VI. BOARD OF EDUCATION – COMMENDATIONS / RECOGNITIONS (20 minutes)

- **SMMPTA and School Smarts Parent Engagement Program Participants**
Dr. Irene Gonzalez-Castillo, SMMPTA Council President Rochelle Fanali, and CA State PTA President Justine Fisher summarized the program. Their presentation can be found under Attachments at the end of these minutes. The board presented the participating schools with certificates. Board members recognized the trained parents as ambassadors to other parents and remarked on how the School Smarts program ties into the district’s focus on equity and closing the opportunity gap.

VII. STUDY SESSION (0 minutes)

These items are staff presentations and/or updates to the Board of Education.

VIII. COMMUNICATIONS (30 minutes)

The Communications section provides an opportunity for the Board of Education to hear reports from the individuals or committee representatives listed below. All reports are limited to 5 minutes or less. However, if more time is necessary, or if a report will not be presented, please notify the Board secretary eight workdays prior to the date of the meeting.

7:20 pm

A. Student Board Member Reports (15)

1. Mirai Miura – Santa Monica High School (5)

Ms. Miura reported that student registration was from August 10-13, during which students were able to get their materials for the new school year. House leaders organized freshman orientation on August 14, allowing freshmen to get more comfortable with Samohi for the new school year. ASB held its first welcome back dance on

August 28, the theme of which was neon/glow in the dark. Spirit Week is this week, culminating in the first pep rally of the year on Friday. Fall sports are beginning their seasons, including golf, football, and tennis. Students are settling into the new school year, including seniors in their last year and freshmen in their first year. Students are enjoying the new building, including the water bottle refilling system and the new clean bathrooms. Ms. Miura said she was excited to be this year's Samohi student member.

7:18 pm

2. Ally Sidley – Malibu High School (5)

Ms. Sidley reported that ASB hosted the teacher luncheon on August 19, during which they welcomed new teachers and Principal Dr. Gallagher. On August 25, ASB also hosted a new student luncheon for all new students. Fall sports are in full swing, including football, water polo, tennis, volleyball, and cross country. The theater department held auditions for the fall play 33 Variations. Middle school Back to School Night is tomorrow night and high school Back to School Night is next Thursday. ASB will be assisting parents and selling parking passes and senior shirts. Students are excited for the new school year, and Ms. Sidley conveyed ASB's appreciation for the board and superintendent's hard work and dedication to making this year the best it can be.

7:24 pm

3. Revenn Stone – Olympic High School (5)

Mr. Stone reported that the Olympic HS students are proud of Mr. Fuller, who has been promoted to the Principal position. He named the three new teachers at the school: Mr. Konegni, Ms. Hollis, and Ms. Tran. Mr. Suminski has rejoined staff after a battle with bone cancer. Ms. Harding, the gardening teacher, implemented plans to repurpose an unused grassy area into an expansion of the existing garden. Mr. Fuller has overseen the addition of security fences around the campus, bringing perimeter fences up to a consistent height and closing unattended entrances in order to increase safety for staff and students. Mr. Stone reported that all of this was done without making students feel trapped on campus. Mr. Stone shared that he and many of his peers had heard rumors about Olympic HS prior to joining the campus, but have since discovered that the school is not full of unsuccessful students and delinquents, and that negative assumption is defied every time an Olympic HS student graduates.

Dr. Tahvildaran-Jesswein encouraged the student board members to cast their advisory vote and engage their respective student bodies on issues of which the board should be aware. Ms. Leon-Vazquez wanted to make sure the students were included in student focus groups with Dr. Noguera's team.

7:37 pm

B. SMMCTA Update – Ms. Sarah Braff (5)

Ms. Braff thanked everyone for a smooth start to school. She said the Convocation and PERCS conferences went well. She is looking forward to addressing unintended biases as the district works with Dr. Noguera. Regarding Best Practices Management cleaning that occurred over the summer, Ms. Braff said it had inconsistent results. She requested the district's plan to address heat in the schools.

7:42 pm

C. SEIU Update – Ms. Keryl Cartee-McNeely (5)

Ms. Cartee-McNeely said it has been a great start of the school year, adding that the excitement from the message at Convocation has been sustained among staff. The work that the labor management teams began during the spring and summer is being implemented for the Transportation and Special Education Departments, including an increase in communication between labor and management. On September 10, the group will be reviewing the summer cleaning and what could be improved upon next summer. They will also be following up on key training for special ed paraeducators. Ms. Cartee-McNeely reminded everyone that collaboration takes time and deep, thoughtful conversations.

D. PTA Council – Ms. Rochelle Fanali (5) – no report

IX. SENIOR STAFF REPORTS (20 minutes)

7:56 pm

A. Asst. Supt., Educational Services – Dr. Terry Deloria (5)

Dr. Deloria reported that in honor of National Latino/Hispanic Heritage Month, the board would be adopting a resolution on this agenda and students will be presenting at the September 17 meeting. Dr. Gonzalez-Castillo is also reaching out to schools to see what they are doing in honor of the month. Staff has been investigating the implementation of neighborhood preschools, and the first such classroom is now at Franklin ES. Staff will continue to discuss this at a facilities retreat. The Ed Services and Special Ed teams have been collaborating on a number of projects, including having the literacy coaches meet with special ed teachers to examine how to include students with disabilities into the RT² (Response to Instruction and Intervention) model. The Ed Services, Purchasing, and M&O teams have been collaborating regarding the Measure ES technology upgrades and will be keeping principals and the board informed on the timeline. According to a survey conducted by Ed Services, employees were pleased with this year's Convocation and PERCS conferences, especially with the Convocation speakers. The survey also provided helpful feedback on things that could be improved upon for next year.

In response to Ms. Leon-Vazquez's question about Wi-Fi at Samohi, Dr. Deloria clarified that Wi-Fi is currently available, but the plan to upgrade all classrooms to 21st Century classrooms is in progress. Mr. Foster would like to learn more about the universal screener and requested enrollment and demographic data for middle school math, including who has accelerated.

7:46 pm

B. Asst. Supt., Human Resources – Dr. Mark Kelly (5)

Dr. Kelly reported that HR is in the process of hiring a Principal for John Muir ES. He recognized the BTSA induction coordinators, who facilitated the New Teacher Academy, during which we welcomed over 60 teachers and other certificated staff during the two-day training. Welcomed back new and returning staff.

7:47 pm

C. Assoc. Supt., Business & Fiscal Services/CFO – Ms. Janece Maez (5)

Ms. Maez reported on the successful start of the school year, highlighting the work that was done over the summer, including the installation of new lights in some Malibu classrooms. The new Bond Program Manager, Steve Massetti, officially started with the district and has already attended meetings.

Mr. Foster suggested that someone visit the Malibu teachers' classrooms and explain what was done over the summer. He also wondered if teachers could have a direct number call to express concerns about their room. Ms. Lyon

and Ms. Maez suggested teachers first share any concerns with their principals, but they would discuss this idea further with Mr. Foster.

8:03 pm

D. Superintendent – Ms. Sandra Lyon (5)

Ms. Lyon reported that a consultant came to examine the board room to propose a list of short-term and long-term technology and facility upgrades. In response to the School Smarts commendation earlier in the meeting, Ms. Lyon remarked that parent engagement is a part of the LCAP, so it will continue to be an area of focus. Ms. Lyon reported on the great launch to the school year and the Back to School Nights. In response to earlier board comments, Ms. Lyon reminded everyone that the district had several projects going on during the summer, and while staff understands the board’s urgency to see many things completed, many of the projects required the same personnel and we are limited by human bandwidth. The first SAC meeting of the school year was held, and the committee might be suggesting updates to the Acceptance of Gifts BP and AR, since terminology has changed over the past couple of years. Ms. Lyon introduced Linda Greenberg, Executive Director of SMMEF, who thanked the PTA Council President, all PTA presidents, and SMMEF Chairs for unparalleled collaboration in preparing for the start of school. As of August 31 – two months into the fiscal year – SMMEF is already \$1 million towards its \$3.7 million operating budget. There are 20% more donations compared to this time last year. Pledge Week is at the end of this month. The Santa Monica Classic will be on September 13; Santa Monica Place is hosting a fashion show as part of Italian Heritage month benefitting SMMEF; the annual benefit concert will be on March 5; and the wine auction will be on April 17. The Fairmont Miramar Hotel is donating the space, personnel, and equipment for wine auction.

Dr. Tahvildaran-Jesswein suggested that the Brown Act training for DACs include an explanation of the board’s priorities and the overall district goal. He requested that the board see the list of short-term and long-term board room technology upgrades when that list is complete.

8:17 pm

X. CONSENT CALENDAR (10 minutes)

As agreed by the President, Vice President, and Superintendent during agenda planning, consent agenda items are considered routine, require no discussion, and are normally approved all at once by the Board of Education. However, members of the Board of Education, staff, or the public may request an item be moved from the consent agenda to Section XI (Major Items) for clarification and/or discussion.

XI. PUBLIC COMMENTS

Public Comments is the time when members of the audience may address the Board of Education on items not scheduled on the meeting's agenda (the following rules apply to both general public comments as well as comments about a specific agenda item). The Brown Act (Government Code) states that Board members may not engage in discussion of issues raised during Public Comments, except to ask clarifying questions, make a brief announcement, make a brief report on his or her own activities, or to refer the matter to staff. Individual members of the public who submit a public speaking card prior to the Board hearing an agenda item or general public comments shall be allowed three (3) minutes to address the Board on each agenda or nonagenda item, depending on the number of speakers. If there are ten or more speakers on an agenda or nonagenda item, the Board shall limit the allowed time to two (2) minutes per speaker. Individual speakers who submit a public speaking card after the Board begins to hear an agenda item or general public comments shall be allowed one (1) minute to address the Board. A public speaker may yield his/her time to another speaker, but must be present when his/her name is called. The donor would then give up his/her opportunity to speak. The public speaker who receives the donated minutes shall speak for no more than four (4) minutes maximum. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add. Individuals represented by a common point of view may be asked to select one individual to speak for the group. The president may, at his/her discretion, allow five (5) minutes for those who are serving as a spokesperson for a group or organization. The Board may limit the total time for public input on each item to thirty (30) minutes. If the number of persons wishing to address the Board of Education exceeds the time limit, additional time will be provided in **Section XVI. CONTINUATION OF PUBLIC COMMENTS.**

- *Ann Thanawalla urged the board to take opt-in option regarding the Family Educational Rights and Privacy Act (FERPA). Mr. de la Torre requested more info on FERPA. The board agreed, understanding that it might take staff some time to gather that information.*

DISCUSSION and MAJOR Items

As a general rule, items under DISCUSSION and MAJOR will be listed in an order determined by the President, Vice President, and Superintendent. Individual Board members may move to request a change in the order prior to consideration of any Major item. The Board may also move any of these items out of order to be heard earlier in the meeting if it appears that there is special interest by the public or as a courtesy to staff members making presentations to the Board.

XII. DISCUSSION ITEMS (75 minutes)

These items are submitted for discussion. Any action that might be required will generally be scheduled for the next regularly scheduled Board meeting.

XV. BOARD MEMBER ITEMS

These items are submitted by individual board members for information or discussion, as per Board Policy 9322.

XVI. REQUESTS BY MEMBERS OF THE PUBLIC OR DISTRICT ADVISORY COMMITTEES TO ADDRESS THE BOARD OF EDUCATION

A member of the public may request that a matter within the jurisdiction of the board be placed on the agenda of a regular meeting, as per Board Policy 9322. The request shall be in writing and be submitted to the superintendent or designee with supporting documents and information, if any, at least one week before the scheduled meeting date. Items submitted less than a week before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue. The board president and superintendent shall decide whether a request is within the subject matter jurisdiction of the board. Items not within the subject matter jurisdiction of the board may not be placed on the agenda. In addition, the board president and superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation before placing the item on the agenda.

XVII. CONTINUATION OF PUBLIC COMMENTS

A continuation of Section VIII, as needed. (If the number of persons wishing to address the Board of Education exceeds the time limit in section VIII, additional time will be provided in Section XVI, CONTINUATION OF PUBLIC COMMENTS.)

XVIII. BOARD MEMBER COMMENTS

A Board member may make a brief announcement or report on his/her own activities relative to Board business. There can be no discussion under “BOARD MEMBER COMMENTS.”

XIX. FUTURE AGENDA ITEMS

Items for future consideration will be listed with the projected date of consideration. The Board of Education will be given any backup information available at this time.

XX. CLOSED SESSION

The Board of Education will, if appropriate, adjourn to Closed Session to complete discussion on items listed under Section III (Closed Session) following the regular business meeting.

XXI. ADJOURNMENT

It was moved by Ms. Leon-Vazquez, seconded by Mr. Foster, and voted 7/0 to return to closed session at 11:02 p.m. Closed session adjourned at 11:17 p.m. The next regular meeting is scheduled for 5:30 p.m. on **Thursday, September 17, 2015**, in the **District Office**: 1651 16th Street, Santa Monica, CA.

RE: ANNUAL GOVERNING BOARD TRAINING FOR HEAD START-STATE
PRESCHOOL PROGRAM

RECOMMENDATION NO. A.05

It is recommended that the Board of Education verify that it has received and become familiar with the Head Start-State Preschool requirements for the Los Angeles County Office of Education (LACOE) and school districts within Los Angeles County.

COMMENTS: The 2014-2015 program year was the first year of the Los Angeles County Office of Education's (LACOE) new five-year grant with the Office of Head Start (OHS). The grant requires that all governing boards within Los Angeles County that receive Head Start funding receive annual training regarding the expectations and requirements of Head Start, as required by regulations.

The information provided to the Board of Education for this annual training addresses:

- Methods on collecting complete and accurate eligibility information
- Strategies for treating families with dignity and respect
- Policies and procedures describing actions taken against staff, families, or participants intentionally attempting to provide or provide false information
- Core values of the Head Start program
- Details and processes regarding the five-year grant period
- Legal, corporate, and systems relationships between the grantee (LACOE) and delegates (school districts)
- Monitoring levels and tracks for delegates
- Environmental health and safety protocol for facilities, learning environments, supervision practices, and transportation

Dr. Alice Chung, SMMUSD's Director of Child Development Services, will be present to answer board members' questions regarding the expectations and requirements of Head Start.

COMMENT: According to the Education Code SEC.21 Section 56342, prior to recommending a new or continued placement in a non-public, non-sectarian school, the Individualized Education Program (IEP) Team must submit the proposed recommendation to the local governing board for its review and recommendation regarding the cost of such placement.

The recommendations for these severely handicapped students are made by the District IEP Teams in accordance with State and Federal laws. The mandates of IDEA require non-public school services be provided at no expense to parents if there is not an appropriate public school program available. Funding to come from a SELPA-wide non-public school/non-public agency reserve account.

RE: ACCEPTANCE OF GIFTS – 2014/2015

RECOMMENDATION NO. A.08

It is recommended that the Board of Education accept, with gratitude, checks totaling **\$1,872.18** presented to the Santa Monica-Malibu Unified School District.

It is further recommended that the Fiscal/Business Services Office, in accordance with Educational Code §42602, be authorized to increase the 2014-2015 income and appropriations by **\$1,872.18** as described on the attached listing.

This report details only cash gifts. It includes all contributions made by individuals or companies and some of the contributions made by our PTA's. Contributions made by a PTA in the form of a commitment and then billed are reported in a different resource. A final report that compiles all gift and PTA contributions is prepared and available annually.

COMMENT: The value of all non-cash gifts has been determined by the donors.

NOTE: The list of gifts is available on the District's website, www.smmusd.org.

RE: AWARD OF CONTRACT TO KYA SERVICES LLC. FOR THE PURCHASE OF ARTIFICIAL TURF FOR PLAYGROUND SURFACING – AND TO APPROVE THE PIGGYBACK ON WISEBURN USD BID #2

RECOMMENDATION NO. A.10

It is recommended that the Board of Education award the contract for the purchase of artificial turf to Kya Services for playground equipment safety surfacing for the Washington West Child Care facility in an amount not to exceed \$52,127.78, and to utilize the bid on future installations piggybacking on Wiseburn Bid #2.

Funding Information

Budgeted: Yes

Fund: 12

Source: Child Development

Account Number: 12-52101-0-82000-5640-6400-070-2700

COMMENT: The district has begun replacing aging, black rubber matting under playground structures with artificial turf in the preschool playground areas. It is cooler, easier to maintain and has a clean more natural look of grass beneath the fixtures.

School district governing boards have the authority to “piggyback” on another public agency’s bid per public contract code section 20118 and 20652 when it is determined to be in the “best interest of the district”. It is often advantageous for district to utilize piggyback bids when contract items are identical to the districts specifications. Using piggyback contracts saves time and money, and they often provide lower prices than a single jurisdiction would be able to obtain.

RE: 2015-2016 DECLARATION OF NEED FOR FULLY QUALIFIED EDUCATORS

RECOMMENDATION NO. A.18

It is recommended that the Board of Education adopt the 2015-2016 Declaration of Need for Fully Qualified Educators.

COMMENT: Based on prior year data, the following Declaration stipulates those areas and numbers of emergency permit holders Santa Monica-Malibu anticipates for the 2015-2016 school year. With Board approval, the Declaration will be sent to the Commission on Teacher Credentialing (CTC) thereby establishing the District's need areas for 2015-2016.

Under Education Code 44300 and Senate Bill 322, the Declaration enables the District to streamline its approach to obtaining emergency credentials by establishing the statement of need once rather than on a person-by-person basis. Therefore, as the District finds it necessary to employ teachers under emergency permits, the application process and approval will be more quickly completed.

This declaration may be revised with Board approval as hiring needs change during the school year.

The Board has received a copy of the Declaration of Need for Fully Qualified Educators under separate cover. This document is on file in the Office of Human Resources and will be included with the permanent minutes of the meeting.

RE: TEACHING AUTHORIZATION

ACTION/CONSENT
09/02/15

RECOMMENDATION NO. A.19

It is recommended that the Board of Education approve the following teaching assignment for the 2015-2016 school year in accordance with education code provision specified.

PER EDUCATION CODE #44225:

<u>TEACHER</u>	<u>ASSIGNMENT</u>	<u>EFFECTIVE</u>
Brady, Sarah	PBS Preschool (80%)	8/18/15-8/18/16

COMMENT: provides a "waiver" for assigning identified individuals when the employing agency has an insufficient number of certificated persons who meet the specified employment criteria for the position. Such waivers provide individuals with additional time to complete the requirements for the credential that authorizes the service.

This would be the initial waiver request for Sarah Brady. Ms. Brady has a Bachelor's degree in Human Development and Family Studies. She holds an Early Childhood Teaching credential from the state of Connecticut where she taught preschoolers last year. She plans to enroll in an Early Childhood Education Specialist program in California and is scheduled to take the California Basic Skills Test next month, at which time she would be eligible for an Early Childhood Education Specialist Short Term Staff permit.

RE: ADOPT RESOLUTION NO. 15-03 – NATIONAL HISPANIC/LATINO HERITAGE MONTH

RECOMMENDATION NO. A.20

It is recommended that the Board of Education adopt Resolution No. 15-03 – National Hispanic/Latino Heritage Month in recognition of the contributions of Hispanic Americans in our nation. Attached is the full Resolution to be signed by the Board President and Superintendent.

COMMENT: Officially, National Hispanic/Latino Heritage Month is recognized from September 15 through October 15.

The signed Resolution will be shared with the school sites to increase awareness and encourage participation in the celebration of the Hispanic/Latino American culture.

MOTION MADE BY: Mr. Mechur

SECONDED BY: Dr. Tahvildaran-Jesswein

Santa Monica-Malibu Unified School District

Resolution No. 15-03

National Hispanic/Latino Heritage Month

WHEREAS, the Hispanic/Latino American community consists of distinct groups, including people from Mexico, the Caribbean, Central America, South America, and the Iberian Peninsula, and whereas Hispanics have had an important part of the history and heritage of the Americas; and

WHEREAS, we celebrate the achievements of Hispanic/Latino Americans and their important part of the history and heritage of our nation; and

WHEREAS, Hispanic/Latino Americans have enriched our community through contributions in many professions and fields, including education, law, government, business, science, sports, and the arts; and

WHEREAS, the hard work and determination of Hispanic/Latino Americans continue to inspire all those who dream of a better life for themselves and their families; and

WHEREAS, to honor the achievements of Hispanic/Latino Americans, the United States Congress, by Public Law 100-402, has authorized and requested the President to issue annually a proclamation designating September 15 through October 15, as "National Hispanic Heritage Month."

THEREFORE, be it resolved that During National Hispanic/Latino Heritage Month, the Santa Monica-Malibu Unified School District joins with all Americans in celebrating this rich and diverse culture, and encourages all members of our community to recognize the important role of Hispanics in creating and building this great Nation. We further resolve that appropriate lessons and units of study about the contributions of Americans of Hispanic/Latino descent take place in our schools not only during this month, but throughout the school-year.

PASSED AND ADOPTED this 2nd day of September 2015 by the Santa Monica-Malibu Unified School District Board of Education by the following vote:

FROM: SANDRA LYON

RE: DISTRICT ADVISORY COMMITTEES: FOLLOW-UP ON END-OF-YEAR
REPORTS FOR 2014-15 AND GOALS/DIRECTION FOR 2015-16

DISCUSSION ITEM NO. D.01

Attached are the 2014-15 end-of-year reports, along with proposed 2015-16 goals/direction for each DAC.

During the summer board meetings, each DAC had five minutes under Communications to summarize its report and answer clarifying questions from the Board of Education. Tonight, each DAC will have fifteen minutes to follow-up on its end-of-year report and have a discussion with the board regarding potential goals for 2015-16. The DAC chairs will relay this feedback from the board to their DACs at the first committee meetings of the school year. As per AR 1220, the board will approve the district advisory committees' goals for 2015-16 in early October.

***** ***** ***** ***** ***** *****

The board discussed the purpose of the DACs in general, including to whom they should report and how their efforts should support the district and board's work. The board agreed that each DAC's board liaisons, staff liaison, and chair(s) should meet to discuss the draft 2015-16 charges to ensure they align with the district's goals. The CDS DAC presented its reported and draft charges, but the item was tabled before the other DACs had the opportunity to present.

Dr. Tahvildaran-Jesswein MOVED to table the discussion until the board had an opportunity to identify the purpose of the DACs to ensure their charges align with the district's goals. He suggested this discussion be incorporated into the board's next retreat.

Mr. de la Torre SECONDED the motion.

AYES: 4 (Lieberman, de la Torre, Foster, Tahvildaran-Jesswein)

DISTRICT ENGLISH LEARNERS ADVISORY COMMITTEE (DELAC)

Chair: Lupe Smith

Staff Liaison: Aida Diaz

2014-15 Charges:

Legal Requirements: The charge of the District English Learners Advisory Committee shall be to advise (review and comment) the Board of Education on at least the following:

- A timetable for the development and revision of a district master plan of education programs and services for English learners, taking into consideration the school sites master plans.
- A district-wide needs assessment on a school-by-school basis.
- Establishment of district-level goals, and objectives for programs and services for English learners.
- Development of a plan to ensure compliance with any applicable teacher and/or teacher aide requirements.
- Administration of the annual language census (e.g. procedures and forms)
- Review and comment on the district reclassification procedures established pursuant to Education Code Section 52164.6.
- Review and comment on the written parent notification of initial school enrollment required per Title 5, CCR Section 11303(a).
- Review and comment on any waiver request affecting programs and services for English learners.

** Legal references: E.C. Sections 62002.5 and 33051(a); Former E.C, Sections 52176; 52168; and Title 5, CCR, Sections 43112 and 11303(a)*

Accomplishments to date:

Our District DELAC meetings incorporate the mandated state requirements and informational presentations. The mandated state requirements help parents understand better the programs and services for English Learners and encourage their participation in the educational process of their children. The presentations provide parents with knowledge and skills that they can use to support and advocate for their students in their acquisition of English and academic subjects. It is important to note that our DELAC continues to include a wide range of Spanish speaking parents, many of whom do not have children who are English Learners.

March 20 • PDLC	• The Common Core Math Pathways • Local Control Accountability Plan (LCAP) Summary of Feedback
May 27 • PDLC	* Board Report Input based needs assessment from sites representatives

Highlight(s) to date of particular note:

- The DELAC meetings focused on building an understanding of Local Control Funding Formula (LCFF) and Local Control Accountability Plan (LCAP). The objective was to provide ELAC/DELAC leadership and parents the information they need to contribute to decision-making at their school sites. The interactive question/answer LCAP presentations on the state priorities were successful in providing LCAP information and an opportunity for parents to provide input/feedback.

Recommendations / Suggested direction for 2015-2016:

Priority 1: Basic Conditions

One of the main concerns that we have about school sites is the condition of bathrooms and cafeterias. Even though there have been some overall improvements, bathrooms continue to be dirty and without adequate paper supplies and cafeterias are not adequately cleaned.

Recommendations are:

- Check bathrooms more frequently
- More help in cleaning the bathrooms and keeping them supplied with toilet seats covers and toilet paper.
- Inspections should take place unscheduled and therefore ensure that bathrooms and cafeterias are cleaned not only when an inspection visit is planned but daily.
- We need more cleaning assistants throughout the school because a clean environment is a priority for our children's ensure good health.
- School sites should have a parent room or other adequate space with telephone/computer, where parents can meet with community liaisons to communicate about concerns regarding our children and "problems/issues" that are happening in school.

Priority 2: Implementing Standards

There is a need to continue the support for students and teachers with the CCSS. Special attention should be given to meeting the instructional needs of English learners.

Recommendations:

- Professional Development on the simultaneous implementation of the CCSS and ELD standards
- State Common Core Implementation funding allocated for implementation of both sets of standards ELD and ELA
- Professional development for teachers, administrators on how to scaffold the CCSS to provide access for English learners
- PD for teachers on the use of the standards based instructional materials when the classes have very different leveled students and English Learners- mostly in the areas of math and language arts.

Additional Support:

- Provide online resources that ALL students can access from home like Lexia (Roosevelt is able to purchase 800 licenses and Muir can only afford 180) or Biz Kids.

Priority 3: Parent Involvement

As we know parent involvement contributes to student academic success. Parents need to continue to build their knowledge based on how schools/districts are run so that they can be able to be active participants in decision making for all students and advocate for English Learners.

Recommendation to continue with the following:

- DELACs and ELACs as standing groups that can provide timely feedback on the implementation of LCAP and LCFF that promotes development of parent leaders and representatives who can advocate effectively for ELs.
- School SMARTS program is designed to foster parent engagement in education and create parent leaders. Many parents benefited from this program. It covered understanding the education system, communicating effectively, advocating for quality education and how important parent involvement is for children and our schools.
- Parent workshops incorporated in the ELAC meetings. These workshops are essential for helping parents acquire the knowledge and skills to help us support the education of our children. Workshops cover the following topics:
 - How to use Illuminate
 - Effective parent / teacher communication
 - How to help with homework
 - College information at all levels including elementary
 - Child development stages, stage-specific parenting strategies at home and supporting education at school
 - How to establish rules to help motivate and discipline in a positive way
- Creating a welcoming environment at school sites which includes someone in the front office who speaks Spanish and understands the services and resources available for parents and ELs at the school.

Priority 4: Pupil Achievement

There is a strong need to address and make a priority at all school sites the acquisition of English and academic achievement of our English Learners. English Learners are one of the three main subgroups of LCAP, therefore they should be a priority in the implementations of instructional programs.

Recommendations as follows:

- The English Language Arts classes at the middle and high schools should be created to meet the needs of English learners. English Learners should be scheduled in cohorts so students with less knowledge of English could be in one class and students with better knowledge should be in another more advanced class. This will ensure that teachers can focus on their needs according to their English Proficiency levels.
- English Learners should be in smaller classes based on their English Proficiency Levels, and they can work better based on the academic needs of these students.
- Provide more support in mainstream classes for English Learners who have not met the reclassification criteria.
- It is necessary to schedule students in the English Language Development classes according to their English level regardless of small number of students in the class. Similarly in the (regular) English classes students should be grouped according to their corresponding English level.
- K-5 Schools should have free homework help within the school. Many families do not have access to transportation to get to homework centers.

- Equal Access to ACT/SAT prep courses of quality for Latinos/ African American /Whites of low income free/reduced lunch to be able to have a competitive edge for other colleges besides SMC or Cal States.

Priority 5: Pupil Engagement

It is important to continue our efforts to ensure that students attend school on a regular basis. We need to work together to decrease absenteeism, dropout and increase attendance and graduation of all student subgroups – including English learners.

Recommendations:

- There should be strong consequences for students if they miss school and are tardy on a regular basis.
- To continue with the program of sending letters and/or phone calls regarding tardiness and absenteeism. Many times we send/drop off our children on time and they do not go directly to class- It helps to ensure that they go straight to class.
- Public transportation assistance for students and parents is needed. Walking with multiple children or getting them to the doctor's or other appointments and back to school can be an expensive task. It becomes easier to keep them at home on those days. Also, without transportation it becomes harder to get them to homework help and other classroom assistance programs. Transportation assistance will also help in getting to school on time. Even with student monthly pass discounts, when one has multiple children it can be very costly to buy the passes.

Priority 6: School Climate (Suspension/Expulsion)

We all know students who are academically successful, are engaged in school and stay in school. We recommend that the district continue to focus on addressing the need to improve on decreasing suspensions and expulsions by:

- Increasing the number of ELs enrolled and being successful in courses required for graduation and UC/CSU courses requirements.
- Increasing academic support to elementary and middle school English Learners in order to overcome any academic deficits and build strong academic skills that will ensure their success in high school.

Priority 7: Course Access (AP, Honors, etc.) and Priority 8: Pupil Outcomes (grades in coursework)

We must provide access to ALL courses to ALL students. English Learners need additional supports to acquire English proficiency and be successful in A-G courses. In addition to those mentioned in Priority #4 we recommend:

- Increase in the % of ELs that are enrolled and successfully complete courses required for graduation and UC/CSU courses requirements
- Provide a 7th period or "z" period for English learners so that they can have access to electives and extracurricular activities. English Learners use their electives for ELD and
- Literacy Support courses.
- Increase the % of EL students enrolled in courses to advance their studies in their home language leading to AP classes and college credit.
- Assessments with accommodations sensitive to English Learners language development that assesses content not English language ability.

Budgetary Implications:

- The change to LCFF eliminates most of the categorical funds that provided supplementary support to English Learners such as ELD teachers, PD for teachers, Bilingual aides at the middle and high school level and materials. We support the use of LCFF to continue to provide the existing supplementary supports for English Learners and the recommendations of this report and those included in the LCAP.

HEALTH AND SAFETY DISTRICT ADVISORY COMMITTEE

Chair: Sion Roy

Staff Liaison: Tara Brown

2014-15 Charges:

- Monitor contemporary issues in health that have a direct impact on school age children
- Monitor issues that impact safety in SMMUSD schools
- Encourage developmentally appropriate best practices in health, nutrition and physical education
- Assist in the review and modification of the SMMUSD Wellness Policy and other district policies and practices impacting student health and safety
- Foster community partnerships that bridge student wellness, STEM academics and career opportunities in healthcare

Accomplishments to date:

- Ad-hoc committee was formed to advise on revising the Wellness Policy that met 8 times during the year and completed a first draft regarding Nutrition and Physical Activity. Their focus has been:
 - Nutrition
 - School Meals and Snacks (Food Services)
 - Marketing and Promotion of Foods and Beverages
 - Access to Free drinking water
 - Healthy breakfast
 - School gardens
 - Physical Activity
 - PE
 - Standards based PE curriculum
 - Accident/Injury prevention/Facility maintenance
 - Recess
 - Activities outside of school hours
 - Safe School Environment
 - Health Education
 - Health Services
- Toured conditions in the bathrooms and locker rooms at Malibu and Santa Monica High schools and met with custodial leadership to learn about issues regarding school infrastructure and maintenance.
- Hosted presentations from and engaged in subsequent discussion with:
 - Natasha Kingscote and Dr. Golden on the Santa Monica Cradle to Career Initiative
 - Orlando Griego from Food Services
 - Richard Mckinnon, Francie Stefan, and Scott Reiter MD for a Safe Streets presentation in regards to biking/walking to school-
 - Major messages- importance of continued district commitment to Bike it/Walk it Day and developing more safe routes to school; consider including education about Safe Streets in curriculum (perhaps as part of health curriculum)

Highlight(s) to date of particular note:

- Have had discussions on promoting vaccination in our community and published articles in local papers including the Santa Monica Daily Press (see below) and created an information document for the public
- Have had extensive discussions on assessing safety of conditions in our schools (see below for our recommendations and accompanying pictures)

Suggested direction for 2015-16:

- Continue focusing on Wellness Policy, guided by Ad-hoc committee
- Focus on the issue of vaccination in our community
- Continue focus on assessing the safety of the conditions of our schools
- Focus on fostering community partnerships that impact the health and safety of our students
- Focus on issues that deal with our community's Cradle to Career initiative and the Wellbeing project
- Focus on issues dealing with anxiety and depression in our schools

Budgetary Implications: None at this time.

Why your children should be vaccinated

By **Sion Roy** on February 21, 2015 in **Your Column Here**

We, the Santa Monica-Malibu Unified School District Health and Safety District Advisory Committee, strongly support the school district's efforts in educating the public regarding the importance of vaccination given the recent cases of measles we've seen in the district. The Health and Safety District Advisory Committee is composed of a group of community members and parents that advises the district on issues related to health and safety.

Measles is a highly contagious disease spread through coughing and sneezing. It can lead to serious complications like hearing loss (1/10 cases, can result in hearing loss), pneumonia (1/20 cases, most common cause of death), encephalitis (1/1000 cases, results from swelling of the brain), and even death (1/1000 cases). The disease is preventable with the Measles-Mumps-Rubella (MMR) vaccine and was thought to be eradicated in the United States since 2000 until several recent cases, which include the infection of a baseball coach at Santa Monica high school and an infant at a childcare center located on the high school's campus.

In our community immunization rates have fallen low enough that the disease has resurfaced. While there are those who are unimmunized due to medical reasons (people who are immunocompromised due to a medical condition or medical treatment, as well as infants under the age of 12 months who are not candidates because of their age), our community contains large numbers of unvaccinated children because parents have opted out of vaccinations because of personal belief. This has allowed our community to lose the protection of herd immunity and freedom from measles. Unfortunately, the children who are most threatened are unimmunized because of medical reasons, not parental choice.

Our committee supports our district's strong efforts to encourage parents to make sure that those children who can be vaccinated are vaccinated. Additionally, we look forward to any legislation that will lead to increased vaccination rates, including legislation recently proposed by former School Board member and our current State Senator Ben Allen that would eliminate the personal belief exemption for vaccines.

Sion Roy, MD, chairs the Santa Monica-Malibu Unified School District Health and Safety DAC.

Proposed Suggestions for District-Wide Campus Maintenance

Manageable workloads = higher productivity

- Increase number of supervisors - Site Supervisors must have manageable loads (one man serving Samohi and five other sites not reasonable - or have territory covering Malibu and North Santa Monica)
- Increase number of janitors on large sites (Samo, Malibu, Jams and Lincoln). Give employees eight hours to do an eight hour job (don't tell them they need to do it in five hours)
- Standards and accountability for how long (reasonable) it takes to do certain jobs

Training

- New custodians need training in all cleaning practices (not just wiping).
- Consistent/Ongoing training for all custodial staff on a schedule (quarterly, twice annually?)

Communication, Efficiency, Education and BMPs

- Implementation of modern tools (laptops or Smartphone for supervisors) equipped with programs that enable supervisors to track work at sites while on the job, without having to go to SMMUSD HQ to use computers
- Ability (on site) for janitors to report finished/unfinished work, electronically
- Simplified/efficient reporting procedures for staff /admin to report repairs
- Efficient procedures that allow follow-up of repairs (more janitors, supervisors?)
- SMMUSD to visit sites where they are doing it right (West LA College, Downey Unified. . .)
- Conduct WAXI, time and motion survey to determine reasonable work loads/tasks and time.
- Clear and reasonably outline work-loads for all

Ventilation

- Obvious issue at Samo and Malibu (possibly other sites). Are HVACs being maintained, filters changed regularly, where is this schedule and report?
- Conduct routine analysis of ventilation systems IAQ (Indoor Air Quality Assessment) to determine whether upgrade/fix/modifications are necessary or appropriate.

BMPs and

- We have been told that BMPs are in place, somewhat mislead, believing that these BMPs (Best Management Practices) had to do with **all** cleaning, but in fact, BMPs are **only in place for wiping surfaces**. Clear communication is necessary.
- What are the BMPs for wiping? Do we know how long it (reasonably) takes?
- Is there ample time for janitors to complete thorough cleaning tasks? What are the practices, expectations, time-table for other cleaning jobs, ie toilets, floors, bathroom walls, carpets? (Is this something WAXI would address?)
- Establish and implement BMPs for toilets, bathrooms, floors, carpeting, tile/hard surfaces. . .

Review Site Needs RE: Supplies and Budgetary Needs

- New BMPs have created greater need for supplies (we go through supplies at higher rate – need to have budget for demanded supplies.
- Janitors need proper tools to do their jobs efficiently.

Openness to Input and Change

- Willingness for higher ups to recognize what we are currently doing isn't working
- Willingness of higher ups to seek, hear and address input of employees on the ground and in the trenches (Supervisors and custodians)

- Seek and implement practices that SHOW they work and are effective

Board of Education Annual End of Year Written Report
2014-15**

INTERCULTURAL EQUITY AND EXCELLENCE DISTRICT ADVISORY COMMITTEE

Co-Chairs: Ericka Lesley & Gary Avrech

Staff Liaisons: Yusuf Allahjah & Aida Diaz

IEEDAC Charges:

- Support the district's work of closing the achievement gap by assisting in the identification and elimination of inequities in educational processes and outcomes of underserved students in district schools.
- Provide a forum for the articulation of ideas and activities being implemented in the district, school sites, and the greater community to successfully meet the needs of our diverse student and parent population.
- Provide input on district and school site efforts to facilitate the building of bridges of understanding between diverse student and parent populations so that all groups feel connected to, and part of the school community.
- Report to the Board annually, and on any other occasion as necessary, on the scope of their work, and recommendations that are developed relative to their charge.

Accomplishments to Date:

- The IEEDAC has an exemplary group of members that are now working well together.
- The Staff Liaisons are working with the IEEDAC to develop meeting Agendas, provide informative speakers, and help with our smooth operations.
- The IEEDAC voted overwhelmingly to recommend to the SMMUSD Board that The Village Nation Program receive full funding, appropriate facilities and logistical support to assure its successful implementation at Santa Monica High School for the 2015/16 school year.
- Noting that there are few African American Students in AP Science Classes, the IEEDAC agreed in principle to support SMC Professor Muriel Walker Waugh's desire to create a pipeline of students ages 14 1/2 and up, mostly from John Adams Middle School, to take STEM classes at SMC, with major representation of students of color. Six-week courses will require funding.
- IEEDAC Co-Chairs Ericka Lesley and Gary Avrech developed the "Accelerated Achievement Plan (AAP)" for student groups at SMMUSD most affected by the "Achievement Gap". This plan garnered the overwhelming support of the IEEDAC and Board Liaisons.
- The IEEDAC had informative presentations by Eva Mayoral, Principal of Santa Monica High School; Kitaro Webb, Ethnic Studies Teacher, Santa Monica High School; Dr. Joyce Watts, Co-Director of The Village Nation; Dr. Devon Smith, Faculty at John Adams Middle School; Muriel Walker Waugh, Professor of Chemistry, Santa Monica College; and Tina Weizinger, ACTSO Coordinator, NAACP.

Ad-hoc Committees Goals and Achievements:

The IEEDAC's Ad-hoc Committees attempted to probe and understand our own core values as members, in order to better serve the district and create a welcoming platform for increased membership on the committee itself, with the ultimate goal of assisting towards the elimination of inequities. "If the BOE and district leadership focus on a few, crucial goals, significant progress can be made closing achievement gaps." Therefore, the IEEDAC focused on three major areas for which Ad-hoc committees were formed. A) Increasing Engagement of Parents, Families, and Students; B. Improving the Academic and Social Success of Male Students of Color; and, C) Helping Students Become Global Citizens.

1. Community Conversations Ad-hoc Committee

Has attempted to provide forums for the articulation of ideas and activities being implemented in the district, school sites, and the greater community to successfully meet the needs of our diverse student and parent population, and to facilitate the building of bridges of understanding between diverse student and parent populations so that all groups feel connected to, and part of the school community, by helping to initiate and coordinate community conversations and public forums, while including participation of the extended community, such as local community leaders, the S.M. Human Relations Council, the Pico Neighborhood Association, the NAACP S.M.-Venice Branch, the Committee for Racial Justice, and/or other community organizations.

During Fall 2014, this ad hoc committee met twice to outline how community conversations could be designed and implemented to help reduce the SMMUSD's large and long-standing achievement gap. The Committee sent a letter on 12/17/14 to the Board asked for clarification of the mandate of our ad hoc committee because community conversations to some degree are already being run directly by the district. We believe that collaborative conversations (in which various groups work together) are more effective than parallel conversations (in which various groups work independently). During Spring, 2015, the ad hoc committee continued to offer its support and services to SMMUSD to help convene and publicize two community conversations (one for African-American parents and one for Latino parents). The Committee awaits clarification from the Board so that we may function more effectively next year.

2. Male Youth of Color Ad-hoc Committee

- A. Has attempted to "support the district's work of closing the achievement gap by assisting in the identification and elimination of inequities in educational processes and outcomes of underserved students in district schools," by identifying techniques used by others and by recommending programs that have proven to close the "Achievement Gap" by helping to build self-esteem, self-worth and positive cultural self-identity.
- B. Over the last year the IEEDAC's Male Youth of Color Ad-Hoc Committee met to discuss various approaches to collaborate with the SMMUSD. There has been extensive discussions regarding:
- C. Collaborating with The Village Nation to do a series of presentations at the high schools in the district. The logistics and scheduling would need to be worked out with each school, along with TVN. The committee voted to recommend that the full IEEDAC vote to recommend to the SMMUSD Board that it should support the full funding and implementation of The Village Nation program at Santa Monica High School for the 2015/16 school year.
- D. Conducting a survey of the all students in the district's middle and high schools about their perspectives on issues that are related to all male students. One of the questions would ask about their perspectives of issues they feel are specifically germane to males of color. Another question would ask about their own ethnicity and/or the ethnicity they identify with.
- E. Conducting a separate survey of all teachers and administrators in the district's middle and high schools about their perspectives on issues that are related to all male students. One of the questions would ask about their perspectives of issues they feel are specifically germane to males of color. Another question would ask about their own ethnicity and/or the ethnicity they identify with.
- F. Share results of these surveys and analysis with students, teachers, administrators and Board members.
- G. Hold public forums around the survey findings and analysis. At these forums allow space for participants to discuss and give feedback that will be collected, analyzed and published.

This Ad-hoc Committee is planning to continue these areas of focus in the coming year and expect to affect positive results in the area of academic achievement for young males of color.

3. Developing Global Citizens Ad-hoc Committee

Has attempted to "facilitate the building of bridges of understanding between diverse student and parent populations so that all groups feel connected to, and part of the school community," by helping to develop Global Citizens out of our students in an effort to help to close the "Achievement Gap" by broadening students' perspectives and views in the following ways: Acknowledge differences and similarities among various cultural groups; Empower students vis-a-vis their own cultural heritage; Help give students a feeling of self-worth and positive cultural identity; Help students see how they fit into a larger global perspective; Ease tensions related to misunderstandings over cultural differences; Engage students in such a way that they'll be able to see how other cultures operate; Help teachers develop a greater cultural proficiency; Provide education in a culturally competent and inclusive manner; and Engage families and the larger community. The Ad-hoc will also work towards expanding SAMOHI's Ethnic Studies Program, both at SAMOHI and throughout the SMMUSD.

The DGC Ad-hoc Committee hopes that the SMMUSD will implement a district-wide focus on Developing Global Citizens and is working on elements would make it up (Global Curriculum, Study Abroad & Exchange Programs, International Fairs and Events, Etc.).

The DGC Ad-hoc recommended that the SMMUSD conduct a survey of all SMMUSD school Principals AND another survey of all PTA Presidents (who served for last 5-6 years), to determine what are the best practices at SMMUSD Schools with regard to events and activities that have a global focus. The Ad-hoc is currently working on questions for those surveys

Note: In order to "support the district's work of closing the achievement gap by assisting in the identification and elimination of inequities in educational processes and outcomes of underserved students in district schools," and to "provide input on district and school site efforts to facilitate the building of bridges of understanding between diverse student and parent populations so that all groups feel connected to, and part of the school community," the Ad-hoc Committees, subject to approval of the full IEEDAC, may seek to gather information by recommending questions or lists of questions that they would like to be included in surveys administered by the SMMUSD or its representatives.

ACCELERATED ACHIEVEMENT PLAN FOR STUDENT GROUPS AT SMMUSD MOST AFFECTED BY THE "ACHIEVEMENT GAP"

A Discussion of the SMMUSD's Intercultural Equity & Excellence
District Advisory Committee Meeting on April 27, 2015

The following is an idea for helping to speed up the closing of the "Achievement Gap" for SMMUSD's Black and Brown Students. The main idea is to have several current and recommended programs and initiatives combined to provide a comprehensive approach to combatting the forces that lead to the "Achievement Gap", including Low self-esteem, Lack of self-identity, Lack of support and resources, etc.

I. Restorative Justice - A program that is designed to serve all students and staff, by focusing on fairness and equity in resolving daily issues that occur on school campuses.

A. At Samohi

B. At other SMMUSD Schools

II. The Village Nation Program - A program that is designed to help build self-esteem, self-value, and ethnic pride among Black students, that has a track record of success in closing the "Achievement Gap" at various schools.

- A. At Samohi
- B. At other SMMUSD High Schools

III. Expansion of Ethnic Studies Program - A program that is currently designed to educate students on the history and importance of the various cultures and ethnic backgrounds and communities that make up the population of the United States, while simultaneously helping to increase civic engagement among our youth.

IV. Mentoring Programs - Designed to provide mentoring to at-risk students in order to help and direct these students on a path towards future success with a focus on high school graduation and acceptance and achievement at a college or university.

- A. SMC Black Collegians
- B. SMC Adelante
- C. Fuerza Unida
- D. SMC Young Collegians

V. Community Conversations - With families of youth of color in SMMUSD Schools, focusing on parental/family support and encouragement; Tools and resources for greater student success; and proactive approaches to heading off impediments to student achievement. Saving our students from falling into the gap.

VI. Professional Development Training - By Dr. Pedro Noguera

Dr. Noguera, Professor of Education at New York University, advises faculty about how to actively engage students using theories of Culturally Responsive Pedagogy in the classroom and addresses closing the achievement gap and strategies that the faculty can adopt to contribute to the success of all students.

Pedro Noguera is the Peter L. Agnew Professor of Education at New York University. Dr. Noguera is a sociologist whose scholarship and research focuses on the ways in which schools are influenced by social and economic conditions, as well as by demographic trends in local, regional and global contexts. He has held tenured faculty appointments at the Harvard Graduate School of Education (2000-2003), where he was named the Judith K. Dimon Professor of Communities and Schools and at the University of California, Berkeley (1990-2000), where he was also the Director of the Institute for the Study of Social Change.

**District Advisory Committee
Board of Education Annual End-of-Year Written Report
2014-2015**

SPECIAL EDUCATION DISTRICT ADVISORY COMMITTEE

Chair: Lee Jones

Staff Liaison: Pam Kazee

2014-15 Charges:

The charge of the Special Education Care District Advisory Committee shall be to:

- A. Advise the Board of Education about attitudes, opinions and issues significant to the Special Education community
- B. Hold monthly meetings open to the public and provide Spanish translation when needed
- C. Act as a conduit for flow of information between the Special Education community at large and the Board of Education.
- D. Continue to bring parent's questions and concerns to the BOE regarding curriculum and programs in math, literacy, reading and autism.
- E. Provide a forum for District staff and other speakers to share information relevant to the Special Education community
- F. To enhance District-wide outreach to Special Education parents, continue the practice of rotating meeting locations to include school sites—2 presentations were made in 2015
- G. To address topical concerns utilizing subcommittees, either Ad Hoc and/or Standing Committees, as defined by the Brown Act
- H. Continue to review the Special Education budget with the District's Chief Financial Officer utilizing CFO's recently created Special Education specific reporting format

Charge One

Collaborate with district staff on providing oversight of distribution to SE parents of the annual Special Education Parent Survey reported by K-12 Insight:

- **SEDAC members met with Dr. Deloria to review and revise questions on the SE Parent Survey.**

Charge Two

Update and expand the pre-school eligibility assessment, placement and program information for the pre-school section of The Parent Handbook. If time allows, begin update of remainder of The Parent Handbook

- **Ongoing**

Charge Three

Continue oversight of the parent-to-parent transition plan, "High School Has Ended...Now What?" for high school students by following the distribution to parents and high school students 8th – 12th grades. All new students with IEPs should receive a copy. Update contact information where needed

- **Ongoing**

Charge Four

Through a member of SEDAC who is appointed to the LCAP Committee, we will continue to review information and assist in increasing communication with parents regarding District programs, LCFF (Local Control Funding Formula), Common Core and the Vision for Student Success and how they each will affect Special Education Services in the District.

- **Two members of SEDAC were on the LCAP committee this year.**

Charge Five

Provide outreach through various channels to make SE parents aware of the work SEDAC does and know it is a place where they can help address issues related to students with IEPs. The

goal is to increase membership and diversity, through community activity, social connections and informational forums.

Highlights to date of particular note:

Two presentations were given this year:

1. The Brain & Reading by Dr. Stella de Bode who is Science Officer of Brain Recovery Project (non-profit) and a member of SEDAC. She also teaches reading at an inner-city school. She is working on the theory of reading, reading remediation and brain in both healthy children and children after major cerebral insult and surgery. (1/29/15)
2. SEDAC member, Rachel Taylor, presented Westside Regional Center's Pre-School Power Point. WRC was interested in parent feedback on their draft of an updated preschool summary. Rachel reported comments back to WRC.

Recommendations / Suggested direction for 2015-2016:

- A. Advise the Board of Education about attitudes, opinions and issues significant to the Special Education community
- B. Hold monthly meetings open to the public and provide Spanish translation when needed

**District Advisory Committee
Board of Education End-of-Year Report
2014-15**

VISUAL AND PERFORMING ARTS DISTRICT ADVISORY COMMITTEE

Chair: JANIS GABBERT

Staff Liaisons: DR. ELLEN EDEBURN and TOM WHALEY

2014-15 Charges:

- **Support** a comprehensive PreK-12 arts education program as an integral part of the core curriculum offered to all SMMUSD students, with the arts taught as discrete disciplines as well as integrated into other subject areas.
- **Serve** as a vehicle for parents, teachers, students and community members to inform, suggest and make recommendations to the Board of Education on matters related to equitable access and successful participation in comprehensive, sequential, standards-based PreK-12 arts education.
- **Review**, monitor and report to the Board of Education, current SMMUSD Visual and Performing Arts program data (Dance, Music, Theatre and Visual Arts) and progress in the District's implementation of the Board-adopted Arts for All Strategic Plan.
- **Improve** communication among the District, parents and the community regarding the District's VAPA programs, particularly with underserved populations, and develop a VAPA network of those with experience or interest in the arts.
- **Coordinate** with the School District regarding photos, videos, and recordings in order to publicize and archive VAPA events on <http://smmarts.info>.

I. Accomplishments to date in meeting the charges:

- The VAPA DAC has held monthly meetings since August and served as a conduit for parents, teachers, students and community members to communicate with the Board of Education.
- It monitors district progress in implementing the SMMUSD Arts for All Strategic Plan to provide equitable access for all students, at all grade levels, to high quality instruction in dance, music, theatre, and visual arts. In doing so, the DAC has reviewed the district's Fall 2014 VAPA course offerings to assess whether students had equitable access to comprehensive, sequential, standards-based TK-12 Arts Education.
- VAPA DAC member D'Lynn Waldron continued to maintain the <http://smmarts.info> web site, to coordinate with the school district regarding photos, videos, and recordings, in order to publicize and archive VAPA events.
- VAPA DAC Chair Janis Gabbert has designed a new complementary VAPA DAC **calendar** web site at <https://vapadacsmmarts.wordpress.com/visual-and-performing-arts-calendar-2/>

II. Highlights to date of particular note since June 2014:

Dance:

- All 5th graders at 10 of the 11 elementary schools received dance instruction during the Fall 2014 semester from **Ballroom Madness**. The culmination Team Match Dance-off was held on December 19, 2014 at Barnum Hall, with all 5th graders in attendance.

 - Jazz Band (Santa Monica High School)

F. Partnerships with Non-District Benefactors

1. P.S. ARTS contributed \$158,750 toward the expanded TK-5 VAPA programs in the elementary schools for 2014-15. The total cost of the TK-5 VAPA programs was \$715,938. SMMEF contributed the additional \$557,188. Schools were able to select from various music, theater and visual arts rotations in 2014-15.
2. The **Santa Monica Malibu Education Foundation** funded arts programs at SMMUSD schools totaling **\$346,000** in 2014-15.
 - a. SMMEF's **For The Arts Endowment** funded the
 - Robert Gilliam dance classes at John Adams, Lincoln, Malibu, and SMASH Middle Schools, as well as Malibu and Olympic High Schools;
 - Visual Arts grants for all secondary arts teachers;
 - Music Performance and Guitar classes at Olympic High;
 - after-school Theatre programs at John Adams & Lincoln Middle Schools;
 - Theatre programs at Malibu, Olympic, & Samohi.
 - b. SMMEF also funded:
 - recorders for all 3rd graders;
 - Dream Strings, Dream Winds and Dream Voice programs at the four Title I elementary schools and two Title I feeder middle schools.
 - c. The **Peggy Bergmann Arts Endowment Fund** in memory of John and Lenore

- Bergmann funded the following in 2014-15:
- Instruments for socio-economically disadvantaged students throughout the District (SMMUSD recently purchased nearly \$60,000 in instruments);
 - Semi-private lessons for socio-economically disadvantaged students throughout the District. These lessons began in January 2015 and 310 students were able to take lessons.
3. The following is a partial list of other organizational partners that supplemented or enhanced the VAPA programs at one or more schools:
- City of Santa Monica Cultural Affairs Division
 - Ella Fitzgerald Foundation
 - Flourish Foundation
 - Gail Dorin Music Foundation
 - Los Angeles County Arts Commission
 - Los Angeles Philharmonic
 - Malibu Arts Angels
 - Margaret Cavigga Trust
 - Morgan-Wixson Theatre Y.E.S. program
 - New West Symphony
 - Orchestra Santa Monica Woodwind Quintet
 - Santa Monica-Malibu PTAs
 - Santa Monica Arts Parents Association
 - Santa Monica Bay Area Human Relations Council
 - Santa Monica City Council
 - Santa Monica College: The Broad Stage and the Dual Enrollment Program
 - Santa Monica Daily Press
 - Santa Monica Kiwanis
 - Santa Monica Museum of Art
 - Santa Monica-Palisades Masonic Lodge #307
 - UCLA Semel Institute
 - VeniceArts
 - Virginia Avenue Project
 - Writers Guild Foundation

G. Arts for All

In 2014-15, the Los Angeles County Arts Commission *Arts for All* program granted \$21,400 to SMMUSD to help fund the 5th grade Ballroom Madness program.

H. Current VAPA programs

1. Elementary Dance

- 34% of TK-5 students received at least 9 district-funded Dance classes per year (not including stretch grants). For example:
- 3rd graders at all 11 elementary schools received 2 weeks of dance instruction during the P.E. schedule from Music n' Motion in 2014-15.
- 5th graders at all elementary schools received dance instruction from Ballroom Madness in Fall 2014 (20 lessons over a 10-week period). SMASH 5th graders participated in the Robert Gilliam dance program, funded by SMMEF.

2. Secondary Dance

- There were no district-funded Dance classes at Lincoln Middle School, Malibu Middle School, SMASH, Malibu High School, or Olympic High School in 2014-15.
- John Adams Middle School offered one district-funded Dance class in 2014-15. **However, JAMS was not able to present a Dance Showcase in 2014-15 due to the JAMS auditorium not being available.**

- Lincoln Middle School PTSA continued to fund the UCLArts and Healing's "Chance To Dance" program, a therapeutic dance class for the Special Education students in Mr. DeWig's class.
 - ROP funded five Dance classes at Santa Monica High School for 2014-15. **ROP funding from the state is ending in June 2015.**
 - SMMEF funded the Robert Gilliam dance program, which provided once-a-week instruction as part of the P.E. program at John Adams, Lincoln and SMASH Middle Schools, and at Malibu and Olympic High Schools. Students don't receive performing arts "credit" for these Dance classes as they are taught only once a week during P.E.
- 3. Elementary Music**
- **56% of the TK-2 students** received ten 30-minute music classes from **P.S. ARTS** in 2014-15 (not including stretch grants). TK-2 students at Franklin, Grant, Pt. Dume, Roosevelt, and Webster received Music instruction. Cabrillo, Edison, McKinley, Muir, SMASH, and Will Rogers chose to focus on Theatre and/or Visual Arts instruction.
 - **All 3rd, 4th, and 5th graders** received district-funded music instruction from credentialed music teachers. All elementary schools presented well-attended "informances" or concerts during Fall 2014 as well as spring concerts in 2015.
 - The Gail Dorin Music Foundation, the Ella Fitzgerald Charitable Foundation, and the Santa Monica/Malibu Education Foundation funded the **Dream Strings**, **Dream Winds**, and **Dream Voice** programs to provide music coaches for music students at the Title I elementary schools and the middle schools.
- 4. Secondary Music**
- During 2014-15, students at Olympic High School studied music with Mark Harris of the band Venice (funded by SMMEF).
 - All middle schools (John Adams, Lincoln, Malibu, and SMASH), as well as Malibu and Santa Monica High Schools presented well-attended, high quality fall/winter band, choir, and orchestra concerts as well as spring concerts in 2014-15.
 - **The John Adams Middle School Auditorium was unusable in 2014-15. The Division of the State Architect evaluated the building in February 2015 to determine what repairs were needed. As a result, the JAMS band, choir, and orchestra spring concerts had to be presented at Barnum Hall.**
 - The Santa Monica High School Viking Marching Band participated in the Santa Monica 4th of July Parade and performed in field show tournaments and at Samohi football team home games at SMC's Corsair Field during Fall 2014.
 - The Samohi Jazz Band I, II, and Combo performed at Typhoon Restaurant in January 2015 and at the Catalina Jazz Club in May 2015.
- 5. Elementary Theatre**
- **62% of TK-5 students** received Theatre instruction from **P.S. ARTS** in 2014-15 (not including stretch grants). TK-2 students at Edison, Franklin, Grant, Pt. Dume, Roosevelt, SMASH, and Webster, and students in grades 3-5 at Edison, Franklin, Pt. Dume, Roosevelt, SMASH, and Webster received either 10, 15 or 30 weeks of Theatre instruction.
 - The Morgan-Wixson Theatre Y.E.S. program was available for district elementary schools in 2014-15.
- 6. Secondary Theatre**
- There were no district-funded Theatre programs at John Adams, Lincoln, or SMASH Middle Schools in 2014-15.
 - The district-funded Theatre programs at Malibu Middle School, Malibu High School, and Santa Monica High School continued in 2014-15.
 - Since 2010-11, SMMEF has co-funded with the JAMS and Lincoln PTSA an after-school Theatre program at those two schools. It has also supported the "for credit" Theatre programs at Malibu Middle, Malibu High, and Santa Monica High

School.

- **ROP funding from the state for Professional Acting and Stagecraft Technology at Malibu High School, and for Technical Theater at Santa Monica High School, will end in June 2015.**

7. Elementary and Secondary Visual Arts

- **91% of TK-5 students** received either ten, fifteen, or thirty Visual Arts lessons from **P.S. ARTS** for 2014-15 (not including stretch grants). Edison focused its P.S. ARTS funding on 30 weeks of bilingual Theatre instruction.
- On January 29, 2015, the **3rd Annual District-wide Art Show** opened in the Roberts Art Gallery at Santa Monica High School.
- Artwork by Malibu Middle School and High School students is posted at www.MalibuHigh.org/arts_gallery – Artwork by Santa Monica High School students is posted at: <http://www.samohi.smmusd.org/art/index.htm>
- **ROP funding for approximately 17 Digital Design, Film & Video, and Photography classes at Malibu High and Samohi will end in June 2015.**

I. Communication

1. **Archive of VAPA events** – Information about the district’s Visual and Performing Arts programs is communicated to the public, with school concerts, plays, musicals, dance performances, and art exhibits posted at <http://smmarts.info>
2. **DAC VAPA calendar** – A new web site was developed in 2014-15, with monthly calendars as well as posters for upcoming district VAPA events: <https://vapadacsmmarts.wordpress.com/visual-and-performing-arts-calendar-2/>
3. **Media Coverage** – VAPA events and accomplishments during the **2014-15** school year have been reported in the *Malibu Patch*, *Malibu Surfside News*, *Santa Monica Daily Press*, *Santa Monica Dispatch*, *Santa Monica Mirror*, *Santa Monica Next*, *Santa Monica Patch*, *Santa Monica Star*, and *The Palette* (the City of Santa Monica Cultural Affairs Division weekly e-blast).
4. **Documentary film** – The documentary “**Big Voice**” screened at Barnum Hall on May 7, 2015. Directed by a former Samohi parent, Varda Bar-Kar, it documents a year in the life of Santa Monica High School choir students and their teacher, Jeffe Huls.

III. Suggested direction for 2015-16:

- **Establish a district-wide electronic system to identify the “opt-outs” from use of individual student likenesses in showcasing the district’s VAPA programs.**
- **Maintain the Board and District commitment to the SMMUSD Arts for All Strategic Plan**, adopted unanimously by the Board of Education in 2005, even if it takes longer to achieve than originally anticipated.
- **VAPA Coordinator** – Maintain the VAPA Coordinator position, one of the five critical components of a sustainable arts education program. Our district is eligible for certain grant funding because we have an administrative level coordinator in place.
- **VAPA Department budget:** Restore the former \$50,000 instrument maintenance and piano repair budget.
- **Maintain funding for the P.S. ARTS program in the elementary schools for the 2015-16 school year.**
- **Maintain funding for the VAPA classes at the high schools that have been funded in the past by ROP.**
- **All students at all grade levels should have access to instruction in all four arts disciplines.**
 - a. **Music** – Maintain the district-wide Elementary Music program, currently serving grades 3, 4, and 5. It is the foundation of the entire district music program. To provide equitable access to arts instruction across the district, increase the percentage of TK-2 students receiving music instruction from 56% in 2014-15 to 100%. To provide equitable access to arts instruction across the district, add a district-funded choir

- accompanist at SMASH Middle School, and explore offering more than one level of instrumental music instruction at SMASH Middle School.
- b. **Theatre** – Identify funding to maintain the current ROP Professional Acting and Stagecraft Technology classes at Malibu High School, as well as the Technical Theater class at Santa Monica High School. Maintain the current secondary Theatre programs at Malibu Middle, Malibu High School, Olympic High School, and Santa Monica High School, as well as the after school programs at Lincoln and John Adams Middle Schools that are co-funded by SMMEF and the PTSAs. To provide equitable access to arts instruction across the district, add district-funded Theatre classes at Johns Adams, Lincoln, and SMASH Middle Schools. To provide equitable access to arts instruction across the district, increase the percentage of TK-5 students receiving Theatre instruction from 62% in 2014-15 to 100%.
 - c. **Visual Arts** – Identify funding to maintain the ROP Digital Design, Film & Video Production, and Photography classes at Malibu High and Santa Monica High School. Maintain the current secondary Visual Arts programs at John Adams and Lincoln Middle Schools, Malibu High School, Olympic High School, and Santa Monica High School. To provide equitable access to arts instruction across the district, increase the percentage of TK-5 students receiving Visual Arts instruction from 91% in 2014-15 to 100%.
 - d. **Dance** – Identify funding to maintain the ROP Dance classes at Malibu High and Santa Monica High School. Expand school dance instruction in the elementary schools to additional grade levels. Maintain the district-funded dance classes at John Adams Middle School and Santa Monica High School. To provide equitable access to arts instruction across the district, add district-funded Dance classes at Lincoln, Malibu, and SMASH Middle Schools and at Malibu High. To provide equitable access to arts instruction across the district, increase the percentage of TK-5 students receiving Dance instruction from 34% in 2014-15 to 100%.
 - **Scheduling** – Provide equitable access to AM classes and summer school classes, including summer school classes in the arts. This is important for 9th and 10th graders at Samohi, for students at Lincoln Middle School, and for students at John Adams Middle School who participate in the Spanish immersion and AVID programs. It serves those students who otherwise might not be able to fit these classes into their schedules, and encourages their successful participation in arts classes, foreign language classes, and sports. **There was a shortage of summer school classes in 2014 at Santa Monica High School.**
 - **High school graduation requirements – Change Board Policy 6146.1** – High School Graduation Requirements – to include at least one year of visual and performing arts classes **and** one year of a foreign language.
 - **Facilities – The John Adams Middle School Auditorium has been unusable since Fall 2014. Performing arts classes (Dance, Music, and Theatre) require standards-based performance venues.** Ensure that any VAPA facilities built with Measure BB funds are constructed according to national *Opportunity-to-Learn Standards for Arts Education* and the district's own VAPA facilities guidelines, adopted in 2000.
 - **Budget Deliberations** – When discussing budget cuts, the VAPA DAC urges the Board of Education to avoid eliminating entire curriculum areas, such as Elementary Dance, Music, Theatre, and Visual Arts.

IV. **Budgetary Implications:**

- The VAPA DAC strongly recommends **increasing** current funding for district-funded VAPA programs, which are an integral part of core curriculum.
- The VAPA DAC is particularly concerned that:
 1. ROP VAPA classes might be eliminated at the high schools and recommends that the district identify sustainable funding for these programs. In 2014-15, 873 students participated in all of the ROP programs district-wide.

2. TK-5 VAPA programs provided in 2014-15 by P.S. ARTS might be eliminated and recommends that the district identify sustainable funding for these programs.
-

The National Core Arts Standards have been posted since June 2014 at:

<http://www.NationalArtsStandards.org/> – The National Coalition for Core Arts Standards, a partnership of organizations and states, led the revision of the 1994 National Standards for Arts Education. Media Arts was added to Dance, Music, Theatre, and Visual Arts. The leadership team consisted of representatives from the American Alliance for Theatre and Education, Arts Education Partnership, Educational Theatre Association, National Art Education Association, National Association for Music Education, National Dance Education Organization, State Education Agency Directors of Arts Education, The College Board, and Young Audiences.

The California Department of Education lists the skills, knowledge, and abilities in Dance, Music, Theatre, and the Visual Arts that all students should be able to master here:

RE: PUBLIC HEARING – ASSIGNED AND UNASSIGNED FUND BALANCES
ABOVE THE STATE RECOMMENDED MINIMUM LEVEL

RECOMMENDATION NO. A.21

It is recommended that the Board of Education hold a public hearing on the matter of the combined assigned and unassigned ending fund balance in excess of the minimum recommended reserve for economic uncertainties. The hearing is scheduled for September 2, 2015.

COMMENT: Beginning in 2015-16, districts with budgets that include a combined assigned and unassigned ending fund balance in excess of the minimum Reserve for Economic Uncertainties (REU) must disclose this information at a public hearing. Pursuant to Education Code Section 42127(a)(2)(B)(C), the district's governing board must also include this information each time it files an adopted or revised budget with the county superintendent and make it available to the public.

Although the District held a public hearing on the 2015-16 budget on June 24, 2015, that included the intended purpose of the projected fund balance on the multi-year projection, the County Office of Education is asking the district to hold another public hearing specifically to comply with Ed Code Section 42(2). There is no action required by the Board. This public hearing does not impact the adoption of the budget on June 29, 2015.

There are multiple benefits to carrying higher than minimum reserves. These include:

- Financial flexibility to absorb unanticipated expenditures without significant disruption to educational programs
- Protection against exposure to significant one-time outlays such as disasters, lawsuits or material audit findings
- Protection against the volatility of state revenues
- Protection against the volatility of property tax revenues for basic aid districts
- Cash management / avoiding the cost of borrowing for cash flow purposes
- Protection against declining enrollment
- Protection against the expiration of parcel taxes

This is not an exhaustive list. Of all the reasons for carrying higher than minimum reserves, protecting against state revenue volatility is one of the most compelling. This is especially true during LCFF implementation, because gap percentage funding is directly tied to the State's ongoing ability to fund the LCFF through Proposition 98 growth. Most importantly, by providing a buffer from volatile state revenues, maintaining higher than minimum reserves creates a more stable educational environment for students.

Attached for the board and public is the multi-year worksheet included with the June 24, 2015 public hearing information for the adoption of the 2015-16 budget.

Also attached is a suggested format to format to explain the purposes of the reserves. All information in this item is as of the June 24, 2015 public hearing. As staff has completed our year-end process for 2014-15 and has updated information, you will notice a difference in Item A.22 [Unaudited Actuals Financial Report] on this meeting's agenda related to the 2014-15 Unaudited Actuals Financial Report. The next item should be considered as the most current information. This item only completes a requirement for the June adoption.

RECOMMENDATION NO. A.22

It is recommended the Board of Education approve the 2014-15 Unaudited Actual Financial Report and staff recommendations for fund balances reservations.

COMMENTS: California Education Code §42100 requires the governing board of each school district to provide the county office of education a report of all revenues and expenditures for the preceding fiscal year. This report must also include any resulting corrections to the current year (2015-16) adopted budget. Although the prior fiscal year formally ended on June 30, final accounting tabulations are not generally completed by the District and the LACOE until the end of August. It is noted that all data contained in the attached report will be subject to final audit by the District's independent auditing firm of Christy White Accountancy Corporation.

The purpose of this agenda item is to present the final results of operation for the 2014-15 fiscal year. The information is presented in the format required by the state. Staff will be presenting a more user-friendly version of the information to the Board at the meeting. The PowerPoint presentation should be available on the District web site early next week.

Highlights from the 2014-15 Unaudited Actuals

General Fund Ending Balance 2014-15

- 1) **Unrestricted Funds** – The Unrestricted General Fund ending balance (inclusive of a Board-approved 3% Reserve for Economic Uncertainties, revolving cash, warehouse inventory, school site and District carryover funds, etc.) is currently reported to be \$31,534,918.82.
- 2) The components of that \$31,534,918.82 Ending Balance include the following:

Stores-Revolving Cash-Prepaid	\$ 118,311
Reserve for Economic Uncertainties	\$ 3,971,305
Assignments of Fund Balance	
Prior Year Encumbrances/Carryovers	\$ 229,347
Carryover for VSS & LCAP programs	\$ 635,852
Reserve for OPEB Liability	\$ 1,000,000
Reserve for One-time Fund	\$ 6,420,240
2016-17 Deficit Spending	\$ 1,184,343
2017-18 Deficit Spending	\$ 454,195
Total Designations	\$ 13,947,593
Undesignated/Unappropriated Balance	\$ 17,521,326

- 3) The Unrestricted General Fund balance was approximately \$8.4 million higher than expected when the Estimated Actuals were prepared with the 2015-16 Budget document in June 2014.

The balance of \$8.4 million can largely be explained by the following:

Additional LCFF Funds (Property Taxes)	\$ 6,434,480
Unspent Special Ed Expenditure Budget	\$ 791,778
Carryover VSS & LCAP budgets	\$ 635,852
Rollover Encumbrances	\$ 229,347
Unspent Site Budgets	\$ 300,000

Restricted Funds – The Restricted General Fund accounts for the remaining categorical funds and local resources. The ending balance for that portion of the General Fund was approximately \$1.9 million higher than projected in June. This is a result of categorical and local carryovers and will be used in those specific resources.

- 4) Staff has asked representatives from School Services of California (SSC) to be available at the Board meeting to explain a nuance of the LCFF formula that is causing higher than expected revenue related additional property taxes the District is receiving.

Public Comments:

- *Ann Thanawalla addressed the board regarding this item.*

Ms. Maez’s presentation can be found under Attachements at the end of these minutes.

Staff answered board members’ questions regarding how fluctuations in property taxes due to RDA residual funds have and will affect our district’s budget. There were additional questions regarding how this might affect: class sizes; the interdistrict permit policy; and a Santa Monica USD should Malibu unify into a Malibu USD. The Superintendent’s Budget Committee could be repurposed to examine the implications and make recommendations to staff. Dr. Escarce suggested the board conduct its annual review of the interdistrict permit policy earlier than January, perhaps in November.

RE: ADOPT RESOLUTION NO. 15-04 – GANN AMENDMENT

RECOMMENDATION NO. A.23

It is recommended that the Board of Education approve Resolution No. 15-04 – District Appropriations Limits for 2014-15 and projected Limits for 2015-16.

COMMENT: Under the Gann Initiative, which was passed by the State electorate as Proposition 4 in 1979, all agencies of the State must calculate an appropriations limit which cannot be exceeded on a year-to-year basis. The formula for the calculation is statutorily set. Perhaps the easiest way to understand this calculation is to envision the dollar amount of your district's Gann Limit as a box. For example, if your current year Gann Limit is \$50 million, picture a box that can hold \$50 million. First, put into this box local property taxes that count toward your revenue limit, as well as an appropriate portion of your district's interest income. Next, pour all of the district's unrestricted state aid into this box. Under state law, the amount of state aid that fills up the box counts toward your district's Gann Limit, while the amount that overflows the box counts toward the state's Gann Limit (Government Code Section [G.C.] 7906). In addition, all state aid for categorical programs always counts toward the state's Gann Limit.

Local property tax and state aid funds that the District received in 2014-15 did not exceed the calculated limit. The resolution attached reflects that for the 2014-15 and 2015-16 fiscal years, the limitation imposed by Proposition 4 have not nor will be exceeded.

The report detailing the calculation is attached.

RESOLUTION NO. 15-04

DISTRICT APPROPRIATIONS LIMITS FOR 2014-15
AND PROJECTED LIMITS FOR 2015-16

WHEREAS, in November of 1979, the California Electorate did adopt Proposition 4, commonly called the Gann Amendment, which added Article XIII-B to the California Constitution; and,

WHEREAS, the provisions of that Article establish maximum appropriations limitations, commonly called "Gann Limits", for public agencies, including school districts; and,

WHEREAS, the District must establish a revised Gann Limit for the 2014-15 fiscal year and a projected Gann Limit for the 2015-16 fiscal year in accordance with the provisions of Article XIII-B and applicable statutory law;

NOW, THEREFORE, BE IT RESOLVED that this Board does provide public notice that the attached calculations and documentation of the Gann Limits for the 2014-15 and 2015-16 fiscal years are made in accord with applicable constitutional and statutory law;

AND BE IT FURTHER RESOLVED that this Board does hereby declare that the appropriations in the Budget for the 2014-15 fiscal year does not exceed the limitations imposed by Proposition 4;

AND BE IT FURTHER RESOLVED that this Board does hereby declare that the appropriations in the Budget for the 2015-16 fiscal year do not exceed the limitations imposed by Proposition 4;

AND BE IT FURTHER RESOLVED that the Superintendent provide copies of this Resolution along with the appropriate attachments to interested citizens of this District and the State Department of Finance.

Passed and adopted by the Board of Education of the Santa Monica-Malibu Unified School District, Los Angeles County, State of California, this 2nd day of September 2015.

In 2013-14, the District understated the revenue of "MINIMUM STATE AID GUARANTEE", so the District's calculation of LCFF State Aid was \$6,602,080 under than the guarantee's amount.

RE: ADOPT RESOLUTION NO. 15-05 – NOMINATING SENATOR BEN ALLEN FOR THE CALIFORNIA SCHOOL BOARDS ASSOCIATION (CSBA) OUTSTANDING FRESHMAN LEGISLATOR AWARD

RECOMMENDATION NO. A.24

It is recommended that the Board of Education adopted Resolution No. 15-05 – Nominating Senator Ben Allen for the California School Boards Association (CSBA) Outstanding Freshman Legislature Award.

COMMENTS: For the past 29 years, CSBA has honored current members of the state Senate and Assembly who work actively to improve public schools, support local school board governance and exercise leadership in the legislative arena. CSBA encourages all school boards and county offices of education to participate in this program by nominating a member of the California State Legislature, the California Congressional delegation, federal/ state elective or appointed office for a CSBA 2015 Legislative Award.

SANTA MONICA-MALIBU UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

RESOLUTION NO. 15-05 – NOMINATING SENATOR BEN ALLEN FOR THE CALIFORNIA SCHOOL
BOARDS ASSOCIATION (CSBA) OUTSTANDING FRESHMAN LEGISLATOR AWARD

WHEREAS, Senator Allen was elected to the SMMUSD Board of Education in 2008, served six years, and held the positions of President and Vice President. While President, he helped shepherd through a \$385-million local school bond measure designed to provide safer, healthier, and state-of-the-art learning environments. He also helped lead negotiations with the City of Santa Monica that increased funding for schools, efforts that increase all SMMUSD students' access to opportunities to succeed.

WHEREAS, Senator Allen continues to make public education a priority, serving on the Senate Budget and Fiscal Review Subcommittee on Education; and

WHEREAS, as a freshman Senator, Senator Allen has authored the following legislation that directly impacts the lives of California's students:

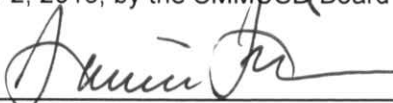

- **Senate Bill 277** – *Vaccines (co-authored with Senator Pan) (signed by the Governor June 2015)* – High rates of unvaccinated students in many schools has led to outbreaks of communicable diseases that were eradicated decades ago, such as measles. SB 277 will reduce the number of unvaccinated students by eliminating the "Personal Belief Exemption" from current law, which has allowed children to attend school without the required immunizations. This change will protect students from exposure to potentially deadly diseases.
- **Senate Bill 652** – *Common Core science curriculum (signed by the Governor August 2015)* – The new Next Generation Science Standards will revolutionize the way students learn and align with new Common Core standards. SB 652 will help to ensure the success of the science curriculum by allowing an additional year for the curriculum framework and instructional materials criteria to be adopted.
- **Senate Bill 380** – *Topline Teacher Recruitment Act* – To encourage California's best and brightest to enter the teaching profession, SB 380 creates a program to recruit top high school seniors by offering them a full merit scholarship to a public college or university, in return for a five-year commitment to teach in a public high school.
- **Senate Bill 434** – *Property tax fairness* – SB 434 requires mobile homes purchased prior to 1980 that are completely rebuilt on a foundation system to be taxed at the same rate as other permanent homes.
- **Senate Bill 447** – *Community clinic reimbursements* – SB 447 streamlines the application process for primary care clinics enrolling in California's Medi-Cal and Family Planning, Access, Care, & Treatment (FPACT) Programs, allowing new clinics to see patients more quickly and ensure that these clinics are fairly reimbursed for their services. It will also reduce state administrative costs by consolidating duplicative enrollment processes within the Department of Public Health (DPH).
- **Senate Bill 460** – *English language learners* – This bill enables school districts to continue to receive supplemental funding for English language learners for two years after they are redesignated as no longer English language learners, or until statewide redesignation standards are implemented.
- **Senate Bill 786** – *Career technical education* – This legislation will provide funding stability to regional occupational centers, such as the Southern California Regional Occupational Center, by authorizing them to participate in newly formed Adult Education consortiums.

NOW, THEREFORE, BE IT RESOLVED that the Santa Monica-Malibu USD Board of Education hereby nominates Senator Ben Allen for the CSBA 2015 Outstanding Freshman Legislator Award.

BE IT FURTHER RESOLVED that a copy of this resolution be transmitted immediately to CSBA.

**Commendation for Collaborative
Parent Engagement Efforts:**
School Smarts Parent Academy

September 2, 2015

School Smarts Program Objectives

- ✓ Foster parent engagement in schools
- ✓ Support parents as children's first teachers
- ✓ Develop future parent leaders
- ✓ Encourage parents to advocate for a complete and quality education that includes the arts

School Smarts Academy Session Topics

1. Parent Involvement
2. Preparing for a lifetime of learning
3. Understanding our Education system
4. Understanding our school
5. Becoming an effective communicator
6. Standing up for quality education
7. Taking action/ celebration

Benefits of School Smarts Academies:

Improved understanding of K-12 System

Greater willingness and desire to attend school-wide meetings and demonstrate leadership

Greater sense of community from parents of diverse backgrounds

Develop relationships with school personnel

Greater participation in decision-making bodies (e.g. LCAP)

Graduates go on to serve as leaders in PTA and other school and district committees

Role of our Bilingual Community Liaisons as Facilitators

- Develop relationships with parents and caregivers
- Engage parents who may not feel part of the school community
- Encourage and recruit participants for the School Smarts Parent Academy
- Facilitate School Smarts Academy sessions

Edison

Group Action Plan: Edison graduates will participate in groups to keep fellow parents informed on how to support the education of their children.

Cabrillo

Group Action Plan: Recruit fellow parents to become actively involved in general school activities and PTA.

**Several SS graduates took on PTA positions*

Roosevelt

Group Action Plan: Participate in LCAP committee and become involved with school site council and PTA.

Muir

Group Action Plan: Advocate for free homework assistance K-5 with an emphasis on equity and access for all students.

McKinley

Group Action Plan: Take on leadership positions at school and district level committees. For example; PTA, English Learners Committee (ELAC) and African American Support Group (AASG). Become more involved in their child's education (e.g. reaching out to their child's teacher, be part of Parent-Teacher Conference, volunteer and make sure students are at school every day).

Franklin

Group Action Plan: Start a Parent Support Group for parents who are unable to participate in regular PTA meetings/events due to work schedules. Incorporate Parent Support group within existing Parent Ed group to identify and offer topics of interest.

Grant

Group Action Plan: Assist with the 5th Grade Promotion. Participate more in Fall Festival to make it more *international* and run interactive art activity booths. Develop and present a proposal for the principal requesting before/after school support for students who need extra support.

Rogers

Group Action Plan: Organize a support/homework club for English Learners. Support school events and volunteer at school.

Parent Engagement Plan 2015-2016

- School Smarts Parent Academy
- Pathway Parent Engagement sessions (inspired by School Smarts)
- Growing student and adult *mindfulness* Skills

2015-16 UNAUDITED ACTUALS

Janece L. Maez
Associate Superintendent,
Business and Fiscal Services
Chief Financial Officer

Agenda Item A.22.

2

What are Unaudited Actuals?

- Year-end financial statements as of June 30th using the State format known as SACS (State Account Code Structure) for all District funds
- Report of activities in all District funds, identifying unspent funds or reserves that are carried forward into future years
- Used by external auditors to prepare the official Audit Report
- In June, staff presented 2014-15 Estimated Actuals during the 2015-16 Budget adoption process

What has changed since June?

- The financial books of the District have been closed
- Year-end closing entries were prepared and posted
- Unspent allocations have been identified and reserved or assigned the Fund Balance as appropriate
- Unaudited Actuals are compared to Estimated Actuals as presented with the 2015-16 Adopted Budget

Why are Projections Different than Expected?

- School districts use conservatively estimated revenue and expenditures during the budget and interim reporting processes
- The risk of miscalculating or under estimating is too great – running out of cash is never a good thing 😞

What are Common Reasons for Differences?

- Revenue is received that was not anticipated
- Expenditure allocations or budgets were not completely used
- Purchase Orders (PO) issued before 6/30 – work completed or goods received after 7/1 (Rollover PO's)

What is Minimum State Aid?

- With the change to the LCFF calculation, districts were guaranteed at least the same amount of funding from the State as they had received in 2012-13 in categorical funds
- For Santa Monica-Malibu, that level of funding was \$8.5 million
- The amount of the minimum is determined by comparing State Aid in the LCFF calculation to \$8.5M
- If the State Aid portion is less than \$8.5M, the district will receive the difference – in addition to the LCFF entitlement

Why Did Property Taxes Change from June to September?

- Districts typically use the County P-2 (April) property tax estimates
- Prior to the Redevelopment Agencies being dissolved P-2 was indicative of annual numbers
- Now very large RDA payments are being received in June change the picture
- P-2 for districts with large RDA payments can not rely on the P-2 time frame for estimating property taxes

How does this change our Multi-year Projections?

- We must estimate changes in property tax and RDA receipts in projecting our revenue
- We are less reliant on student enrollment, ADA, and Unduplicated count
- Our revenue becomes more difficult to project and more likely to be volatile using an estimate of 5%
