

Returning to Samohi SAFETY Protocols

SCREENING

to enter campus

Before coming on campus, all people will complete the COVID prescreening questionnaire and use the QR code.

If prescreen is **GREEN**, screenshot it, and have it ready to show upon entry.

If prescreen is **RED**, stay home and isolate.

If no prescreen, you can be screened in-person at the gate.

Enter campus at assigned gate to limit crowding.

- S House - 4th Street Gate
- M House - 6th and Olympic
- O House - 7th and Olympic
- H House - 7th and Michigan
- I House - ITC Gate near 7th & Pico

Students will Exit campus from the gate closest to their last class.

Line up/follow walkway arrows, needed for social distancing.

CLEANING

to keep campus spaces safe

Optimized ventilation on campus:

- thermostat fan ON (improved air filters in place)
- windows and doors OPEN
- wall and ceiling fans OFF
- air scrubbers ON (if present)

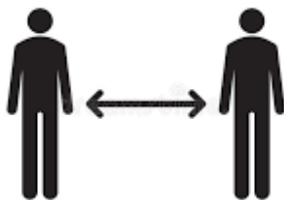

Regular cleaning according to District guidelines modeled after CDC/LACDH/OSHA.

Hand sanitizer at entrances to every campus space.

Hand washing stations at strategic locations.

RECONVENING

for safe learning

While

Masks required to be worn over nose and mouth at all times.

NO vented masks, bandannas, neck gaiters will be allowed.

Practice social distancing at all times. No gathering in groups.

Any person who exhibits symptoms of COVID-19 while on campus must report to the isolation room and be picked up within 15 minutes.

Adhere to room capacity for smaller spaces (restrooms, offices, etc.).

Classrooms markings designate where students sit & teacher teaches.

Staff will monitor and remind students to follow protocols.

No eating and drinking indoors.
