COMMENT: According to the Education Code SEC.21 Section 56342, prior to recommending a new or continued placement in a non-public, non-sectarian school, the Individualized Education Program (IEP) Team must submit the proposed recommendation to the local governing board for its review and recommendation regarding the cost of such placement.

The recommendations for these severely handicapped students are made by the District IEP Teams in accordance with State and Federal laws. The mandates of IDEA require non-public school services be provided at no expense to parents if there is not an appropriate public school program available. Funding to come from a SELPA-wide non-public school/non-public agency reserve account.

Friday Memo: 02/01/13

COMMENTS: On 06/06/09, the Board of Education approved Simplex Grinnell (BOE Item A.28) for the Fire Alarm devices because all existing District wide systems are manufactured by Simplex-Grinnell, the sole source manufacturer.

The Board of Education further approved on 10/21/10 the GSA contract which allows for fire alarm, security, and emergency disaster equipment purchases and all services necessary to install the equipment from design to start-up, including maintenance and training at the lowest offered pricing. The Los Angeles County Department of Education allows Districts to “piggy back” off of the GSA contracts with no restriction other than standard Public Works contracting requirements.

On 11/15/12 the Board of Education approved the award of general services administration contract to Simplex Grinnell for the Washington West CDS Fire Alarm project under Federal GSA contract #GS-07-0396M.

Simplex Grinnell Change Order No. 1 will be for remobilization for abatement monitoring, testing and reporting of Rooms #1, #6 and #7. This is due to the sequencing of the work and staggered move-ins of the district occupants.

It is recommended that the Board of Education consider adopting a resolution regarding the Water Quality Funding Initiative.

COMMENTS: The Los Angeles County Flood Control District is proposing to adopt a Clean Water, Clean Beaches Measure, which would establish an annual fee to pay for clean water programs. The proposed clean water fee would be imposed upon property owners within the Los Angeles County Flood Control District, which includes most of the Los Angeles County, for the purpose of improving water quality and reducing pollution from stormwater and urban runoff.

We completely understand and support the intent of the measure and the need to make sure our waters are safe; however, this measure puts an undue burden on public school districts that we cannot bear in these difficult fiscal times. We support efforts to keep pollution out of stormwater and runoff, clean up pollution that flows into our waterways, and use stormwater and runoff to recharge groundwater supplies. At this time, however, when school districts have suffered from lost revenues for the past five years, it is untenable to ask public school districts to take another hit to their already strapped budgets.

As a parcel owner, the Santa Monica-Malibu Unified School District would be charged in excess of \$180,000; districts throughout the county will be paying approximately \$14 million in fees. We, like many of our neighboring districts, are already deficit spending. If we are assessed this new county fee it will result in cuts to programs and staff.

On December 15, 2013, the Los Angeles County Board of Supervisors held a hearing to hear the protests of parcel owners. Over 200 members of the public spoke at the protest hearing, including representatives of public school districts. We delivered a letter of protest to the Board with our parcels listed. The Board of Supervisors decided to leave the protest period open for future hearings and to delay any decisions on the measure for 60 days. There will be a report required of the Department of Public Works that addresses the areas of discussion as listed by the Supervisors.

Efforts are being made to exempt public school districts from these fees through legislation. Our resolution will be included in those passed by other school Boards in Los Angeles County who want to make sure the Board of Supervisors and local legislators work toward a solution that exempts public school districts from this fee.

SANTA MONICA–MALIBU UNIFIED SCHOOL DISTRICT

BOARD OF EDUCATION

**RESOLUTION NUMBER 12-____
WATER QUALITY FUNDING INITIATIVE**

WHEREAS, the Santa Monica-Malibu Unified School District (SMMUSD) Board of Education is committed to helping provide a quality education to all students, preparing them for success in college and careers; and

WHEREAS, California ranks near the bottom or 47th nationally in its investment in education (per-pupil funding); and

WHEREAS, the Los Angeles County Clean Water Clean Beaches Measure would charge parcel holders approximately \$200 million to fund various waterway related projects; and

WHEREAS, school districts, including SMMUSD, as parcel owners, are not exempted from paying these fees, which will amount to approximately \$14 million charged to school districts county-wide and in excess of \$180,000 charged to SMMUSD; and

WHEREAS, these additional fees charged to school districts could result in the elimination of a significant number of teaching positions throughout Los Angeles County; and

WHEREAS, these fees associated with the proposed Measure are ongoing and will continue annually until terminated by the County Board of Supervisors; and

WHEREAS, although the proposed Measure is one way to address an important public policy matter, its importance must be balanced against further cuts to instructional and support services provided to public school students and their families; and

WHEREAS, with the voter approval of Proposition 30, California residents have indicated their strong support for the funding of public education and disapproval of further cuts to educational programs; and

WHEREAS, the SMMUSD Board of Education opposes any future similar measure unless it excludes public school parcels from fees or reverts public school parcel fees with no restriction on spending the reverted fees; and

WHEREAS, the SMMUSD Board of Education supports and will seek state legislation consistent with the principles in this resolution.

NOW, THEREFORE, BE IT RESOLVED that the Santa Monica-Malibu Unified School District Board of Education opposes the Los Angeles County Clean Water Clean Beaches Measure and directs the Superintendent, or designee, to take all appropriate actions in opposition to the Measure;

AND, BE IT FURTHER RESOLVED that the Santa Monica-Malibu Unified School District Board of Education hereby encourages the voting public to know more about the negative fiscal impact of this Measure on schools.

In Honor of Black History Month**

Whereas, Carter G. Woodson, noted Black scholar, historian and son of former slaves, founded the Association for the Study of Negro Life and History in 1915, which was later renamed the Association for the Study of African American Life and History; and

Whereas, Dr. Woodson initiated Black History Week on February 12, 1926 and which for many years was celebrated by Black people in the United States on the 2nd week of February (chosen so as to coincide with the birthdays of Frederick Douglass and Abraham Lincoln); and

Whereas, in 1976, as part of the nation's Bicentennial, Black History Week was expanded and February was established as Black History Month, and is now widely observed; and

Whereas, it is important to understand the different origins, cultures and heritages of all Americans, and recognize that the history of African Americans in this country is part of our shared collective American story; and

Whereas, Black History month is a time to recognize and honor the many achievements of Black Americans and to acknowledge the scope of their contributions to the United States of America, as well as the important and vital roles this group has played in our Nation's development and history; and

Whereas, it is entirely fitting that society should develop a full appreciation of the innumerable accomplishments of African-Americans, and public education can work to achieve this by committing students to a full review and assessment of the great contributions by African Americans to the arts, sciences, literature, economic development, education, exploration, defense and leadership and growth of this Nation; and

Whereas, even as civil rights laws have given legal consequences to overt discriminatory practices and racial intolerance, only through education can attitudes be changed and ignorance eliminated; and

Whereas, Black History Month seeks to bridge the gap wherein American history failed to accurately portray and record the achievements of Black Americans; and

Whereas, learning from the struggles and accomplishments of others helps strengthen our bond as a national family:

NOW, THEREFORE, BE IT RESOLVED that the Santa Monica-Malibu Unified School District Board of Education does hereby adopt this Resolution to encourage: the celebration of BLACK HISTORY MONTH; the instruction to our students on the achievements and contributions of Black citizens; fostering in our students a greater understanding of the roles African Americans have played throughout the history of our Nation; and helping all students understand their responsibilities in protecting and preserving the humanity of all people.

RE: RECOMMENDATION FROM BOARD SUBCOMMITTEE OF APPOINTMENTS
TO FILL VACANCIES ON THE FINANCIAL OVERSIGHT COMMITTEE (FOC)

RECOMMENDATION NO. A.22

After conducting a thorough application review and interview process, the Board subcommittee unanimously recommends that the Board of Education approve the appointments of Tom Larmore, Gordon Lee, Joan Krenik, DeAndre Parks, and Stuart Smith to fill vacancies on the Financial Oversight Committee (FOC).

COMMENT: At the December 13, 2012 Board meeting, the Board voted to appoint a subcommittee comprised of Ms. Lieberman, Ms. Leon-Vazquez, and Mr. Patel to conduct interviews and make recommendations to the Board with respect to the four seats on the FOC wherein the terms of seated members expired on December 31, 2012. This recommendation represents the outcome of the subcommittee's process.

Prior to appointment of the Board subcommittee, the FOC's ad hoc Nominating Subcommittee reviewed the seven applications that had been received in response to the District's press release notifying the public of the impending vacancies. The Nominating Committee's recommendations were reviewed by the FOC as a whole, which recommended that the Board consider five applicants.

Subsequent to appointment of the Board subcommittee, Daniel McGee, one of the FOC members whose term expires December 31, 2014, submitted his resignation. Thus, there are currently five vacancies on the FOC. The Board subcommittee interviewed five applicants, two of whom are sitting members of the FOC. The Board subcommittee is unanimous in its recommendation that the Board appoint Tom Larmore, Gordon Lee, Joan Krenik, DeAndre Parks, and Stuart Smith.

On the evening of the Board meeting, the Board should determine by lottery the one (1) appointment to the term expiring on December 31, 2014 and four (4) appointments to the terms expiring on December 31, 2015.

RE: ADOPT MASTER AGREEMENT BETWEEN THE SANTA MONICA-MALIBU
EDUCATION FOUNDATION (SMMEF) AND THE SANTA MONICA-MALIBU
UNIFIED SCHOOL DISTRICT (SMMUSD)

RECOMMENDATION NO. A.23

It is recommended that the Board of Education adopt the Master Agreement between the Santa Monica-Malibu Education Foundation (SMMEF) and the Santa Monica-Malibu Unified School District (SMMUSD).

COMMENTS: This agreement was developed by examining the master agreements used by education foundations and school districts throughout the state of California. It was revised to meet the needs of SMMEF and SMMUSD in establishing the newly defined relationship as part of the Board of Education's adoption of the revised BP 3290 Acceptance of Gifts and to meet the purpose and timeline for the newly established policy.

The Board of Education provided input on November 15, 2012, and the superintendent received subsequent input from legal counsel, a board subcommittee, and the Superintendent's Advisory Committee.

**MASTER AGREEMENT BETWEEN
THE SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT AND
SANTA MONICA-MALIBU EDUCATION FOUNDATION**

This Master Agreement is entered into as of the ___ day of _____, 2013, by and between the SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT, a California unified school district (the "District"), and the SANTA MONICA-MALIBU EDUCATION FOUNDATION, a California non-profit mutual benefit corporation (the "Foundation"), with reference to the following facts:

A. The District operates a public education system in the cities of Santa Monica and Malibu.

B. The Foundation was established in 1982 with a mission to raise funds to enhance equity and access to a vibrant educational experience for all students in the District and, in particular, to support programs in the arts, academics and athletics through permanent endowment funds, special events and fundraising campaigns.

C. Alongside the fundraising activities of the Foundation, PTA and other booster groups for individual schools have historically raised funds to supplement District resources for the benefit of students in those schools. Recognizing the facts that there are differences among various communities in their ability to contribute these additional funds for local schools and that these differences perpetuate inequalities in educational opportunities among individual schools and their students, in November, 2011, the Santa Monica-Malibu Unified School District Board of Education (the "BOE") adopted revised Board Policy 3290, Acceptance of Gifts, to establish a centralized and collaborative fundraising system to enable the District to provide equity in programs and personnel in all District schools while preserving flexibility at each school.

D. Among other things, Board Policy 3290 (1) significantly modified and expanded the role of the Foundation by designating it as the only fundraising entity for the District to use to pay for personnel and professional development, and (2) requires formalization of the relationship between the District and the Foundation to specify the roles and obligations of both entities in connection with this new centralized fundraising policy.

NOW, THEREFORE, in order to formalize the relationship between the District and the Foundation regarding centralized fundraising contemplated in Board Policy 3290, the District and the Foundation agree as follows:

1. Annual Funding.

a. Not later than May 15 of each year, commencing May 15, 2013, the District's Superintendent of Schools (the "Superintendent") shall, in consultation with the Superintendent's Advisory Committee and/or such other individuals and organizations as the Superintendent may deem appropriate, develop a list of potential programs appropriate for funding by the Foundation for the fiscal year beginning July 1 of the following school calendar year, including an estimate of the cost of each such program, and provide such list to the Foundation's Executive Director (the "Executive Director"). In developing the list of potential programs to be funded by the Foundation, the Superintendent shall prioritize programs that can be sustained over a multi-year period and focus on District-wide needs.

b. Not later than May 31 of such year, the Executive Director shall convene a meeting of the Board of Directors of the Foundation (the “Foundation Board”) to discuss the applicable list of potential programs for the purpose of determining the Foundation’s capacity to raise funds to support those programs. Following such meeting, the Executive Director shall report the results of the Foundation Board discussion to the Superintendent.

c. Not later than October 31 of each year, the Superintendent shall report to the BOE at a public meeting regarding the list of potential programs and the response from the Foundation Board and the BOE shall designate those programs which it determines should be funded by the Foundation in light of information received from the Foundation Board.

d. Not later than January 31 of the following school calendar year, the Superintendent and the Executive Director shall enter into a separate funding agreement which sets forth the programs to be funded by the Foundation during the District’s fiscal year beginning on the following July 1 and the amount to be funded for those programs. Nothing in this Agreement shall (1) require that the Foundation fund an amount greater than the amount actually raised during the preceding calendar year, excluding amounts placed in endowment accounts, less operating expenses consistent with the applicable budget referred to in Section 6a below, or (2) preclude the District from using other funds in conjunction with those to be provided by the Foundation to pay for the programs identified in the applicable annual agreement.

e. Not later than August 31, the Foundation shall deliver a check payable to the District in the full amount to be funded by the Foundation as set forth in the applicable annual agreement.

f. The Foundation shall not provide funding for programs or activities other than those designated in an annual agreement, except to the extent approved in writing by the Superintendent and the Executive Director, or to any person, entity or organization other than the District.

g. Nothing in this Agreement shall preclude the Foundation from making a separate funding to the District for a purpose other than the programs included in the applicable annual agreement, so long as the purpose for, and the amount of, such funding has been previously approved by the BOE at a public meeting.

2. Fundraising Plan.

a. By November 30 of each year following the BOE’s determination under Section 1c above, commencing November 1, 2013, the Foundation shall present to the Superintendent for review a proposed fundraising plan setting forth specific fundraising goals for the fiscal year beginning the following July 1 and specific activities designed to achieve those goals. After consultation with the Foundation, the Superintendent shall present the draft plan to the BOE for comment at a regular public meeting by no later than February 1 of the following year.

b. Following comments on the draft plan by the BOE, the Foundation Board shall adopt the final fundraising plan incorporating any changes recommended by the BOE which the Foundation Board deems to be appropriate and provide a copy thereof to the Superintendent.

c. Subsequent fundraising plans may modify goals and activities for specific years from those contained in previous adopted fundraising plans as the Foundation Board may deem appropriate but no changes shall be made in fundraising plans that have been reviewed by the BOE without prior written notice to the Superintendent and, if the Superintendent deems it appropriate, without review by the BOE.

d. Each fundraising plan shall reflect any general conditions and limitations applicable to gifts made directly to the District or the Foundation as the BOE may adopt from time to time.

e. The BOE has reviewed a fundraising plan covering fiscal years 2012-2013, 2013-2014 and 2014-2015 and provided comments thereon.

3. Evaluation of Funded Programs.

a. Each annual agreement between the District and the Foundation contemplated under Section 1d above, shall, to the extent feasible, include metrics by which the degree of success of each program can be evaluated following the applicable fiscal year.

b. Not later than September 30 of each year, except to the extent previously agreed upon in writing by the Superintendent and the Executive Director, the Superintendent shall provide a report to the Foundation regarding the programs funded by the Foundation during the immediately preceding fiscal year. Such report shall evaluate the success of each program through use of any agreed-upon metrics and other criteria determined by the Superintendent to be relevant and shall include a narrative discussion thereof from the Superintendent.

c. The foregoing report shall be posted on the websites of the District and the Foundation and may be made available by the Foundation to donors and potential donors.

4. Donor Relations.

a. As soon as reasonably practicable following the commencement of each school year, the District shall provide the Foundation with its master parent and alumni databases for use by the Foundation solely in connection with its fundraising activities. The Foundation shall not (1) use any of the information from these databases for any other purpose, (2) sell or otherwise make available to any person, entity or organization the databases or any of the information contained therein, or (3) use any of the information contained therein in a manner which, in any way, would violate any applicable law, ordinance or regulation or any privacy policy adopted by the District.

b. The Foundation shall assume primary management responsibility for contact with donors and potential donors for the purpose of fundraising but nothing in this Agreement shall preclude or limit the District's right to contact any of such donors or potential donors for any other purpose or to meet with any of them relating to fundraising with the consent of the Executive Director.

c. The District shall make members of the BOE, the Superintendent and other senior District staff members reasonably available to meet with donors or potential donors to assist in fundraising activities.

5. Governance.

a. The Foundation represents and warrants to the District that it is a non-profit mutual benefit corporation duly organized and validly existing in good standing in the State of California and is an organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. The Foundation agrees to maintain its corporate, good standing and tax-exempt status at all times.

b. The Foundation has delivered to the District true and correct copies of its Articles of Incorporation, Bylaws, list of all members of the Foundation Board and a list of all employees as in effect on the date hereof. The Foundation agrees to advise the Superintendent of any changes to its Articles of Incorporation or Bylaws within thirty (30) days after such changes are made and that it shall provide to the District, not later than September 30 of each year, updated lists of all members of the Foundation Board and employees.

c. PTA-Ed Foundation Liaisons (the "Liaisons") consisting of the president of the PTA, or a designated representative, from each District school, and the Executive Director, or his or her designated representative, shall meet monthly, at a minimum, to discuss funding and program needs of the individual schools and other relevant topics. The Liaisons shall serve as a conduit and link between the PTAs and the Foundation. The Foundation shall work collaboratively with the Liaisons to share information, and to develop and coordinate centralized fundraising efforts at individual schools and district-wide.

d. Each year, the BOE shall appoint two of its members to act as liaisons to the Foundation Board. The Foundation shall include the Superintendent, or his or her designated representative, and the BOE's liaison members as liaisons to all Foundation strategic planning committees and the District shall include the Executive Director, or his or her designated representative, as a liaison to all District strategic planning committees.

6. Foundation Reporting.

a. The Foundation has provided to the District a true and correct copy of its annual budget for the fiscal year ending June 30, 2013. Not later than May 31 prior to the beginning of each subsequent fiscal year, the Foundation shall provide to the Superintendent a proposed budget for such fiscal year for review and comment by the BOE. No annual budget shall be effective for the Foundation unless and until it has been reviewed by the BOE at a public meeting. The Foundation Board shall consider any comments made by the BOE prior to adopting the applicable budget and, following adoption, such budget shall be posted on the Foundation's website. In the event there are changes to the Foundation's budget during any fiscal year, the Foundation shall provide a copy of the revised budget to the Superintendent for review and comment and, if the Superintendent elects, review and comment by the BOE.

b. The Executive Director shall provide to the Superintendent a quarterly report setting forth the cash flow of the Foundation reflecting contributions and other income and operating expenses, itemized in reasonable detail. Not later than ninety (90) days following the end of each fiscal year, the Executive Director shall provide to the Superintendent unaudited financial statements of the Foundation for the preceding fiscal year in such detail as the Superintendent may reasonably request. Not later than thirty (30) days following receipt of the annual audit of the Foundation's financial statements for any fiscal year, the Executive Director shall provide to the Superintendent a copy of such annual audit, including any comments by the auditor regarding the reporting and internal control policies of the Foundation. The Foundation's audited financial statements and comments shall be posted on the Foundation's website.

c. The annual unaudited financial statements to be provided by the Executive Director to the Superintendent under Section 6b above shall be accompanied by an explanation by the Executive Director of the extent to which the Foundation has met the goals set forth in the applicable fundraising plan reviewed by the BOE under Section 2a above.

d. The Executive Director, or his or her designee, shall provide an update of the Foundation's activities, including a report regarding the goals set forth in the applicable fundraising plan, to the BOE at a public meeting on at least a quarterly basis.

7. Annual Review of this Agreement.

a. As soon as practicable following receipt each year of the audited financial statements of the Foundation and the Executive Director's report referred to in Section 6 above, the Superintendent shall meet with Executive Director to discuss the Foundation's activities, the actions of the Board, including the programs determined by the Board to be funded during the previous fiscal year, and the terms of this Agreement.

b. Following such meeting, the Superintendent shall report to the BOE with respect to the Superintendent's findings, including any changes the Superintendent may deem advisable to this Agreement. The BOE shall consider such recommendations in a public meeting and shall determine what, if any, changes should be made to this Agreement for the following year and whether any other actions should be taken by the District.

c. If the BOE determines that amendments should be made to this Agreement, the Superintendent shall provide the Executive Director with a list of those amendments for review and comment by the Foundation Board at its next meeting. Following such meeting of the Foundation Board, the Executive Director shall report to the Superintendent whether the Foundation Board objected to any proposed amendments and, if so, the reason or reasons for such objections. If the Foundation Board did object to some or all of the proposed amendments, the Superintendent shall report those objections to the BOE. A subcommittee comprised of the Superintendent, the Executive Director, and members of the BOE and the Foundation Board shall convene to come to mutual agreement before the BOE approves the annual agreement at its regularly scheduled Board meeting.

d. Following the foregoing determinations by the BOE, if any amendments to this Agreement are deemed to be appropriate by the BOE, such amendments shall be prepared for execution by both parties.

8. Advocacy.

a. The Foundation shall not endorse or oppose any candidate for the BOE, the City Council of the City of Santa Monica or the Santa Monica College Board of Trustees or support or oppose any recall campaign applicable to any member of any of such bodies.

b. The Foundation shall not oppose any ballot measure placed on any ballot with the approval of the BOE.

c. The Foundation shall comply with all legal restrictions applicable to non-profit corporations and 501(c)(3) entities regarding expenditures for political purposes.

9. Communications

a. All press releases, media inquiries and other communications with the press concerning any joint activities of the District and the Foundation shall be reviewed and approved prior to release by the Executive Director and the Superintendent or his or her designee. All such communications relating to programs conducted by the District and being funded by the Foundation rather than the fundraising activities of the Foundation shall be handled solely by the District in accordance with its customary policies.

b. No staff member of the Foundation or member of the Foundation Board, Advisory Board or committee shall, at any time, represent themselves to the press or any other person as speaking on behalf of the District unless specifically requested to do so by the Superintendent.

c. No staff member of the District or member of the BOE or any District committee shall, at any time, represent themselves to the press or any other person as speaking on behalf of the Foundation unless specifically requested to do so by the Executive Director.

d. The District shall not use the Foundation's logo for any purpose unless approved in writing by the Executive Director and the Foundation shall not use the District's logo for any purpose unless approved by the Superintendent.

e. Use by the Foundation of the District's district-wide voice messaging systems must be previously approved in writing by the Superintendent.

f. Each of the Foundation and the District shall provide a link on its website to the website of the other.

RE: REVISE BP 7310 – NAMING OF ~~FACILITY~~ FACILITIES AND PROGRAMS

RECOMMENDATION NO. A.24

It is recommended that the Board of Education revise BP 7310 – Naming of ~~Facility~~ Facilities and Programs.

COMMENTS: As a part of developing the Centralized Fundraising Implementation Plan last year, the Board created the Superintendent's Advisory Group (SAG), which met to determine elements necessary to make the move to Centralized Fundraising successful. The group was divided into various task committees and each made recommendations to the Board, which were then enveloped into a recommendation by the Superintendent regarding next steps and the timeline for implementation.

The task committee for Business/Corporate Fundraising, as part of its recommendations, identified donor recognition as an important component. Their recommendation to the Board of Education stated, "In order to maximize large corporate and business donations, it is necessary to provide donors with a significant donor acknowledgement platform." The task committee listed a naming policy as a part of that recognition platform.

The attached policy has been drafted in consultation with the SMMEF fundraising consultant, has been previewed and discussed by members of the Superintendent's Advisory Committee (SAC), and has received input from the Board of Education during its November 15, 2012, meeting. As per advice from legal counsel, and as was explained on November 15, all of the relevant information is included in the policy without a regulation.

NAMING OF ~~FACILITY~~ FACILITIES AND PROGRAMSPurpose

The purpose of this policy is to provide criteria and a process for the naming of facilities, including buildings and structures, spaces (both interior and exterior), landscapes, roads, collections, and programs (hereinafter "facilities, et al."), in the District, including the various campuses of the District.

A. Criteria for Selection of Honorees

Naming a facility, space, endowment or program for an individual, organization or corporation is one of the highest honors that the District can bestow. This recognition is a lasting and powerful affirmation of the honoree's connection to the District's mission. As such, honorees shall have exemplary character, an unqualified reputation for honesty, personal integrity, and the highest standards of personal and professional ethics.

The Board of Education shall only name facilities, et al. in recognition of:

1. Honorees who have rendered extraordinary support or service as defined in this policy;
2. Individuals, living or deceased, who have made outstanding contributions to the county or community;
3. Individuals, living or deceased, who have made contributions of state, national, or worldwide significance;
4. The geographic area in which the school or building is located.

Recognition of Employees or Former Employees

Honorees who have been employed by the District shall have given extraordinary service to the institution in a teaching, service, or administrative field with such exceptional distinction that their contributions are widely recognized by their peers, both at the District and elsewhere. The recognition afforded the honoree may also include private financial contributions related to the naming opportunity. Except in special circumstances, honorees shall not be in active service at the District or hold elected office at the time of the naming.

Private Financial Support

Individuals, corporations and other organizations may be considered for naming recognition if they have made significant financial contributions to the District related to the naming opportunity. Decisions regarding such recognition are made on a case-by-case basis in accordance with the approval process contained in this policy and any other applicable District policies and shall also take into consideration the total cost of the project, the availability of other funds and the level of financial contribution. A bequest or legacy gift from a donor who is still alive will not normally be considered for a naming opportunity until such time as the gift is realized.

B. Approval Process

All naming requests shall be submitted to and reviewed by the Superintendent in accordance with the procedures adopted by the Board of Education.

Any plan for the naming of facilities, et al. that is based on levels of financial support must be submitted, in writing, to the Superintendent prior to submission of a request for approval of a specific name. The Superintendent shall appoint a Committee on Naming Facilities, Spaces, Endowments, and Programs to review naming plans and requests and to make recommendations for approval.

The naming of facilities and spaces that are part of the outside environment of the District (e.g., buildings, structures, fields, landscapes, etc.) shall be vetted by the Superintendent to determine if the criteria in this policy has been met, and submitted to the Board for adoption.

The naming of interior spaces, collections, tribute markers (including plaques, medallions, or other markers in association with features such as trees, benches, or small monuments) may be approved by the Superintendent. The Board hereby delegates to the Superintendent the authority to approve names as provided in this provision of the policy.

The naming of programmatic entities (such as departments, programs, and centers) and other things not specifically addressed in this policy must be approved and adopted by the Board.

C. Board/Superintendent Discretion

The meeting of the criteria provided in this policy established minimum qualifications for a naming opportunity. The Board (or the Superintendent, in conformity with this policy) retains the discretion to approve names at its sole discretion.

D. Duration of Name

Naming of facilities, spaces, endowments and programs in honor of individuals is generally expected to last the lifetime of the facility, space, endowment, or program. However, the Board recognizes that conditions may arise where the renaming of such buildings, sites, and/or facilities may be appropriate or necessary. The renaming of existing buildings, sites, and/or facilities shall occur only at the discretion of the Board. Naming of facilities, spaces, endowments and programs in honor of corporations or other organizations will have a set number of years attached to the naming, which will be determined on a case-by-case basis and listed in the signed gift agreement. Naming associated with a particular facility, space, endowment, or program will not preclude further naming within the facility, space, endowment or program.

E. Recording and Reporting

In conformity with existing laws, every effort will be made to maintain the confidentiality of potential honorees until final action is taken on the request.

RE: REVISION TO EXHIBIT 1330 – USE OF SCHOOL FACILITIES

INFORMATION ITEM NO. I.02

This is to inform the Board of Education of revisions to Exhibit 1330 – Use of School Facilities. This will include a new procedure managing temporary signage and banners. Attached is a revision with changes marked.

COMMENT: Board Policy 1330 governing the Use of School Facilities was revised by the Board on June 4, 2009. Over the past three and a half years, the Facility Permit and Theater Operations Offices have implemented the policy and managed thousands of permits for facility use. This revision of the Exhibit which constitutes the procedure manual for use of facilities both follows current practice and updates procedures to reflect the changes observed. The majority of changes support a more efficient operation of the facility permit process. The primary addition is an added procedure managing the use of temporary signage and banners.

We have changed the name of the department – from the Theater Operations and Facility Permit Department to the Facility Use Department – to reflect our expanded mission. This incorporates the added responsibilities of oversight of the Joint Use Agreement and Leases.

Specific Changes to the Exhibit:

- Facility Permit Procedure Manual – The exhibit has been revised to be a more effective procedures manual. This includes an opening section describing the activities and mission of the Facility Use Department.
- The Rental Procedures, while new to this exhibit, have been on the SMMUSD webpage since 2009. They are placed in this document without revision.
- The Rules of Use for Facilities has been condensed to fourteen specific rules that must be accepted by all user groups. The challenge we were having is that user groups would be so overwhelmed by the original Rules of Use that they would ignore the most important ones. These fourteen comprise the most serious rules. User groups agree to communicate these condensed set of rules to all of their participants. By signing our Agreement, user groups still agree to the complete list of rules.
- The complete Rules of Use have been reorganized and renumbered to improve clarity.
- Section 2 of the Rule of Use – What Not to Do (Proscriptions) have been amended for clarity. The rule based on the use of service animals has been amended to the current implementation of the American with Disabilities Act.
- Sections 3-7 of the Rules of use have minor changes mostly to clear up previous language.
- Former Exhibit 2 – Regulations for Use of School Cafeteria and Kitchens has been incorporated into the Facility Permit Procedures Manual. This section has been retitled, Procedures for use of School Cafeterias and Kitchens. There are no changes to this section.
- Procedures for Use of Athletic Facilities, formerly Exhibit 4, has been renamed and moved up to follow the Procedures for use of Cafeterias and Kitchens. Exhibit 3 – Regulations for Use of Barnum Hall and District

Theaters has been moved beneath the Athletic Procedures and incorporated with Exhibit 5 – Regulations for Filming.

- Due to the overlap between the Procedures for Theater Use and Filming, we have organized them into general and specific procedures.
- The new procedures are for Temporary Signage and Banners. These procedures were requested due to the proliferation of banners of different types on our campuses. This is a means to manage the use. It was vetted by the Principals and the Affiliated Groups.
- We have made some small changes to the facility fee schedule based on use and comps in the neighborhood. The raise in personnel rates is required to continue to break even on personnel.

USE OF SCHOOL FACILITIES

Exhibit 1

Facility Permit Procedure Manual**Rules of Use for Facilities**

School facilities are primarily for school programs and activities. The Board of Education also encourages and authorizes the use of school facilities by outside organizations and community groups when such use does not interfere with school functions. The Theater Operations and Facility Permit office coordinates and permits the use of school district facilities to all outside groups. These rules of use apply to all Facility Permits. There are additional rules that accompany filming and the use of theaters, kitchens, and athletic facilities.

The Facility Permit Office is part of the Facility Use Department. The department is a function of the Business Services Office. It supports all outside facility use of District property. This includes the following four areas:

- Theater Operations manages Filming, Large Special Events and Theater Use. This part of the office supports student productions, District events and News/PSA/Document filming of students.
- Facility Permits issues and manages permits for community and commercial groups to use all other facilities. These include cafeterias, libraries, classrooms, gyms, pools, fields, etc. This office supports the facility use of Affiliated Groups, such as PTAs, Booster Clubs and the Education Foundation. This is the Civic Center Use part of the Department.
- Joint Use coordinates and supports the joint use of facilities by the Cities of Santa Monica and Malibu and of Santa Monica College. We administer the Santa Monica Playground Partnership, Upper CREST Program, Middle School Programs and Samohi Athletic Joint Use, along with the Malibu Athletic Facility Use and Camps and the Equestrian Park.
- Lease supports the Business Office in the management of leased properties.

The mission of the department is to make facilities available for use by outside groups to generate revenue that is used to maintain these facilities and to encourage positive civic center and community experience of our facilities.

I. Rental Procedures

All external groups must obtain a permit from the Facility Permit Office to use District facilities. To obtain a permit:

- **AVAILABILITY:** Please fill out an Availability Request Form and return it to Facility Permit office by email (facilitypermits@smmusd.org), fax (310-255-7992) or mail (Attn: Facility Permits, 601 Pico Blvd., Santa Monica, CA 90405.) The Availability Request Form will be sent by our office to the Site Principal or Administrator to determine if the facility is available on the date and time your request.
- **RULES OF USE:** Please review the Rules of Use for Facilities when considering the use of school facilities. There are policies and regulations such as the State law prohibiting the use of tobacco and alcohol on school sites that you need to be aware of and be willing to abide by.

- **ESTIMATE:** If the facility is available, our office will send you a rough estimate of costs. The estimate will include applicable rental fees, personnel costs, the \$25 permit fee, and equipment charges. The estimate is sometimes revised due to changes in the rental requirements or demands of the school site.
 - All organizations are required to pay the \$25 permit fee and any direct personnel costs.
 - To determine your rental fee use the Rate Flow Chart
 - Permit Fees are based on the approved Facility Fee Schedule during non-school hours.

RENTAL AGREEMENT: If you choose to proceed, the Permit Office develops a Rental Agreement and Invoice for the permit. Please review the Sample Rental Agreement and applicable Riders: Athletic Facilities; Cafeteria/Kitchen; Filming; Theater; Theater/Filming.

- **SUBMIT DOCUMENTS:** To complete the permit, you will need to provide the following items to the Permit Office:
 - Signed agreement – It must be signed by an authorized representative of your group.
 - Check for Rental Fee and Estimate of Services
 - Check for Security Deposit – A refundable Security Deposit is required as part of this Agreement. The amount will be determined based on the rental.
 - Insurance Certificate - The potential user must present an Insurance Certificate of General Liability, Professional Liability including sexual misconduct, and Owned and Non-Owned Automobile Liability insurance used in the performance of service(s) by Applicant of at least \$1,000,000 combined single limit that names the District as additionally insured.
 - If your group does not have Liability Insurance, please ask about the Alliance of School for Cooperative Insurance Programs (ASCIP) Tenant Users Liability Insurance Program (T.U.L.I.P.).
 - Non-Profit – Non-Profit Organizations must present their Letter of Determination from the IRS to receive the lower Non-Profit rates.
- **FACILITY USE PERMIT:** When above documents are received, the Director of Facility Use will sign the rental agreement and issue a Rental Permit. You must have a copy of the Facility Permit with you while you are on the facility. Facility use is not approved until a completed permit is issued by the Facility Permit Office.

For more information, please contact the Facility Permit Office. Our office is in the basement of Barnum Hall on the campus of Santa Monica High School. The office is open for telephone communication from 9:30am – 6:00pm Monday – Friday. During school hours we are open for walk-in from 3:30pm – 6:00pm and by appointment at other times.

2. PERSONNEL FEES: A District staff member must be on site for all outside events. Some facilities and activities require the use of District Staff to clean, run equipment, provide security or generally support the event. An Estimate of Rental Fees and Personnel Costs will be developed based on each renters needs. Required staffing is at the discretion of the Director of Theatre Operations. Due to insurance requirements and protection of our equipment, renter-supplied staff will only be allowed to operate district equipment by permission of the Director of Facility Use or his designee.

2.1. Personnel are paid by the hour, beginning with the first hour of each rental. All calls must be a minimum of three hours. Rates are as follow:
Regular Time: the first 8 hours in any day up to forty hours in any week. A day is from 7 am to midnight.
Overtime: Paid at 1.5 times regular rate for any hours over eight in one day, or over forty cumulative hours in one week.

Rates for Classified Personnel are based on the high average of cost per hour of the members in the classification. In some situations, the rates are lower based on the use of available personnel. The selection of personnel to work an event is based on the staff rotation agreement the district has with the classified personnel union.

2.3. Break Policies:

- A meal break needs to be called between three and five hours into the work shift.
- Meal breaks are for one half hour off the clock for Classified Crews.
