

LMS Distance Learning Schedule

Teacher Communication: Teachers will provide families with a weekly learning plan, updates, specific learning outcomes, and activities for students. Students will have daily live instruction.

For Teaching Periods:	Periods: 80 min (synchronous learning) Tuesday - Friday. Teachers will be online with class, facilitating live interaction, for the duration of the 80 min. period -- a combination to include, but not limited to, whole group, small group, individual instruction, guided practice, directed independent work, and student conferencing. Unfinished work should be completed independently at the end of the school day. On Mondays, teachers will facilitate live interaction in a compressed schedule and assign asynchronous work to be completed outside of the live class periods after lunch.
