessary forms for obtaining approval of the days of the closure, reduction in attendance, or change in schedule. The Superintendent or designee shall submit other relevant district records as may be required.

The Superintendent or designee shall establish a system for informing students and parents/guardians when school buses are not operating or when the school day schedule is changed or the school is closed. The district's notification system shall include, but is not limited to, notifying local television and radio stations, posting on district web site(s), sending email and text messages, and/or making telephone calls.

In the event that students arrive at school when the school day schedule changes or the schedule changes after school has begun, the Superintendent or designee shall ensure that supervision is provided in accordance with the procedures specified in the district's emergency and disaster preparedness plan.

The Superintendent or designee may provide a means to compensate for lost instructional time later during the year. Students and parents/guardians shall receive timely advanced notice of any resulting changes in the school calendar or school day schedule.

RE: CONSIDER REVISING BP 3555 – NUTRITION PROGRAM COMPLIANCE

DISCUSSION ITEM NO. D.09

It is recommended that the Board of Education consider revising BP 3555 – Nutrition Program Compliance.

COMMENT: CSBA is recommending this new mandated policy, which reflects state and federal law prohibitions against discrimination in the National School Lunch Program, School Breakfast Program, Special Milk Program, and other child nutrition programs as well as recent enforcement activities of CDE's Nutrition Services Division based on U.S. Department of Agriculture's Food and Nutrition Service instructions.

The revised policy is attached.

***** ***** ***** ***** ***** *****

The board agreed to discussion Item Nos. D.03-D.10 together. This will come back under consent at the next board meeting.

NUTRITION PROGRAM COMPLIANCE

The Governing Board recognizes the district's responsibility to comply with state and federal nondiscrimination laws as they apply to the district's nutrition programs. The district shall not deny any individual the benefits or service of any nutrition program or discriminate against him/her because of his/her race, color, national origin, gender, sex, sexual orientation, disability, or any other basis prohibited by law, in its implementation of such a program.

Coordinator

The Board designates the compliance officer specified in AR 1312.3 - Uniform Complaint Procedures as coordinator of the district's efforts to comply with the laws governing its nutrition programs and to investigate any related complaints. Any complaint concerning the district's nutrition programs shall be investigated using the process identified in the section entitled "Procedures" in the district's AR 1312.3 - Uniform Complaint Procedures.

The coordinator shall provide training on the laws, regulations, procedures, and directives related to the district's nutrition programs to district employees involved in administering them. The coordinator also shall develop procedures and systems that do not restrict the participation of individuals in the district's nutrition programs, based on their race, ethnicity, or disability, and that prevent district employees from incorrectly denying the applications for participation submitted by such individuals.

The coordinator shall develop and maintain a system for collecting racial and ethnic data of participants in the district's nutrition programs and shall, at least annually, report to the Board on whether the district's nutrition programs are effectively reaching eligible individuals and whether and where additional outreach may be needed.

When a significant number of participants or potential participants in the district's nutrition programs are only non-English speakers, the coordinator shall make an appropriate language translation available.

The coordinator also shall ensure that the district's nutrition programs accommodate the special dietary needs of any individual with a disability who has on file a medical statement that restricts his/her diet because of his/her disability.

Notifications

The coordinator shall ensure that the U.S. Department of Agriculture's "And Justice for All" or other approved Nutrition Programs Civil Rights posters are displayed in areas visible to the district's nutrition program participants, such as food service areas and school offices.

Annually, the coordinator shall notify all students, parents/guardians, and employees of program requirements and the procedures for filing a complaint, through the district's usual means of notification.

In addition, the coordinator shall ensure that every informational release, publication, or poster concerning the district's nutrition programs and/or activities includes, in a prominent location, the following statement:

"In accordance with federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, religion, political beliefs, or disability. In addition, California law prohibits discrimination on any basis identified in Government Code 12940.

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TTY). USDA is an equal opportunity provider and employer."

However, if the document is no more than one page and there is no room to print the full nondiscrimination statement, the district may instead use the statement "This institution is an equal opportunity provider" in the same print size as the rest of the text.

When a complaint is unresolved at the district level, the coordinator shall notify the complainant of the option to contact and/or forward his/her complaint to one of the following agencies:

1. Child Nutrition Program Civil Rights and Program Complaint Coordinator, California Department of Education, Nutrition Services Division, 1430 N Street, Room 1500, Sacramento, CA 95814-2342 or call 916-445-0850 or 800-952-5609
2. Office of Civil Rights, USDA, Western Region, 90 Seventh Street, Suite 10-100, San Francisco, CA 94103 or call 415-705-1336 or fax 415-705-1364 or email Joe.Torres@fns.usda.gov

INFORMATION ITEM NO. I.02

This is to inform the Board of Education that AR 3515.2 – Disruptions has been revised.

COMMENT: CSBA is recommending this regulation update to clarify the circumstances under which the principal or designee may direct persons to leave school grounds and to reflect new law (SB 492), which makes it a misdemeanor for anyone to loiter around a school and enhances penalties for specified loiterers.

The revised regulation is attached.

DISRUPTIONS

~~The principal or designee may direct a person to leave school grounds when there is a reasonable basis for concluding that the person is committing, or has entered campus with the purpose of committing, an act that is likely to interfere with the peaceful conduct, discipline, good order, or administration of school activities or with the intent to inflict damage on any person or property. He/she may also ask a person to leave who uses loud and/or offensive language which could provoke a violent reaction or a person who has otherwise established a continued pattern of unauthorized entry on school grounds. This shall not apply if that person is a student, school employee, or other person required by his employment to be on school grounds. (Education Code 44810, 44811; Penal Code 415.5, 626.7, 626.8)~~

~~When directing any person to leave school premises, the principal or designee shall inform the person that he/she will be guilty of a crime if he/she:~~

- ~~1. Remains after being directed to leave (Education Code 44811; Penal Code 626.8)~~
- ~~2. Returns to the campus without following the school's posted registration requirements (Penal Code 626.7)~~
- ~~3. Returns within seven days after being directed to leave (Penal Code 626.8, 626.85)~~

~~The principal or designee may direct a person who is required to register as a sex offender to immediately leave school grounds, unless he/she is on school grounds for lawful business and with the principal's permission. If such a person does not leave school grounds, the principal or designee shall inform the person that he/she may be guilty of a crime.~~

~~The principal or designee shall notify law enforcement as appropriate.~~

The principal or designee may direct any person, except a student, school employee, or other person required by his/her employment to be on school grounds, to leave school grounds if: (Education Code 44810, 44811; Penal Code 415.5, 626.7, 626.8, 626.81, 626.85)

1. The principal or designee has reasonable basis for concluding that the person is committing or has entered the campus with the purpose of committing an act which is likely to interfere with the peaceful conduct, discipline, good order, or administration of the school or a school activity, or with the intent of inflicting damage to any person or property.
2. The person fights or challenges another person to a fight, willfully disturbs another person by loud and unreasonable noise, or uses offensive language which could provoke a violent reaction.
3. The person loiters around a school without lawful business for being present or reenters a school within 72 hours after he/she was asked to leave.
4. The person is required to register as a sex offender pursuant to Penal Code 290.

However, a registered sex offender may be on school grounds if he/she has a lawful purpose and written permission from the principal or designee.

5. The person is a specified drug offender as defined in Penal Code 626.85.

However, a specified drug offender may be on school grounds with written permission from the principal or designee or, if he/she is a parent/guardian of a child enrolled in that school, to attend a school activity.

6. The person has otherwise established a continued pattern of unauthorized entry on school grounds.

The principal or designee shall allow a parent/guardian who was previously directed to leave school grounds to reenter for the purpose of retrieving his/her child for disciplinary reasons, medical attention, or family emergencies, or with the principal or designee's prior written permission. (Penal Code 626.7, 626.85)

When directing any person to leave school premises, the principal or designee shall inform the person that he/she may be guilty of a crime if he/she:

1. Fails to leave or remains after being directed to leave (Penal Code 626.7, 626.8, 626.85)

2. Returns to the campus without following the school's posted registration requirements (Penal Code 626.7)

3. Returns within seven days after being directed to leave (Penal Code 626.8, 626.85)

Appeal Procedure

Any person who is asked to leave a school building or grounds may appeal to the Superintendent or designee. This appeal shall be made no later than the second school day after the person has departed from the school building or grounds. After reviewing the matter with the principal or designee and the person making the appeal, the Superintendent or designee shall render his/her decision within 24 hours after the appeal is made, and this decision shall be binding. (Education Code [32211](#))

The decision of the Superintendent or designee may be appealed to the Board of Education. Such an appeal shall be made no later than the second school day after the Superintendent or designee has rendered his/her decision. The Board shall consider and decide the appeal at its next scheduled regular or adjourned regular public meeting. The Board's decision shall be final. (Education Code [32211](#))

What We Have Learned From Other Education Foundations

- Every district is unique
- Each has a wide range of fundraising activities, but all include direct asks, special events and earned income programs, which are incorporated into our strategic plan
- Disparities in funding exist from school to school
- Virtually all have instituted practices to bring parity of program to all students

New Strategic Vision
