Reports and Announcements (regular agenda items)

Principal's Report- Construction update and Reflections on 13 out of the 39 days of in person instruction thus far

Updates-

1. Construction is progressing and exterior painting is starting this Friday
2. Subcontractors beginning next week to finish the new AC unit installation
3. Once a week meetings indicate that our timeline is on target

Five models being offered currently-

- 15 DL only students are continuing instruction with SMASH teachers
- 2 "schoolhouse" bungalows with about 50 students that we're supporting for five day a week instruction, separated into K-4 and 5-8 grades.
 - Joining with their Core when that is happening on campus
 - Joining on Zoom when those classes are offered
- Hybrid schedules
 - K/1 students Zoom in the morning and come onto the yard in the afternoons by advisory
 - 2/3/4 Zoom M, F and come ½ days on campus by advisory
 - 5/6/7/8 trade off using the baseball fields on alternate days
 - District purchased canopy chairs for student and staff use
 - Some shade tents are set up daily, parent reps asked about feasibility of putting up more. Council discussed personnel and storage needed for this.

Student Reports- (Given by Kyo Yamashiro)

Core 4 just had their first on-campus math test. Project shares are beginning next week. They've spent time practicing to be ready.

Community Organization Reports (to include but not limited to the following):

PTSA- None

Student Council- Because of all the different schedule changes, it's been too challenging to meet, so meetings have been cancelled. Participation for the year has exceeded expectations considering the current circumstances

New Business:

Confirmed election results for 1 new parent rep Julia and 2 new student reps

Hello, my name is Jullia Socolovsky. I was born and raised in Argentina. I moved to Israel at the age of 19 where I acquired my BA in Social Work. I came to the US almost 13 years ago and pursued a master's degree in Marriage and Family Therapy. I worked with infants and young children and their families. I believe that my multiculturalism and professional knowledge as well as my strong desire to help our school succeed (while listening to what succeeding means for our community in general and families in particular) can be of benefit. I'd love to be considered for the position and be more active in supporting our school. I'm the mom of Abigail (core 2), Magali (core 1), Daniela (future student of 2023) and Athos (great four legged companion)

SMASH Site Council Parent Rep Ballot

6th grader in 2021-22 Leo M.

I think I would like to be in Site Council because I like making choices with money. Helping SMASH be a better school is very important to me because I love this school and I go here. Something that makes me qualified for this is that I love statistics about sports, companies, stocks or school day things. I am very excited to try and help SMASH get even better.

7th grader in 2021-22 Darcy O

I would like to join Site Council because it would be a great opportunity to share my ideas and feedback. As a student member of Site Council you share with the teachers and parents what is happening in the classroom. I think that I can effectively communicate this. In addition, I can provide my input on what our class needs and wants. Overall I think Site Council would be a great experience and I would have a lot of fun doing it.

Thank you to Kyo for being so committed to our Site Council during your term!

Community participation- None
