Review SPSA Goal #2 progress from 23-24

Review Drafted Goal #2 for 24-25 SPSA: English Learners will become proficient in English while engaging in a rigorous, culturally and linguistically responsive standards-aligned core curriculum.

As a part of our integrated EL instruction, culturally and linguistically and learning diverse students will receive reading conferences with teachers to frontload Reading Workshop teaching points and offer additional personalized foundational reading skills instruction (extra guided reading and additional phonics instruction for K-1 students

showing risk of referral for special education assessments). Designated EL instruction for the handful of SMASH English Language Learners will happen during pull out instruction with the Language and Literacy Interventionist for the 2024-2025 school year.
