Reports and Announcements (regular agenda items)

Principal's Report

Student Reports

Community Organization Reports (to include but not limited to the following):

PTSA-upcoming event is the Family Dance- live SMASH parent music and parent DJ; Live Auction will be happening; short turn around time between trip and ask, we've had a large amount of money that was unpaid, \$20,000. Site council might take on a discussion about funding in the future. Not sure the full reason, but across the district the percentage of donations to PTSA and SMEF are down. Not sure if financially we can run three trips per year (across 6-8 grades).

Student Council- Family Dance planning is happening now

Other

Old Business:

Muir/SMASH Facility update- According to presentation at 1/18 Board of Education meeting, it's going to cost close to \$25 million, and be ready for the 2025-26 school year.

New Business:

Reviewed Star Renaissance Winter Math Results and Fall to Winter Math Growth

8th -5

*Naren- noticed the awareness of how students are doing and the amount of attention they are giving to children.

Monitored progress on SPSA Goal #1:

Students will show flexibility of math thinking by knowing 2 ways to solve each contextualized math problem. This flexible thinking as well as fluent and accurate calculation strategies will move struggling mathematicians towards proficiency

See above Star Math results. Learning Walk reviewed in the Fall.

Math mornings for both 4th and 5th grades discussed- showing parents what math is like in class, learning strategies, and resources. Good turn out, 23/26 families represented in 4th grade and 22/23 families represented in 5th grade. Middle school will be inviting parents to join math class to get a better understanding of how math is going.

Community participation

-Mila shared that her 6th grader still uses her 5th grade math strategies and resources. Santa Monica Community garden coordinator will visit the campus tomorrow. Parents are willing to volunteer if teachers create signups.

-Suehyun shared that the 4th grade math morning was successful and that the kids did a great job leading their parents through the math activities. Parents have been asked to support visual arts with Julianna for grades 4-6. All spots have been filled.

Upcoming dates and events-

Jog-a-thon teacher designs will be voted on Monday 2/6. Middle school dance next Friday 2/10. Parent session with Hala for Core 1 has been rescheduled to 2/10.

Parent reps met to help decide the CREST classes after school.
