Santa Monica-Malibu Unified School District
Board of Education Meeting
MINUTES

November 21, 2013

A regular meeting of the Santa Monica-Malibu Unified School District Board of Education was held on Thursday, November 21, 2012, in the District Administrative Offices: 1651 16th Street, Santa Monica, CA. The Board of Education called the meeting to order at 4:30 p.m. in the Board Conference Room at the District Offices. At 4:31 p.m., the Board of Education moved to Closed Session regarding the items listed below. The public meeting reconvened at 6:07 p.m. in the Board Room.

CLOSED SESSION (4:30-5:30 p.m.)

I. PUBLIC COMMENTS FOR CLOSED SESSION ITEMS ONLY

Persons wishing to address the Board of Education regarding an item scheduled for closed session must submit the "Request to Address" card prior to the start of closed session.

II. CLOSED SESSION (60 minutes)

- Education Code §35146 and §48918(c) (20)
PUPIL HEARING
 - Agenda Item No. A.20
- Government Code §54957 (5)
PUBLIC EMPLOYEE DISCIPLINE/DISMISSAL/RELEASE
- Government Code §54956.9(d)(2) (20)
CONFERENCE WITH LEGAL COUNSEL – ANTICIPATED LITIGATION – SIGNIFICANT EXPOSURE TO LITIGATION
 - DN-1004-13/14 (Special Education)
 - *Postponed*
 - DN-1005-13/14 (Special Education)
 - *Postponed*
- Government Code §54957.6 (15)
CONFERENCE WITH LABOR NEGOTIATORS
 - Agency designated representative: Sandra Lyon
Employee Organizations: SMMCTA and SEIU

OPEN SESSION (5:30 p.m.)

6:09 pm **III. CALL TO ORDER**

A. Roll Call

Board of Education Members

Laurie Lieberman – President

Maria Leon-Vazquez – Vice President

Ben Allen – *excused absence*

Oscar de la Torre – *left at 11:02pm*

Jose Escarce

Ralph Mechur

Nimish Patel

B. Pledge of Allegiance

Led by Mr. de la Torre

6:10 pm **IV. APPROVAL OF THE AGENDA**

It was moved by Mr. de la Torre, seconded by Ms. Leon-Vazquez, and voted 6/0 (Mr. Allen was absent) to approve the agenda.

6:10 pm **V. APPROVAL OF MINUTES**

A.01 November 7, 2013 1

6:11 pm

VI. BOARD OF EDUCATION – COMMENDATIONS / RECOGNITIONS (5 minutes)

- **Patti Braun, PTA Council President, for her efforts in CCSS parent webinars and School Smarts Parent Academy**

Ms. Lyon remarked that there are amazing parents in our district, dedicating their time and efforts to all students in the district. Patti Braun is one of those parents. Dr. Deloria explained how the district has been planning and filming webinars about the different core subjects and how they are being affected by adopting the new Common Core State Standards. A very important part of these webinars was reaching out to the parents to let them know about the webinars and how to access them online. Ms. Braun has done a fabulous job in this outreach. Ms. Lyon thanked Ms. Braun for her tireless efforts in both the CCSS parent webinars and the School Smarts Parent Academies. The board presented her with a certificate.

6:14 pm

VII. STUDY SESSION (60 minutes)

These items are staff presentations and/or updates to the Board of Education.

S.01 Preparation for Smarter Balanced Assessments (60).....2

VIII. COMMUNICATIONS (30 minutes)

The Communications section provides an opportunity for the Board of Education to hear reports from the individuals or committee representatives listed below. All reports are limited to 5 minutes or less. However, if more time is necessary, or if a report will not be presented, please notify the Board secretary eight workdays prior to the date of the meeting.

A. Student Board Member Reports (15)

9:00 pm

1. Matthew Ware – Santa Monica High School

Student Board Member Ware reported that No Shave November will end soon. TEDxYouth was at Barnum Hall this past Saturday. Students from the City of Industry's TEDxYouth attended in order to learn how they could model theirs after ours. Girls' volleyball and boys' water polo made it into the second round of CIF playoffs, and a couple individual track members and tennis players are still competing in CIF. The Roberts Art Gallery continues to host exhibits of student work. Samohi Theater recently showed a production of Noises Off. The school has partnered with the City of Hope for a blood drive on November 25. Regarding a proposal Dr. Kelly made at the last meeting about bringing peer mediation to the high schools, many students at Samohi are very supportive of the idea.

8:58 pm

2. Michael Jacobson – Malibu High School

Student Board Member Jacobson reported that No Shave November is almost over. The boys' water polo team has a 29-0 record, and Mr. Jacobson invited everyone to come out and support them in CIF finals this Saturday in Irvine. ASB hosted the biannual blood drive with UCLA. The Laramie Project performance starts tonight. Seniors are working on their college applications. On November 19, the college counselor hosted an ice cream college application celebration during lunch. Club Day is next Tuesday, during which the approved clubs can raise money for their activities.

9:03 pm

3. Amanda Huffman – Olympic High School

Student Board Member Huffman reported that on October 29, Olympic HS completed its model school evaluation and received great compliments from the review committee. Math teacher, Mr. Bushin, attended the California Math Conference in Palm Springs on November 2. The Youth Improvement Seminar (YES) class has

made its way from Ms. Siemer's classroom to the garden as the students learn breathing techniques to connect mind and body as a means of helping students cope with stress and emotions. Students really enjoy the class. Students took the CAHSEE on November 5 and 6. A counselor from SMC spoke to seniors about SMC, financial aid, the assessment test, and career paths. Ms. Siemer's Criminal Justice class took a field trip to Homeboy Industries on November 14. On November 19, actors from the Play-writing class performed plays written by the students. Ms. Huffman reported that it was a wonderful assembly and the whole school enjoyed it. Beginning yesterday, the school's yearbook staff started conducting interviews with teachers. Mr. Suminski's Career Exploration class received a wood lathe through a generous grant from DonorsChoose.org, which was fully funded by Chevron Corp. The school is also working to get a compressor that will support the sand-blasting unit it received two months ago; Mr. Suminski is currently funding this item. The newest goal is to get a 3-D printer, and the school will begin a marketing push to get pledges to fund this purchase.

9:07 pm

B. SMMCTA Update – Mr. Harry Keiley (5)

Ms. Braff delivered the report for Mr. Keiley. She commented on the earlier discussion from the study session about keyboarding. She said she was excited to hear the information about preschool that will be presented under Item No. D.04. Ms. Braff congratulated Roosevelt, Franklin, and Webster Elementary Schools for being invited to apply for the 2014 California Distinguished Schools. She reported that as of this morning, her calculations show that eleven classrooms in grades 9 through 12 have over 40 students. She commented that the Professional Learning Communities (PLCs) training was great. Ms. Braff reported that teachers she has spoken with feel overwhelmed regarding implementing the new Common Core State Standards. She said teachers would like more planning time.

C. SEIU Update – Ms. Keryl Cartee-McNeely (5) – no report

9:13 pm

D. PTA Council – Ms. Patti Braun (5)

Ms. Braun invited board members and senior staff to the PTA Council holiday breakfast on December 10 at Duke's in Malibu. She commended parent leaders in Malibu for their leadership during the environmental concerns as well as the dedicated work of the task force. She also congratulated Roosevelt, Franklin, and Webster Elementary Schools for being invited to apply for the 2014 California Distinguished Schools. Ms. Braun thanked Gary Bradbury for presenting information to the PTA Council on disaster preparedness and lockdown procedures. The PTA leaders said they were impressed with the thoughtful work the district has done since the shooting in Santa Monica in June. At the full council meeting earlier this week, Craig Foster from AMPS presented information on the Malibu unification process. Council members asked questions, particularly about the timeline, indemnification, fundraising, and how a separate school district would be in the best interest of the children. PTA is working hard to make these next eleven weeks count for Vision for Student Success. Ms. Braun remarked that the Education Foundation has been incredibly responsive and inspiring. She said she was honored to receive the commendation tonight from the board, and that collaborating with the Educational Services Department in creating the Common Core webinars was a great experience. She explained more about the School Smarts Academies.

IX. SENIOR STAFF REPORTS (20 minutes)

9:22 pm

A. Asst. Supt., Educational Services – Dr. Terry Deloria (5)

Dr. Deloria reported that the first cohort of Professional Learning Communities training was held last Friday. Dr. Muhammad has agreed to return for a second training session. Members of the Educational Services Department team attend the first ever STEM symposium in California. They came back with great ideas for pre-K-12. In regards to the Equity and Access goal, Dr. Edeburn and Ms. Gonzalez-Castillo did a wonderful job presenting to the principals about cultural proficiency. The principals will take this information back to their sites and ask their teachers difficult, important questions about student achievement. Mr. Patel wondered if the board would be interested in having a STEM conversation at a future meeting. Dr. Deloria replied that a STEM study session was scheduled for the May 1 board meeting.

9:24 pm

B. Assoc. Supt., Business & Fiscal Services/CFO – Ms. Janece Maez (5)

Ms. Maez reported that she is attending a statewide CBO symposium today and tomorrow. The symposium, sponsored by CASBO, brings in experts and hosts breakout sessions on topics about current state initiatives. Kevin Gordon from Capital Advisories Group presented information on the legislative and political pieces as the state moves forward with LCFF/LCAP. Deputy Legislative Analyst Jennifer Kuhn explained how the sunset of Proposition 30 will affect future budget forecasts and how the sunset of the “triple flip” will impact the distribution of funds to school districts. One of the breakout sessions was almost identical to what Dr. Bradford and Ms. Mangle presented during tonight’s study session. Following Tuesday’s workshop with School Services of California on Tuesday regarding the LCFF/LCAP, presenter Sheila Vickers said we should be proud as district first for hosting the workshop and second for the great turnout.

9:27 pm

C. Asst. Supt., Human Resources – Ms. Debra Moore Washington (5)

Ms. Washington announced that this coming week will be the second meeting of the New Administrators Assembly. Nine seated administrators and eight aspiring administrators attended last time; there will be two new aspiring administrators attending this second meeting. The topic of this upcoming meeting is formative and summative assessment. Ms. Washington reported that her department had received over twenty applications for the McKinley principal position. The district has reached out to colleges and universities to form a conduit for the best and brightest teachers to come to SMMUSD. Today, Ms. Washington met with Dr. Irene Oliver at Loyola Marymount University to create connections for teachers graduating this winter and next spring. The Human Resources Department has been working diligently on the Affordable Care Act and has held two kick off meetings for the workforce analysis. The district is looking forward to continuing to work with both unions and Interest Based Bargaining.

9:30 pm

D. Superintendent – Ms. Sandra Lyon (5)

Ms. Lyon said that the presentation and video from the LCFF/LCAP meeting will be posted online. She reminded board members that that was just the first meeting; the district office and principals will be working to inform the community about the process and information. Yesterday, Ms. Lyon presented the district’s goals to the Santa Monica Early Childcare Task Force. The task force was interested in the fact that the district hired a director in charge of pre-k-5 curriculum. Ms. Lyon reminded board members

that the Vision for Student Success phone-a-thon would be held December 2-13. Ms. Lyon encouraged everyone to attend the numerous visual and performing arts events occurring throughout the district leading up to winter break. During the month of December, the district will be collecting nonperishable foods for the Westside Food Bank. The district will be closed Thursday and Friday next week for Thanksgiving. Ms. Lyon wished everyone a happy Thanksgiving.

9:34 pm

X.

CONSENT CALENDAR (10 minutes)

As agreed by the President, Vice President, and Superintendent during agenda planning, consent agenda items are considered routine, require no discussion, and are normally approved all at once by the Board of Education. However, members of the Board of Education, staff, or the public may request an item be moved from the consent agenda to Section XI (Major Items) for clarification and/or discussion.

Curriculum and Instruction

A.02	Approval of Independent Contractors.....	3-4
A.03	Overnight Field Trip(s) 2012-2013	5
A.04	Conference and Travel Approval/Ratification	6-8
A.05	Approval of Special Education Contracts – 2013-2014	9-11

Business and Fiscal

A.06	Award of Purchase Orders – 2013-2014	12-12c

9:38 pm

XI. PUBLIC COMMENTS

Public Comments is the time when members of the audience may address the Board of Education on items not scheduled on the meeting's agenda. All speakers are limited to two (2) or three (3) minutes, depending on the number of speakers. The Brown Act (Government Code) states that Board members may not engage in discussion of issues raised during Public Comments, except to ask clarifying questions, make a brief announcement, make a brief report on his or her own activities, or to refer the matter to staff. This Public Comment section is limited to twenty (20) minutes. If the number of persons wishing to address the Board of Education exceeds the time limit, additional time will be provided in **Section XVI. CONTINUATION OF PUBLIC COMMENTS.**

- *Ms. Leon-Vazquez informed the board that a member of the Visual and Performing Arts (VAPA) DAC had submitted a speaking card, but had to leave. As the VAPA DAC board liaison, Ms. Leon-Vazquez quickly listed VAPA activities occurring throughout the district during December.*

DISCUSSION and MAJOR Items

As a general rule, items under DISCUSSION and MAJOR will be listed in an order determined by the President, Vice President, and Superintendent. Individual Board members may move to request a change in the order prior to consideration of any Major item. The Board may also move any of these items out of order to be heard earlier in the meeting if it appears that there is special interest by the public or as a courtesy to staff members making presentations to the Board.

XII. DISCUSSION ITEMS (95 minutes)

These items are submitted for discussion. Any action that might be required will generally be scheduled for the next regularly scheduled Board meeting.

7:01 pm

D.01	Update from the Santa Monica-Malibu Education Foundation (SMMEF) (20)	40
------	---	----

7:30 pm

D.02	Update on Environmental Testing at Malibu High School and Cabrillo Elementary School (45).....	41
------	--	----

9:40 pm

D.03	Early Development Instrument (EDI) Data for 2012-13 (10)	42
------	--	----

10:10 pm

D.04	Preschool Programs Update (20).....	43
------	-------------------------------------	----

XIII. MAJOR ITEMS (20 minutes)

These items are considered to be of major interest and/or importance and are presented for action at this time. Some may have been discussed by the Board at a previous meeting.

10:47 pm

A.21	2013-14 Budget Revisions (10).....	44-50
------	------------------------------------	-------

10:58 pm

A.22	Equity Fund Allocation for 2013-14 (10).....	51-52
------	--	-------

XIV. INFORMATIONAL ITEMS (0 minutes)

These items are submitted for the public record for information. These items do not require discussion nor action.

XV. BOARD MEMBER ITEMS

These items are submitted by individual board members for information or discussion, as per Board Policy 9322.

XVI. REQUESTS BY MEMBERS OF THE PUBLIC OR DISTRICT ADVISORY COMMITTEES TO ADDRESS THE BOARD OF EDUCATION

A member of the public may request that a matter within the jurisdiction of the board be placed on the agenda of a regular meeting, as per Board Policy 9322. The request shall be in writing and be submitted to the superintendent or designee with supporting documents and information, if any, at least one week before the scheduled meeting date. Items submitted less than a week before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue. The board president and

superintendent shall decide whether a request is within the subject matter jurisdiction of the board. Items not within the subject matter jurisdiction of the board may not be placed on the agenda. In addition, the board president and superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation before placing the item on the agenda.

XVII. CONTINUATION OF PUBLIC COMMENTS

A continuation of Section VIII, as needed. (If the number of persons wishing to address the Board of Education exceeds the time limit in section VIII, additional time will be provided in Section XVI, CONTINUATION OF PUBLIC COMMENTS.)

XVIII. BOARD MEMBER COMMENTS

A Board member may make a brief announcement or report on his/her own activities relative to Board business. There can be no discussion under "BOARD MEMBER COMMENTS."

XIX. FUTURE AGENDA ITEMS

Items for future consideration will be listed with the projected date of consideration. The Board of Education will be given any backup information available at this time.

XX. CLOSED SESSION

The Board of Education will, if appropriate, adjourn to Closed Session to complete discussion on items listed under Section III (Closed Session) following the regular business meeting.

XXI. ADJOURNMENT

It was moved by Mr. Mechur, seconded by Mr. Patel, and voted 5/0 (Mr. Allen and Mr. de la Torre was absent) to adjourn the meeting at 11:05 p.m. in memory of Helen Zimmerman, a retired SMMUSD employee, who worked as a secretary and text book clerk at John Adams Jr. High School in the 1980s. The next regular meeting is scheduled for 5:30 p.m. on **Thursday, December 12, 2013**, at the **District Office**: 1651 16th Street, Santa Monica, CA 90404.

Approved: 12/12/13

President

Superintendent

Meetings held at the District Office and in Malibu are taped and rebroadcast in Santa Monica on CityTV2, Cable Channel 20 – Check TV listing.
Meetings are rebroadcast in Malibu on Government Access Ch. 3 every Saturday at 8pm.

STUDENT ADVISORY VOTE: Aye
AYES: All (6) (Mr. Allen was absent)
NOES: None (0)

STUDY SESSION

TO: BOARD OF EDUCATION

DISCUSSION

11/21/13

FROM: SANDRA LYON / TERRY DELORIA / MAUREEN BRADFORD

RE: PREPARATION FOR SMARTER BALANCED ASSESSMENTS

STUDY SESSION ITEM NO. S.01

With the passage of recent legislation, the California Department of Education is making substantive changes to the assessment and accountability systems for all public schools.

AB 484 stipulates that as of January 1, 2014, most of our current Standardized Testing and Reporting (STAR) system of CST and CMA assessments will be replaced with the California Measurement of Academic Performance and Progress (CalMAPP). CalMAPP consists of the new Smarter Balanced on-line tests designed to assess students' achievement of Common Core State Standards in English language arts and mathematics. Certain components of STAR will remain in place for this year and next. These components include the science tests at grades five, seven and ten, as well as the CAPA assessment for students in grades two through eleven. Eleventh graders will still have the option this year to take the STAR (CST) tests for the purpose of the Early Assessment Program (EAP) in order to gauge their readiness for college-level English and math coursework. In 2015, and readiness score will be derived from Smarter Balanced.

The Smarter Balanced on-line assessments will be fully implemented in the 2014-15 school year. This spring, however, all California students in grades three through eight, and in grade eleven, will be required to participate in a Smarter Balanced field test in either English language arts or mathematics. The purpose of the field test is to "test the test" and the technology systems in place to support on-line assessment. The field tests will not yield individual student, school or district results. For this reason, schools' API and AYP standings will be frozen at their 2013 levels.

This study session will provide information to the Board of Education and the public about the steps SMMUSD is taking to prepare for the Smarter Balanced field tests this spring and for full implementation in 2014-15. These steps include: an inventory for each site of existing hardware and infrastructure; calculation of the number of computer workstations needed to accommodate student testing; purchase of new equipment where needed; training of school site test coordinators, administrators, teachers, and tech support personnel; and development of parent and community education pieces.

Dr. Bradford and Ms. Mangle's presentation can be found under Attachments at the end of these minutes.

Dr. Bradford answered board members' questions about how the district was preparing students to take the online test, including bringing back keyboarding and teaching critical thinking to answer Select All That Apply types of questions. Mr. Patel wondered how districts will know how prepared their students are for these new test if they do not receive the results of the field test. Dr. Bradford said the consortium has made it very clear that the results will not be released. She said that while it is important to teach the students how to take the test online, she stressed the importance of focusing on classroom instruction. Mr. Mechur asked about students who don't have technology at home to take practice tests. Dr. Bradford said there will be a digital divide that will need to be addressed. Dr. Escarce asked about free response questions in the math tests. Dr. Bradford replied that it consists mostly of students selecting an answer and then explaining their choice.

RE: CONFERENCE AND TRAVEL APPROVAL/RATIFICATION

RECOMMENDATION NO. A.04

It is recommended that the Board of Education approve/ratify the following Requests for Absence on District Business (Conference and Travel) forms.

COMMENTS: Entries are alphabetical, by employee last name. In addition to the employee's name and site/location, each entry contains the following information: name, location and date (s) of the conference, complete account code, fund and program names, and the total estimated cost as provided by the site administrator. The average cost for substitute teachers is \$130/day. This figure is furnished for informational purposes and does not reflect the actual amount paid for an individual substitute.)

Legal Contractor	Contract Number	Reduce (R) Eliminate (E)	Adjusted Amount	Comment

COMMENT: According to the Education Code SEC.21 Section 56342, prior to recommending a new or continued placement in a non-public, non-sectarian school, the Individualized Education Program (IEP) Team must submit the proposed recommendation to the local governing board for its review and recommendation regarding the cost of such placement.

The recommendations for these severely handicapped students are made by the District IEP Teams in accordance with State and Federal laws. The mandates of IDEA require non-public school services be provided at no expense to parents if there is not an appropriate public school program available. Funding to come from a SELPA-wide non-public school/non-public agency reserve account.

RE: ACCEPTANCE OF GIFTS – 2013/2014

RECOMMENDATION NO. A.07

It is recommended that the Board of Education accept, with gratitude, checks totaling **\$11,979.75** presented to the Santa Monica-Malibu Unified School District.

It is further recommended that the Fiscal/Business Services Office, in accordance with Educational Code §42602, be authorized to increase the 2013-2014 income and appropriations by **\$11,979.75** as described on the attached listing.

This report details only cash gifts. It includes all contributions made by individuals or companies and some of the contributions made by our PTA's. Contributions made by a PTA in the form of a commitment and then billed are reported in a different resource. A final report that compiles all gift and PTA contributions is prepared and available annually.

COMMENT: The value of all non-cash gifts has been determined by the donors.

NOTE: The list of gifts is available on the District's website, www.smmusd.org.

RE: ADOPT EMERGENCY RESOLUTION NO. 13-06 TO AWARD CONTRACT WITHOUT BIDDING FOR GAS LINE REPAIRS AT ROOSEVELT ELEMENTARY SCHOOL AND THE RADIFICATION OF THE CONTRACT TO RS PLUMBING SOLUTIONS, INC.

RECOMMENDATION NO. A.09

It is recommended that the Board of Education adopt Emergency Resolution No. 13-06, without advertising, for gas line emergency repairs at Roosevelt Elementary School in an amount not to exceed \$23,800, and to ratify the contract to RS Plumbing Solutions, Inc. for the completion of the work.

Funding Information

Budgeted: Yes

Fund: 14

Source: Deferred Maintenance

Account Number: 14-00000-0-00000-81100-5892-060-2600

Description: Deferred Maintenance

COMMENT: This project will ratify the contract award to RS Plumbing Solutions, Inc.(P.O. 142569)for the repair of damaged underground gas lines at Roosevelt Elementary School.

In late October 2013, a gas leak was detected at the Roosevelt Elementary playground site. The Gas Company came out, tested the main gas line and confirmed that there was a leak. The Gas Company shut off all gas service to the site until repairs were made. This gas line is believed to be the original 4" galvanized pipe that was installed in 1938. All repairs were made and completed by November 17, 2013, restoring both heat to the classrooms and on site cooking.

A payment bond and all other required construction documents will be furnished for this project.

Los Angeles County Department of Education has approved this project as an Emergency Project under Public contract Code Sections 1102 and 20113 to correct the unsafe condition. The Board of Education was made aware of the site conditions in the Friday Package on November 1, 2013. Code conditions require a unanimous approval by resolution which follows.

**SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION**

EMERGENCY RESOLUTION NO. 13-
AWARDING "gas line repair and replacement at Roosevelt Elementary School
WITHOUT ADVERTISING**

Action taken by the members of the Board of Education of the Santa Monica-Malibu Unified School District at a regular meeting held November 21, 2013.

BE IT UNANIMOUSLY RESOLVED by this Board that an emergency exists wherein certain repairs, alterations, work and improvements are necessary to permit the continuance of existing school classes, or to avoid danger to health, life or property, to wit:

Major repair of a gas line at Roosevelt Elementary School that is leaking, causing the Gas Company to turn off all service to the facility. The repair requires immediate action to correct the unsafe condition and allow heating of the classrooms and cooking in the school kitchen.

This emergency procedure will enable the District to correct this condition by November 17, 2013 at Roosevelt Elementary School.

The estimated cost of this job is \$23,800.

BE IT FURTHER RESOLVED that this Board make contracts in writing on behalf of the District, without advertising for bids or inviting of bids for the performance of labor and furnishing of materials and supplies for such repairs, alterations, work and improvements.

BE IT FURTHER RESOLVED that before entering into such contracts, that the approval of the County Superintendent of Schools be secured to this resolution and to the proposed contracts.

Adopted this 21st day of November 2013

DSA #: Pending DSA Review

Friday Memo: 11/15/13

COMMENTS: This Contract Amendment # 32 for \$3,000 is for supplemental Testing and Special Inspection Services to perform subsurface exploration to support the design of expanded proposed improvements at Webster Elementary School; for retaining walls and parking lots. The previous proposal did not account for multiple mobilizations to complete the investigations. The revised contract total will be \$534,150.00.

There is sufficient budget to cover this expense.

DSA #: 03-112808

Friday Memo: 11/15/13

COMMENTS: On July 20, 2011, the Santa Monica-Malibu Unified School District Board of Education awarded Swinerton Builders the lease leaseback contract for the John Adams Middle School – Replacement of Classroom Building E, F & G, New Administration, Modernization and Site Improvements Project in the amount of \$11,728,854.

Change Order No. 15 includes eleven (11) items related to additional scope of work totaling \$41,962.45, one (1) credit for deleted hardware by the Architect totaling (\$3,869.84) and four (4) items related to unforeseen conditions totaling \$10,081.92, for a total Change Order amount of \$48,174.53.

The scope of work included in Change Order No.15 includes all labor, materials, equipment and related overhead costs for the work described for each item. This contract increase includes one structural change to the contract documents that has been submitted and one item that will be submitted to DSA for approval.

Change Order No. 15 will be funded by the Project Reserve as allocated for John Adams Middle School. The contract duration will remain unchanged on the John Adams Middle School – Replacement of Classroom Building E, F & G, New Administration, Modernization and Site Improvements Project.

Budget Category: Soft Costs/Tests & Inspection/Materials Lab

DSA#: 03-113443

Friday Memo: 11/15/13

COMMENTS: California Testing and Inspection, Inc. is providing Testing and Special Inspection Services for the Santa Monica High School Science and Technology Building and Site Improvement Project. A contract was approved on December 15, 2011 for an amount of \$461,072 for this scope. Contract Amendment #01 was approved on June 27, 2012. Contract Amendment #02 was approved on April 18, 2013. Contract Amendment #03 was approved on May 16, 2013. Contract Amendment #4 was approved on July 24, 2013.

Contract Amendment #05 is for the testing and inspection related to completion of Phase 1 (Science & Technology Building) and Phase 2 (Site Improvements Including Parking Softball field and utilities). As a result of the steel sub-contractor's fabrication delays, the duration of the project has exceeded its original schedule. This has required CTI's inspectors to be on-site for much longer durations and to incur regular and overtime charges. Per the Lease-Lease Back agreement with the Prime Contractor, all overtime expenses will be recoverable from the General Contractor and/or his sub contractors.

RE: INCREASE IN STAFFING (FTE) – EDUCATIONAL SERVICES

RECOMMENDATION NO. A.19

It is recommended that the Board of Education approve the additional of a second Elementary Literacy Coach for the 2013-14 school year in order to best serve the needs of District students, and facilitate the implementation of the District's Vision for Student Success Plan.

COMMENT: At the October 17, 2013, Board Meeting, the Board approved the establishment of the Elementary Literacy Coach position. It was stated that one (1) position would be established for the 2013-14 school year, with additional positions to be funded in 2014-15. It has been determined that the equivalent of 1.0 FTE would be vested in two (2) Coaches working in the position beginning in the spring semester of the 2013-14 school year. The two Coaches will continue in the position in 2014-15 and be joined by additional hires to occur next year. The Literacy Coaches will enable the district to move forward in the implementation of site goals for the Common Core State Standards in reading and Response to Instruction and Intervention (RTI²).

FUNDING NOTE: The two positions will begin working in January, 2014, so the 2013-14 budget will be impacted for the equivalent funding of 1.0 FTE.

RE: EXPULSION OF STUDENT (B/D 12/98/1998)

RECOMMENDATION NO. A.20

It is recommended that the Board of Education expel student (B/D 12/28/1998) and place the student in an educational program operated by the Los Angeles County Office of Education.

COMMENTS: The Superintendent of the Santa Monica-Malibu Unified School District recommends the student be expelled based on the student's violation of the following Education Code sections:

- | | |
|-----------------|---|
| 48900 (c)(2) | Brandishing a knife at another person. |
| 48915 (a)(1)(B) | Possession of any knife or other dangerous object of no reasonable use to the pupil. |
| 48900 (b) | Possessed, sold or otherwise furnished any firearm, knife, explosive or other dangerous object. |

DISCUSSION

11/21/13

FROM: SANDRA LYON / LINDA GREENBERG GROSS

7:00pm

RE: UPDATE FROM THE SANTA MONICA-MALIBU EDUCATION FOUNDATION
(SMMEF)

DISCUSSION ITEM NO. D.01

The Santa Monica-Malibu Education Foundation (SMMEF) Executive Director, Linda Greenberg Gross, will give the Board of Education a 2013-14 status update.

Ms. Greenberg Gross's presentation can be found under Attachments at the end of these minutes. She showed a video that can be found at: <http://youtu.be/hpnf8RKa7E0>.

Mr. de la Torre asked about possible implications if the Education Foundation does not reach its goal. Ms. Lyon replied that the Superintendent's Advisory Committee (SAC) will help the district to look at ways to amend the plan for next year, but still providing benefits for all students in the district. Ms. Greenberg Gross said the Education Foundation is working on a districtwide, annual event on April 27, 2014, to allow all families the opportunity for to participate and donate at different levels.

RE: UPDATE ON ENVIRONMENTAL TESTING AT MALIBU HIGH SCHOOL AND
CABRILLO ELEMENTARY SCHOOL

DISCUSSION ITEM NO. D.02

Mark Katchen, the environmental consultant hired to coordinate testing at Malibu High School and Cabrillo Elementary School and facilitate the meetings of the Malibu Schools Environmental Task Force, will update the Board of Education about the testing protocol, current results, and present some options the District may consider to address any environmental or air quality concerns discovered during the testing process.

Public Comments:

- Cassandra Wiseman, Christina Pascucci, Douglas Wochna, Nicolle Holland, Seth Jacobson, and Ingrid Peterson

Ms. Lyon updated the board on recent activities related to the environmental concerns at Malibu High School and Cabrillo Elementary School. She introduced the Malibu Schools Environmental Task Force members. Dr. Cyrus Rangun from the Department of Public Health explained that the department sent out a questionnaire to Malibu HS staff about any health concerns they might have. The department will examine the testing data once the district receives it and get back to the district with its impression. Ms. Lieberman asked Dr. Rangun for his preliminary impressions. Dr. Rangun said the department does not see any overt environmental emergency, but there is still room for more investigations in order to conduct a comprehensive approach to the concerns. Ms. Lyon stated that after speaking with the EPA regarding the cleaning process, it is apparent that the district does not have the capacity to conduct the cleaning; therefore, it will be necessary to bring in professionals to help with the cleaning and community outreach. Mr. Mechur and Ms. Lieberman commended Ms. Lyon for her leadership during this time while simultaneously maintaining instructional leadership. Ms. Lyon replied that it has been a team effort and the task force has been a valuable part of the process.

Break: 8:31-8:44pm

Mr. de la Torre asked about the communication regarding this matter. Ms. Lyon said the district will be investigating who to contract with to create a communications plan and to provide outreach to the community. Mr. de la Torre asked about the task force meetings. Ms. Lyon explained that it is not a Brown Act committee, but the meeting dates and summaries are posted online. Ms. Lieberman asked the board to give Ms. Lyon the authority to move forward with cleaning if it needs to occur during the winter break or in between board meetings. The board agreed.

RE: PRELIMINARY EARLY DEVELOPMENT INSTRUMENT (EDI) DATA 2012-13

DISCUSSION ITEM NO. D.03

The Early Development Instrument (EDI) is a population measure of how a community's young children are developing. The EDI measures five areas of early childhood development:

1. Physical health and wellbeing
2. Social competence
3. Emotional maturity
4. Language and cognitive skills
5. Communication skills and general knowledge

Tonight staff will present initial EDI data for last year's kindergartners living in or attending schools in Santa Monica. A more detailed report will be available in mid-December.

Dr. Deloria's presentation can be found under Attachments at the end of these minutes.

She answered board members' questions about the data and domains.

DISCUSSION
11/21/13

DISCUSSION ITEM NO. D.04

Childhood experts agree that attending a high-quality preschool program prepares children for kindergarten and beyond. Tonight staff will present an update of the district's preschool programs by focusing on the following:

1. Locations by site and program
2. Current Reality: Assets and Challenges
3. New Vision: Neighborhood Preschools for All
4. Rationale
5. Next Step: Fiscal Feasibility Study

The presentation can be found under Attachments at the end of these minutes.

Ms. Leon-Vazquez wondered about capacity building within the district's current preschool teachers and aides. She mentioned that SMC was building a Malibu campus and suggested the district speak with the college or the City of Malibu regarding including a preschool classroom there. Mr. Mechur suggested analyzing the district's preschool data to see how many students served live in Santa Monica, in Malibu, and outside of the district. Ms. Washington replied that DecisionInsite can provide the district with that information. Mr. Mechur requested funding and timeline information for the current preschool program. Dr. Deloria said would like to move forward with fiscal feasibility piece before determining a timeline. She explained the difference between preschool and transitional kindergarten. Mr. Patel asked if districts could use LCAP funds for preschool programs. Ms. Maez replied that while LCAP funds would not be used for preschool programs, general fund monies could be used. She reminded the board, however, that the general fund budget is limited; if a neighborhood preschool program is to be funded, then other program budgets will be affected.

RE: 2013-14 BUDGET REVISIONS

RECOMMENDATION NO. A.21

It is recommended that the Board of Education approve the following budget transfers, as described on the following pages, for these below-listed Funds. These routine paper transfers are intended to accomplish the formal/final shifting to recognize the accounting of previously-approved activities prior to the 1st Interim Report.

Fund 01	-	General Fund (Unrestricted & Restricted)
Fund 11	-	Adult Education Fund
Fund 12	-	Child Development Fund
Fund 13	-	Cafeteria Fund
Fund 21.0	-	Building Fund /Measure BB Series A
Fund 21.1	-	Building Fund /Measure BB Series B
Fund 21.2	-	Building Fund /Measure BB Series C
Fund 21.3	-	Building Fund /Measure BB Series D
Fund 25	-	Capital Facilities Fund

Ms. Maez answered board members' questions about specific transfers and the Local Control Funding Formula.

TO: BOARD OF EDUCATION
FROM: SANDRA LYON / TERRY DELORIA
RE: EQUITY FUND ALLOCATION FOR 2013-14

ACTION/MAJOR
11/21/13

RECOMMENDATION NO. A.22

It is recommended that the Board of Education approve the allocation of \$60,000 from the Equity Fund to the Educational Services Department for supporting 2013-14 summer school. Staff also recommends that all remaining funds be allocated to sites since this is the year where schools must meet both PTA and VSS fundraising goals.

COMMENTS: The Equity Fund was established to improve the achievement of all students while simultaneously closing the achievement gap by mitigating the effects of the inequitable enrichment resources to schools. AR 3290 allows the distribution of the fund to:

1. Support district-wide initiatives to provide academic support, intervention and/or remediation in accordance with the mission of the school district;
2. Support school sites using the weighted-student formula for distribution of fund;
3. Reserve resources within the fund.

The 2013-14 Equity Fund total of \$506,382.38 was generated by the following:

- Schools collectively contributed \$322,087 from 2012-13 fundraising activities and gifts.
- \$184,295 of unspent Equity Funds were carried over (including reserve) to the current funding year.

Attached is the weighted distribution chart based on the student demographic and achievement data.

***** ***** ***** ***** ***** *****

Dr. Deloria's handout can be found under Attachments at the end of these minutes.

Dr. Deloria answered board members' questions about the carryover. Ms. Lieberman answered Mr. Patel's question about these funds being a part of the last year of the equity fund model.

- Presentation: “SMMUSD Preschool Status” (*associated with Item No. D.04*)
- Document: “SMMUSD Equity Fund Contribution/Distribution: 2004-05 through 2012-13” (*associated with Item No. A.22*)

Current State of Technology and Readiness for Smarter Balanced Assessments

Santa Monica-Malibu Unified School District
Board Study Session
November 21, 2013

Topics for Discussion

- **Changes in Assessment and Accountability**
- **Smarter Balanced Assessments**
- **Field Testing in Spring 2014**
- **Tech Requirements for Smarter Balanced**
- **Current Tech Realities**
- **Plans for a Successful Implementation**

New Common Core Standards Require New Assessments

- **AB 484 dramatically shifts the assessment and accountability programs for California public schools.**
- **STAR is being phased out and replaced with the California Measurement of Academic Performance and Progress (CaMAPP)**

New Standards – New Assessments

- ***Most of STAR (CST and CMA) testing will be abandoned this spring.***

Exceptions!

- Science tests for grades 5, 8, and 10 remain.
- CAPA tests for grades 2 – 11 remain.
- Grade 11 ELA and Math CSTs for students to obtain an Early Assessment Program (EAP) score to determine college readiness.

New Standards – New Assessments

- **In lieu of STAR for Spring 2014, students will participate in a field test of Smarter Balanced.**
- **The field tests will not yield results for students, schools or districts.**
- **Therefore, API and AYP accountability measures will remain frozen at 2013 levels.**

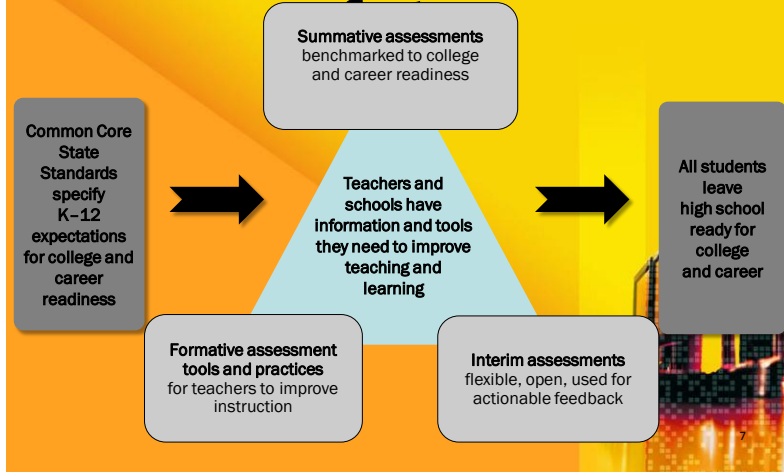

An Opportunity for 2013-14:

- **Look back.**
- **Be thoughtful.**
- **Plan carefully.**
- **Look forward.**

Smarter Balanced Assessment

What will be different?

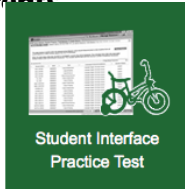

Item Types!

- **Multiple choice**
 - one correct response
 - multiple correct responses
 - two-part
- **Matching tables**
 - yes/no
 - true/false
- **Fill-in tables**
- **Select or order text or graphics**
- **Drag and drop**
- **Graphing**
- **Equation or numeric response**
- **Short text**
- **Long essay**

Online!

Smarter Balanced Practice Tests

- **Open to any one: Students, Teachers, Parents**

- <http://sbac.portal.airast.org/Practice-Test/>

Smarter Balanced Spring 2014 Field Test

- **March 18 – June 6, 2014**
 - Shorter windows within this time frame will be assigned to schools by the CDE and ETS.
- **Grades 3 – 8: All students**
- **Grades 9 - 10: Only students selected for the scientific sample (likely less than 5%)**
- **Grade 11: All students**
- **Grade 11 students *may also* take CSTs in order to participate in the Early Assessment Program.**

Smarter Balanced Spring 2014 Field Test

- Student will take **either** the ELA or math field test.
- Content area assigned by the CDE for each school by grade.
- Scientific sample comprised of 20 percent of students across consortium states (10 percent for ELA and 10 percent for math).
- No results.

Purpose of the Field Tests

A field test is not designed to be a valid and reliable measure of student achievement; rather, it is designed to help the test developers evaluate whether the tests, individual items, and the technology platform work as intended before the first operational administration.

— Deborah S. Delisle
U.S. Department of
Education

Benefits of Field Test Participation

- **Students will have hands-on experience with the functionality of a computer-based assessment.**
- **Teachers and administrators will gain valuable exposure to administration logistics during a trial run.**
- **Districts will benefit from having learned where technology gaps may exist, and then can fully prepare for operational assessments.**

What Technology the State Requires for Smarter Balanced?

- Computers
- Accessories
 - Headphones, keyboards
- Network bandwidth (internal and Internet)
- SBAC secure browser installed
- Facilities (i.e. space, furnishings, electrical power, etc.)
- Technical support and training

Where Are We Now in Terms of Readiness?

- **Computers**
- **Connectivity**

Computers

- **Currently support both Mac and Windows based computers.**
- **Elementary schools are largely Mac based.**
- **Middle schools are mostly Mac with some Windows PCs for Math and Science.**
- **High schools use Windows Based PCs and cloud computing with Windows based thin clients.**
- **Some schools have better student to device ratios than others.**

SANTA MONICA HIGH SCHOOL

3000 Students

**That's 450 Student Computers
for 3000 Students**

103 Thin Clients

**192 Student
Laptops**

**155 Student
Desktop PCs**

Smarter Balanced Technology Readiness Calculator

Samohi:

Based on a test of 11th Grade Students

Number of Students: 752

Number of Available Computers: 103

Computer hours available per day: 4

**Internet Speed:
Gbps**

1

**The estimated minimum number of days to
complete ELA and Math Assessments is 10
Days.**

Device Readiness by Site:

Elementary

Elementary Schools	Number of Students to be Tested	Current Number of Devices for Testing (Labs, Library, Laptops)	Devices Needed to Test in 10 Days or Less for BOTH ELA and Math*	Additional Devices Needed for 2015
Edison	221	28	45	17
Franklin	389	64	77	13
Grant	350	58	70	28
John Muir	141	48	28	–
Cabrillo	130	34	27	–
McKinley	221	27	45	18
Point Dume	134	31	27	–
Roosevelt	407	59	80	21
SMASH	152	50	30	–
Webster	164	34	34	–

Device Readiness by Site: Secondary

Secondary Schools	Number of Students to be Tested	Current Number of Devices for Testing (Labs, Library, Laptops)	Devices Needed to Test in 10 Days or Less for BOTH ELA and Math*	Additional Devices Needed (for 2015)
JAMS	1011	128	199	71
Lincoln	1013	250	199	–
Malibu	471	72	94	22
Olympic	15	41	3	–
Samohi	752	104	150	46
Total				241

Device Readiness

- **For full implementation of Smarter Balanced in 2014-15, we will need between 240 and 250 additional computers in order to complete testing within reasonable time frame (10 days).**
- **For the field tests this spring, we will need about half that amount or 120 – 125, since students will only test in one subject area.**

Connectivity Readiness

- **1 GB shared network connection between schools and District Office. Bandwidth is sufficient to meet the needs of SBAC testing.**
- **All sites have wireless capability.**
- **We will have to additionally purchase and place portable access points depending on the logistics of where the tests are being given at each campus.**

Planning and Next Steps for Field Testing: Equipment

- **Inventory of school sites** ✓
 - Computers
 - Bandwidth
 - Wireless connectivity
- **Calculation of number of testing days needed** ✓
- **Determination of schools with inadequate hardware/infrastructure** ✓

Planning and Next Steps for Field Testing: Equipment

- **Purchase of computers to bring identified schools into reasonable range of testing days (Funding Source: CCSS funds)**
- **Purchase of peripherals, e.g, headphones, routers, as needed (Funding Source: CCSS funds)**

Planning and Next Steps for Field Tests: Site Preparations

- **Set up of newly purchased equipment**
- **Installation of secure browser on computers designated for testing**
- **Testing of equipment and bandwidth using secure browser and Smarter Balanced Practice Tests**
- **Upload of student demographic information**

Planning and Next Steps for Field Tests: Site Preparations

- **Establish school site testing schedules**
- **Establish teacher logons and passwords**
- **Establish student log-on procedures**

Planning and Next Steps for Field Tests: Student Preparation

- **Provide each student with at least four opportunities to experience online assessment prior to Field Tests**
 - Development and implementation of Fall Online Benchmark Assessments in ELA and Mathematics ✓
 - Development and implementation of Winter Online Benchmark Assessments in ELA and Mathematics

Planning and Next Steps for Field Tests: Student Preparation

- **Purchase and installation of keyboarding software licenses for elementary schools (Funding Source: CCSS)**
- **Training and support for implementation of keyboarding activities at elementary schools**

Questions and Discussion

Early Development Instrument Community Profile 2012-13

A Snapshot of Young Children's Development in Santa Monica

*Board of Education
November 21, 2013*

What Is the EDI?

- The Early Development Instrument (EDI) is a population measure of how young children are developing in communities in the United States.
- The EDI measures five areas, or domains, of early childhood development:
 - *Physical health and wellbeing,*
 - *Social competence,*
 - *Emotional maturity,*
 - *Language and cognitive skills, and*
 - *Communication skills and general knowledge.*

How Can EDI Data Be Used?

- Compare the strengths and weaknesses in children's development and school readiness across communities and EDI domains
- Understand the relationship between children's EDI results and other important factors that may influence their health and well-being
 - *Poverty,*
 - *Mobility*
 - *Access to community preschool, family support providers, libraries, or health providers)*

3

How Can EDI Data Be Used?

- Motivate action and advocacy efforts to help children reach their potential;
- Plan interventions and resource investments;
- Track progress over time to see how changes in investments, policies, or other factors influence children's health and well-being.

4

How Are EDI Results Reported

- Results are reported at a population (not individual) level
- Important benchmarks
 - $\geq 75^{\text{th}}$ percentile = *very ready*
 - $\leq 10^{\text{th}}$ percentile = *vulnerable*
- New for 2012-13
 - $> 25^{\text{th}}$ percentile = *on track*
 - $\leq 25^{\text{th}}$ percentile = *not on track*

5

Is the EDI Valid and Reliable?

- EDI has been established as a psychometrically adequate indicator of child well-being during the kindergarten year.
- The EDI is a valid measure when compared to other teacher-reported measures.

Janus, M., Offord, D., Development and psychometric properties of the Early Development Instrument (EDI): A measure of children's school readiness. *Canadian Journal of Behavioral Sciences*, 2007. 39(1): p. 1-22.

6

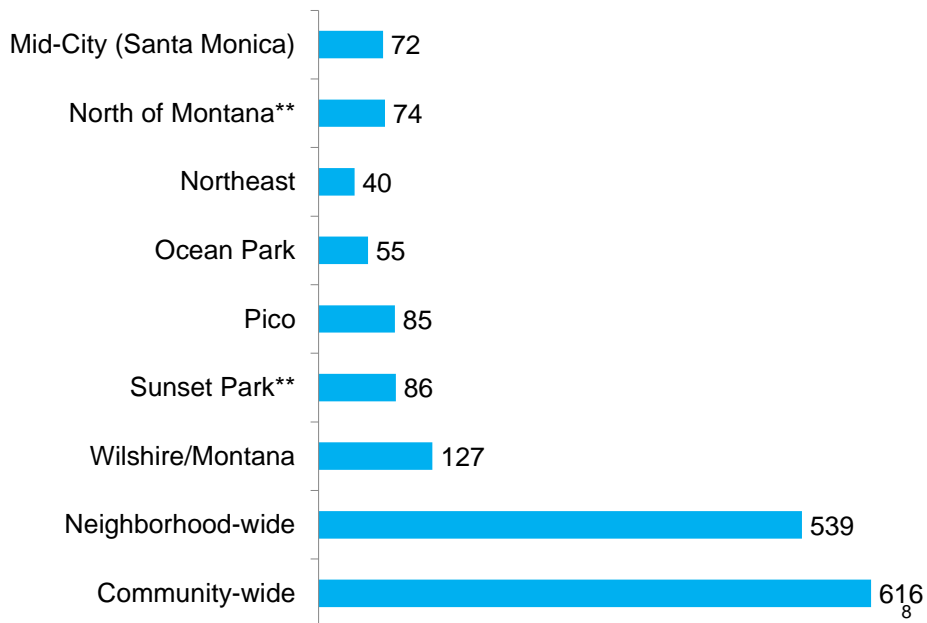

How Are EDI Results Reported?

- Community
- Neighborhood
- School (Not for public distribution)
- Geographic maps display the % of children in local neighborhoods who are vulnerable

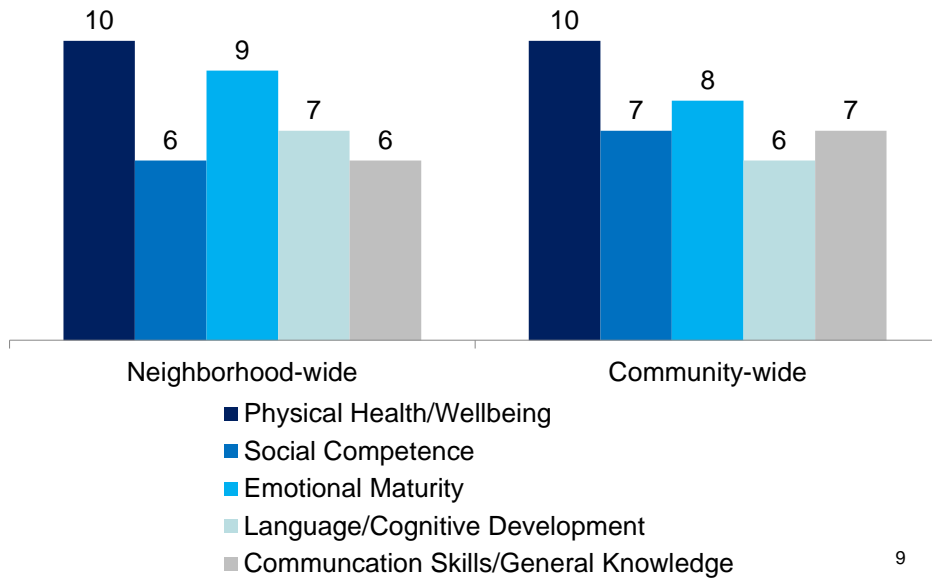

7

Number of Surveys: 2012-13

**Fewer than 70% children in this neighborhood completed an EDI.

Percent (%) of Children Vulnerable by Domain: 2012-13

9

More to come...

SMMUSD Preschool Status

Board of Education
November 21, 2013

Preschool Work Group

Thanks to:

- Ellen Edeburn
- Irene Gonzalez-Castillo
- Alice Chung
- Lora Morn
- Sarah Braff
- Keryl Cartee-McNeely

Presentation Details

- Research
- Locations by Site and Program
- Current Reality
- New Goal
- Next Steps

3

Why Preschool?

- Children from disadvantaged families often lack the basic skills and abilities that are crucial for learning
 - Curiosity
 - Self-confidence
 - Motivation
 - Self-control
 - Goal orientation
 - Love of learning

Shonkoff, J. & Phillips, D., eds. (2000). From Neurons to Neighborhoods: The Science of Early Childhood Development. National Academy of Sciences Press: Washington, D.C

4

Why Preschool?

Children who have received high-quality preschool are less likely to:

- require special education,
- fail classes,
- drop out of high school,
- become a teen parent
- commit a crime
- abuse substances

Dickens, W., Sawhill, I., & Tebbs, J. (April, 2006). "The Effects of Investing in Early Education on Economic Growth." Brookings Paper. Brookings Institution: Washington, D.C.

5

Why Preschool?

- The economic returns from public investments in ECE are substantial and far exceed the up-front costs.

Belfield, C.R., Nores, M., Barnett, W.S., & Schweinhart, L. (2006). "The High/Scope Perry Preschool Program: Cost-Benefit Analysis Using Data from the Age-40 Followup." Journal of Human Resources, Vol. 41 (1), pp. 162-90

6

Why Preschool?

- Recent data show SES differences in language processing skill and vocabulary at 18 months
 - SES 5-year-olds children scored more than two years behind non-SES children at kindergarten entry
 - Between 18 and 24 months, SES toddlers learned 30% fewer words than non-SES toddlers.
 - Gist: When SES student start kindergarten so far behind, its nearly impossible for them to catch up — especially because they are more likely to regress each summer.

Fernald, A., Marchman, V. A. and Weisleder, A. (2013), SES differences in language processing skill and vocabulary are evident at 18 months. Developmental Science, 16: 234–248.

7

Oklahoma's Universal Preschool

The Tulsa pre-K program has generated phenomenal improvements in school readiness.

- Kindergarten students who attended were 9 months ahead of their peers in reading, 7 months ahead in writing and 5 months ahead in math .
- Disadvantaged students benefit more, but middle-class students also benefit considerably.
- Striking results for English language learners (12, 4, 10, L1=Spa)

8

Programs and Monthly Fees

• Infant Care	\$1,165
• Toddler Care	\$830
• Preschool Part-Day	\$500
• Preschool Full-Day	\$1,025
• CA State Preschool	Based on family income(sliding scale)
• LAUP	\$90
• Head Start	N/A

Financial assistance is available based on income verification.

9

Preschool Locations

• Franklin	CSPP, FB
• Grant	LAUP, CSPP, FB
• JAMS	CSPP, FB
• Muir	HS, CSPP
• Lincoln Child Dev. Ctr.	CSPP, FB
• McKinley	HS, CSPP, FB
• Washington West	HS, CSPP, FB
• Rogers	HS, CSPP, FB
• Pine (North of OHS)	LAUP, CSPP
• Samohi Infant/Toddler	CA General Child Care, FB

10

Essential Preschool Elements

- Funding and Resources
- Facilities
- Vision and Leadership
- Curriculum, Instruction and Assessment
- Staffing
- Professional Development
- School, Family and Community Partnerships
- Student Wellbeing
- Policies, Practice and Continuous Improvement

11

Current Reality: Assets

- Funding
 - SMC Contribution (\$114,000)
 - Multiple categorical sources
 - Head Start
 - State Preschool
 - LAUP
 - Tuition fees

12

Current Reality: Assets

- Curriculum, Instruction and Assessment
 - Critical thinking
 - Early literacy/English development
 - Desired Results Developmental Profile (DRDP)
 - Early Childhood Environmental Rating Scale (ECERS)
- Staffing
 - Caring and experienced staff

13

Current Reality: Assets

- Professional Development
 - Pre-service days
 - Student-free days
 - UCLA Partnership
- School, Family and Community Partnerships
 - Parent Training
 - Home Visits
 - Special Education Collaborative Partnerships

14

Current Reality: Assets

- Student Wellbeing
 - Food services
 - Screenings
 - Vision
 - Dental
 - Physical
 - Hearing
 - Social-Emotional (Ages and Stages)
- Policies, Practice and Continuous Improvement
 - Procedures in place for every operational facet

15

Current Reality: Challenges

- Funding
 - Decreasing funding allocations
 - Difficult to leverage multiple resources
- Facilities
 - No preschool in Malibu
 - Inequities in upkeep
 - Drop-off/Pick-up/Reception challenges
- Curriculum
 - Not aligned to district/schools
 - Not aligned vertically

16

Current Reality: Challenges

- Vision and Leadership
 - Compliance issues inhibit staff from focusing on program quality
 - Preschool vision determined by county, state and federal sources rather than by the BOE.
 - One person monitors all 10 sites
- Staffing
 - Frequent “pink slips” due to funding reductions

17

Current Reality: Challenges

- Professional Development
 - Inconsistent (Funding source determines PD)
 - Not aligned to district goals
 - Minimal collaboration between preschool and TK-5 staff
- Student Wellbeing
 - Chances of attending neighborhood school are very low
 - No opportunity to participate in TK-5 programs and activities
 - No guarantee that preschool and TK-5 siblings are at the same site

18

Current Reality: Challenges

- Policies, Practice and Continuous Improvement
 - Preschool data and TK-12 data are in separate student information systems
 - “Two schools” phenomenon causes issues in morale, culture, vision, improvement, etc.
 - Conflicting Preschool and TK-5 rules/practices

19

A New Model?

Neighborhood Preschools for All

20

How Can We Improve?

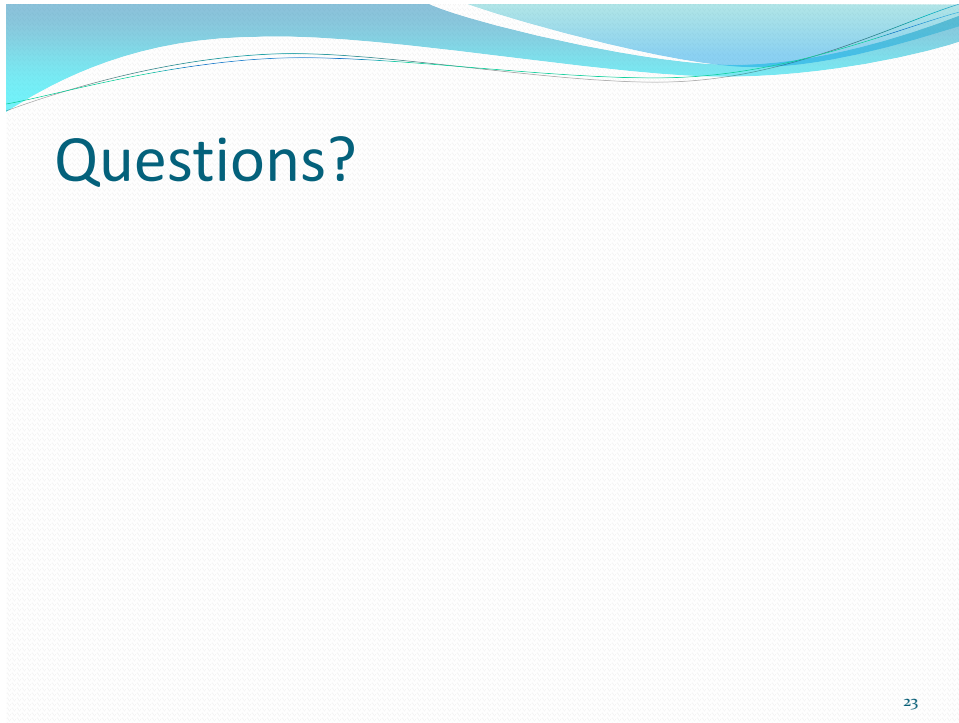

- A Different Model: Neighborhood Preschools
- Build on our assets
- Address our challenges
- Draw from research
- Collaborate with local expertise
- Ensure enrollment for any student regardless of ability to pay

21

Suggested Next Steps

- Is it fiscally feasible—consider various funding models
 - Without categorical funding: Is it possible to leverage fee-based tuition and still provide low or no-cost tuition for those who qualify?
 - With categorical funding
- Is it feasible with existing facilities?

22
