V. GENERAL PUBLIC COMMENTS

Public Comments is the time when members of the audience may address the Board of Education on items not scheduled on the meeting’s agenda (the following rules apply to both general public comments as well as comments about a specific agenda item). The Brown Act (Government Code) states that Board members may not engage in discussion of issues raised during Public Comments, except to ask clarifying questions, make a brief announcement, make a brief report on his or her own activities, or to refer the matter to staff. Individual members of the public who submit a public speaking card prior to the Board hearing an agenda item or general public comments shall be allowed three (3) minutes to address the Board on each agenda or nonagenda item, depending on the number of speakers. If there are ten or more speakers on an agenda or nonagenda item, the Board shall limit the allowed time to two (2) minutes per speaker. Individual speakers who submit a public speaking card after the Board begins to hear an agenda item or general public comments shall be allowed one (1) minute to address the Board. A public speaker may yield his/her time to another speaker, but must be present when his/her name is called. The donor would then give up his/her opportunity to speak. The public speaker who receives the donated minutes shall speak for no more than four (4) minutes maximum. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add. Individuals represented by a common point of view may be asked to select one individual to speak for the group. The president may, at his/her discretion, allow five (5) minutes for those who are serving as a spokesperson for a group or organization. The Board may limit the total time for public input on each item to thirty (30) minutes. If the number of persons wishing to address the Board of Education exceeds the time limit, additional time will be provided in **Section XVI. CONTINUATION OF PUBLIC COMMENTS.**

DISCUSSION ITEMS

TO: BOARD OF EDUCATION
FROM: SANDRA LYON
RE: CITY OF SANTA MONICA USE TAX

DISCUSSION
06/22/16

DISCUSSION ITEM NO. D.

The City of Santa Monica is currently considering placing an increase in the transaction and use tax measure on the November 2016 ballot. While the impetus for this measure is to generate additional local funds that can be used to support affordable housing, the City is also aware that the School District also has a number of needs for which there is no source of funding, since state funding is woefully inadequate when compared with much of the nation. The City is therefore considering a companion ballot measure approach with the new transaction and use measure, similar to the approach taken in 2010 when the voters adopted Measures Y and YY. The companion advisory measure would allow the voters to indicate their support for allocation of a portion of the revenues generated by the new measure to be used to benefit SMMUSD schools. A Superintendent's committee has been convened to discuss the desirability and feasibility of this measure from the point of view of the School District. If the City of Santa Monica proceeds with the approach being considered, this additional revenue could be used to fund such needs as ongoing maintenance at all schools, support and refreshing of technology, instructional assistants, expanding preschool programs, and stabilization of the budget to prevent the inevitable instability caused by the fluctuation of state revenues

Public Comments:

- *Sheri Davis, Iao Katagori, Ben Swett, and Jennifer Smith addressed the board regarding this item.*

Ms. Lyon introduced Mr. Andy Agle, Director of Housing and Economic Development for the City of Santa Monica. Mr. Agle summarized the history of and timeline associated with the proposed measure. He answered board members' questions regarding the potential ballot language. RE: PUBLIC DISCLOSURE OF PROPOSED COLLECTIVE BARGAINING AGREEMENT

RECOMMENDATION NO. A.08

It is recommended that the Board of Education approve the AB 1200 Public Disclosure document regarding the costs associated with a successor agreement to replace and supersede the current Agreement that expired on June 30, 2015, for Service Employees International Union (SEIU) unit members.

COMMENTS: In accordance with the requirements of AB 1200, staff has prepared a submittal to the Los Angeles County Office of Education (LACOE) which details certain costs associated with the Memorandum of Understanding between the Santa Monica-Malibu Unified School District and the Service Employees International Union (SEIU) regarding a successor agreement to replace and supersede the current Agreement that expired on June 30, 2015. This document details certain costs associated with the successor agreement.

The AB 1200 document certifies that the District has sufficient resources to meet the financial obligations associated with this recommendation.

A copy of the AB 1200 public disclosure document is attached for reference in the hard copy of the Board Agenda, and is posted on the District's website as a separate attachment with the June 22, 2016, Board Meeting Agenda.

6. Will this agreement create or increase deficit financing in the current or subsequent years?

"Deficit Financing" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If a deficit is shown below, provide an explanation and any deficit reduction plan, as necessary.

<u>General Fund Combined</u>	<u>Surplus/ (Deficit)</u>	<u>(Deficit) %</u>	<u>Deficit primarily due to:</u>
Current FY Surplus/(Deficit) before settlement(s)?	(\$4,116,001)	(2.7%)	See below
Current FY Surplus/(Deficit) after settlement(s)?	(\$4,116,001)	(2.7%)	See below

2nd Subsequent FY Surplus/(Deficit) after settlement(s)?	(\$7,176,660)	(4.9%)	See below

Deficit Reduction Plan (as necessary):

The District has agreed to the SMMCTA and SEIU settlements with the understanding that the district would incur significant deficits. The intent was to utilize the large fund balance reserves available. The district has established a Budget Committee to make recommendations to the Board by January 2017 to reduce the size of the deficit and develop a path to a balanced budget. It is anticipated that recommendations in excess of \$4.5 million will be made for the 2017-18 fiscal year and additional cuts will occur in 2018-19. Site administrators and Department Heads are being asked to review their individual budgets for as much as 5% reductions. This will come in the form of staffing reductions as well as supplies and other services. The Budget Committee will also consider district wide programs and other uses of funds.

7. Were "Other Adjustments" amount(s) entered in the multiyear projections (pages 5a and 5b) for 1st and 2nd Subsequent FY?

"Other Adjustments" could indicate that a budget reduction plan was/is being developed to address deficit spending, and to rebuild reserves. Any amount shown below must have an explanation. If additional space is needed, attach a separate sheet, or use page 9a.

RE: AGREEMENT BETWEEN SERVICE EMPLOYEES INTERNATIONAL UNION - LOCAL 99 (SEIU) AND THE SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT (SMMUSD)

RECOMMENDATION NO. A.09

It is recommended that the Board of Education ratify the Agreement reached with Service Employees International Union – Local 99 (SEIU) during the collective bargaining process concluded in May 2016. The Agreement has been ratified by SEIU's general membership.

The AB 1200 analysis has been submitted to the Los Angeles County Office of Education (LACOE) Business Services Section. Their review of the document has been completed, and the AB 1200 has been properly noticed. *The Educational Employment Relations Act requires school districts to disclose to the public at a board meeting the major provisions, including costs for the current and subsequent years, of a negotiated agreement with an exclusive representative of its employees.* The AB 1200 document can be referenced in Item A.08.

COMMENT: The Board of Education and Service Employees International Union–Local 99, having concluded collective bargaining, present the changes to the current agreement.

The reopener negotiations focused primarily on Article 16, Wages, including the Classified Salary Schedule, with the goal of bringing all classifications closer to the labor market median. A summary of the Tentative Agreement follows:

- The parties agreed to a six percent (6%) increase on the Classified Employee Salary Schedule, effective January 1, 2016.
- In addition, effective July 1, 2016, the parties agreed to a strategy for addressing the 2015 Salary Survey done by the SMMUSD Personnel Commission staff. Specifically, the parties agreed to range adjustments, in increments of two (2), for each classification that remains five percent (5%) or more below the labor market median. The range adjustments will bring such classifications to within five percent (5%) of the labor market median.
- The parties also initiated discussions of local Living Wage standards and health and welfare benefits that will continue when the parties commence successor negotiations during the 2016 – 2017 school year.

An addendum to the Agreement will be available on the District website at a future date.
