The recommendations for these severely handicapped students are made by the District IEP Teams in accordance with State and Federal laws. The mandates of IDEA require non-public school services be provided at no expense to parents if there is not an appropriate public school program available. RE: 2013-2014 DECLARATION OF NEED FOR FULLY QUALIFIED EDUCATORS

RECOMMENDATION NO. A.15

It is recommended that the Board of Education adopt the 2013-2014 Declaration of Need for Fully Qualified Educators.

COMMENT: Based on prior year data, the following Declaration stipulates those areas and numbers of emergency permit holders Santa Monica-Malibu anticipates for the 2013-2014 school year. With Board approval, the Declaration will be sent to the Commission on Teacher Credentialing (CTC) thereby establishing the District's need areas for 2013-2014.

Under Education Code 44300 and Senate Bill 322, the Declaration enables the District to streamline its approach to obtaining emergency credentials by establishing the statement of need once rather than on a person-by-person basis. Therefore, as the District finds it necessary to employ teachers under emergency permits, the application process and approval will be more quickly completed.

This declaration may be revised with Board approval as hiring needs change during the school year.

The Board has received a copy of the Declaration of Need for Fully Qualified Educators under separate cover. This document is on file in the Office of Human Resources and will be included with the permanent minutes of the meeting.

RE: ANNUAL PUBLIC HEARING AND ADOPTION OF RESOLUTION NO. 13-03 ON
SUFFICIENCY OF INSTRUCTIONAL MATERIALS AND WILLIAMS
SETTLEMENT INSTRUCTIONAL MATERIALS FUNDS

RECOMMENDATION NO. A.16

In May 2000, the American Civil Liberties Union filed a lawsuit against the State of California claiming that the state had failed in its duty to provide students with equal educational opportunity. That lawsuit, known as Williams v. State of California, was settled in August 2004. SMMUSD has engaged in several accountability measures in order to comply with the Williams lawsuit settlement. Among the measures is the requirement to inventory all Board of Education-adopted core materials, including: English, Mathematics, Social Studies, Science, Foreign Languages, Health, and laboratory science materials.

Assembly Bill 831, Chapter 118, Statutes of 2005, took effect July 25, 2005. AB 831 modified the annual public hearing requirement in Education Code (EC) Section 60119 and modified the expenditure requirements related to Williams instructional materials funds. Under EC Section 60119, the governing board of every local educational agency (LEA) that receives state instructional materials funds must hold an annual public hearing before the end of the eighth week from the first day pupils attend school for that year. At the public hearing, the governing board must make a determination as to whether each pupil in each school has sufficient textbooks or instructional materials, or both, that are aligned to the content standards and are consistent with the content and cycles of the curriculum framework adopted by the State Board of Education in reading/language arts, mathematics, science, and history-social science. In addition, the definition of sufficiency now provides that each pupil, including each English learner, must have a standards-aligned textbook or instructional materials, or both, to use in class and to take home.

Tonight we will hold the annual public hearing of sufficiency, present our resolution on the adequacy of materials for all students, which includes our compliance and non-compliance with legal guidelines, and propose remedies for our areas of non-compliance. We request that the Board of Education adopt the resolution on the adequacy of materials for all students in the Santa Monica-Malibu Unified School District.

WHEREAS, the governing board encouraged participation by parents, teachers, members of the community, and bargaining unit leaders (if the district or county office has a bargaining unit) in the public hearing, and;
