

SUMMER PROGRAMS 2022

The following are summer programs that are offered **outside of our district**. **THESE PROGRAMS ARE NOT ENDORSED BY SAMOHI OR SMMUSD.** It is best that each student and their parents research the programs to determine whether or not it is an appropriate program for the student.

All courses taken outside of SMMUSD must be pre-approved by a Samohi Advisor and/or administrator.

*Note that not all courses in these programs are acceptable for credit.
