1.3 CODE OF CONDUCT FOR STUDENTS

The Malibu Middle and Malibu High School Code of Conduct is a set of guidelines for students to live by while at school each day. Students who follow the Code of Conduct are meeting basic expectations allowing them to be successful students. Teachers may add expectations to the Code of Conduct and students are expected to comply with all school, district and state academic and behavioral expectations. Each student is to be accountable and take responsibility for his or her own actions.

1.3.1 As a Malibu Middle School student you need to:

- Be in your seat and prepared to work when class starts.
- Meet all school and class deadlines including homework, projects, and papers. Do all required coursework.
- Engage actively in listening and learning. Be respectful when the teacher or students are talking or presenting.
- Bring only required materials to school that are necessary to be successful in school.
- Be honest. No cheating, plagiarism or theft. Malibu High School requires academic honesty by all students. Each student's course grade must reflect his/her own work and knowledge. Academic dishonesty (cheating) is defined as any attempt to earn credit for someone else's work or any attempt to give another student access to your work. Any student who cheats will not receive any credit for the appropriate assignment or test. The teacher will notify parents and a counselor; a referral regarding the incident

will be placed in the student's discipline file. On the second and subsequent incidents of cheating, a referral is made and recorded, an administrator will assign discipline consequences up to and including suspension. Each teacher reserves the right to define his/her own class policies regarding activities such as group work and using notes for tests.

- Show respect toward yourself, others and property. Use appropriate language; refrain from hurtful behavior or language and from disruptive activity.
- Carry a hall pass every time your teacher permits you to leave the classroom.

1.3.2 Dress Code: Dress appropriately for school.

At Malibu High School, our dress code policy is expected to be followed by all students. Our dress code is committed to providing a safe and orderly learning environment. Clothing may not disrupt the learning environment.

No clothing will be allowed that defames, degrades or is offensive to a gender, race, color, religious creed, sexual orientation, national origin, ancestry, age, a physical or mental impairment or culture. Nor shall any clothing display any suggestive or objectionable material. Clothing must not advocate unhealthy behavior, dangerous practice, or create a safety problem (includes no graphics/text containing sexual connotations, controlled substances or violence). Appropriate, safe footwear must be worn at all times. Hats or head coverings may only be worn outside unless for religious beliefs. Any dress code violations will be referred to an administrator.

1.3.3 Keep the campus and classrooms clean, safe and ready for use and suitable for learning.

1.3.4 Public Display of Affection (PDA) Refrain from standing around on campus kissing or hugging.

Students and parents are encouraged to notify the Malibu High School Administration of any suspicious activity, crimes or harassment. They may do so anonymously by calling 1-800-47(DRUGS) or 1-800-78(CRIME).

1.3.5 Student Code of Conduct Violations

Violations of the rules will be handled by appropriate progressive disciplinary action including but not limited to: counseling, parent contact, loss of privileges, assignment of appropriate campus work, after school detention, full day Friday, class suspension by the teacher, school suspension by an administrator, transfer to another school in the district for repeated violation of the rules, and suspension with a recommendation for expulsion.

Other corrective measures may consist of restorative justice which is a process and philosophy that is centered on building and repairing healthy relationships/community. When conflict or worse occur, we seek healing through gathering the story as well as we can, and bringing those affected together, if possible, to figure out who all was harmed, what needs should be addressed to heal harms, and who is responsible or committed to meeting those needs.

1.3.6 Bullying

MHS takes any act of harassment and /or bullying seriously. We understand there are many levels of bullying and we use progressive discipline when giving consequences for any such acts. Students violating the school's behavioral policy are subject to consequences.

OLWEUS says, "Bullying is when someone repeatedly and on purpose says or does mean things to another person who has a hard time defending himself or herself."

SCHOOLWIDE EXPECTATIONS

- We will not bully others.
- We will try to help students who are bullied.
- We will try to include students who are left out.
- If we know that somebody is being bullied, we will tell an adult at school and an adult at home.

STUDENT RESPONSIBILITY

Students shall take responsibility for helping to create a safe school environment:

- Be safe
- Be respectful
- Be responsible

STAND UP TO BULLIES...

If you are bullied:

- Tell the person who is bullying to STOP!
- Get HELP Immediately. Tell your parents, teacher, counselor, or principal. Reporting is **not** tattling or snitching. It is taking good care of you.
- Do not fight back physically.
- Be proud of who you are.
- Be strong. Do not show anger or fear. Students that bully like to see that they can upset you.
- Keep safe.

SPEAK UP! IF YOU WITNESS BULLYING!

- **If safe, stand up.** Yes, be an upstander! It only takes one person to make a difference. You can say, "Stop, don't bother him." Or you could redirect the situation by saying, "Let's go, the teacher is coming."
- **Don't join in.** If you see someone being bullied, don't join in. If the bully tries to get you to help, say no and walk away. Go tell someone.
- **Stop the rumors.** Don't spread rumors. You don't want anyone talking about you, so don't do it to someone else! If someone gossips to you, let it end with you-don't pass it on to others. You can even tell that person you're not interested.
- **Tell an adult.** Don't be a bystander and watch while someone is being hurt. Tell an adult about the situation. It's not tattling or snitching.

The student should bring the note to the Attendance Office immediately upon the student's return to campus and obtain a readmit.

ALL absences must be verified through the attendance office. Please note that state law only allows us to excuse absences due to illness, bereavement, judicial and a small number of other instances. All other absences including all personal reasons are considered unexcused.

If a student must arrive late to school or leave early from school due to a medical appointment, the student should provide a medical note to the attendance office.

2.3 STUDENTS WHO BECOME ILL AT SCHOOL

Students must have a teacher note in order to be admitted to the nurse's office except during lunch. Students are not to leave school without first going to the Health Office (or the Attendance Office if the nurse is not on campus). The nurse will contact a parent/guardian to release the student from school. Students may *not* call from any other phone or leave campus on their own. This includes during the lunch period. It is imperative that the nurse have an accurate emergency card on file for each student.

2.5 CLOSED CAMPUS POLICY

Students who do not follow this procedure will be considered truant, and appropriate discipline consequences will result.

Parents are to write notes *in advance* of the student's early departure from school. The note should contain the following information:

1. Printed first and last name of student and ID#

Students are to come to the Attendance Office with the note before school to obtain their readmit. This will facilitate a minimal distraction when the student leaves class.

2.7 TRUANCY

When a student is absent from school without the parent's knowledge or permission, the absence is considered to be a truancy. In addition, students who leave campus with parent's permission, but do not check out in the Attendance Office, will be considered truant. Students with more than 3 unexcused absences are also considered truant and any subsequent unexcused absence is considered truancy. Students who are truant or who exhibit a continual problem with attendance will be referred to the Student Attendance Review Board (SARB). Truancies for one or more periods will result in consequences ranging from detention to suspension depending on frequency.

- Leaving school without permission is treated as truancy.
- Missing part of class without an excuse is treated as a truancy.
- Notes from the parent after-the-fact are invalid and will not be honored.

3.2 LIBRARY

The Library at Malibu Middle School is committed to providing students and staff with the resources and skills needed to succeed in today's ever-changing world of information and is currently located on the blacktop near the pool. The Library is part of the SMMUSD library network and is made up of the 14 school libraries in SMMUSD. With the combined resources that rival many small colleges, each library focuses on the unique needs of each school's students and staff. The Malibu Middle School Library serves as a hub for information resources, information literacy skills, and for gathering with friends.

The Library houses an after-school drop-in tutoring program Monday through Thursday from 3:45-4:45 staffed by teachers. Students can drop in any day Monday through Thursday to get help with their homework or just to have a place to be until they are ready to be picked up. The Library is also open before school at 7:30. Students may check out as many books at a time as they wish, printing is free of charge, and the Library never charges late fees.

Some of Malibu Middle School online resources include Gale, DiscoveryEd, IXL, and Questia. These resources are provided by a grant from the Malibu High PTSA. Also, SMMUSD provides our students with access to a number of resources. The first is the World Book Encyclopedia online, including WB Discover, Early Peoples and Living Green. This expanded version of the print encyclopedia provides students with general information about a universe of topics. Second the District provides access to a number of Proquest products, including Culture Grams,

eLibrary, History and Literature Learning Centers, and Proquest Platinum, a college level research resource.

The **library rules** are as follows:

1. Have respect for yourself and others.
2. Speak quietly.
3. Eating is allowed, but students must clean up after themselves and put trash and recycling in appropriate bins.
4. Follow Technology Use Policy (below)

Instruction

BP 6163.4

The Board of Education intends that technological resources provided by the district be used in a safe, responsible, and proper manner in support of the instructional program and for the advancement of student learning. All students using these resources shall receive instruction in their proper and appropriate use.

Teachers, administrators, and/or library media specialists are expected to review the technological resources and online sites that will be used in the classroom or assigned to students in order to ensure that they are appropriate for the intended purpose and the age of the students.

The Superintendent or designee shall notify students and parents/guardians about authorized uses of district computers, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities in accordance with district regulations and the district's Acceptable Use Agreement.

Students shall be informed that their use of district technology, including, but not limited to, computer files, email, text messages, instant messaging, and other electronic communications, is not private and may be accessed by the district for the purpose of ensuring proper use. Students have no reasonable expectation of privacy in use of the district technology. Students' personally owned devices shall not be searched except in cases where there is a reasonable suspicion, based on specific and objective facts, that the search will uncover evidence of a violation of law, district policy, or school rules.

The Superintendent or designee may gather and maintain information pertaining directly to school safety or student safety from the social media activity of any district student in accordance with Education Code 49073.6 and BP/AR 5125 - Student Records.

Inappropriate use also may result in disciplinary action and/or legal action in accordance with law and Board policy,

The Superintendent or designee, with input from students and appropriate staff, shall regularly review and update this policy, the accompanying administrative regulation, and other relevant procedures to enhance the safety and security of students using district's technology and to help ensure that the district adapts to changing technologies and circumstances.

expectations for appropriate student conduct when using the Internet or other forms of electronic communication, including, but not limited to, prohibitions against:

1. Accessing, posting, submitting, publishing, or displaying harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs
2. Intentionally uploading, downloading, or creating computer viruses and/or maliciously attempting to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking"

The Superintendent or designee shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting one's own personal information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying.

3.3.2 Appropriate, Respectful Language

This includes sending or receiving copyrighted materials without permission. Since access to the Internet provides connections to other computer systems located all over the world, users and parents of users who are students, must understand that neither the Santa Monica-Malibu Unified School District nor District staff members control the content of the information available on these other systems. Some of the information available is

inaccurate, controversial, and may be offensive. The SMMUSD does not condone the use of such materials

She can be reached by calling (310) 457-6801 x 74272.

3.6 HEALTH SERVICES

Please reference the District booklet "A Message from our Superintendent" for a more detailed description of health services. A credentialed registered nurse is assigned to Malibu High School. Students must have a written referral from their teacher when they visit the health office.

3.6.1 Screenings: Vision and hearing are screened for all 8th & 10th graders. In addition, all students new to SMMUSD receive these screenings. If a referral is sent home, please make sure the nurse receives information from the physician regarding the evaluation.

3.6.2 Medication: Efforts should be made to have medication given at home. If school doses are required, all medications must have written physician orders as well as written authorization by the parents. Medications are to be brought to school in the prescription container and kept in the Health Office unless the nurse approves other arrangements. A new form for each medicine is required each school year. The only exception to this policy is for acetaminophen or ibuprofen to be given at the nurse's discretion only if the parent/guardian has initialed the appropriate box on the back of the student's emergency card.

Medications on Campus

No student is to carry in his/her possession at any time either prescription medication or over-the-counter medication. All medication must be checked in with the school nurse and administered by a school official following the written guidelines of a physician (see page 8 for more details.)

3.6.3 Orthopedic Devices: The use of crutches or any other mobility devices at school requires a written order from the physician that includes the diagnosis & length of time the device is needed. We can provide access.

3.6.4 Physical Education Excuses: Students may be excused from participating in physical education or have a modified program for up to 5 consecutive days with a written request from a parent. Regardless of the reason, excuses lasting over 5 days require a physician's note indicating diagnosis & length of time the excuse is needed.

3.6.5 Emergency Preparedness: Some students take medication daily at home without a school dose being needed. In case a student must stay at school due to some disaster, we request a 3 day supply of all medication a student normally takes during the day. The requirements noted under medication above pertain to these medications as well.

3.6.7 Additional Services: All student records are reviewed to make sure immunization are in compliance with CA. requirements. Any student needing short or long term care for any health reason will be evaluated & receive appropriate services. Students referred for Special Education will have an initial health assessment plus reviews every 3 years. The nurse also assists with health education programs at various grade levels. Parents are encouraged to discuss with the nurse any health related concerns they have about their child.

3.7 LOST AND FOUND

The Lost and Found is under the covered lunch area. Students are encouraged to put their names on all jackets, PE clothes, and personal items. The lost and found area will be cleaned out and removed every six week grading period. Any item found on campus should be turned in to the administration office. *There is no such thing as finders keeper.*

In addition, students must remember that the school campus is to be considered a "public place." Students must not leave wallets, purses, and jewelry unattended in any area of the campus. Students are encouraged not to bring valuable personal items to school. Any item brought to school should be kept secure or locked in a locker. The school is not responsible for lost, damaged, or stolen personal items.

The Student Store is located near the cafeteria. It is operated by the Associated Student Body and provides a service to the students of Malibu Middle School. P.E. clothes, spirit wear, folders, pens, pencils and other school supplies are some of the items available for sale. The Student Store is open at nutrition and both lunches. Many items are also available online at our website.

A student may establish membership by earning academic points. For membership, the number of points earned must be twice the number of academic subjects in which the student is enrolled. Only academic classes may be counted: math, science, language arts, social studies, and foreign language (8th grade specific). CSF / CJSF semester points are calculate as follows: "A" 3 CJSF points, "B" 1 CJSF point. Questions? See your counselor.

7.4 8TH GRADE DIALOGUE

7.5 Extracurricular Activities

Malibu High School has a broad range of extracurricular activities that are available to all students through the boys and girls club. WWW.MALIBUYOUTH.ORG/

In addition, we have a partnership with the City and many sport activities are available to our youth through them. WWW.MALIBUCITY.ORG.

7.6 Homework

Homework is assigned on a regular basis to help students become more self-reliant, learn to work independently, improve skills taught, master concepts and complete assigned projects. The daily amount of time required for homework will vary

depending on the maturity, abilities, and individual needs of students as well as the requirements of the course.

Use the Homework Links on our website where many teachers post of assignments. These hints will assist you with your homework.

- Find a quiet, well-lighted place at home to do your homework
- Schedule a regular time for homework each day; it helps if the entire family has a "quiet time" for reading and studying
- Review your class notes to help study for tests
- Read and follow all directions carefully.
- Find a Study Buddy who is committed to supporting you in doing well academically. Contact your Study Buddy when you have a question about the homework or are unsure on how to complete an assignment.
- Have a parent or adult review your work and giving you feedback.
- Check your work

Give yourself breaks when you study. This allows you time to gain a new perspective to review your work when you return.

Time Expectations: these allocations exclude class reading and honor classes which may require more time.

6th Grade: 70 minutes total

7th Grade: 80 minutes total

8th Grade: 90 minutes total

If your child is exceeding these minutes on a regular basis, please let the teachers know.

Lockers are the property of the school even when assigned to students. They are subject to search whenever the school finds a need to do so. The use of the locker for other than school-related purposes is prohibited.

The student shall be responsible for any and all items found in the locker, regardless of whether the student claims or admits to be the owner or custodian thereof; in addition, any item found subsequently to be the possession of any other student not authorized to use the locker in question may be the basis of additional proceedings, disciplinary or criminal, against such other student.

Possession of a locker is a privilege. Because students have classes in different rooms, there is a need to store books and personal belongings in a locker. The locker is for the protection of possessions and the following conditions should be remembered:

1. Your locker combinations must not be given out to other students.
2. Lockers are a privilege and this privilege may be taken away in the event of misuse or as a behavior consequence.

There is a 5 day minimum and generally a 2-week limit on all short term independent study programs.

Middle school students complete service-learning projects in each grade level as part of their curriculum and then at Malibu High School students are asked to contribute 80 hours of service learning before graduating.

Extensive research on CSL affirms its value. Academically, service learning students exhibit higher GPAs and enhanced writing and critical thinking skills. Adults who experienced CSL as teens are more political and engaged in community. They serve as role models for others as they attain higher levels of education. A Service Learning Activity or project will: a) Meet a real community need b) Integrate into and enhance the curriculum c) Coordinate with a Community Agency, school or the Community at large d) Help foster civic responsibility e) Provide structured time for reflection

For the most updated information on the Service Learning Program, visit the Service Learning section of the Malibu High Website at <https://express.adobe.com/page/h6OpOwLfUMT46/>. Utilize links to log and track service learning hours through Naviance. Also, a calendar of upcoming service opportunities and a list of recommended organizations are listed. If you have any questions, please contact the service learning coordinator in the program office.

SECTION 10: REFERENCE

CREATING A WORKS CITED PAGE MLA 8 FORMAT

1. List of works used and cited appears at the end of the paper. The title – Works Cited – is centered. Do not bold, change font, or underline it – simply type it and center it.
2. Double space between the title and the first entry.
3. BEGIN EACH ENTRY flush with the left margin. If an entry runs more than one line, INDENT THE SUBSEQUENT LINE OR LINES 5 spaces from the left margin. (You can set your word program to “hanging indentation” – see format, paragraph, select hanging – and this will happen automatically.) When you hit return, the program will read that as a new entry and bring the next line flush out to the left.
4. DOUBLE SPACE THE ENTIRE LIST, both between and within entries. (AGAIN, select double space when setting up your document and the computer will do this for you.)
5. ENTRIES ARE ARRANGED IN ALPHABETICAL ORDER. Whatever comes first in the entry is what is used to alphabetize it. (Usually author’s last name, but if there is no author, then the title of the article or website is what comes next.) Ignore words like A, An, The and go to the next word to determine the order. If the title begins with a number, then alphabetize as if the number were written out (e.g., “9 Causes of Death” would be ordered with the word “nine”).
6. Entries must have specific information in specific order. If any of the information is missing, SKIP MISSING INFORMATION AND MOVE TO THE NEXT ITEM. Follow the format below:
