Preschool Volunteer Immunization Requirement

In accordance to the Health and Safety Code for California Child Care Facilities Section 15976-1597, all employees and volunteers at a licensed Child Care Center must be immunized against influenza, measles and pertussis.

Preschool Volunteers must submit immunization requirements with their volunteer packets and TB Clearance.

Flu Vaccine:

One of the following records must be submitted annually prior December 1st:

- A copy of an immunization record for influenza dated between August 1 and December
 1 of each year
- A written statement from a licensed physician declaring there is a medical condition that precludes the volunteer from vaccinations.
- A written statement from a licensed physician stating that the volunteer has evidence of current and sufficient immunity to influenza
- A signed statement from the volunteer stating that they have declined to be vaccinated against the flu

Pertussis (Whooping Cough) and Measles:

One of the following records must be submitted prior to volunteering:

- A copy of immunization records for pertussis and measles (any age).
- A written statement from a licensed physician stating that the volunteer has evidence of current and sufficient immunity to measles and pertussis (i.e. titer blood test)
- A written statement from a licensed physician declaring there is a medical condition that
 precludes the volunteer from vaccinations. This statement should also indicate whether
 the exclusion is permanent or temporary.
- Adults born prior to 1957 are considered immune and will not be required to submit evidence of current immunity.
