Ms. Miura remarked that as the end of the second grading period comes to an end, students are trying their best in each class. During homeroom, ASB asked students what kind of campus-related changes they would like to see to improve the learning environment. Some suggested changes include having more gates open during school hours and lunch time, a bigger walkway through from the English building to the Innovation

building, the installation of the kiosk at the Michigan gate, and bathrooms with working stall locks and mirrors they can see in.

XI. PUBLIC COMMENTS

Public Comments is the time when members of the audience may address the Board of Education on items not scheduled on the meeting's agenda (the following rules apply to both general public comments as well as comments about a specific agenda item). The Brown Act (Government Code) states that Board members may not engage in discussion of issues raised during Public Comments, except to ask clarifying questions, make a brief announcement, make a brief report on his or her own activities, or to refer the matter to staff. Individual members of the public who submit a public speaking card prior to the Board hearing an agenda item or general public comments shall be allowed three (3) minutes to address the Board on each agenda or nonagenda item, depending on the number of speakers. Individual speakers who submit a public speaking card after the Board begins to hear an agenda item or general public comments shall be allowed one (1) minute to address the Board. A public speaker may yield his/her time to another speaker, but must be present when his/her name is called. The donor would then give up his/her opportunity to speak. The public speaker who receives the donated minutes shall speak for no more than four (4) minutes maximum. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add. Individuals represented by a common point of view may be asked to select one individual to speak for the group. The president may, at his/her discretion, allow five (5) minutes for those who are serving as a spokesperson for a group or organization. The Board may limit the total time for public input on each item to thirty (30) minutes. RE: SMMUSD PROFESSIONAL DEVELOPMENT PLAN

STUDY SESSION ITEM NO. S.01

Between the 2008-09 and 2013-14 school years, state resources to districts were drastically reduced. The effects of years without sufficient funding were many including postponed textbook adoption cycles and little or no professional development opportunities. With the implementation of the Local Control Funding Formula (LCFF), programs funded by the Santa Monica-Malibu Education Foundation (SMMEF) and other resources, the district is well-positioned to build staff capacity.

During this study session, staff will share short and long term professional development goals as it relates to our instructional staff.

Dr. Deloria's presentation can be found under Attachments at the end of these minutes.

She answered board members' questions regarding Internet security for students and how seeking out innovative, early-adopter teacher leaders can potentially help with professional development across the district.

RE: AWARD OF CONTRACTS FOR SUPPLEMENTAL EDUCATIONAL SERVICES (SES) PROGRAM IMPROVEMENT – TITLE I EDISON, JOHN MUIR, MCKINLEY, AND WILL ROGERS ELEMENTARY SCHOOLS

RECOMMENDATION NO. A.05

It is recommended that the Board of Education approve contracts for Supplemental Educational Services (SES) Program Improvement for Edison, John Muir, McKinley and Will Rogers students to vendors as listed below, not to exceed \$714.52 per student.

Funding Information

Budgeted: Yes

Fund/Source: General Fund

Account Number: 01-30100-0-11100-10000-5802-035-1300

Description: Title I

Schools that receive Title I funding under ESEA/NCLB are subject to Program Improvement status when one or more criteria for Adequate Yearly Progress is missed for two consecutive years. When a school is in its second year or more of Program Improvement, the district must offer Supplemental Educational Services (SES) to eligible students. Eligible students are those who participate in the National School Lunch Program. SES is provided by vendors that have been approved by the State Board of Education to provide tutoring to students outside of the school day.

There are 114 agencies on the state-approved list for our area. Of these, 34 attended an SMMUSD vendor orientation on September 10, 2015 and 14 submitted comprehensive proposals to provide services to our students. Proposal requirements included a description of services, certificates of insurance, W-9s, verification of background checks and TB testing, description of licenses, credentials and/or training, and copies complaint procedures, child abuse and missing persons reporting procedures.

Each vendor determines its hourly rate for services, the instructional materials used for tutoring, and the method of assessing and monitoring student progress. The state has set a maximum of \$714.52 per student for SES in our district for the 2015-16 school year. The district is required to set aside 20% of Title I funds to pay for SES and transportation costs associated with School Choice. Should the demand for SES and Choice exceed the 20% set aside, the district will give priority for SES to the lowest achieving eligible students.

Per ESEA/NCLB, families have the right to select the vendor of their choice. Families of eligible students at Edison, John Muir, McKinley, and Will Rogers Learning Community were notified of the opportunity for SES through a mailing that went home on September 3, a vendor night held at the Professional Development and Learning Center on October 8, and through communications from the school principal and teachers. Families were provided with a list of the 14 agencies that submitted comprehensive SES proposals to SMMUSD along with a description of their services, their hourly rate for services, and their contact information.

Based on family selection of vendors, Santa Monica-Malibu Unified School District proposes to enter into contract with a number of vendors. Because family selections of vendors were not finalized until after the Board agenda went to print, a list of vendors with whom the district intends to contract will be made available at the Board meeting on November 5.

RE: AWARD OF CONTRACT TO HEWLETT-PACKARD (HP) / CARE OF INTELLI-TECH FOR THE PURCHASE OF HP COMPUTER PRODUCTS – HP NASPO VALVE POINT CONTRACT #MNWNC-115 – MEASURE ES

RECOMMENDATION NO. A.13

It is recommended that the Board of Education award Hewlett-Packard care of Intelli-Tech the contract for the purchase of Hewlett-Packard (HP) computer products, in an amount not to exceed \$33,593.70, piggybacking on bid #MNWNC-115 of the HP NASPO VALVE POINT contract. Intelli-tech is the authorized partner for product pass through and installation.

Funding Information

Budgeted: Yes

Fund: 84

Source: Measure ES

Account Number: 84-90903-0-00000-82000-XXXX-030-1300

COMMENT: Measure ES-Technology allocation has provided Chromebook Carts (32 per cart) to each 3rd thru 5th grade classroom. The above funding will be utilized to purchase three additional carts needed to ensure technology is equitably distributed throughout these grade levels. The cost includes Chromebook, carts, software, licenses, and White Glove professional services that include asset tagging, imaging, warranties and installation services.

School district governing boards have the authority to “piggyback” on another public agency’s bid per public contract code section 20118 and 20652 when it is determined to be in the “best interest of the district”. It is often advantageous for district to utilize piggyback bids when contract items are identical to the district’s specifications. Using piggyback contracts saves time and money, and they often provide lower prices than a single jurisdiction would be able to obtain.

The Board of Education approved the budget for Measure ES-2 Technology purchases during the Board meeting of October 16, 2014 (Item A.23). Previous agenda items for HP equipment were approved during the Board of Education meetings on 11/06/14 (Item A.10), 11/20/14 (Item A.10) and 01/15/15 (Item A.09). This purchase will utilize a portion of the SBAC allocations.

RE: APPROVAL FOR SOLE SOURCE CONTRACT – LIBRARY CIRCULATION AND ASSET MANAGEMENT TO FOLLET SCHOOL SOLUTIONS, INC. – PHASE I TECHNOLOGY – MEASURE ES

RECOMMENDATION NO. A.14

It is recommended that the Board of Education authorize the District to contract with Follet School Solutions, Inc. as a “Sole Source” for purchase Follet Destiny Solutions Circulation and Asset Management Software and supporting hardware.

COMMENT: The Santa Monica-Malibu Unified School District has procured a Library software system with system hardware without publically bidding. The Board of Education approved the purchase of Follet on 04/16/15, however it lacked “sole source” vendor status. The District chose to invite the top 3 school library software companies to submit proposals for consideration based on them meeting the needs set forth by our selection criteria. As there was not an RFP or bidding process, the District evaluated the software programs on the following criteria:

Alexandria, Follet and SirsiDynix where evaluated utilizing the following criteria:

- Robust and easy to use web based library records and circulation system capable of meeting the needs of 15 diverse sites and District administration in handling differentiated library books and textbooks.
- Robust textbook handling and reporting capabilities.
- Incorporate web 2.0 capabilities providing a platform that encourages life-long reading and student interaction.
- Features should be established features and not promised upgrades.
- Vendor will be able to provide comprehensive training and have a record of excellent support.

The consensus choice by the librarians and elementary library coordinators is Destiny, the Follett library management system. Follet was found to be superior in the above criteria when compare to its counterparts. SirsiDynix and Alexandria did not offer a textbook module. Follet’s textbook module has capabilities and reports that are specifically tailored to Williams reporting. Alexandria training module was very brief. Follett and Alexandria are web based. SirsiDynix has been working for two years and still does has not ported their system to the web. Follett’s system fully integrates our Student Follett ebook collection into the catalogue

The Board of Education approved the budget for Measure ES-2 Technology purchases during the Board meeting of August 28, 2014 (Item S.01). This purchase will utilize a portion of the infrastructure allocations.

RE: CONTRACT AMENDMENT #21 – EDISON LANGUAGE ACADEMY AND SANTA MONICA HIGH SCHOOL COMMISSIONING SERVICES – PARSONS – MEASURE BB

RECOMMENDATION NO. A.15

It is recommended that the Board of Education approve Contract Amendment #21 with Parsons Environment & Infrastructure Group, Inc. in the amount of \$152,054.40 for Edison Language Academy New Construction Project and for the Samohi Science & Technology Building and Site Improvements Project.

Budget Categories: Direct Costs\Hard Costs\Management\Project Commissioning

Friday Memo: 10/30/15

COMMENTS: During the Planning for the Measure BB projects it was established by the Board that the projects shall be designed to provide a healthy environment for students and staff. It was further established that the buildings shall be highly energy and water efficient to conserve natural and fiscal resources. To achieve these goals, on October 18, 2007 the Board adopted Resolution 07-07. Resolution 07-07 adopted the sustainability standards and principals of the Collaborative for High Performance Schools (CHPS) as a standard for design and execution of the Measure BB projects. Furthermore, the District set a goal to exceed the minimum CHPS points by 15% for all CHPS certified projects.

CHPS is very similar to LEED in its building systems standards, credits, and procedures. However, CHPS also incorporates other standards and administrative processes tailored to educational spaces and implementation by school districts. Both CHPS and LEED require that buildings are properly commissioned. Proper commissioning is the most important process in insuring that the buildings meet the CHPS standards for efficient operation of building systems and maintaining healthy interior environments.

Commissioning has specific design phase tasks which includes multiple reviews of the design by the Commissioning Agent to verify proper system design and documentation. A detailed commissioning plan is also prepared during the design phase. Commissioning also has specific construction phase tasks which includes preconstruction coordination with contractors and field inspections during installation and oversight of the start-up and testing requirements, all of which are defined in the commissioning plan. The commissioning plan is incorporated into the construction documents to insure compliance of the contractor.

(continued on next page)

The Contract Amendment #10 for Parsons was to provide all of the design and project commissioning services for the Measure BB projects approved on March 15, 2012 for the amount of \$1,325,000. Contract Amendment #17 for Parsons on February 6, 2014 re-allocated commission to increase JAMS commissioning. Additional commissioning at Edison is required to cover the extended commissioning process. The multiple systems and refinements have caused additional testing and corrections.

The current Contract Amendment is for \$152,054.40 for funding additional commissioning services. \$126,172.80 for Edison Language Academy to complete remainder of Phase 1 commissioning and commence commissioning scope of Phase II; and \$25,881.60 for Samohi to complete outstanding commissioning process to achieve CHPS credits and provide 10-month warranty check.

Commissioning adjustments are periodically required to reflect the actual scope of work required by the commissioning process. No change in the construction scope or program occurs. This Amendment will be funded from the "Program Reserves" shortage.

Santa Monica-Malibu Unified School District

Resolution No. 15-10

National Native American and Alaska Native Heritage Month

WHEREAS, the Native American experience is central to the American story, being the first people to live on the land we all cherish and having profoundly shaped our country's character and our cultural heritage; and

WHEREAS, from generation to generation, Native Americans handed down invaluable cultural knowledge and rich traditions, which continue to thrive in Native American communities across our nation today; and

WHEREAS, since the earliest days of our Republic, Native Americans have played a vital role in our country's freedom and security, having served in all branches of America's armed forces; and

WHEREAS, Native Americans are leaders in every aspect of our society – from the classroom, to the boardroom, to the battlefield; and

WHEREAS, Native Americans make up the ranks of both our district's certificated and classified staff as well as our student population; and

WHEREAS, Native American and Alaska Native tribal governments are an integral part of social, political, and economic fabric of the United States; and

WHEREAS, Tribal America has brought to this great country certain values and ideas that have become ingrained in the American spirit: the knowledge that humans can thrive and prosper without destroying the natural environment; the understanding that people from different backgrounds, cultures, religions, and traditions can come together to build a great country; and the awareness that diversity can be a source of strength, rather than division; and

WHEREAS, while we pay tribute to Native American achievements, we must also acknowledge the parts of our shared history that have been marred by violence and tragic mistreatment; and

WHEREAS, for centuries, Native Americans faced cruelty, injustice, and broken promises; and

WHEREAS, our tribal communities face stark realities, including disproportionately high rates of poverty, unemployment, crime, and disease; and

WHEREAS, in 1914, Red Fox James, a Blackfoot Indian, rode horseback from state to state seeking approval for a day to honor Native Americans as the first Americans; and

WHEREAS, in 1915, The American Indian Association called for the observance of, and President Coolidge issued a proclamation for, an American Indian Day; and

WHEREAS, in 1990, President Bush approved a joint resolution designating November 1990 "National American Indian Heritage Month," and similar proclamations have been issued since 1994; and

WHEREAS, in 2009, President Barack Obama, signed a bipartisan resolution that recognized the sad and painful chapters in our shared history, and remains dedicated to writing

a new chapter in that history by strengthening our government-to-government relationship with tribal nations while enhancing tribal sovereignty and tribal self-determination; and

WHEREAS, the new park on Ocean Ave. in the City of Santa Monica was named Tongva Park to honor and highlight the area's original inhabitants, the Tongva people, who have lived in the Los Angeles area for thousands of years and are deeply connected to the original arroyos, native landscape, springs, and the "breath of the ocean" that are symbolically represented in the park; and

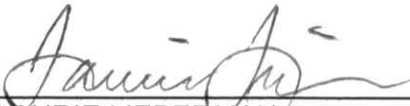

WHEREAS, the City of Malibu—which derived its name from Humaliwu, the original Chumash name for the region—hosts an annual Chumash Day Powwow and Intertribal Gathering to honor the city's original settlers, the Chumash Indians; and

WHEREAS, school district across the nation, including our own SMMUSD, can find inspiration and direction in the Great Law of the Iroquois; In every deliberation we should consider the impact of our decisions on the next seven generations;

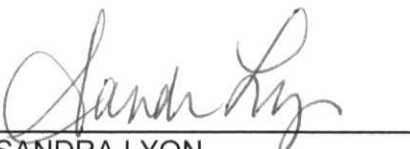

THEREFORE, be it resolved that by celebrating National Native American and Alaska Native Heritage Month, the Santa Monica-Malibu Unified School District joins with all Americans in reaffirming our country's commitment to remember the contributions and honor the unique heritage of our country's first inhabitants.

NOW, THEREFORE, BE IT RESOLVED THAT EMPLOYER HEREBY MAKES THE FOLLOWING REPRESENTATION AND WARRANTY AND THAT THE BOARD AND EMPLOYER AGREE TO THE FOLLOWING TERMS AND CONDITIONS:

B. Adoption and Approval of the Agreement; Effective Date; Amendment

(3) The terms of this Agreement may be amended only in writing upon the agreement of both CalPERS and Employer, except as otherwise provided herein. Any such amendment or modification to this Agreement shall be adopted and executed in the same manner as required for the Agreement. Upon receipt of the executed amendment or modification, the Board shall fix the effective date of the amendment or modification.

(4) The Board shall institute such procedures and processes as it deems necessary to administer the Prefunding Plan, to carry out the purposes of this Agreement, and to maintain the tax exempt status of the Prefunding Plan. Employer agrees to follow such procedures and processes.

C. Other Post Employment Benefits (OPEB) Cost Reports and Employer Contributions

(1) Employer shall provide to the Board an OPEB cost report on the basis of the actuarial assumptions and methods prescribed by the Board. Such report shall be for the Board's use in financial reporting, and shall be prepared at least as often as the minimum frequency required by GASB 43. This OPEB cost report may be prepared as an actuarial valuation report or, if the employer is qualified under GASB 45 and 57, may be prepared as an Alternative Measurement Method (AMM) report.

- (a) Unless qualified under GASB 45 and 57 to provide an AMM report, Employer shall provide to the Board an actuarial valuation report. Such report shall be for the Board's use in financial reporting, and shall be prepared at least as often as the minimum frequency required by GASB 43 and 57, and shall be:
 - 1) prepared and signed by a Fellow or Associate of the Society of Actuaries who is also a Member of the American Academy of Actuaries or a person with equivalent qualifications acceptable to the Board;
 - 2) prepared in accordance with generally accepted actuarial practice and GASB 43, 45 and 57; and,
 - 3) provided to the Board prior to the Board's acceptance of contributions for the valuation period or as otherwise required by the Board.
- (b) If qualified under GASB 45 and 57, Employer may provide to the Board an AMM report. Such report shall be for the Board's use in financial reporting, shall be prepared at least as often as the minimum frequency required by GASB 43 and 57, and shall be:
 - 1) affirmed by Employer's external auditor, or by a Fellow or Associate of the Society of Actuaries who is also a Member of the American Academy of Actuaries or a person with equivalent qualifications acceptable to the Board, to be consistent with the AMM process described in GASB 45;
 - 2) prepared in accordance with GASB 43, 45, and 57; and,
 - 3) provided to the Board prior to the Board's acceptance of contributions for the valuation period or as otherwise required by the Board.

(2) The Board may reject any OPEB cost report submitted to it, but shall not unreasonably do so. In the event that the Board determines, in its sole discretion, that the OPEB cost report is not suitable for use in the Board's financial statements or if Employer fails to provide a required OPEB cost report, the Board may obtain, at

Employer's expense, an OPEB cost report that meets the Board's financial reporting needs. The Board may recover from Employer the cost of obtaining such OPEB cost report by billing and collecting from Employer or by deducting the amount from Employer's account in the Prefunding Plan.

(3) Employer shall notify the Board of the amount and time of contributions which contributions shall be made in the manner established by the Board.

(4) Employer contributions to the Prefunding Plan may be limited to the amount necessary to fully fund Employer's actuarial present value of total projected benefits, as supported by the OPEB cost report acceptable to the Board. As used throughout this document, the meaning of the term "actuarial present value of total projected benefits" is as defined in GASB Statement No. 45. If Employer's contribution causes its assets in the Prefunding Plan to exceed the amount required to fully fund the actuarial present value of total projected benefits, the Board may refuse to accept the contribution.

(5) No contributions are required. If an employer elects to contribute then the contribution amount should not be less than \$5000 or the employer's annual required contribution (ARC), whichever amount is lower. Contributions can be made at any time following the seventh day after the effective date of the Agreement provided that Employer has first complied with the requirements of Paragraph C.

D. Administration of Accounts, Investments, Allocation of Income

(1) The Board has established the Prefunding Plan as an agent plan consisting of an aggregation of single-employer plans, with pooled administrative and investment functions, under the terms of which separate accounts will be maintained for each employer so that Employer's assets will provide benefits only under employer's plan.

(2) All Employer contributions and assets attributable to Employer contributions shall be separately accounted for in the Prefunding Plan (Employer's Prefunding Account).

(3) Employer's Prefunding Account assets may be aggregated with prefunding account assets of other employers and may be co-invested by the Board in any asset classes appropriate for a Section 115 Trust.

(4) The Board may deduct the costs of administration of the Prefunding Plan from the investment income or Employer's Prefunding Account in a manner determined by the Board.

(5) Investment income shall be allocated among employers and posted to Employer's Prefunding Account as determined by the Board but no less frequently than annually.

(6) If Employer's assets in the Prefunding Plan exceed the amount required to fully fund the actuarial present value of total projected benefits, the Board, in compliance with applicable accounting and legal requirements, may return such excess to Employer.

E. Reports and Statements

- (1) Employer shall submit with each contribution a contribution report in the form and containing the information prescribed by the Board.
- (2) The Board shall prepare and provide a statement of Employer's Prefunding Account at least annually reflecting the balance in Employer's Prefunding Account, contributions made during the period and income allocated during the period, and such other information as the Board determines.

F. Disbursements

- (1) Employer may receive disbursements not to exceed the annual premium and other costs of post employment healthcare benefits and other post employment benefits as defined in GASB 43.
- (2) Employer shall notify CalPERS in writing in the manner specified by CalPERS of the persons authorized to request disbursements from the Prefunding Plan on behalf of Employer.
- (3) Employer's request for disbursement shall be in writing signed by Employer's authorized representative, in accordance with procedures established by the Board. The Board may require that Employer certify or otherwise establish that the monies will be used for the purposes of the Prefunding Plan.
- (4) Requests for disbursements that satisfy the requirements of paragraphs (2) and (3) will be processed monthly.
- (5) CalPERS shall not be liable for amounts disbursed in error if it has acted upon the written instruction of an individual authorized by Employer to request disbursements. In the event of any other erroneous disbursement, the extent of CalPERS' liability shall be the actual dollar amount of the disbursement, plus interest at the actual earnings rate but not less than zero.
- (6) No disbursement shall be made from the Prefunding Plan which exceeds the balance in Employer's Prefunding Account.

G. Costs of Administration

Employer shall pay its share of the costs of administration of the Prefunding Plan, as determined by the Board.

H. Termination of Employer Participation in Prefunding Plan

- (1) The Board may terminate Employer's participation in the Prefunding Plan if:

- (a) Employer gives written notice to the Board of its election to terminate;
- (b) The Board finds that Employer fails to satisfy the terms and conditions of this Agreement or of the Board's rules or regulations.

(2) If Employer's participation in the Prefunding Plan terminates for any of the foregoing reasons, all assets in Employer's Prefunding Account shall remain in the Prefunding Plan, except as otherwise provided below, and shall continue to be invested and accrue income as provided in Paragraph D.

(3) After Employer's participation in the Prefunding Plan terminates, Employer may not make contributions to the Prefunding Plan.

(4) After Employer's participation in the Prefunding Plan terminates, disbursements from Employer's Prefunding Account may continue upon Employer's instruction or otherwise in accordance with the terms of this Agreement.

(5) After the Employer's participation in the Prefunding Plan terminates, the governing body of the Employer may request either:

- (a) A trustee to trustee transfer of the assets in Employer's Prefunding Account; provided that the Board shall have no obligation to make such transfer unless the Board determines that the transfer will satisfy applicable requirements of the Internal Revenue Code, other law and accounting standards, and the Board's fiduciary duties. If the Board determines that the transfer will satisfy these requirements, the Board shall then have one hundred fifty (150) days from the date of such determination to effect the transfer. The amount to be transferred shall be the amount in the Employer's Prefunding Account as of the date of the transfer (the "transfer date") and shall include investment earnings up to an investment earnings allocation date preceding the transfer date. In no event shall the investment earnings allocation date precede the transfer date by more than 150 days.
- (b) A disbursement of the assets in Employer's Prefunding Account; provided that the Board shall have no obligation to make such disbursement unless the Board determines that, in compliance with the Internal Revenue Code, other law and accounting standards, and the Board's fiduciary duties, all of Employer's obligations for payment of post-employment health care benefits and other post-employment benefits and reasonable administrative costs of the Board have been satisfied. If the Board determines that the disbursement will satisfy these requirements, the Board shall then have one hundred fifty (150) days from the date of such determination to effect the disbursement. The amount to be disbursed shall be the amount in the Employer's Prefunding Account as of the date of the disbursement (the "disbursement date") and shall include investment earnings up to an investment earnings allocation date

preceding the disbursement date. In no event shall the investment earnings allocation date precede the disbursement date by more than 150 days.

(6) After Employer's participation in the Prefunding Plan terminates and at such time that no assets remain in Employer's Prefunding Account, this Agreement shall terminate.

(7) If, for any reason, the Board terminates the Prefunding Plan, the assets in Employer's Prefunding Account shall be paid to Employer after retention of (i) amounts sufficient to pay post employment health care benefits and other post employment benefits to annuitants for current and future annuitants described by the employer's current substantive plan (as defined in GASB 43), and (ii) amounts sufficient to pay reasonable administrative costs of the Board.

(8) If Employer ceases to exist but Employer's Prefunding Plan continues to exist and if no provision has been made by Employer for ongoing payments to pay post employment health care benefits and other post employment benefits to annuitants for current and future annuitants, the Board is authorized to and shall appoint a third party administrator to carry out Employer's Prefunding Plan. Any and all costs associated with such appointment shall be paid from the assets attributable to contributions by Employer.

(9) If Employer should breach the representation and warranty set forth in Paragraph A., the Board shall take whatever action it deems necessary to preserve the tax-exempt status of the Prefunding Plan.

I. General Provisions

(1) Books and Records.

Employer shall keep accurate books and records connected with the performance of this Agreement. Employer shall ensure that books and records of subcontractors, suppliers, and other providers shall also be accurately maintained. Such books and records shall be kept in a secure location at the Employer's office(s) and shall be available for inspection and copying by CalPERS and its representatives.

(2) Audit.

- (a) During and for three years after the term of this Agreement, Employer shall permit the Bureau of State Audits, CalPERS, and its authorized representatives, and such consultants and specialists as needed, at all reasonable times during normal business hours to inspect and copy, at the expense of CalPERS, books and records of Employer relating to its performance of this Agreement.

Employer shall cooperate fully with the Bureau of State Audits, CalPERS, and its authorized representatives, and such consultants and specialists as needed, in connection with any examination or audit. All adjustments, payments, and/or reimbursements determined to be necessary by any examination or audit shall be made promptly by the appropriate party.

(3) Notice.

- (a) Any notice, approval, or other communication required or permitted under this Agreement will be given in the English language and will be deemed received as follows:
1. Personal delivery. When personally delivered to the recipient. Notice is effective on delivery.
