

**Summer Reading:** Do not forget to engage in Samohi's "All-School Summer Reading" activities. This year's focus is on the essential question, "What factors shape our values and beliefs?" A variety of readings, texts, podcasts, and videos have been selected and will be provided on a website linked through the Samohi homepage. These resources will be part of the curriculum during the first two weeks of the school year in all English classes.

**Registration Day:** It is important that you attend your Registration Day in August to be fully prepared when school begins. During Registration Day you will pick-up your required ID card, check-out your textbooks, and receive your fall schedule of classes and more.

**The first day of school is Thursday, August 18, 2022.**

Looking forward to a great year!

### **Registration Day Schedule**

At registration, you will have an opportunity to pick up your class schedule, get your student ID card, school pictures, and handle other important items for the fall. It is highly recommended that students attend registration rather than having to take time to do all these tasks once school has started.

Your assigned day is based on your grade level and time based on your last name. Please refer to the schedule below:

<https://www.smmusd.org/domain/3014>

**Fall Schedule Changes**

Schedule changes will be processed during Registration. When you pick up your schedule, it will show your assigned classes. Requests for schedule changes will only be honored for the following circumstances:

- Missing graduation or college admission requirements
- Incomplete or no schedule
- Error in classes requested
- Changes needed due to summer course work

All other requests could be placed on a waitlist.

**Orientation Day:**

Welcome to Samohi! Our student leaders will be busy this summer preparing to welcome you! We have learned through the years that the first day of school at Samohi can be a little stressful for incoming freshmen, new students, and their parents. Recognizing that we can help alleviate those first day jitters, our student leaders and staff have planned an orientation so that you can begin the process of getting to know your new campus, peers, some upperclassmen, some of your teachers, as well as your advisor and house principal. We will also provide you with your class schedule so you will know what to expect on the first day of school. Basically, throughout this day, we hope to begin forming the bonds of a true team and to provide you with the information you will need to meet the challenges of your first day with calm confidence. Please reserve this date to join other students and staff for this great opportunity to have fun together, meet members of your House, and make new friends.
